7 Chapter 7 Refining

The restless Spiritual Energy began to converge in this room.

With a soft shout from Xue An, the once restless Spiritual Energy immediately became docile.

“Enter!”

The Spiritual Energy surged like a tide into the sphere floating in mid-air, and the initially dark-brown liquid gradually became clear.

A rich fragrance of elixir spread throughout the room.

Xue An knew that the Primordial Essence Elixir was ready.

Although the quality of the medicinal ingredients was poor, with Xue An’s cultivation level, he still managed to refine a superior-grade elixir.

But this was not enough.

Xue An formed a sword gesture with his hand and fiercely drew a line between his eyebrows.

A drop of golden blood appeared in his hand.

And Xue An’s complexion became somewhat haggard.

“Merge!”

The golden blood, containing a nearly terrifying energy, came into contact with the nearly-formed Primordial Essence Elixir, immediately dominating and swiftly dyeing the amber-colored elixir golden.

An indescribable fragrance quickly filled the entire villa.

“What’s this smell? It’s so fragrant!” Qin Yu, lying in her bed, also smelled this unusual fragrance.

“Could it be that guy messing around again? But this smell is simply too pleasant!” Qin Yu felt as if she herself were floating towards immortality.

The one who often suffered from insomnia fell into a deep sleep shortly after.

At this moment, the Primordial Essence Elixir was finally complete.

Looking at the two golden elixirs, Xue An couldn't help but let out a sigh of relief.

Even when he used to refine Great Dao Grade Elixirs, Xue An had never felt this nervous.

Especially since he had used his own lifeblood essence.

But it was all worth it.

The two elixirs, with a faint addition of destiny's favor, had clearly transcended the Earth level, and were at least elixirs of the Heavenly grade.

If there were those knowledgeable in elixir making present, they would likely chastise Xue An for wasting such heavenly materials.

Primordial Essence Elixir is after all one of the most basic elixirs for Foundation Establishment, which even mortals could consume.

An Earth-level Primordial Essence Elixir would have been sufficiently good.

Yet Xue An extravagantly refined one of the Heavenly grade.

But for Xue An, everything was worth it for his daughter.

Looking at the two sleeping little girls.

Xue An smiled slightly, then placed the two elixirs to the lips of the two little girls.

The elixirs, as if endowed with sentience, turned into liquid and directly entered their mouths.

Xue Xiang murmured something and continued sleeping after turning over.

Xue Nian smacked her lips, then murmured, "So fragrant!"

Xue An smiled, gently patted Xue Nian, "Be good, sleep!"

Xue Nian then fell back into a deep sleep, snoring away.

Although the two little girls might not need even one percent of the Primordial Essence Elixir's power right now, the benefits of this elixir for their future were boundless.

However, after the elixir was fully absorbed, some slightly blackened residue remained.

Xue An casually gathered the residue and fused it into one ordinary-grade Primordial Essence Elixir.

This thing was tasteless to Xue An, but too good to discard.

Keep it.

It might come in handy someday.

The next day.

Qin Yu woke up from her sleep, stretched languidly, feeling that she had never slept so comfortably in her life.

Huh!

Qin Yu suddenly felt something amiss outside the window.

Then she heard the servants also chatting animatedly.

Qin Yu walked to the window, and then she saw a surprising scene.

The courtyard's flowers and plants, which had lost their leaves due to the harsh cold, had all blossomed overnight.

Even the ginkgo tree had regrown its green leaves.

What happened?

Qin Yu was somewhat perplexed.

When it was time to wash up, she looked into the mirror and was stunned.

Although she was beautiful before, she had never looked as radiant as she did today.

Qin Yu suddenly thought of the unusual fragrance from last night.

Could all this be related to that scent?

Harboring this doubt, she went downstairs to the living room.

At this time, Xue Xiang and Xue Nian had already gotten up and were watching Peppa Pig in the hall.

Qin Yu was suddenly taken aback.

Because she noticed that these two little girls had suddenly become... so beautiful?

Yesterday, Xue Xiang and Xue Nian were already cute enough.

But compared to today, they were still far behind.

Not to mention anything else, the fresh fragrance emanating from the two little girls made one irresistibly want to get closer.

And the two little girls seemed to have become even purer.

Like porcelain dolls without a single impurity.

"Little girls, which one of you is the older sister, and which one is the younger sister?" Qin Yu couldn't help but ask this question as well.

Xue Xiang looked up at Qin Yu, then wrinkled her little nose, "Big sister, we can't talk while watching TV, you know!"

Qin Yu felt somewhat embarrassed.

Was this being reprimanded by a child?

Meanwhile, Xue An entered the living room and spoke indifferently, "Xiang Xiang, remember to call older women 'auntie', not 'big sister' in the future!"

Qin Yu was furious.

"Who are you calling old?"

Xue An looked at Qin Yu, "If you still want to save your grandfather, remember to speak respectfully when you talk to me."

"You..." Qin Yu was so angry that her willow brows stood upside down, and she seethed with resentment inside.

I'll see how long you can be arrogant, just wait... hmph! I'll make sure you get what's coming to you!

At this moment, Qin Yuan also came downstairs, looking excited as he said to Xue An, "Mr. Xue, the flowers and plants outside are..."

Xue An replied indifferently, "I did it."

“I knew it! Mr. Xue is truly a divine being! You made the flowers bloom overnight; such a feat is unheard of!”

Qin Yu, somewhat dissatisfied, muttered on the side, “Everything is his doing, is there proof?”

Xue An frowned, this woman was simply brainless to the extreme.

“Yu’er, show some respect. Mr. Xue, please don’t take offense! Yu’er has grown up abroad and is impulsive in her actions...”

Xue An waved his hand dismissively, “If I took offense, she wouldn’t be standing here now. Tell me, what price are you willing to pay for your life?”

Just as Qin Yuan was about to speak, footsteps were heard outside, and then an old man sneered, “I’d like to see which divine doctor has the audacity to offer life for money.”

With the sound, a group of people walked in.

Leading them was a sullen-faced elderly man with white hair.

Several young men and women followed behind him, all with arrogant expressions.

Upon seeing the elder, Qin Yu greeted him with a smile, “Master Hua, you’re here!”

Hua Xingyu, the Master Hua from Beijiang, was a highly famous medical sage, and while he couldn’t compare to the high divine doctor of Zhongdu, he was still very formidable.

The beautiful woman behind the elderly man also spoke with a smile at this moment, “Grandfather, this is my best friend, Qin Yu!”

Hua Tingting.

Qin Yu’s best friend, and also the dear granddaughter of Hua Xingyu.

This was also where Qin Yu’s confidence stemmed from.

Qin Yu couldn’t help but glance at Xue An with a sense of triumph, thinking that now he was in trouble!

This was Beijiang’s most prestigious medical master; soon, your little tricks will be exposed.

But Xue An was just sitting there quietly, his expression calm as if everything had nothing to do with him.

At this time, Qin Yuan's expression was a little troubled, but Hua Xingyu was also a prominent figure in Beijiang.

So, Qin Yuan also stood up and greeted him with a bow, "It turns out to be Elder Hua! Please, take a seat!"

Hua Xingyu returned the gesture, "Old Mr. Qin, it has been a while since we last saw each other, but you still seem very robust!"

As he sat down, Hua Xingyu gave Xue An a hostile glance, and after a while, he said, "I wonder who this might be?"

Xue An replied indifferently, "My name is Xue An."
