Hearing Elicia's words and tone, seeing her smile and the way she dressed, Alfonzo was dazed for a moment. In that moment, however, most of his intoxication was blown away. After he regained his bearings, his eyes narrowed, and he licked his lips. It did not take a genius to figure out what Elicia was insinuating, after all.

Seeing Alfonzo's change in expression, Elicia's seductive smile widened. Then, she uncrossed her legs, giving Alfonzo a glimpse of what lay between, before quickly standing up.

'No panties, huh?' Alfonso murmured to himself as his expression morphed into a smile of his own.

Standing barefoot in front of the bed, Elicia gave Alfonzo a moment to take in her figure.

'Her tits are bigger than they were in our past life.' Alfonzo noted in his mind as his eyes roamed over Elicia's body. 'She's still got those wide hips and those sexy legs, too.'

Just as Alfonzo noticed, Elicia's bust had grown in this world. In their past life, her cups size was B. However, at only fifteen, she had at least a C-cup, maybe even more. On top of that, she was already as tall as she had been in her past life, 5'6" (1.68 m) tall.

'The wonders of magic power are amazing.' Alfonzo thought to himself as he licked his lips again.

Meanwhile, Elicia was enjoying the desire she could feel from Alfonzo's gaze.

'He can't take his eyes off me.' Elicia thought to herself. 'And I like it. And this time, I'll have no regrets. I'm gonna be his first in this life.'

With those thoughts running through her head, Elicia started walking toward Alfonzo slowly. As she did, she made a show of swaying her hips. After a few steps, she was standing right in front of Alfonzo, looking up into his grey eyes. Able to see her lover's desire even more clearly due to the proximity.

"Why don't you unwrap your gift, Fonzie." Elicia said sensually while running her hands from her shoulders down to her thighs.

"Gladly." Alfonzo replied with a slight growl.

Then, Alfonzo placed his hands on the belt tying Elicia's robe together, and pulled gently. With the knot coming undone, Alfonzo's eyes were drawn to the skin that was newly revealed. The upper chest, the inner side of her breasts, her tight stomach, her completely shaved pubic area, and the top of her inner thighs.

"Beautiful." Alfonzo muttered as his eyes ran up and down the center of Elicia's body.

Without wasting any more time, Alfonzo gently pushed the sides of Elicia's robe off her shoulders and let it slide down her arms and off her back, revealing the rest of her flawless body. Then, without another word, he wrapped his arms around Elicia's waist and pulled her close, leaned forward and stole her lips.

At the same time, Elicia tilted her head back, reached up, wrapped her arms around Alfonzo's neck, stood on the tips of her toes, and welcomed the lips of the man she has loved for two lifetimes.

"Mmm~" Elicia moaned into the kiss.

With her naked body pressed against Alfonzo's, it did not take long for Elicia to notice the stiff bulge that was pressing against her abdomen through Alfonzo's pants as they let their tongues dance in each other's mouths.

'Is he even bigger than he was in our past life?' Elicia asked herself without breaking the passionate kiss. 'He was like 8 inches (20 cm) long before. If he gets any bigger, he might break me in half... Mmm~~~! I can't wait.'

Eventually, after kissing until they were both out of breath, The couple finally broke the kiss. After looking into each other's eyes for a few moments, Elicia let go of Alfonzo's neck. Then, she did a half turn and pressed her back against Alfonzo.

When Alfonzo tried to wrap his arms around Elicia's waist, she gently stopped him before looking over her shoulder with a smile. Then, without a word, she started bending forward. Making sure to wiggle her ass against his trapped erection the whole time.

'God damn it!' Alfonzo roared in his mind. 'Why the fuck do I still have my pants on? She's bending over right in front of me.'

Aware of what Alfonzo must have been thinking, Elicia's smile widened even further. Unfortunately, Alfonzo had no way to see it.

Eventually, Elicia had bent forward enough that her hands were now flat on the floor, right between her feet. Then, while supporting her body weight with her hands, she slowly raised her feet from the floor while slowly spreading her legs.

A moment later, Elicia was performing a handstand with her legs spread, in a perfect split, and the front of her torso pressing against the front of Alfonzo's body. Then, after holding that position for a moment, Elicia slowly closed her legs. Before they were fully closed, however, she caught the back of Alfonzo's head with her calves.

Using her well-toned legs, Elicia pulled herself up, placing her quads on Alfonzo's shoulders and putting her womanhood right in front of Alfonzo's mouth before hooking her ankles around the back of his head.

"Now," Elicia said, pausing momentarily to lick her lips, "It's my turn to unwrap my birthday gift."

In the next instant, Elicia swiftly untied the sash that Alfonzo used as a belt. Then, she unbuttoned and unzipped his pants before yanking them, along with his boxers, down to his thighs, causing his erect, 9 inch (23 cm) long dick to spring up and lightly slap her on her nose.

Then, from her upside-down position, Elicia stuck out her tongue and ran it along Alfonzo's shaft, causing him to shiver with pleasure.

A moment later, Elicia also shivered when she felt Alfonzo's tongue slowly licked from her clit to the other side of her lower lips.

'Oh my God, I've missed this.' Alfonzo and Elicia thought in unison.

By that point, neither of them were able to hold back anymore. While Alfonzo wrapped his arms around Elicia's thighs and used his fingers to spread her pussy, Elicia gently, yet firmly, wrapped the fingers of her right hand around Alfonzo's shaft while gently cupping his balls in her left hand.

Then, as if they were reacting to a starting signal, they both dove in simultaneously.

"Oh, fuck..." Alfonzo muttered as he felt his dick being sucked into Elicia's warm, wet mouth.

""Ahn~~~!" Elicia moaned, her lips vibrating on the head of Alfonzo's dick.

After the initial burst of pleasure passed, the two started pleasuring the other in earnest. While Elicia started working her tongue, jerking her right hand, and bobbing her head up and down, Alfonzo started flicking his tongue on Elicia's clit, plunging it inside her pussy, and using his fingers to stimulate both.

"Ahn~~! *Gag* Mmm~! Ahn~! *Gag* Mmm~~~!" Elicia moaned from the pleasure while taking as much of Alfonzo's dick in her mouth as she could every time she bobbed downward.

Meanwhile, Alfonzo's quiet grunts and low moans could be heard while he continued to eat Elicia out like it was the best meal he had ever had. Eventually, deciding to kick things up a notch, Alfonzo plunged the middle finger of his right hand inside Elicia while simultaneously slapping her thick, round ass with his left hand, and sucking her clit between his lips.

"Ahh~~~~~!" Elicia screamed as she came immediately, drawing her head back and releasing Alfonzo's dick.

At the same time, Elicia's body began to spasm, causing Alfonzo to wrap his left arm around her waist to keep her stable. Then, when her shuddering began to calm down, Alfonzo carefully turned Elicia's body around and carried her like a princess and looked into her somewhat vacant eyes.

"First orgasm, huh?" Alfonzo said after about thirty seconds when Elicia's eyes regained their focus.

"Of course." Elicia said, rolling her eyes. "Why would I play with myself when I know how good the real thing can be."

Smiling at Elicia's response, Alfonzo began walking toward their bed. Along the way, he let his pants and boxers slip down to his ankles. Then, he stepped out of them. By the time he reached the bedside, Alfonzo was only wearing the shirt that he never took off.

Alfonzo then laid Elicia on the bed. With her now laying on her back and looking up at Alfonzo, they both wore similar smiles filled with love and passion as they looked into each other's eyes.

"I love you, Fonzie." Elicia said, her emotions boiling over. "I'm glad I get to be your first, this time."

"I love you too, Lici." Alfonzo said, as he took off his shirt before climbing up onto the bed. "You have no idea how much I regret not waiting for you in our past life. I was such a dumb ass."

"That doesn't matter now." Elicia said, reaching up and cupping Alfonzo's face in her hands. "We got another chance to do things the way they should have been, right."

"Right." Alfonzo said as he leaned down and started another passionate kiss with Elicia.

This kiss, much more loving and tender in nature than the first, lasted just about as long. The whole time, however, Alfonzo and Elicia were grinding their intimate parts against each other. So, by the time they broke their kiss, Alfonzo's dick was drenched in Elicia's juices.

"Give it *Pant* to me, Fonzie." Elicia said through her rough breathing.

Without a word, Alfonzo leaned back and lined his dick up with Elicia's slit. Then, after a deep breath, he pushed it in, inch by inch. Though he could not push it in to the base, Alfonzo was not surprised when he did not feel Elicia's hymen.

'Just like last time, she probably broke it during all that training.' Alfonzo said to himself as he looked down at the slightly frowning Elicia.

"Yeah, you're definitely bigger than before." Elicia said with a cramped smile. "This is gonna take some getting used to."

"You make it sound like that's gonna be a problem." Alfonzo said with a small smile.

"Um... No." Elicia said. "I'm looking forward to the learning curve."

"That's what I thought." Alfonzo said as he started slowly rocking his hips back and forth.

At first, like any other virgin, Elicia felt a bit uncomfortable with Alfonzo's movement. Over time, however, her painful grunts turned into pleasure filled moans.

"Mmm~, You can.. Ah~, go faster." Elicia said between moans.

And just as Elicia said, Alfonzo began to slowly speed up his movements. As his speed increased, so too did the volume of Elicia's moans. And with the louder moans came something uncharacteristic for Elicia.

"Ahh~~~~! Yes! That's it!" Elicia screamed as Alfonzo pounded into her. "Fuck me, Daddy! Mmm~~~~ Fuck me!"

Elicia started cursing like a sailor while Alfonzo buried himself as deep as he could in her pussy.

"Oh my fucking God!" Elicia screamed as her body started to shudder. "I'm cumming! Ahh~~~~~!"

While Elicia reached her second orgasm of the night, Alfonzo was holding on for dear life. Elicia had wrapped her legs around his waist out of instinct and he was about to reach his limit.

'Fuck, how could I be so stupid?' Alfonzo thought to himself. 'I went in raw... This could be bad. I mean really bad. Damn it, of course I'd be a virgin, too. Holding back with this inexperienced body is a bitch. It doesn't help that Lici's pussy feels so fucking good, too.'

With great will power, Alfonzo was able to hold on until Elicia came down from her orgasm. However, it seemed that Elicia had no intention of letting him go.

"Lici, I'm gonna cum." Alfonzo said as he tried to pull out.

"Let go inside of me." Elicia said with lust in her tone. "I wanna feel you filling me up."

"But I'm not wearing---" Alfonzo said, starting to panic.

"Don't worry about that." Elicia said with a smile. "I've been planning for today ever since you got back from your last S-Class quest. I learned just enough [Word Magic] for tonight."

Hearing Elicia's confident tone and seeing the smile on her face, Alfonzo decided to trust his lover. So, he made a few more deep thrusts before finally thrusting as far as he could.

"Ah, Fuck!" Alfonzo grunted as he shot his seed deep into Elicia.

After shuddering for a few seconds, Alfonzo fell forward, landing on top of Elicia, who wrapped her arms around his back.

"I love you so much, Fonzie." Elicia said as she ran her fingers through Alfonzo's hair.

"I love you too, Lici." Alfonzo said, rolling off of Elicia and letting her rest her head on his chest.

For the next few minutes, Alfonzo and Elicia lay in each other's embrace, content with the comfortable silence. Eventually, Elicia was the one to break the silence.

"I really wanna do it again." Elicia said with a disappointed smile on her face.

"Let me guess, your body is telling you not to, right?" Alfonzo said while combing his fingers through Elicia's hair.

"Yeah." Elicia said with a pout. "On top of just losing my virginity, you're bigger than before and stretched me out too much. I'm just too sore."

"There's no rush." Alfonzo said with a wry smile on his face. "We've got all the time in the world. I ain't goin' nowhere."

"Yeah, but you'll have to make time for Cana, and whoever else joins us in the future." Elicia said, stretching out and kissing Alfonzo on the cheek.

"Shit!" Alfonzo exclaimed after Elicia mentioned Cana.

"What's wrong, Fonzie?" Elicia asked in a confused tone.

"I got so caught up in the moment, I forgot that Cana was here." Alfonzo said as he face palmed.

"What's wrong with that?" Elicia asked, cutely tilting her head.

Alfonzo could only look at Elicia with a deadpan.

"You don't understand how loud you are, do you?" Alfonzo asked in a dry tone.

Meanwhile, on the second floor, the sounds of a girl's moans could be heard through a closed door.

"Mmm~! Damn it!" Cana's voice sounded through the second-floor corridor. "I'm so jealous, but that sounded so... Ahn~! hot!"
