

Fall for You 1020

[Chapter 1020](#)

Zane sighed and shook his head, "I'm not sure what happened either, but don't worry, I've already asked Kiley to plead with Isaac. We should be able to resume cooperation by tomorrow."

Compared to Zane's optimism, Kathy didn't hold much hope for this, after all, Kingly Group was in the business of running companies, not charity.

"I now feel that I made a mistake in choosing to collaborate with Isaac back then."

If it hadn't been for Isaac offending the Yoder Group and the Cameron Group, she would still be able to negotiate with the Yoder Group and the Cameron Group. But now, both companies are unwilling to cooperate with her company.

Zane frowned, disagreeing, "Kathy, you're just too worried. Rest assured, the cooperation will definitely be restored tomorrow! If it's not, you can come find me!"

Kathy was silent for a moment, then suddenly said, "Bro, why don't you try to smooth things over with Briana Cameron?"

After all, Briana Cameron now had the backing of the Cameron family and the Yoder Group. There was absolutely no harm in maintaining a good relationship with Briana Cameron.

"What?!"

Zane could hardly believe his ears, "Are you insane? My

288 iVouchers

relationship—with Briana Cameron is already beyond repair. She would never forgive me, let alone help the Schneider Group. Going to her would be like throwing myself at her mercy!"

"That was still better than being terminated by the Kingly Group now. If I didn't think of other ways, I wouldn't be able to maintain my position in the Bynes family in the future."

"Even if we really need to approach Briana Cameron, we must first ensure that Kingly Group truly won't resume cooperation with us. Otherwise, we might end up offending both parties."

For Kingly Group, Kathy no longer held much hope. She had found out today that Isaac was not at Kingly Group at all. The fact that Kingly Group could terminate their collaboration with him indicated that Isaac did not have much real power in Kingly Group.

However, Kathy didn't explicitly say this.

She pursed her lips, her expression serious as she said, "Fine, ↓ can wait another day, but if the collaboration is still not

resumed by tomorrow, you should go talk to Briana Cameron."

"Let's talk about it later."

Zane didn't want to see Briana Cameron again at all, and he had been unkind to her in the past. Perhaps even if he were to die in front of her now, she wouldn't spare him a second glance.

After all, Mallory had previously sought out Briana Cameron and fainted in front of her, yet she was able to completely ignore him. As for her own father, who had no affection for

her, she would definitely be even more indifferent.

"Bro, then I'll go back first."

After Kathy left, Zane walked into the villa irritably. Sabina approached him to talk, but he was indifferent.

Noticing that he seemed troubled, Sabina furrowed her brows, "Zane, what's wrong? You can talk to me about anything. Maybe I can help you find a solution. Two heads are always better than one!"

Zane glanced at her, "No need, I still have work to deal with, you go have fun by yourself."

After speaking, Zane immediately stood up and headed straight for the study.

He was somewhat uneasy about whether he could resume cooperation with Kingly Group, and even began to regret so easily agreeing to give Kiley 10% of the Schneider Group's shares.

But it was too late for regrets now, all they could do was hope that Isaac would agree to resume the collaboration.

Early the next morning, as soon as Zane woke up, he immediately got up, washed up, and went to the company, fearing that he would miss a call from Kingly Group.

However, after waiting all morning, there was still no sign of any activity.

He couldn't help but feel a bit nervous in his heart, and hurriedly made a phone call to Kiley.

"Kiley, didn't you say we could resume collaboration this morning? How come I've been waiting all morning and no one from Kingly Group has contacted me?!"
