

Fantasy I Pick Up Attributes In The Future

Chapter Eleven: Spirit Level Treasure Chest!

Zhao Ling strode towards the Practitioner Alliance.

"Stop, only Practitioners and examiners can enter the Practitioner Alliance!"

Suddenly, the two middle-aged men guarding the door snarled and made Zhao Ling stop.

"I'm here to certify Practitioner!!"

Zhao Ling straight to the point told the other party the purpose of owning.

"Certified Practitioner!?"

The big man on the left was taken aback for a moment. Seeing Zhao Ling's young appearance, they thought it was a bumpkin who had never been to the city center and walked out. They didn't expect that the other party came to certify a Practitioner!

"There is a dynamometer there, and you can go in and test it when your strength reaches 1000kg!"

The bearded man on the right pointed to a row of huge dynamometers on the side.

Zhao Ling nodded, knowing that they were acting impartially.

And the strength of these two guards is not low.

At least they are all masters of the peak Body Tempering realm!

Only the Martial Dao Alliance can do this when the strong come to guard the goal.

You know, even a middle school principal is just the pinnacle of the Body Tempering realm.

Zhao Ling came to the first dynamometer and punched at will.

"Boom!!!!"

With a sound of impact, the entire dynamometer vibrated.

"Dididi! Strength: 1000kg!"

1000, one gram is not more than one gram is not less.

This scene caused the expressions of the two guards on the side to change suddenly.

Such precise control is probably even impossible for them!

"The power bestowed by the system is completely under my control. It seems that I don't need to study hard to control power like the hero in the novel."

Zhao Ling squeezed his fist in satisfaction, he could clearly feel every trace of own's strength!

"Can I go in!?"

Zhao Ling smiled slightly, and the two guards looked at each other and stepped aside!

"Please!!!!"

.....

.....

Zhao Ling, who entered the Martial Dao Alliance, saw a huge hall!

The building of the entire Martial Dao Alliance is extremely tall, but its footprint is not small.

As long as you are a Practitioner, you have enough money to enjoy the services you can think of in the Martial Dao alliance.

The first floor is the most basic task hall and Practitioner certification hall!

Before Zhao Ling came to the certification hall, he saw more than one hundred people waiting in the rest area.

Zhao Ling came to the window and said to the staff inside: "I want to certify Practitioner, what's the procedure!"

Zhao Ling said straight to the point.

"Hi sir, please enter your identity information on the DNA recognizer first!"

The staff smiled and guided Zhao Ling to the DNA recognizer to enter own iris, fingerprints, and DNA into the database.

"Hello sir, the next batch of Practitioner certifications will start after another two hours. You can wait in the rest area or on the first floor, or come back after two hours. I wish you a smooth assessment."

After the staff finished speaking, they went to receive the next person.

"Is there another two hours to wait?"

Zhao Ling was taken aback for a moment.

"Then let me improve my strength first!"

Zhao Ling's eyes flickered slightly, and then he glanced lightly at a group of prospective Practitioners waiting in the rest area.

But among these people, Zhao Ling knew that it would be good if one-third of them succeeded.

After all, many people come to the test after their strength reaches the standard. Sometimes, if they play for a long time, there is hope to become a Practitioner in advance.

And he also heard that even if your strength, speed, etc. are up to the standard, you don't necessarily become a Practitioner. Zhao Ling doesn't know exactly what's going on like this!

Walking to the rest area, Zhao Ling found a seat and sat down.

The young, middle-aged, and even old men around were stunned when they saw Zhao Ling's appearance!

"I didn't expect there to be such a young guy."

"I think he is only seventeen or eighteen years old. He has reached the standard of a Practitioner at such a young age and has a bright future!"

"No, I'm still worrying about preparing for an intermediate Practitioner at his age!"

.....

.....

There was a burst of exclamation.

Zhao Ling smiled and nodded to these prospective Practitioners, then picked up a copy of the Practitioner Certification Instructions on the side anyway.

And his consciousness spread to a range of more than 20 meters around him and began to pick up attributes.

"Ding... The host picked up the attribute: 50 points of vitality and blood, and increased the value of vitality and blood: 50"

"Ding... The host picked up the attribute: 40 points of strength, increase the value of strength: 40"

"Ding... The host picked up attributes: 4 points of soul, increase soul value: 4"

"Ding... The host picked up the attribute: speed 3 points, increase speed value: 3"

It is worth mentioning that although the more than 100 strong people around are not practicing sports, their strength is always stronger than the passers-by and the students in the school.

Therefore, the attributes they drop are much higher than the attributes dropped by students who work hard to practice.

Zhao Ling also believes that as long as he gets in touch with more powerful people, the faster his own strength can be improved.

Suddenly, Zhao Ling's mind saw a black treasure chest exuding a trace of Spiritual Qi, and his heart skipped a beat.

"Ding... Congratulations to the host for picking up a spiritual treasure chest *1"
