

Fantasy I Pick Up Attributes In The Future

Chapter Six: Mind Power! Psychiatrist! ! (One More Time To Ask For Flowers)

Seeing this number, Zhao Ling stretched out his hand to catch him without a trace.

The principal thought that Zhao Ling reached out to shake hands with him, then smiled and stretched out his callused right hand and shook Zhao Ling heavily.

"Forehead!!!"

Zhao Ling was confused by the principal's actions, and then smiled brightly with the principal.

And The next moment The number in the palms of the two people instantly turned into a blue light and rushed into Zhao Ling's body.

In an instant, Zhao Ling felt that own head was hit by a huge hammer.

The next moment he felt that his own consciousness had come to a narrow dark room.

In this small black room, blue light spots filled the whole room.

At the next moment, all the light spots rushed towards the wall of the small black room.

"boom!!!!"

A loud noise shook Zhao Ling so much that his eardrums almost burst.

"Boom boom boom boom..."

Immediately afterwards, one after another impact sound shook the surroundings of the small black room uncontrollably.

"Where the hell is this place? Wasn't I on the podium just now!?"

Zhao Ling looked around with a solemn face.

"boom!!!!"

Suddenly, after another loud noise, Zhao Ling found a small opening in the surrounding barriers.

Bursts of light came from outside the opening!

"Click!!!!"

With the sound of breaking, there are more and more openings around them, and they are getting bigger and bigger.

Until the end, the whole little black house was shattered!

The next moment A blue ocean appeared in front of Zhao Ling.

"Ding... Congratulations to the host for breaking the mental barrier! Awakened profession: Psychic teacher!"

"Ding... Congratulations to the host for awakening the skill: Psychic power!"

Following two loud system beeps, Zhao Ling's consciousness was instantly kicked out.

"Student Zhao Ling, what's wrong with you?"

A sudden questioning voice brought Zhao Ling back from his daze.

Zhao Ling suddenly realized that he seemed to have created something incredible just now, but it seemed like a long time had passed in that mysterious space.

But the outside world doesn't seem to have passed even a second.

"Sorry principal, I'm so excited!"

Zhao Ling said in embarrassment, and then took a star coin storage card from the principal's hand!

"Hahaha, it's okay! You go back first and I'll make another announcement."

The principal smiled and shook his head.

"Thank you principal!!!"

Zhao Ling didn't stay any longer, he still wanted to see what he was like just now!

After finishing speaking, Zhao Ling walked quickly to the audience.

Zhao Ling returned to the crowd and looked at the own system.

Looking at the own attribute table, Zhao Ling felt as if he had grown a third hand.

He looked towards a little Fatty seven or eight meters away, and then moved with his thoughts.

Little Fatty suddenly felt a big hand grab Own's leg, The next moment a terrifying force came from the big hand.

"don't want!!!"

The little Fatty who was pulled vigorously lost his balance and fell to the ground with a scream.

"Boom!!!!"

This scene immediately attracted everyone in the hall.

His instructor gave little Fatty a horrified look.

The unlucky little Fatty couldn't help but be teased by Zhao Ling, and faced the danger of being physically punished by the instructor.

"Psychic power! Sure enough, it is telekinetic power, this time it is really developed!"

Zhao Ling was extremely excited in his heart, but it didn't show in the slightest on the surface.

"By the way, I don't know if telekinesis can pick up attributes!"

Suddenly, Zhao Ling's eyes lit up, and his eyes locked on a blue attribute number not far away!

The next moment Zhao Ling's telekinetic power spread to the blue attribute number.

Suddenly, the blue number moved, and at the same time flew towards Zhao Ling quickly.

In an instant, it merged into Zhao Ling's body.

"Ding... The host picked up attributes: 7 points of soul, and increased soul value: 7"
