Farmhouse 87

Chapter 87 You Got Tanned.

Adding up her two lifetimes, Gu Youyou had lived for quite a number of years, but when it came to affairs between men and women, she was still in the stage of theoretical knowledge.

With all her clothes taken off, it must have been... done, right?

After some thought, she felt she was at a disadvantage!

On her wedding night, she passed out, so there was nothing to say about that.

But what about this time, why didn't he wake her up?

Could it be that he had some kind of fetish?

Gu Youyou was holding back a surge of anger, and she forcefully pushed him away.

This time Jin Zijin was also pushed awake by her, his eyes somewhat swollen, looking very tired.

The corner of Gu Youyou's mouth twitched, no, she was going to start wildly guessing again.

"What's going on with you, why did you take off my clothes?"

Her face was clearly blushing with embarrassment, but she questioned him with righteous indignation, her neck stiff.

Jin Zijin was silent for a moment, then said, "You were sweating all over, I was afraid you would catch a cold, so I took them off for you."

...That excuse!

Gu Youyou looked at him suspiciously, seeing nothing but a serious face on him.

She snorted and said, "You think I don't know what you're up to? We're both adults, and we're husband and wife, nothing to be ashamed of, so stop pretending to be so pure with me. The excuse you're using, can't you come up with something plausible? This cave is cold, my body is inherently weakened, how could I possibly be sweating?"

"Why would I lie to you?" Jin Zijin still had a serious expression, his gaze too sincere.

Gu Youyou was taken aback for a moment, then scornfully said to him, "Fine, let's not admit anything, but don't think you can fool me with your serious look. Forget it, I ain't going to argue with you over this, get up quickly!"

The cave could only shelter them from wind and rain, figuring out their daily meals was still an issue!

Now was not a good time for Gu Youyou's body to go hungry!

Gu Youyou grabbed her clothes and put them on one by one, the innermost garment felt a bit damp, she sniffed it, and there was a smell of sweat.

She suddenly froze, incredulously looking at him.

"I really sweated?"

Remembering the dream she had last night, soaking in a sauna and breaking out in a heavy sweat, it seemed the dream wasn't without reason after all!

Jin Zijin didn't say anything, the answer was already clear.

Gu Youyou was shocked, and quickly took her own pulse.

There was no major issue with her pulse, she took her own pulse every day, and it was more or less the same as yesterday.

This body seemed to have been poisoned by some unidentified toxin, anyhow, it was beyond her scope of knowledge.

Sigh, never mind for now, as long as there was no major issue with her body, she would ignore the minor non-lethal poison for the time being.

Jin Zijin on the side had put on his pants and now was dressing himself.

The sky grew brighter, and Gu Youyou got a clear look at Jin Zijin's upper body for the first time.

His body fit and strong, his skin very pale, in stark contrast to his face, as if the head was put on the wrong body.

Jin Zijin acted swiftly, and within the blink of an eye, he was fully dressed.

Turning around, his gaze met Gu Youyou's eyes.

Gu Youyou froze awkwardly on the spot and said, "Did you get tanned over these years?"

Jin Zijin: "..."

"Wang Shun said when you arrived, you looked like a genteel scholar, but now... you really look like an ordinary hunter!"

Jin Zijin withdrew his gaze and made an 'oh' sound in his throat, said, "Yes! I got darker."

Gu Youyou: "..."

He said, "You wait here for me, don’t go anywhere, I’ll go down the mountain to get some things and will be back soon."
