

First Love 116

Chapter 116 Mom, help me

Seeing Lizhen's attitude towards him, Wang Kun had to leave and go home in shame.

Wang Kun walked into the house listlessly, sat down on the sofa in the living room and sighed.

"Kunkun, did you get any news about your daughter-in-law when you went out today? It's been almost a month, almost a full moon. I wonder how my poor granddaughter is doing now. She has been displaced since she was just born. Grandma misses you so much." Jinlan saw that Wang Kun looked listless, and she must be listless because she had no news from them and came back.

"Mom, I found Lizhen and the others today." Wang Kun felt particularly sad when he heard his mother mumbling about looking for Lizhen again.

"Ah, my sons are there, why don't you bring them back? Are they okay now?" When she heard the news that Wang Kun had Lizhen, she immediately jumped up from her chair, rushed to Wang Kun, and asked him anxiously.

"Mom and the others live happily in a villa, but Lizhen won't forgive me and she refuses to come back." Wang Kun said while hugging his head with a very painful expression.

"No wonder, it's your fault that you hurt others. If it were me, I wouldn't calm down so quickly and forgive you so quickly." Jin Lan glared at Wang Kun with an angry look.

"It seems like Mom Lizhen won't forgive me this time. Mom Lizhen listens to you the most. Can you give me some advice? What should I do to make her forgive me?" Wang Kun couldn't think of a better way to make Lizhen forgive him.

"What can I do? You've gone too far this time and hurt others so badly. Mommy has no choice but to be thick-skinned and beg Lizhen to forgive you for the sake of her son. It's a sin. You've messed up a good family." Jinlan was helpless, but there was no other way. It was her son's fault for being so disappointing and hurting others.

"Lizhen lives there now. Take me to meet her." Jinlan sighed. She still couldn't persuade her son. I went to find Lizhen.

Since Wang Kun came to see Li Zhen, she expected that Wang Kun would come to see her again. Li Zhen told Liu Ma not to open the door if Wang Kun came again.

Wang Kun also expected that Li Zhen would not want to see him, so he asked his mother to go. Wang Kun sent his mother to a place not far from Li Zhen's residence and stopped. He pointed to Li Zhen's residence and said, "Mom, Li Zhen lives in that house."

"Okay, go and do what you need to do, I'll go take a look." Jin Lan also understood Wang Kun. Li Zhen definitely didn't want to see her son. Her son must have been turned away yesterday, so he returned home listlessly.

Jinlan carried some of her granddaughter's supplies and walked straight towards where Lizhen lived.

"Ding-ling, ding-ling" At this time, Lizhen was still in the room with the baby and had not gotten up yet.

Mrs. Liu was busy in the kitchen. When she heard the doorbell, she immediately ran to the door. She looked through the crack in the door, because Lizhen told her not to open the door if it was Wang Kun. At this time, she saw an elderly woman waiting at the door with a gift in her hand.

Mrs. Liu saw an elderly woman of medium height, neatly dressed, who also mentioned a gift. She quickly opened the door and asked, "Auntie, who are you looking for?"

"I'm looking for Lizhen, is she here?" The elderly woman stood at the door with a kind face and a smile on her face.

"Oh, you are..." Mrs. Liu was more cautious after learning from the last lesson. She wanted to find out the other person's identity clearly.

"I am..." Jin Lan hesitated for a moment. As a smart person, she was afraid that the servant would not let her in if he knew her identity.

"I am Li Zhen's relative." "Oh, Miss He, your relative is here."

"Miss He" Did I call the wrong person? This is Miss Jinlan. She was confused when she heard Sister Liu call her Miss He.

"Who are the relatives? The relatives there." At this time, Lizhen came down from the second floor holding the baby in her arms.

"Lizhen, it's me." Seeing that it was Lizhen coming down the building, Jinlan immediately put down the gift in her hand, and ran forward with great surprise and joy.

"Mom, it's you." Lizhen was very happy when she saw her mother-in-law. She also understood that Wang Kun must have asked her mother-in-law to act as a lobbyist. She hadn't seen her mother-in-law for more than a month. Lizhen was very satisfied with this mother-in-law. Her mother-in-law treated her as well as her own daughter.

"Come here, baby, let grandma see me. Grandma misses you so much." Jinlan said and immediately reached out to hug her granddaughter.

"Mom, you just came in from outside, you should go wash your hands. Sister Liu, take my mother-in-law to wash her hands." Lizhen smiled, slightly blocked her mother-in-law's hand with her hand, and told Jinlan with a smile.

"Yes, Lizhen, you see, mom is too confused. When she saw you and my precious granddaughter, she forgot everything." Jinlan hesitated for a moment and then immediately understood and went to the bathroom to wash her hands.

"It's grandma. You're still so young. Come and have some tea." Sister Liu immediately brought the tea.

"Thank you," Jinlan took the tea politely.

"Come, grandma has washed her hands. Come and let grandma hug you. Baby, grandma misses you so much." Jinlan couldn't wait to hug her granddaughter.

Looking at the cute and tender baby, Jinlan couldn't let go of her granddaughter. She stared at her granddaughter and was reluctant to leave.

Jinlan looked up at Lizhen, who was much thinner than before, with a yellowish face and a hint of sadness between her eyebrows. Jinlan walked forward and took Lizhen's hand. Her eyes turned red and she said with great heartache, "My child, you have suffered. It is my fault that I did not educate Wang Kun well."

"Mom, don't say that. It's not your fault. You've been great. You're a good mother. It's Wang Kun who is bewitched and obsessed with others. I will never forgive him this time. He has hurt me too much." After Li Zhen finished speaking, tears fell like pearls from a broken string.

"My child, Kun Kun, is a good-for-nothing. He doesn't deserve a wife as good as you, but we women are soft-hearted. We still have children, and you still have a pair of lovely sons and daughters. It doesn't matter if you separate as adults. You can still get married, and he can still get married, but have you ever thought about what to do with these two children? The most pitiful children are the children when their parents are not together."

Jinlan is a sensible and kind mother-in-law, and also a very smart person. Not only does she speak politely and appropriately, but her words also convince people and touch their hearts.

"Mom, woooo" Jinlan's words touched Lizhen's heart. The pain that had been suppressed in her heart for more than twenty days burst out like water from a floodgate. Lizhen could no longer control her inner feelings, and at this moment they finally exploded. She threw herself into Jinlan's arms and burst into tears.

"Don't cry, child. It is our Wang family who has let you down. Cry, child. Let out all the grievances in your heart. Don't feel sad in your heart." Jinlan hugged Lizhen and started crying too.

It should have been a happy family, but due to the intervention of a third party, a harmonious family was disturbed, crying, and people were in chaos. I don't know what happened to those who were cheating.
