

First Love 13

Chapter 13 What's wrong with you?

"I have good news to tell you. I have completed the signing of a contract for another project today." Li Zhen came excitedly to tell Wang Kun the good news.

But Wang Kun didn't seem happy today. He just looked up at her and continued doing his things. Li Zhen waited for him for a long time but he didn't say anything.

Lizhen was particularly puzzled because he was not usually like this. If he heard the news, he would definitely be happier than her.

"Lizhen, the chairman wants you to go to his office." Another secretary of the chairman came to inform Lizhen. Lizhen looked at Ran who was working with his head down, and left helplessly.

Wang Kun watched Li Zhen's back as she left. He looked around and saw a figure flash across from him. A complicated expression appeared on his face and he realized that he had been monitored.

Wang Kun said he agreed to separate, but after a few months of getting along, he and Lizhen developed feelings for each other. He couldn't sleep at night these days, thinking about every little thing he had with Lizhen.

Alas, Wang Kun, what's wrong with you? Why is the road of marriage so bumpy and tortuous? He doubted whether he could fall in love anymore. Every time he tried to fall in love, he would encounter obstacles.

Finally, it was time to get off work. Everyone left. Colleagues left one after another, and only Wang Kun was left in the office.

He wanted to read for a while, but when he picked up the book, he just couldn't concentrate. He quickly put it down. He couldn't read a single word. All he could think of was Li Zhen.

Wang Kun suddenly remembered how similar this situation was to the college entrance examination two years ago.

Wang Kun was no longer in high spirits. So he made his bed and prepared to go to sleep.

"Knock knock" There was a knock on the door. When Wang Kun heard the voice was Li Zhen, he quickly turned off the lights.

"Wang Kun, open the door, what's wrong with you?" No matter how loud Li Zhen shouted, there was no sound inside, so Li Zhen had to leave.

"Wang Kun, what did you mean last night? I saw that there was a light in your room, why did you turn it off?" As soon as Wang Kun arrived at the workplace, Li Zhen came to Wang Kun's desk and questioned him in a very angry manner.

Wang Kun began to be afraid to look up at Li Zhen, and quickly lowered his head to look at the computer, avoiding Li Zhen's angry gaze.

Seeing Wang Kun's unusual behavior, Lizhen understood that Wang Kun must have encountered something, which was why he acted like this.

"What difficulties have you encountered? Tell me what problems you have."

"I" Wang Kun wanted to tell Lizhen that we were breaking up, but when he raised his head, his eyes met Lizhen's.

Wang Kun suddenly noticed that Lizhen's eyes were red and a little swollen, and there was a particularly obvious dark circle under her eyes.

Wang Kun's heart was trembling, his heart felt like it had fallen into an ice cave, and his heart felt as if it was being cut by a knife.

"How about we have lunch together at noon at the restaurant we often go to?" Wang Kun looked around at his colleagues.

Li Zhen looked at the colleagues around her who were looking at them with curiosity. She looked at Wang Kun and nodded, "Yeah."

Wang Kun had no intention of going to work in the morning because he saw Li Zhen's red and swollen eyes. His heart followed Li Zhen since she left.

After finally making it to the end of get off work, as soon as the time came to get off work, Wang Kun ran to meet Li Zhen like a flash, eager to see her.

Arriving at the door of where they often met for dinner, Wang Kun looked around. He didn't see anyone following him, so he walked inside.

As soon as Wang Kun walked into the door, he saw a dark-skinned girl sitting at the table by the window, looking towards the door. When she saw Wang Kun coming, a slight smile appeared on her face and she waved to Wang Kun.

"Wang Kun, I'm here." Wang Kun nodded at her with a comfortable smile on his face.

"Sorry to have kept you waiting for so long." Wang Kun breathed heavily and gave Li Zhen an excited and excited smile.

"Are you okay?" Wang Kun asked Li Zhen with great concern before he even had time to catch his breath.

"Not good." Lizhen pouted her lips and turned her face to the other side pretending to be angry.

Wang Kun quickly reached out and took Li Zhen's hand, coaxing and shaking her hand, telling her not to be angry.

"Why didn't you pay attention to me yesterday?" Lizhen turned her face with red eyes, tears rolling in her eyes and about to flow out.

"I" felt particularly pained when I saw Li Zhen crying, especially when I saw Li Zhen's dark complexion and thin face, Wang Kun felt as if his heart was being cut by a knife.

"How have I ever been bad to you? Have I done anything wrong?" Lizhen blamed him with tears streaming down her face.

"No." Wang Kun's face was suddenly filled with worry, and he didn't know how to tell Li Zhen.

"Then why? Can you tell me?" Li Zhen stared at Wang Kun's eyes while crying.

Seeing Lizhen in so much pain, he didn't know how to tell her. Wang Kun thought, if I tell her, Lizhen will not be able to bear the blow.

Wang Kun slowly let go of Li Zhen's hand and lowered his head, not knowing how to tell Li Zhen.

"What's wrong with you? You weren't like this before. You're making me so anxious." Li Zhen was already crying.

"Oh, don't cry." Wang Kun was so anxious when he saw Lizhen crying that he scratched his ears and didn't know what to do.

"Wow wow" As Lizhen cried, the eyes of the customers eating around them turned towards them.

Wang Kun couldn't persuade Li Zhen, so he had to tell her "The chairman likes you"

Hearing Wang Kun's words, Li Zhen stopped crying immediately. "What did you say that the chairman likes me? Is there any conflict between him liking me and liking me? He likes me, but I don't like him. I like you, that's enough."

"Yes." Wang Kun still kept his head down. He didn't dare to look Li Zhen in the eye.

"You gave up just because he likes me. Are you still a man? How can you do this? Love requires mutual affection." Li Zhen was angry. She stared at Wang Kun with her eyes.

"I have nothing now. I can't even support myself, while the chairman is a successful bachelor now," Wang Kun had to tell Li Zhen timidly.

"Am I, He Lizhen, such a person?" Hearing Wang Kun say this made Lizhen very sad.

"I know you are not that kind of person, but I have my own secrets." Wang Kun wanted to persuade Lizhen to give up on him and break up.

"We have known each other for more than half a year. Don't you know me? Am I a gold digger?"

"I'm not saying that you are a person who despises the poor and loves the rich. I'm saying that because the chairman is my savior," Wang Kun had to explain the whole story.

"Lifesaver" Li Zhen was shocked when she heard Wang Kun explain the reason. She looked at Wang Kun wide-eyed, as if she didn't know him.

"Chairman, he is your savior"
