

## First Love 134

### Chapter 134 You Want to Steal My Things

Xiao Meng pulled Xiaomai to the big red car, took out the key from her bag and opened the door.

"Xiao Meng, you bought a car." When Xiaomai saw that Xiao Meng had a car, she opened her mouth for a long time before she spoke.

Xiao Meng opened the car door and got in. She saw Xiaomai still standing there in a daze. "Hurry up and get in the car," she said, pointing to the right, indicating Xiaomai to sit in the passenger seat.

"Oh" Xiaomai was stunned for a moment, and quickly ran to the passenger seat and sat on it.

Xiaomai sat in the passenger seat and looked here and there, like a kid who had never seen a car before. "Fasten your seat belt," Xiaomeng told Xiaomai quickly.

"Oh, okay." But Xiaomai was distracted and didn't know how to find the seat belt.

"Hey, the seat belt is on your right side. Pull it over here, pull the buckle over and insert it into the socket on your left side." Seeing that Xiaomai looked like she had never ridden in a car before, Xiao Meng had to teach her how to do it step by step.

"I'm sorry, Xiao Meng, I've never sat in a driver's seat before," Xiaomai had to say with a red face. Today, Xiaomai felt like an embarrassed student who had just entered primary school in front of Xiaomeng. They graduated from the same school and she was the top student in the class. However, in just one year, she was far behind Xiaomeng. At this moment, Xiaomai wished she could dig a hole in the ground and crawl into it.

When Xiaomai was in school, she said that Xiaomeng often dressed up in a weird way and was not doing her job properly. What would she do after graduation? But now she can't compare to her.

"You haven't learned to drive yet, don't be embarrassed." Xiao Meng is a broad-minded person. Not only did she not make fun of her, she also tried her best to enlighten her. Xiaomai thought about when she was in school, she and her classmates had slandered Xiao Meng behind her back. Alas, now others are better than her.

Soon Xiao Meng's car stopped at the entrance of a luxurious hotel. Xiao Mai looked at it and said, "Let's go in for dinner."

"Yes, the food here tastes delicious. My boss and I often dine here," Xiao Meng answered casually.

"Let's get off the car." Xiaomai followed Xiaomeng out of the car.

"Miss Mai is here." At this time, a hotel waiter saw them get off the car and immediately came over to greet them.

"Hello handsome guy, please make arrangements for the two of you today."

"Okay, Miss Mai, please follow me." The waiter enthusiastically took them to a private seat by the window. He made a very beautiful gesture, "Please."

"This is a good spot, right here, go get the menu." Xiao Meng seemed to be very familiar with this place, and the waiters here called her Sister Meng.

Xiao Meng took the menu, ordered a few dishes very quickly, and handed it to the waiter.

Seeing Xiao Meng's series of actions, Xiaomai admired her very much and was full of respect for her.

Xiaomai looked at Xiaomeng and immediately sat next to Xiaomeng. "Tell me how you did it in just one year. The gap between us has already been quite large."

"The reason why I brought you here today is to let you see how big the gap is between you and me. What you did in school is already outdated. It won't make much difference if you continue to muddle

along like this. If you use certain means like I do, it will be difficult to survive in today's society without using your brain," Xiao Meng tried her best to enlighten Xiaomai.

"Oh, can you share your experience with me?" Xiaomai seemed to understand, but she was not stupid. She figured out some things from Xiaomeng's words.

"Come here and I'll tell you," Xiao Meng whispered into Xiaomai's ear. At first Xiaomai was a little surprised and looked at her in a daze.

"Will this work?" Xiaomai looked confused.

"You haven't tried, how do you know you can't do it?" Xiao Meng whispered in Xiaomai's ear again, and Xiaomai finally nodded.

"Sister Meng, are you ready to serve the dishes?" The waiter brought the dishes they ordered up on a small cart.

"Up"

When the waiter brought the dishes to the table, Xiaomai was stunned. They were all dishes she had never even seen before. She drooled at the sight of these delicious dishes with bright golden color and fragrant aroma.

"There are so many, can we eat them all?"

"Pour the wine." The waiter immediately poured them wine.

"I don't drink." Xiaomai said she had never drunk alcohol.

"No, you must drink tonight. If you get drunk, I will take you home."

The two of them got very drunk that day, and finally they asked a designated driver to take them home. Xiao Meng slept at Xiaomai's place that night.

From then on, Xiaomai seemed like a different person. The first thing she changed was her dress. Originally, the clothes she wore were very formal, but from that day on, Xiaomai seemed like a different person. Her dress was not only fashionable but also very sexy.

Later she changed her job. She used to work as a clerk, but later she specifically applied for secretarial jobs.

Later, she finally got her wish and got the job as Hongliang's secretary. When she saw Hongliang for the first time, Xiaomai was stunned. She was shocked by Hongliang's handsomeness.

Neat short hair, long eyebrows slanting into the hair, sharp and domineering eyes, a jade-like nose, and thin but sexy lips.

A burgundy plaid suit with a white shirt underneath, a pair of raised phoenix eyes that are exquisite like a demon, delicate and three-dimensional facial features, and a dignified appearance. Xiaomai wished there was such a handsome man in the world. But when Xiaomai learned that Hongliang was a sea turtle who had just returned, she was overjoyed. I must win him over and use him as a springboard to realize my dream of becoming a rich wife.

From then on, she not only dressed sexily, but also pretended to be virtuous, sensible and serious in her work. She soon won the appreciation of Hongliang. Here, she is Hongliang's secretary and personal secretary, and takes care of Hongliang very well.

Hongliang relies heavily on Xiaomai in the company and is particularly confident in her.

But today Hongliang brought someone here and told her that from now on, she would not have to take care of the affairs in Hongliang's office. Xiaomai couldn't stand it, and she went to the door thinking deeply and grimly.

Humph, who do you think you are? You can't even try to steal my food.

It seems that Lizhen's life here with Hongliang is not very easy. What Lizhen expected is finally happening.
