

First Love 162

Chapter 162 No matter what happens in the future, I will love him

Wang Kun saw that Qiuyan was constantly changing, and their relationship was getting closer. Wang Kun's attitude towards Qiuyan was slowly changing. Qiuyan's heart was filled with joy and excitement, as if the whole world had become brighter.

She couldn't help but sigh that all the hardships and difficulties she had experienced in the past year were worth it. All the efforts, sweat and tears converged into the inner satisfaction at this moment. She knew that she was about to step into the threshold of success and was getting closer and closer to her goal.

Every step is full of anticipation and hope. She can't wait to meet the challenges of the future and firmly believes that she can overcome all difficulties.

But she got to know her mother-in-law Jinlan, who had long seen through the woman's ulterior motives and often reminded her son not to let herself be deceived by this woman.

"Son, don't be fooled by this woman again. Haven't you been hurt by her? She is like a chameleon. She just hasn't found a better partner than you yet. If she finds someone better than you, she will betray you again." The mother repeatedly reminded her son not to be fooled by this fox spirit again.

"Mom, don't always look at Qiuyan through tinted glasses. People change. You can see from the changes in her over the past year that she is not the same Qiuyan anymore. She still loves me sincerely and she still has feelings for me." Wang Kun wanted her mother to look at Qiuyan in a different way.

"Mom, you can't always look at her with the old eyes." Wang Kun tried to persuade his mother, "Qiuyan has really changed a lot, she is sincere to me."

Jinlan sighed, "A son is no longer under the control of his mother. I'm just worried that you'll get hurt."

"I know mom, but I believe Qiuyan." Wang Kun said firmly, "The feelings between us are real, I can feel her love."

Jin Lan looked at her son and shook her head helplessly. "Well, since you insist, I can't say anything more. But remember, if she has any problems again, you must tell mom in time."

Wang Kun nodded, secretly glad that his mother didn't object too much. He decided to work harder in the future to make Qiuyan and her mother have a harmonious relationship.

"But son, I still want to remind you, just wait and see how she behaves. As the saying goes, time reveals a person's true character. Don't get carried away, be calm and think about it."

Wang Kun smiled and comforted his mother, "Mom, I get it. I will be careful and won't get myself into trouble." He patted his mother's shoulder gently to let her rest assured.

As time went by, Qiuyan and Wang Kun's feelings grew stronger. However, Jinlan's worries did not go away. She remained vigilant and kept an eye on Qiuyan's every move.

One day, Wang Kun accidentally discovered the call record between Qiuyan and a mysterious man. He had some doubts in his heart, but he chose to trust Qiuyan and did not question her immediately.

Yes, Qiuyan has changed now. Her heart is now completely on Wang Kun. Sometimes she thinks back that her husband loves her very much, but she does not love him. The person she really likes in her heart is Wang Kun. Wang Kun is her true love. From now on, no matter how Wang Kun changes, she will love him all her life.

Soon after, the company faced a major crisis, and Qiuyan showed extraordinary ability and wisdom at the critical moment, helping the company to overcome the difficulties smoothly. Wang Kun was pleasantly surprised by her performance, and at the same time, he also realized that his feelings for Qiuyan were getting deeper and deeper.

However, just as Wang Kun was about to express his feelings to Qiu Yan, he discovered that Qiu Yan met the mysterious man again. This time, Wang Kun could no longer ignore the uneasiness in his heart, and he decided to quietly follow Qiu Yan to see what she was doing with the man.

That day, Wang Kun saw Qiuyan secretly return to her hometown again. Wang Kun found it very strange. He had been back to his hometown once not long ago, so why did she always go back without telling me during this period? As a result, someone told him that Qiuyan went back to her hometown to meet her ex-husband.

Wang Kun discovered that Qiuyan met this man again. "Can you tell me what's going on?"

"This is my ex-husband," Qiuyan saw that Wang Kun had discovered her.

"I know that we know each other, and I will never forget that sad scene a few years ago. But I warn you, don't play two boats. Wang Kun is not the Wang Kun of a few years ago," Wang Kun appeared in his mind again.

"I went to see him to discuss my son's matter with him. I just wanted to be with you. I wanted to get a divorce to avoid having to worry about both sides and misunderstandings. Wang Kun, I now know what I am doing. I now truly know who I love in my heart. I can tell you responsibly that the person I love now is you." Qiuyan said and looked at Wang Kun affectionately.

At this moment, Wang Kun was shocked to realize that this was the look in his eyes when he and Qiuyan were together. It was a look of sincere doting without a trace of distracting thoughts. It was a look that only came from deep love.

As the tracking deepened, Wang Kun discovered that the mysterious man was Qiuyan's ex-husband, and the reason they met was to discuss the issue of child custody.

Wang Kun's mood instantly fell to the bottom, and he began to doubt whether Qiu Yan's feelings for him were sincere. At this moment, Qiu Yan discovered Wang Kun's existence, and a trace of surprise and panic flashed in her eyes. At the same time, she also felt guilty for her previous doubts.

"If it's because of these things, since you want to be with me, you don't need to avoid me in this way. You can talk to your ex-husband face to face openly and honestly, and you can even take me with you to discuss it," Wang Kun said to Qiuyan very seriously.

"No, this is a matter between me and my ex-husband. I don't want you to get involved. You already have too much to deal with. I don't want to embarrass you. I will deal with my own affairs."

"You are wrong. You actually want to be with me. This matter has a lot to do with me."

"No, I still think that I should take care of my own affairs and solve the original problems by myself, so that I can love you wholeheartedly."

Looking at Qiuyan's resolute gaze, Wang Kun felt a surge of emotion in his heart...

As time went by, Wang Kun and Qiuyan's life became happier and more fulfilling. Jinlan also gradually let go of her prejudice and established a good relationship with Qiuyan.

However, Wang Kun did not take his mother's words to heart, he believed that Qiuyan really loved him. As time went by, Qiuyan began to gradually reveal her true colors.

When Wang Kun found out, it was too late. The company was in great crisis, and Qiuyan disappeared without a trace. Wang Kun felt extremely regretful and self-blame. He realized that he did not listen to his mother's advice at the beginning, and now he is suffering the consequences.

In the predicament, Wang Kun decided to cheer up again. With his own efforts and wisdom, he finally resolved the company's crisis. At the same time, he also understood a truth: in love and marriage, we must keep a clear head and not be confused by superficial phenomena.
