

First Love 170

Chapter 170 They Started Falling in Love Again

Wang Kun returned to the factory office. He looked at some documents placed on the table by his assistant Xiao Wang. There were already several copies. He picked up the documents and flipped through them listlessly. However, no matter how hard he tried to concentrate, his eyes could not focus on the densely packed text.

In his mind, Qiuyan's figure kept flashing like a slide, making him upset and uneasy.

He hit himself hard on the head a few times, trying to get rid of her shadow from his mind, but it didn't work at all, and made him even more anxious.

He took a deep breath, trying to calm his inner restlessness, but his heart was like a wild horse that had broken free from its reins, completely out of control.

Helplessly, he stood up, walked to the window and stared at the scenery outside.

The sun was shining, the breeze was blowing, the leaves were rustling, and the whole place was peaceful and tranquil. But his heart was like a raging sea, unable to calm down. Qiuyan's every smile, every word and every action were deeply imprinted in his heart and could not be erased.

Could it be that I have fallen in love with Qiuyan again so quickly? In my mind, the scenes of their love affair in school were originally blurry, but now they emerged in my mind one by one very clearly.

It was a sunny afternoon, and they came to the old place where they often dated, Shao Nian Ling. Qiuyan wore a white dress and walked towards him with a bright smile. Her hair fluttered in the wind, and her eyes were gentle and smart.

Qiuyan came to Wang Kun's side, and Wang Kun immediately opened his arms. Qiuyan met Wang Kun's passionate gaze and immediately rushed over. Wang Kun quickly hugged Qiuyan tightly in his arms, feeling the warmth from each other...

There was also the rainy night when they hid under the eaves to avoid the rain. Qiuyan gently leaned on his shoulder and listened to the sound of raindrops hitting the ground. At that time, their hearts were full of longing and expectation for the future.

Memories flooded back to him like a tide, and he couldn't resist. These beautiful moments seemed to have happened yesterday, so real and profound. He couldn't help but fall into deep thought, wondering if this relationship could really be rekindled, or was it just a momentary impulse and nostalgia?

Perhaps, time has changed too much, and they are no longer the same people as they were back then. But the emotion deep in their hearts seems to still exist, and it is getting stronger...

He closed his eyes and carefully recalled the time they spent together yesterday. Those beautiful scenes appeared in his mind like a movie.

At that moment, they embraced each other, feeling each other's warmth and enjoying the unique happiness and sweetness. Their laughter echoed in the air, as if there were only the two of them in the world.

Every detail, every word, every look, were deeply imprinted in his heart, making him intoxicated and unable to extricate himself.

He longed to return to that good time again and create more unforgettable memories with Qiuyan.

At this moment, she began to recall Li Zhen in her mind.

That's right! He also loves Li Zhen! However, the scenes he experienced when he was with Li Zhen over the years were not as full of desire and passionate feelings as when he was with Qiu Yan.

He once thought that his love for Lizhen was deep enough, but now it seems that it was just a habit or a responsibility.

When he met Qiuyan, the passion that had been dormant in his heart for a long time was truly awakened. Every time he was with Qiuyan, he could feel the indescribable impulse and desire; every

moment, the tacit understanding and attraction between them made him intoxicated and unable to extricate himself.

In comparison, the time he spent with Lizhen was peaceful and warm, but lacked that burning passion.

Maybe it was because the passage of time made everything dull, or maybe it was because there was a lack of some special chemistry between them? In any case, now he has understood what is the love that truly moves his heart and makes him unable to give up.

At this moment, he suddenly felt an urge to put down the work at hand and go look for Qiuyan immediately.

So, he decided not to delay any longer, and got up without hesitation to go to Qiuyan's place to find him, looking forward to meeting her again and continuing that happiness and sweetness.

"Chairman Wang, have you read the document I just gave you? Secretary Liu has already finished it. Please check if there are any omissions. I will send this contract to you shortly. Can we sign it tomorrow?"

Wang Kun was just about to go find Qiuyan when his assistant Xiao Wang came to ask if his documents had been approved.

Wang Kun was a little more sober at this time. "Not yet, wait a moment, I will check it soon."

Wang Kun returned to his desk and tried his best to calm himself down.

Wang Kun opened the document and quickly scanned it, but his mind had already flown to Qiu Yan. He hastily signed his name and handed it to his assistant Xiao Wang.

"Okay, Mr. Wang, I'll be busy now." Xiao Wang took the documents and was about to leave.

"Wait." Wang Kun stopped him, "Do you know where Qiuyan lives?"

Xiao Wang was stunned for a moment. "Qiuyan? Oh, I seem to have heard someone mention her. She lives in xx community. What's the matter, Mr. Wang?"

Wang Kun nodded thoughtfully and said, "It's okay, go and get busy." After Xiao Wang left, Wang Kun picked up his phone and called Qiuyan.

"Hello, is this Qiuyan? I'm Wang Kun." Wang Kun's voice sounded a little nervous.

"Wang Kun?" Qiuyan was a little surprised. "Is there something wrong? Why do you miss me again after you just left?" Qiuyan joked.

"Well, I...I want to see you. Can you send me your location on your phone?" Wang Kun said courageously.

Qiuyan was silent for a moment, "Okay, come to my house." Qiuyan thought to a man, once he likes you with all his heart, he will look for you no matter where you are. If he doesn't miss you anymore, even if you are in front of him, he will pretend not to see you.

But Qiuyan was also very happy. She wanted to be with Wang Kun all the time, and she had been looking forward to this day for a long time.

After hanging up the phone, Wang Kun's mood suddenly became relaxed, and he couldn't wait to drive to Qiuyan's residence.

When Qiuyan heard that Wang Kun was coming back, she became very excited. She quickly tidied up the room, took a shower and tidied herself up. She was so excited that she was not satisfied with the several clothes she tried on until she picked out a very sexy pajamas.

"Pang Peng" At this time Wang Kun came to the door of Qiuyan's rental house, holding a big red rose in his hand. When Qiuyan saw the dusty man holding the bright red rose, her heart was ecstatic, "Come in" Wang Kun and Qiuyan walked into the house together.

"For you." "Thank you." Qiuyan took the rose and placed it on the coffee table. Just as she turned around, Wang Kun suddenly stretched out his arms and hugged Qiuyan tightly.

His movements were so swift that Qiuyan had no time to react. Qiuyan only felt a strong force wrapping her tightly, making it impossible for her to break free. Her heartbeat accelerated instantly, and a blush appeared on her cheeks.
