

First Love 24

Chapter 24 School Beauty

It turned out that the person who interviewed her was none other than Wang Gang, her suitor who had pursued her relentlessly in school but was rejected by her.

Wang Gang, a rich second-generation boy, relies on the little money from his family to do whatever he wants in school and cause trouble everywhere. He is a very powerful rich second-generation boy.

But for some reason he has a special liking for Lizhen and pursues her relentlessly.

"You are a high-and-mighty arrogant princess, a famous top student in your class. You are the one sought after by all the recruiting companies. How come you have fallen to the level of applying for jobs in the market? Haha." Wang Gang gloated over her misfortune and mocked her complacently.

The coldness and indifference were like an extremely sharp dagger, piercing directly into Lizhen's heart, completely strangling the newly sprouted love in her heart, leaving no hope for life.

Lizhen organized her thoughts. I pursed my lips and suppressed all my emotions. She suddenly turned her body around and a sharp light shot straight over from her eyes.

Wang Gang took a deep breath. The Li Zhen standing in front of him was even more charming and dignified than when she was in school, which made him have wild thoughts.

His eyes penetrated into her beautiful pupils, and she felt as if she had fallen into an icy cave with joy. There seemed to be magic in her eyes, which firmly attracted his gaze, and he could catch a glimpse of his vague outline in the corner of his eye.

Looking at Wang Gang sitting in the interview seat, his appearance has not changed much, except that he has gained a little weight than before.

The face is bigger than before, and there is a double chin. The eyes were not big originally, but now due to obesity, the eyes are smaller than before.

I have become much fatter than before, which might be the result of overnutrition. I look like a boss.

A picture immediately appeared in Lizhen's mind; Lizhen had just finished taking a shower and was about to rest in the dormitory, when suddenly one of her roommates was surprised to find that downstairs from their building, a large heart was arranged with candles, with a person standing in the middle holding a large bouquet of beautiful roses. With the twinkling lights, it was like shining stars, very beautiful.

"Lizhen, come and see, who placed the candles downstairs? Wow, they are so beautiful." Hearing her roommate's shout, Lizhen looked and saw a boy standing in the middle of the wreath with a large bouquet of red roses in his hand, looking here. More and more people came to watch the fun from the outside, and slowly formed a circle.

"Who is this proposal for?"

"Who is it? He's so lucky," several roommates in the dormitory were chattering about it.

"What day is today?"

"Today is Valentine's Day."

When the man holding the flowers saw Lizhen in the window, he immediately shouted to her, "He Lizhen, I love you."

"Who is this?"

"From the sound of his voice, it seems to be the playboy disciple Wang Gang."

"Oh!" The students standing outside watching the fun immediately started to make a noise.

"He Lizhen, I love you." Seeing that everyone was cheering for him, Wang Gang became even more excited and shouted even louder.

"Lizhen is calling you. You are so happy. Come down quickly." Xiaomei, the roommate, is a fangirl in the dormitory. When she heard Wang Gang's call, she was very envious.

Li Zhen was very surprised to hear Wang Gang's call. It turned out that Wang Gang had been pursuing her relentlessly, sending her flowers and buying her gifts, but she ignored him. But today, he actually proposed to her in front of all the students in the school, with candles and lights set up downstairs of the girls' dormitory.

Lizhen simply closed the window, but the students watching downstairs started to make a fuss and imitated Wang Gang's shouting, "Promise him!" and "Promise him!" The slogans became louder and louder.

As there were so many people and the noise was so loud, more and more people gathered to watch. Since Lizhen and her friends lived in a building, the noise was so loud that students from all floors stood by the windows to watch.

"Lizhen, you should go down quickly and explain things to him, otherwise something big might happen tonight." Her roommate advised Lizhen to go down quickly. Lizhen thought that if she didn't go down tonight, something big might happen, so she had to go down.

As soon as Lizhen came downstairs, the crowd made way for her. Lizhen came to the light and Wang Gang jumped up happily, thinking that Lizhen was moved by his actions.

He immediately rushed to Lizhen, holding flowers in his hands and imitating the way Westerners propose marriage. He knelt on one leg in front of Lizhen and said, "He Lizhen, marry me."

Wang Gang's kneeling scared Li Zhen so much that she turned around and walked away. Wang Gang immediately stood up and quickly stood in front of Li Zhen.

"I've risked my life today. Are you so cruel to make me look bad in front of so many people and embarrass me?" Wang Gang's face turned green when he saw Li Zhen leaving. He was a high-class rich second-generation and could not stand such an insult.

"Wang Gang, please stop making trouble. Can you focus on your studies? We are still students. Can you please use your brain a little?" Li Zhen was very angry when she saw Wang Gang was still making trouble.

"I just like you very much. So what if we are students? We are college students now. College students can't fall in love or chase girls." Wang Gang didn't listen to Li Zhen's advice and kept emphasizing his reasons.

"Wang Gang, I, He Lizhen, will never marry a conceited, lazy dandy like you who doesn't study hard. Just give up on this idea." Lizhen wanted to use such harsh words to hit Wang Gang and make him give up and focus on his studies.

But who is Wang Gang? He thinks Li Zhen is despising him here and asks her to embarrass him in front of everyone.

Wang Gang's cold black pupils glanced at her inadvertently. He still had the same cold expression as usual, stern eyebrows and eyes, and sharp thin lips, but in his deep black pupils, there was a terrifying storm.

"He Lizhen, I, Wang Gang, will always remember the shame you brought to me at this moment. I really like you now, but you don't know how to cherish it. I will make you regret it for the rest of your life."

"What's wrong? You should stay. While I'm still in this mood, let's continue our relationship, hahahaha."

Lizhen didn't hear clearly what Wang Gang said, she only heard his loud laughter full of sarcasm and ridicule.

His coldness and indifference were like an extremely sharp dagger, piercing directly into Lizhen's heart, completely strangling the newly sprouted love in her heart, leaving no hope for survival.

"What's wrong, Brother Wang Gang?" At this time, a delicate girl came out of the office, dressed very fashionably and was walking towards them.

"Hey, Brother Wang Gang, who made you angry? Why do you look so unhappy?" The person who came was Wang Gang's fiancée. She was dressed very fashionably, wearing all branded clothes, carrying a Chanel handbag in her hand, and wearing a pair of ten-centimeter-high high heels. She was not tall, but because of the high heels, she didn't look too short, and she looked quite tall from an aesthetic point of view.

"Why are you here? Come here, baby, let me introduce you to me." Wang Gang was very happy to see his fiancée coming. He thought that his fiancée came at the right time, and he proudly thought that it would be a good opportunity to show off in front of Li.

"This is my junior schoolmate He Lizhen. She was not only a top student, but also the school belle. I pursued you at that time because I was hot-headed. But you were so arrogant and looked down on me at all. As a result, this is what happened now. Baby, look, she has come to apply for a job here." Wang Gang laughed after he finished speaking.

Li Zhen didn't hear what Wang Gang said, she only heard his sarcastic and mocking laughter. She couldn't bear it anymore, so she immediately turned her body around and left the interview place without looking back.
