Chapter 141 - Do not care

“You... can you go out first? I... forgot to take the clothes...”

Zheng Yumeng's very embarrassed situation, just a five-minute time limit, made her have no time to consider. It is the quick-fixing in the inside, and now I found this problem.

At this moment, she even thought that the bathroom door was just closed. If the sun wave came in, then...

In fact, there are bath towels inside, wrapped up to find clothes and then go in and change. But in the end it is not long before I know, but also a girl, Shen Lang can understand.

“Good. I am going to buy something to eat back.”

Shen Lang promised, and took the room card and went out.

Zheng Yumeng gave a sigh of relief when he heard the sound of closing the door outside. Wrapped in a bath towel, opened the bathroom door and looked at it. Seeing that Shen Lang was no longer outside, let her mind move.

Just five minutes, just like a nap, it was the fastest bath in her life, where it can be carefully washed. And there is no time to wash your hair, as much dirt in your hair.

Since Shen Lang bought something, she would not come back so soon, and she went back to wash her hair...

In addition to avoiding her embarrassment, Shen Lang also wanted to see how the situation of Mr. Mo was monitored.

He called a few takeaways directly with his mobile phone, and then the elevator went down to the lobby.

Mr. Mo, waiting in the lobby bar, saw Shen Lang coming out, his eyes straight, but still searching for the shadow of Zheng Yumeng.

Shen Lang looked at it and went straight.

“Are you still here?”

Looking at the sinking waves, the surname Mo is a bit unnatural, but he still keeps calm.

“Are you still here?” he asked one.

Shen Lang sat down beside him and didn’t pick him up.

“My name is Mo Bai, what do you call it?” The name of Mo’s opening asked, but did not mean to shake hands. He looked at the waves while paying attention to the direction of the elevator.

Shen Lang squinted at him and did not introduce himself.

This attitude made Mo Bai feel very uncomfortable. Originally, he did not take the initiative to reach out. He wanted to occupy the high point of the momentum. He did not expect the other party to despise him directly!

“Are you waiting for Miss Zheng?”

“Is there a problem?” Shen Lang faintly asked.

Mo Bai saw the direction of the elevator. Seeing that Zheng Yumeng had not come over, he lowered his voice and said it straightforwardly.

“I see you are also a local, it is impossible to be Miss Zheng’s boyfriend, everyone should not circle. Whether you are the shield she is looking for, or you just met...”

“Turn off your ass?” Shen Lang said coldly.

Mo Bai was snorted by him, causing a groan on his face, but he continued to talk with his teeth.

“Isn’t the newborn calf not afraid of the tiger? I told you clearly! You don’t give me face, nothing, but you don’t give Tian Gongzi face, you are in trouble!”

“Which is this onion?” Shen Lang sneered.

Tian Gongzi, it should be the Tian Ge who he called to report, what kind of son would be said, it should be what the fathers have.

“Tian Jingwen, the deputy mayor of Tian. You dare to say this, huh, huh!” Mo Bai sneered.

Shen Lang didn’t respect him. He was very upset, but he still resisted. Now he is disrespectful to Tian Jingwen, and he is very cool. This does not require him to do it, just need to sigh, you can clean up this guy who doesn’t know life and death.

“Tian Jingwen? Didn’t hear it!”

Shen Lang’s response made Mo Bai stunned for a moment.

If Tian Jingwen does not know, he can still understand, after all, the small citizens. However, Tian Luning, the deputy mayor of the Standing Committee of the Standing Committee, said it. The other party even said that he had not heard it, and that was intentional.

“I am not afraid to tell you clearly! Miss Zheng is the son of Tian Gongzi... The pursuit of Tian Gongzi, your attitude now is to directly confront Tian Gongzi!”

Shen Lang immediately understood what was going on. They were together with several people, surnamed Chen and Mo Bai. It is estimated that they are the rich second generation of the local. Seeing Zheng Yumeng’s family, of course, will not be able to see it. And now insisting on the entanglement of the pursuit, including the banquet for her lunch and dinner, that is Tian Jingwen.

Tian Jingwen is also the second generation, but it is obviously more authoritative than these rich second generations. After all, his father was a local real power leader, so he felt that there was no problem in taking Zheng Yumeng.

Seeing the default of Shen Lang, Mo Bai is even more uncomfortable. He also understands it. The other party knows that he is here to monitor, and it is estimated that he will fall here!

He sneered, and immediately stood up, went to the side, and immediately called Tian Jingwen to report. Of course, it's a slap in the face of saying that Shen Lang doesn't put Tian Jingwen and even deputy mayor in the eyes.

After the phone call, he came back to sit down and sneered next to Shen Lang, watching the phone from time to time.

Shen Lang ignored him and the two men were in such a cold war scene.

When I sent it outside, Shen Lang went to the elevator and went to the elevator.

Mo Bai is a bit dumbfounded. Actually, he is not mainly directed at him. He is actually waiting for a takeaway!

However, he immediately called Tian Jingwen to report that they had not come out of the room for a long time. He heard the sound of the water in the room before he came down, and now he is going down and taking it outside... It's a man who guesses. What are they doing in the room!

It took a little time to take out the takeaway. When Shen Lang went back, Zheng Yumeng had already washed his hair and took a shower again.

She has changed her clothes and has not dried her hair.

"What did you buy? Is it a local specialty snack? It's strange that I didn't feel very hungry."

Shen Lang opened the takeaway: "Hungry and hungry, eat a little, wait for a while. I have to leave tonight, but I don't have time to spend the night here."

The word "overnight" made Zheng Yumeng blush, but although he knew it for a day, he could already feel that he was not the one who had the kind of attempt.

Promised, she quickly helped.

When two people were eating and taking out, they had not waited for Shen Lang to remind her of Tian Jingwen's tricks, and they heard a knock on the door.

“Open the door! We are the police to catch!”
