Chapter 147 - Moving Yuejia

Shen Lang looked at the time and said: "I want to see me, let him wait for half an hour."

His tough stance, Yue Zhennan is not strange, the strange thing is that this statement is so affirmative, as if Tian Luning has been waiting outside the door.

"Well, I will pass this on, and I will stop here. If he really comes to see you, I will let him wait for half an hour."

Although the words are so decisive, Yue Zhennan does not believe that it will be so smart, so I also paid attention to the time.

After Shen Lang finished, he went to the upstairs room.

Zheng Yumeng is still in the state of cultivation. Suddenly she wants to remember the two exercises under her hard work. She also needs to understand the integration. Even if there are Shenlang, she is still very struggling.

Shen Lang will not let her stay with her for a long time, so it is also to help with the heart, and took a Lingshi, to help her convert the vitality into her body, anyway, most of these Lingshi are from the legacy of Zheng Man.

Yue Zhennan was guarded in the living room below. As a result, he received a call from his father in a few minutes. He asked if he was still with Shen Lang and said that Vice Mayor Tian came to the door and asked for sin!

This news made him a big jump. According to this time, isn't Tian Luning just arrived at Yuefu Garden, Shen Lang already knows? Really mean that you can predict the future?

Hearing the meaning of his father, he wants to let him say something good. Please ask Shen Lang to go over it. Everyone has made a big deal to solve this problem. After all, he has to cooperate with the Super Heroes.

Yue Zhennan quickly said the words that Shen Lang had just confessed.

Yue Gang is also stunned. It is not surprising that Tian Luning can find the door. They can all analyze it, but it is only a matter of time. According to the son, Shen Lang is the one who counts, and the accurate calculation of Tian Luning has arrived!

For this unfathomable mysterious young man, he does not dare to worship the guest as usual, and must be careful. At this moment, he can only face Tian Luning, who is black face...

Yue Zhennan jumped up in excitement. Shen Lang was so powerful. It should be the ability of the comprehension. He can now also cultivate the truth. Perhaps he can do the same in the future.

The performance of Shen Lang also made him more admired. Of course, I did not hesitate to do the role of the door god. Before Shen Lang said that it was not half an hour before, let's not let Shen Lang see it in the past. Tian Luning came over and waited!

Ten minutes later, Tian Luning, accompanied by Yue Baichuan and others, came to the villa where Shen Lang lived.

Like the discussion just now, the core of the Yue family is there, and it is obvious that the deputy mayor of Tian is still jealous. At the moment, accompanied by Tian Luning, there is also a young man, which was also seen at the previous party.

“What about people? I give Yue Lao face, this murderer is a big shelf! Isn't this the old Yue, are they unjust?”

As soon as he came in, Tian Luning directly replied loudly, and his official prestige was naturally revealed with anger.

I didn't know how many good words and explanations that Yue Baichuan Yue Gang had said before, but he was stabilized. Now this sentence, he emphasized his attitude, the face is to Yue Baichuan! And I have already given a face, if the Shen Lang can't come out again, then the Yue family is unjust!

Moreover, emphasizing the “murderer” also shows that he does not accept the gesture of reconciliation. It is tough to take down the Shenlang. This is also the attitude of Yue Baichuan.

Yue Baichuan, they have just had various explanations. Now, when they listen to Tian Luning, they know that the other party's intentions are different. They want to take the initiative and rush to the front.

"Deputy mayor of Tian, there must be some misunderstandings in this, and there is no direct evidence that Mr. Shen is hurting..."

When Yue Gang's words were not spoken, they were interrupted by Tian Luning.

"Yue brother, you don't have to say it, I know that this murderer is extraordinary. I won't make you difficult to do, you don't need to be a person, I will take it myself!"

After that, Tian Luning looked at the young man he brought with him. "Cloud City..."

This young man named Yuncheng immediately went to the side of Yuezhennan.

"You should have seen me just now, my name is Chu Yuncheng. Let him down immediately, I can give Yuejia face, wait another minute." The young man looked at Yue Zhennan.

Yue Zhennan is a bit awkward and a bit humiliating. In the eyes of the other party, he does not take him seriously. If it is not the identity of the Yue family, it is estimated that he will be directly involved.

"Mr. Shen is expected to visit someone and has already explained it in advance, let them wait for half an hour."

He knows that this Chuyun City has a lot of origins, and he is sure that his strength is extraordinary. Otherwise, Tian Luning will not only take him with him. However, he is still full of confidence in Shen Lang, and he has said the conditions without hesitation.

"Half hour?" Chu Yuncheng smiled slightly. When Yue Zhennan was ready to nod, his hand was lifted and pressed directly on the chest of Yue Zhennan.

Yue Zhennan was unprepared, but did not expect the other party to dare to start the Yuejia 子子在 Yuefu Garden. The gap in strength makes him unable to do anything, even if he is prepared.

Between the time, his body quickly flew out to the back, crossed a few meters and hit the stairs on the second floor. Then spit a blood, and people directly stunned.

“Zhennan!” Yue Gang looked at his son being shot and vomiting blood, and was shocked and called out.

Yue Baichuan’s face is also very ugly: “Mr. Tian’s deputy mayor, do you want to move our Yue family? I am still able to accompany me even though I am old!”

Yue Baichuan’s words, Tian Luning’s face is also quite hesitant, the foundation of the Yue family’s Pingxi, really not he can move. The attack on Yue Zhennan was almost a tearful face.

Chu Yuncheng has turned and walked over: “No one wants to move your Yue family You have to cover up the murderer! The monk has the dignity of the monk, not everyone can be contemptuous! Your junior is not reasonable. Do you understand?”

Yue Baichuan’s pupil contraction, it is obvious that Chu Yuncheng has taken this matter over. It is not the problem of Tian Luning and Yue Jia, but the Chu family!

“You also know that you are a young person, then you should be sensible!” Chu Yuncheng said coldly: “With your current strength, what can you accompany? Moving you will only make people laugh, I Chu Yuncheng bully!”

This said, let the atmosphere of the scene become cold!

At the beginning of the Yue Yue family that Yue Baichuan said to Tian Luning, it is still on an equal basis. Now the attitude of Chu Yuncheng is directly overlooking and even despising!

On this side, Yue Bailun couldn’t listen, and immediately went back, but Yue Baichuan immediately took him.

endure!

Just the pressure exerted by Yue Baichuan on Tian Luning still occupies the truth, and the comprehensive influence of Yuejia in Pingxi. But now Chu Yuncheng's tough stance, whether it is personal strength or behind-the-scenes, has forced him to endure!
