

First Strong 149

Chapter 149 - Beat the pig

“Snapped!”

Tian Luning, who just finished, only felt a slap in the face!

Shen Lang is still on the stairs, not at all. This makes him glare at the left and right, is it true that Yue Baichuan dares to do it to him?

Can turn his head to see clearly, Yue Baichuan did not come close to him, just fanned him a slap, it was a small leaf!

Waiting for him to react, the leaves floated in front of him, once again on his face!

Since this Shen Lang has the means that Chu Yuncheng can't see, even if it is only a super-martial, it is also a small matter. Tian Luning did not think about using his physical strength to fight, he relied on the identity power.

But now this is also strange, right? A few feet apart, he could manipulate a leaf to hit his face! And the strength of the fan is no worse than a slap!

When he was shocked, Chu Yuncheng raised his hand and a whirlwind smashed it, dispelling the manipulation of the leaves by Shen Lang and letting the leaves fall on the ground.

“I see that you also have the realm of the middle of the Yuan Dynasty, and you bully the ordinary people?”

Chu Yuncheng was very disdainful and sneered at Shen Lang. He felt that he still had principles. The Yuezheng and Yue Bailun who had just moved were practicing. Like ordinary man Yue Gang, he didn't do it, unless he got one of the ones he proposed to kill one.

Yue Baichuan and Yue Gang did not speak, looked at the eyes of Shen Lang, worried more than expected. If Shen Lang can resist Chu Yuncheng, at least the Yue family will not be ruined, but it is also a more direct offend to the Chu family. There will be no good days in the future.

Shen Lang just paid attention to everything in the living room through the gods, and there is no need to check the injuries of Yue Zhennan and Yue Bailun.

“Bullying you have a good time? In my eyes, you are half a finger stronger than the average person.” Shen Lang stood on the stairs, at this moment is overlooking, this is a very embarrassing situation.

Chu Yuncheng is not angry and laughs: “I thought you were more able to bear the result, but the result was just a mouth cannon! Although Tian Jingwen did not become a device, but it also has the blood of our Chu family. If you hit him, you will not give the Chu family face!”

Next to Tian Luning’s face, it was the pain of just being beaten by the leaves, and because Chu Yuncheng did not give him face. However, he also understands that under such circumstances, only by Chu Yuncheng, the face of the Chu family was originally worth more than him.

“If you hit him, you won’t give the Chu family a face. What about you? This dog’s face is really enough!” Shen Lang taunted.

“Hurricane! You are looking for death!” Chu Yuncheng’s face sank.

How about madness? Shen Lang really does not know what the Chu family is.

“Resolve Tian Jingwen’s problem, and apologize to the Chu family. It is not easy to practice your cultivation. I can let you go this time!” Chu Yuncheng opened his condition coldly.

Yue Baichuan has already understood that Tian Luning’s son has been controlled by Shen Lang, so they will vote for the rat! But he secretly smiled, this is a good thing for Shen Lang, not for Yue Jiake, Shen Lang’s relatives are not here, they will directly use the Yue family to hostage to force him to submit!

“Don’t say that I don’t make sense. Tian Luning admits his mistake, admits that the godson is innocent, abuses his power, and I can let Tian Jingwen...”

“You dream!”

“impossible!”

Tian Luning and Chu Yuncheng interrupted the words of Shen Lang at the same time.

In the view of Tian Luning, there is Chu Yuncheng, do you still need to be soft? Besides, when the Yue family squatted and admits, will there still be a face in Pingxi?

Chu Yuncheng feels that Tian Luning is even a foreigner, but he also has a relationship with the Chu family. Let Tian Luning apologize, which means that the Chu family apologizes.

“Playing a dog depends on the owner. Your words are a provocation to the Chu family!”

When this was said, Tian Luning blushed like a pig liver. Well, he is also the uncle of Chuyuncheng. He is also the local deputy mayor. In the eyes of Chuyuncheng, he is like a dog of Chu family!

His fists were pinched, his teeth almost bitten, but he could only endure it. Now he must rely on Chu Yuncheng.

“I haven’t finished it yet. It was letting Tian Jingwen let me let you go, you have to bow down and apologize to Yuejia!” Shen Lang said to Chu Yuncheng.

Yue Baichuan and Yue Gang both felt that the scalp was numb, and the Yue family had been sinned tonight, but this is the team that they chose to stand. I also hope that I can resolve this kind of grudge, and the injuries of Yue Zhennan and Yue Bailun can be tolerated.

But if Chu Yuncheng apologizes to the Yue family, it is really pushing them to the tip of the knife!

Chu Yuncheng smiled!

Just after Tian Luning’s request, he didn’t care too much. He was concerned that the Chu family’s face was affected. After all, for a monk who is in the middle of the Yuan Dynasty, the deputy mayor does not have to give face.

But now he understands that Shen Lang is not a face to the Chu family, not to look down on Tian Luning, but also look down on him, look down on the Chu family!

“I saw the frog at the bottom of the country today! If you find yourself dead, don’t blame me for fulfilling you!”

Chu Yuncheng just said this, but did not start the next move, found that Shen Lang seems to step down from the stairs and came to him!

Under his slight surprise, he felt his neck was caught by one hand!

Shen Lang’s big hand directly used the “Da Shou Mi Long Xiang Shen Gong”, so that he could not struggle at all, only need further resistance, and pinch it down, he could pinch his neck!

“country!”

“Well! Bottom! The! Frog!”

“Yes! All! You!”

When Shen Lang finished the word, every time he said a word, the other hand had already slammed him at least three or four slaps. This sentence has already been slap in the face. !

This is all on the side of Chu Yuncheng’s face, directly let him become a half pig head in the process of playing, Shen Lang found such a face, very happy! You can cool your head with a punch, so you can cool for dozens of times, and you can continue to cool later.

At the scene, Yue Baichuan still saw a little bit, and Yue Gang and Tian Luning just felt that the shadow of Shen Lang had disappeared, and Chu Yuncheng disappeared from the hall. He quickly looked outside and did not know what happened.

Shen Lang just used the “Phantom Meteor Step” at the foot of his foot, while slamming his neck and pushing the person directly outside.

The neck was stunned by his “big whisker like a god”, and then he was so mad, and the unprepared Chuyun City was directly stunned!

Shen Lang, which was launched outside, went to a small fountain outside the fountain and pressed his head into the water.

Chu Yuncheng, who had just fainted, was soaked in water in the nose and mouth of his eyes, and immediately woke up.

This makes the shame almost fainted! The up-and-coming show of the Chu family, there is no resistance, and it is caught by people, and it is still irrigated. Is there still a face?
