

## First Strong 151

### Chapter 151 - Calm

The eyebrows are just broken and not pierced, everything is nothing. Even if the ribs are broken, the Chu family has the ability to let him recover, and not really become a waste.

So the sword took him away, but it was superficial. What really makes Chu Yuncheng fear is that when Shen Lang is defeating him, he also uses a “soul spirit”!

This is a mentally exerted spell that directly suppresses Chu Yuncheng from the spirit, so that he feels imprisoned from the soul, not to mention the dynamism, but he wants to think about things, he will feel the pressure of the brain exploding. .

When he shunned Tian Jingwen’s knee attack at the entrance of the hotel, he took a look at the back and used the “Da Shou Mi Long Xiang Shen Gong”. It seemed to be a humble touch. In fact, it was the smashing of Tian Jingwen that could not resist, and it was on a column a few meters away.

At the same time, it also gave Tian Jingwen a layer of ban, which is much simpler than the spirit of the soul, but with the mental power to suppress Tian Jingwen. This can not be diagnosed by medical instruments, and there is no external force to reinvent the head, and there is no trace of spell attacks, so Chu Yuncheng with limited experience can not be found.

Now the ban on the town of Chuyun City is banned, even if the Chu family’s elders can find it, it may not be able to unravel. Unless it is in terms of mental strength, it can beat the deep waves.

At this moment, Chu Yuncheng was sent, and Shen Lang’s eyes fell on the face of Tian Luning.

Tian Luning has fallen to the ground, facing the Shen Lang, even dare not climb, seeing him look over, but also his heart trembled.

To be honest, he is not clear about the strength of Chu Yuncheng’s nephew. He only knows that he is very strong. Until the shots of Yue Zhennan and Yue Bailun, I realized how terrible it was.

In particular, Chu Yuncheng directly said that it would take a minute to kill a Yue family, and even Yue Baichuan did not dare to defend! Only let him realize that once the individual's strength is strong enough, he does not need to rely on power, and can suppress everything!

Excited for a few minutes, now it is Shen Bo with a more domineering attitude, easily crushing the powerful Chu Yuncheng. I just killed someone, and now it seems to be a waste.

At this moment, he thought of the previous words, saying that he would let Shen Lang die very badly, let Shen Lang's family sit down firmly...

Even the best children of the Chu family are dare to move, will they still care about him? Even if his identity is not directly killing him, so that he is seriously injured, this official career will be over!

"Sorry!"

Tian Luning is still very decisive. Even if he is not reconciled, he will immediately make the best choice. He will climb up and fall down in front of Shen Lang.

If you rely on strength, it is a breeze for Shen Lang to let Tian Luning plead for mercy. But he did not do this just now, just waiting for Tian Luning to kneel down.

Now the consequences of Chu Yuncheng, Tian Luning has no hope, after apologizing, the cloth of dignity was completely pulled down, and simply hoeing to the ground, came a head.

"I'm sorry! It is my teachings that I have no way to let the obstacles deceive people. Today, he has this result. It is entirely sinful. I don't even reflect on it. I still come to Yuejia to make trouble. It is indeed abusing power. I, I..."

Tian Luning officially exercised to see the wind and the rudder's ability, let him put everything down, this time nervous and calm, while apologizing to Shen Lang, and then turned to apologize to Yue Baichuan, Yue Gang.

"Yue Lao, Yue Gangxiong, today is my old man is wrong, I hope that you are a large number of adults! I am very guilty about the injury of the son and Uncle Bailun, and will certainly be responsible for the end, will definitely guarantee the best medical care, Let them recover as soon as possible. The compensation will also be compensated!"

Looking at the deputy mayor who was just screaming, now he is waving to the dog like a dog, so that Yue Baichuan and his son are filled with emotion.

Can the monk not be contemptuous?

wrong!

They are also monks, not to mention Yue Zhennan, who is still unable to do so. Yue Bailun is a real-time returning monk. The result is not being abused like a dog.

After all, the strong is not to be contemptuous!

Chuyun City is stronger than them, so one person can suppress the Yue family, and you can hang the Yuezhen Nanyue Bailun.

Shen Lang is stronger than Chu Yuncheng, so you can hang Chuyun City!

As long as the strength is strong enough, the deputy mayor will beg for mercy, and the outstanding children of Chu will be desperate.

Strong!

Although they are still embarrassed, they are more determined!

The emergence of Shen Lang directly disrupted the balance of power in Pingxi City, and the situation of decades and even hundreds of years has completely shuffled. The Yue family, who gradually weakened the transformation, was tied to him. It was a blessing or a disaster, and they were already tied together.

What is needed now is to strengthen confidence!

As long as the Shen Lang is strong enough, the Yue family will be dimmed, re-emerged, and even surpassed the ancestral era. If the sun is falling, the Yue family must also be a disaster, but if you are on the road, you can't look back.

“The deputy mayor of Tian said that he is worthy of it. Wherever our Yue family can afford it? No matter what the situation, we all listen to Mr. Shen’s instructions!” Yue Baichuan made a direct statement.

This said, let Tian Luning secretly surprised.

He is very clear that Yue Baichuan is extraordinary because he is both an old cadre and a self-cultivator. Even if he has already made Yue Gang a master, the real influence is still here, but now he is actually showing that the young man is the leader!

If it is normal, Shen Lang is indeed a strong and powerful. But now it is clearly offending the Chu family to death, but Yue Baichuan is still so strong, it is really blocking the future of the Yue family.

However, this is the matter of the Yue family. After the Chu family was angry, he was also eager to pull up the Yue family. All that is needed now is to get through the front.

Tian Luning squatted and turned to face Shen Lang: “Mr. Shen... I am wrong, I want you to be a lot of adults...”

Shen Lang took a hand and took a shot at the top of his head.

Tian Luning still didn’t feel and found that something that couldn’t be said had entered the body, and then it was chilling and trembled, and it turned into a hot feeling for a while.

He thought that Shen Lang was going to kill him. When he was about to ask for mercy, he found that he was going too fast, and he felt nothing.

“If you want to move me, you still have to use the power to use the relationship. And if I want to kill your family, you only need to move your fingers. You can find me, I can disappear. I am looking for you, you hide on the other side of the ocean, also Can be easily found.”

In the case of Shen Lang, let Tian Luning cold and sweat.

The fact is that the public use of the public, in the end also need to use the public device, and the other party is personally powerful. Just the feeling of ice and fire, let him doubt that Shen Lang has left behind his back, can kill him at any time!

“Don’t dare, don’t dare, I must change the wrong way!”

“Take him back.” Shen Lang pointed to Chu Yuncheng on the ground.

Tian Luning couldn’t help but be surprised, just let them go?
