

First Strong 18

Chapter 18 - I have the final say!

Just now, Shen Lang still wants to see what their intentions are. It is now very clear.

According to Liu Zhilong, I know that he is very energetic and will come over to find out. People who are completely irrelevant, really want to eat from the city to the county because of “love talent”?

Also guaranteed to the sports school!

This posture is obviously to attract the thugs!

How can Shen Lang be recruited? Besides, the sports school? He is going to have a good result in Zhengda Guangming, and announced the goal!

“Fortunately!” Others introduced themselves, Shen Lang was also polite, and then said to Liu Zhilong: “I have left beforehand.”

He kept his courtesy, but in Liu Zhilong’s view, even if he was not flattered, he should be a modest attitude. It is a “successful meeting” and it is very cold.

I was about to mention a little more about Shen Lang. I didn’t expect the latter sentence to be a farewell. Let him hold it.

“It seems that you are not able to go to my Yuezhen Nanxun?”

Yue Zhennan was watching Shen Lang just now. This politely coping, of course, can be seen, and he will leave in one sentence, especially after he has revealed his identity, this is simply not giving face!

Upon hearing this, Liu Zhilong secretly complained, and Yue Da Ge is not happy!

“Shen Lang, what is your attitude? I kindly helped you to match the line, recommended for a long time, let Yue Da brother come to see you personally, you actually put up the shelf?”

After sullenly speaking a few words about Shen Lang, he lowered his voice and reminded him: “Don’t forget your home situation and your own school level. This is your only chance to change your destiny...”

Yue Zhennan’s fingers knocked on the table and let Liu Zhilong hurry up.

“There is arrogance, not bad. How much can be tolerated, can you be proud of it.”

Yuezhen South gave his comment lightly, and Shen Lang’s reaction fell into his eyes, which was disappointing to the arrogance of his submission.

“But how much you can bear, not that Liu Zhilong has the final say, nor is it your own feelings, I have to say the finale!”

His tone is dull, but when the last sentence is said, it is obviously proud of taking control of everything!

Then he hit a ring: “A tiger will help me test it, and I will take a chance to change your fate! I will change your fate! I will not give you a chance, I will give you a chance, if you can’t take it.” With your arrogance!”

The man who came in to help him pull the stool was ready, and immediately went to Shen Lang and Liu Zhilong.

Liu Zhilong opened his mouth and wanted to say something. He found that without his share, he could only hint at the waves with his eyes and then stepped back to the side.

Regardless of whether Liu Zhilong has inadvertently talked about it or if he wants to please Yue Zhennan, there is still a lot of good intentions. From the surface conditions, this is indeed a good opportunity for him.

However, Yue Zhennan’s attitude of picking him up as a dish has made Shen Lang not have a good impression.

You decide?

“The first move.”

A tiger is a man in his thirties. He has no expression on his face. He listened to Yue Zhennan's orders, and he did not want to pick up if he was willing to take it. First, the opening statement is already a demeanor.

The speed of his shot is not fast, whether it is Yue Zhennan or Liu Zhilong, he can clearly see the trajectory of his shot. I saw his left hand grabbed the wrist of Shen Lang, and his right hand was lightly fluttering to his chest!

Shen Lang nodded secretly.

When he came in, he saw that this tiger was a little powerful and a role as a top bodyguard. It seems that the shot is very slow now, but whether it is a catch or a shot, there are hidden great moves, and the surrounding is completely blocked!

Use the simplest tricks to spread the great changes!

Or to condense complex tricks into a simple trick!

This Ahu does have two hands, but in the eyes of Shen Lang, it is like this! Even at his current level, one can easily think of a hundred ways to beat!

But he did not respond quickly, but simply raised his hand.

Both Liu Zhilong and Yue Zhennan are very real. The action of Shen Lang seems to be very slow, and the movements of both Ahu and Hu are as clear as the close-up.

Shen Lang just lifted his left hand and greeted the right palm of Ahu's print on his chest. And his right hand, is to send forward, take the initiative to let the other party seize, and then turned it.

The two people's moves and copings are very simple. In the eyes of the people nearby, even Taiji is not as good as pushing hands, just like two people clapping their hands and saying hello.

At the moment, only two viewers know that Ahu is impossible to make a joke.

Liu Zhilong looked at Shen Lang so easily, his look dignified, and he was seriously injured when he worried.

Yuezhen South is the slight disdain of the mouth, this kid is too big!

When the two people's palms touched the moment, Ahu seemed to see the ending of Shen Lang, even if he was born with divine power, he couldn't take his hand!

In the back, Liu Zhilong opened his mouth and wanted to say "there is nostalgia". He knows that the strength of Shen Lang is great, but it is nothing more than that. Ah Hu is the master of Yue Zhennan!

But there is no copy of his speech here, and the words are still not spoken.

Shen Lang's shot is equally simple, and it avoids the display of various complicated posters, which is the most direct hard hit!

The expert has a shot I know if there is any. On the palm of the pair, both sides have a preliminary understanding, Ahu's face immediately changed!

He didn't use his full strength. Now he can't take pictures with ease, and quickly realize that this student's strength is far better than his prediction. If you can't respond quickly, you can't make a fool of it!

Although Yue Zhennan gave three strokes, he could not accept a student to support him three tricks!

Yue Zhennan and Liu Zhilong saw Ahu's back. He did not see the change of his face. Seeing that the two people's palms had been in contact, Shen Lang did not fall down, and thought that he did not want to be bullied, polite and modest. trick.

Liu Zhilong is also secretly relieved, as long as he can support a move, Yue Zhennan said that he will still give Shen Lang a chance.

It's too late to say it! Ahu's shot has a complicated post-attack that can be extended. After the attack is ineffective, immediately turn the palm into a fist, slide away from the palm of Shenlang, and then quickly collapse to the chest after half a foot!

This time, the change has become very popular, and it is necessary to hit the deep wave at the fastest speed.

Shen Lang also made a force at this time!

The docking of a palm made him understand the general strength of Ahu. The other side did not use all his strength. Of course, he did not use his best. When Ahu changed his attack and continued to attack, his right hand had already caught Ahu's left hand.

Shen Lang's right hand is slamming hard!

Ahu's whole person was pulled a few steps to the right, and the attack on his right hand was also frustrated.

Without waiting for him to stabilize his figure, he felt a huge force, and his body pulled up involuntarily!

Shen Lang is not pulling people to the right, for better effort. The real blow is from right to left, lifting Ahu's entire body in the air, and smashing into the empty table!
