

## First Strong 185

### Chapter 185 - Ambiguity

After Xie You gave Shen Lang time and address, he couldn't help but ask if he didn't continue to walk.

"You want to stay in Yuejia? What is the use? If the Chu family wants to strike them, there is you, and you can't help everyone. Besides, they may still give you some help in Pingxi. There is no Pingxi." What use. Why can't we thank our family?"

Shen Lang looked at him, this may be what he always wanted to say.

"People go to the heights and go down to the low places. You also follow the reason. Why not? Because I am not a thug or a guest of the Yue family, but a friend with Yue Zhennan."

"We are also friends." Xie You emphasized that he just used his sister to compare, so that he is not good, but Yue Zhennan is also a man.

"Maybe! But your family can't give me the same respect."

Yue Jia is the only one who is the leader of the horse. Xie Jia is a high-profile gesture that gives you the blessing. This feeling is different.

"You think they give you enough respect, or even completely around you. That's because they are too weak, so there is no right to speak! I say something bad, you want to grow taller, you have to step by step. Going up, now this is a mentality that is not a oxtail!"

Shen Lang gently applauded: "Yes! You know that you can still say it, you should be a friend."

"It was." Xie You smiled bitterly.

"It's good to stand out, chicken head and oxtail, I don't like other people's high marks on me!" Shen Lang said faintly.

The Yue family is actually the same, just in front of them, showing power very early, let them suspect that he has a strong background behind him, so it is so humble.

Now, whether it is reputation or strength, Shen Lang is not enough to be able to live in Xie's home. Of course, there is no need to stir up with them.

"In fact, we will not be tall, nor will we be arrogant." Xie You did not want to give up.

"Yue family respects me, I will not because there is not much value, regardless of their abandonment of life and death, this is called loyalty! If you change to work with you, you are in trouble, I am pulling myself to hold a thicker thigh, you What will it taste?" Shen Lang asked.

Xie You stunned, and there was nothing to say.

is not that right? From the perspective of Xie's family, he did not see the Yue family. The strong family of the Yue family did not add up as much as him. So he doesn't understand the deeper waves than him, why should he stay at the Yue family.

What do you mean by enjoying the feeling of standing out? No matter how powerful it is, it is only the strong person of Pingxi.

But now a contrast of Shen Lang makes him realize that his thinking is wrong. Regardless of the strength, it is a true friend to be able to help each other at a critical time.

I didn't expect that Shen Lang, who was so hot and hot, was still a loyal person!

Xie You is a little admired. Everything is about interest in this year. People who can take care of loyalty are really rare. He also wants to make this friend more.

"This analogy may be uncomfortable. If you change it, if I am stepped on the foot of Chu Mo, I will be beaten as a waste person. Can you still be a friend? Can Xiejia still look at me?" Slightly mocking questions.

Xie You knows that he is telling the truth. If he does not value his strength, especially at this age, Xie will not win. But he is a little dissatisfied: "If this is the case, I don't believe that Yuejia can respect you so much."

“So! Don’t want to be abandoned, don’t abandon others! Of course, I won’t let myself fall!” Shen Lang gave him a deep look: “Maybe, one day I can make Xie Jia like the current Yue family.” It’s not the same for me!”

Xie Yu stopped again.

A monk smaller than him said that he would make Xie’s family look down. He really felt that he was arrogant and would not care for such a person without anger. But last night, Shen Lang publicly called the board to the wind, and it was already the arrogance.

Therefore, now I heard the rant of Shen Lang, he actually felt that maybe there is such a day!

After a word, Shen Lang left.

But regardless of his personal subjectivity, after this in-depth chat, it is obvious that two people should be familiar with more.

Many players are leaving the next day. Xie You and other comprehensions leave the night, and some are the next day.

Shen Lang was at night and Yue Baichuan returned to Yuefu Garden. Yue Bailun was the first to go home in the town yesterday.

The last time I turned the tide to save the Yue family and saved Yue Baichuan, it has already made Yue Jia up and down to Shen Lang is very respectful. He still lives alone in that villa room, and someone is dedicated to serve.

Yue Jia is also very busy now, Yue Gang is still in the mountain village, Yue Baichuan sent Shen Lang back to the room and then left.

Quiet, Shen Lang is also a bit awkward.

Originally, he was preparing to take advantage of the summer vacation. He first traveled on his own, and after the university, the time was more free. It is because the Yue Family, a super-martial hero, needs his town to stay here.

I didn't expect that in the past few days, so many things happened. It happened to be a good thing for Zheng Man's descendants. I didn't expect to rectify the second generation of Tian Jingwen, who was involved in the Chu family, and now it's on the real-life level.

However, he did not have a specific purpose. Now that he has gone out of this matter, he will go down this way. After ten days, he will go to Xiejia, then go to the Death Forest and wait for him to come back to Chu. If it goes well, it will be almost the end of the summer vacation after returning.

Out of Zheng Yumeng's leaked track at the airport Let Shenlang not worry about Yuefu Garden, even if Yue Gang has thoroughly checked it, he still has to stay here for a while, or be careful. .

Just now he came back from the outside, if the Yuefu Garden has other eyeliner, it should be contacted at this time!

Therefore, the knowledge of Shen Lang immediately spread out, suddenly shrouded the entire community, and then quickly passed. If you are busy with something alone, or if you eat and drink together, you can filter it out.

The result was that nothing was found to be sneaky, that is, the door guards were vigilant, but there was nothing to doubt.

However, it was discovered that Tian Luning had arrived, and the car had just arrived at the gate of the community.

Tian Luning came, he was not surprised, he arrived just after he came back, really so smart? Is Yuefu Garden and his eyeliner, or is there an eyeliner lurking outside the community?

Shen Lang swiftly swept it again, and did not find any suspicious people. Finally, the gods concerned about Yue Baichuan. It was a group of people who closed the door and discussed anything in the study. It seems that he was mentioned, let him pay attention to it. .
