

## First Strong 20

Chapter 20 - Yao Shuji

Yue Zhennan wants to beat people...

What is this for you? What is the nine paragraphs like that!

Your fist hits Ahu and flies, vomiting blood, what do you want? It's going to be awesome!

However, he can understand it. This Shen Lang is a ignorant and ignorant student. It is not a low-key master. Otherwise, it is not clear.

Yue Zhennan is not an ordinary person. Although he was seriously defeated by Ahu's fiasco, he was very depressed, but he still found business opportunities!

I have seen Shen Lang because I heard Liu Zhilong's words and thought that I could spend a small amount of resources to cultivate it, but I didn't pay much attention to it.

If he didn't see it with his own eyes, he would never believe that Shen Lang could easily defeat Ahu. This is simply the gap between the gold sands and the ready-made gold nuggets!

And Shen Lang does not seem to have received systematic study guidance, relying on natural power to have five segments of combat power!

Such a genius, if it is pointed out by a famous teacher, is it not just a six-segment or even a seven-segment of the extraordinary warriors?

Although the Yue family has a lot to come to, the extraordinary warriors who can be transferred are also limited. The three masters like Ahu are arranged to become his followers. It is already the family's attention and protection.

Of course, there are also the five-sectoral martial arts Yuejia, but such a super-armed martial artist with unlimited potential is unique! Don't talk about his family, just listened to it.

“Zhilong, call Ahu to go to the hospital.”

In addition to confessing to Liu Zhilong, Yue Zhennan also stared at his eyes and nodded to Ahu, indicating that he did not blame and let him treat it well.

“It’s a mess here, it’s better to talk to another place.”

This time, Yue Zhennan did not condescend again, in addition to a lot of tone and modest, but also slightly bent to make an invitation gesture.

Shen Lang has nothing to talk to him, but the affairs of the super-wu people are related to the level of force in today’s world. These can’t be heard from friends and relatives around the class, including Liu Zhilong.

Yue Zhennan is very proficient in the world, and he is hesitant, and he knows it is an opportunity!

Not waiting for Shen Lang to promise, he should be acquiescence first. At this moment, Liu Zhilong and Ahu were not there. They were afraid that Shen Lang refused. He quickly walked in front of the road and opened the door in person. He made an invitation gesture.

Just now, Liu Zhilong went out to another private room, and it was really inconvenient to talk here. Just as Shen Lang walked to the door, two people appeared at the door.

These two people were passing by. When they looked at the opening of the room, they looked at it and the results stopped.

“Hey? Shen Lang!”

A middle-aged man screamed in surprise, then walked in and ushered in the face of Shen Lang.

“I thought you were going back to school. I didn’t expect to see you here. It’s better to choose the day than to hit the sun. I want to invite you to meet me! Please let me invite you to dinner and thank you tonight...”

When he came up, he took the initiative to shake hands, and it was a passionate word, so that Shen Lang was a little helpless.

I said that I had to go back to school before, and I ran into the Yuegong Hotel in Huayue Hotel...

Compared with the banquet of the town of Yuezhennan South, Shen Lang is more willing to accept the banquet of this middle-aged man, after all, saved them.

“Yao Shuji, do you know Shen Lang?”

Shen Lang has not spoken yet. The Yuezhennan South next to it is the first to interject, and immediately the eyes of both of them have turned.

‘Yao Shuji? No wonder there are official heads and drivers.’

Shen Lang thought about it and immediately understood it. Yuezhennan is coming from the city, and he has quite a status. What he can say is that he should not be the secretary of the ordinary unit. If he is not the leader of the county party committee!

And Yuezhennan in another private room, let Liu Zhilong take him to this private room, apparently not specifically to see him, but another dinner, see him just by the way.

This Yao secretary is the guest he wants to meet!

“Two sons!” Yao Shuji was shocked after seeing it clearly: “Hey, my old eyes are dim, I have suffered a life and death crisis just now, I didn’t see you, I was ashamed!”

While he was shaking hands with Yue Zhennan, he also apologized.

Where can I think that Yuezhennan can open the door for people!

Just seeing it is Shen Lang. For the door pulling, I thought it was the waiter of the Yuegong Tower. I didn’t even look at it.

If it wasn't for Yue Zhennan's own opening, he still hasn't noticed...

"You killed me, you call me Zhennan, I am not polite to you, call you Yao Shushu."

Yao Houpu completely ignored him. It really made Yue Zhennan a little depressed, and he felt suppressed by the light of Shen Lang.

However, his current focus is on Shen Lang, and he can dig out a superb warrior with five potentials and great potential for the family, which is more important than Yao Houpu's dinner. After all, one is the ownerless, and the other is the Yue family.

Yao Houpu's attitude toward Shen Lang also made him realize immediately that Shen Lang is definitely not simple. Liu Zhilong's kid is still not enough!

For Yue Zhennan's attitude, Yao Houpu was a bit flattered. But then wake up, Yuejia Ergongzi is with Shenlang, just asked him to know Shenlang, it seems that because of the relationship between Shenlang!

It is no wonder that a middle school student in Shenlang will appear in Yuegonglou It was originally an invitation to Yuezhennan!

When he looked at Shen Lang, he felt a layer of mysterious aura.

At this door is not the place to talk, Yue Zhennan does not want Yao Houpu to see the scene inside, immediately greeted them to go out and switch to another luxury room.

Shen Lang did not reject Yue Zhennan. He just wanted to know about the situation of the super-martial warrior. What is the level of the top nine? On top of the nine-sectoral warrior?

The result was that it was not convenient to talk about the middle-aged people who had been rescued not long ago. After being pulled into the deluxe private room, it is even more inconvenient to say that there are more than one guest inside.

"You eat, I am leaving!"

Yuezhen Nandu has done so obvious, how can Shenlang not see his thoughts? Even if you leave directly, you will definitely find him alone.

Yue Zhennan and Yao Houpu thought that the relationship between the other party and Shen Lang was good. I didn't expect him to give up a little face. In public, he didn't even sit down and deal with it. He just said goodbye!

But this gesture, but let them all think that the relationship between Shen Lang and the other party is not normal, to the extent that they do not need to be privileged, which makes them pay more attention to it.

Yue Zhennan came to the banquet for Yao Shuji, and he also had a relationship with the Yue family. Even if he was only a smattering person, he could get into the eyes of the Yue family. He was able to get Yue Zhennan and Yao Houpu's dinner, all of whom had heads and faces in the county.

They were originally surrounded by Yuezhen South. At this moment, Yuezhennan and Yaoshu of the county came in, and they were busy and enthusiastic. After all, the influence of Yao Shuji is in front of him, even worse than Yue Gongzi.

The colleague's Shen Lang is wearing a school uniform. Everyone can recognize the students in the county at a glance. They think that they are the sons of Yao Shuji and they don't care. I didn't expect an opening to be so ignorant, so that everyone could see more.
