

First Strong 215

Chapter 215 - Kill!

Everyone is shocked!

Before Shen Lang said that he had to dig their tongues, whoever heard it was just a threat. I didn't expect him to do it, and he said nothing about it. He directly pulled the whole tongue out of his hard life!

This is more harmful than cutting the tongue. What they can see is that Hai Rui, who can't fit the lower jaw, has a blood donation in his mouth. The whole person has turned a blind eye and directly passed out.

The enemy was shocked and the voice was shocked.

She just had a little contempt for Shen Lang in her heart. He felt that he was a big man and that the truss was too imposing. He should swear words and swear words. Made her a girl, to fight four men.

However, I did not expect that the smashing of the truss would not work, but it was not ambiguous at all.

Said to dig the tongue and cut it directly by hand!

It's too violent, it's too horrible, but it's simple and rude, it's cool!

Falling rain is also a surprise look. She knows that the strength of Shen Lang is growing rapidly, but she has not seen the waves in person. Especially after a month or two, his changes are much bigger than before.

"Don't move!" The voice said to Shen Lang, and then a fierce kick, directly kicked Hai Rui is bleeding mouth.

Because in this dead forest, their girls are the same as men, the neat trousers, plus the anti-slip and anti-stab hiking boots, this foot goes down, the thick rubber outsole, not just the mouth, from the chin to the nose Almost flat!

“Hey! Who is going to rot someone’s mouth!”

Shen Lang’s hot, has already scared them, a voice of a girl, no gloom, and then “dry” Hai Rui’s mouth ... let them have a few panic.

Without the core of Hai Rui, Situ Yang Miaoyong is a bit guilty. It seems that the disciples of the Tianshan Ice Palace are just superficially looking and not so bully!

And this Shen Lang, not to mention, even if it is a sneak attack, just Hai Rui can have no room for rebellion!

That ***** Chu Yunfei!

Actually told them that Shen Lang’s strength is average, but there are more intrigues and tricks, so let everyone meet and do it directly. This is clearly a trick to them, let them do cannon fodder!

“You, you... have the ability... one person to deal with us three!” Miao Yong originally wanted to say that there was one-on-one, but looking at Hai Rui’s end, it would become a deal against them three. .

Everyone is a peer, and the strength seems to be on a horizontal line. The difference is not too big. It is a shame to say that it is a shame to deal with three people.

But just after Shen Lang grabbed Hai Rui with his hands and then pulled out his tongue, they all felt that Shen Lang was not at the same level. Even if it was three dozens, no one felt that something was wrong.

“For mad dogs, you have to start. I am violent, it affects the image in your heart.” Shen Lang smiled and said to the rain. “So, you and your sister left first!”

The rain has not yet spoken, and the voice that has just kicked a kick has now looked at Shen Lang and I feel that this guy is too pleasing to the eye!

“Reassured! Your side of Sven, the sisters like it, your violent side, the sisters certainly like it. We like to watch you violence against them!”

“Go ahead, you have your business.” Shen Lang said seriously.

The voice is a bit embarrassing. He has just heard about Xue Lingguo and helped them out. If they want to go first, they are not loyal, and they are against him, so they will say Stay and see violence.

“Okay. You are careful!” It was this time, but it was promised. Then she solemnly sighed, although a few simple words, but from the heart.

This picture is a bit embarrassing. Shen Lang grabbed Hai Rui’s neck with one hand, and Hai Rui’s mouth was bleeding. His other hand was still holding a **** tongue, and at the same time he was soft with them. Say goodbye...

Situ Yang three, is an exchange of a look, know this is an opportunity!

After the rain fell, he pulled a voice and turned to run in the forest.

“But... are we doing this...”

“Without us, he is more open.”

When they heard their whispered words, people quickly went in the forest.

“boom—“

At this time, the place where Shen Lang stood, was blasted into a large pit, leaving a body to fall on the soil.

When Shen Lang let them go first, Situ Yang has gathered strength and launched a spell attack. The attacks of the three people fell almost simultaneously, forming a synergy, and the effect was amazing.

Looking at the ground, they all widened their eyes and wanted to identify if the body was a sinking wave.

But they all realize that it is wrong. If it is a deep wave, there should be two, and there is a Hai Rui!

“What about people? Have you seen it?” When Situ Yang said this, all three of them immediately woke up.

Shen Lang has not been killed, not in front, maybe it is behind them! With the speed of his attack on Hai Rui, it may not be possible!

Just after saying this, he found that the expressions of Miao Yong and the horses were very frightened!

Then he felt that there was something with a ***** taste and he entered his mouth...

Shen Lang not only came behind him, but when he was talking, he stuffed Hai Rui's tongue into his mouth!

For a time, the two people I saw felt that the stomach was churning up, and Situ Yang did not need to say anything, directly vomiting.

But even if you can't control the stomach reaction, all three people understand that there are more important things now. If you can't kill the Shenlang, Hairui may be their end!

“Just use your hands!”

When Shen Lang spoke, a punch hit the back and directly penetrated the body of Situ Yang, revealing a fist from the front!

“Fuck!”

Miao Yong and Tama's two originally wanted to resist, and once I saw this picture, it almost collapsed. Hai Rui was pulled off his tongue, and Situ Yang was punched by a punch. They also countered a fart!

At the same time, the two people are decisively fleeing to the left and right!

They don't need to think about anything. This is an instinctive reaction. It is the same nature as Chu Yunfei's escape from Xie Tongwen.

It is a pity that Chu Yunfei is much more savvy than them, and the reaction is fast enough. He can also throw a smoke bomb to interfere. More importantly, the Shenlang after one day has already had a big leap!

When they fled around, Shen Lang had already vacated and followed Miao Yong. People in the air, directly using the "Da Shou Mi Long Xiang Shen Gong", kicked Miao Yong's head!

This time he controlled the point of strength, did not kick his head, but kicked off the neck, flew out to the side, the body is still running a few meters forward!

After the kick, his body flew to the horse to fly over the horse, and when he hadn't arrived, he had already gathered his energy, and he took the first shot and flew!
