

Full Marks Hidden Marriage: Pick Up a Son, Get a Free Husband

Chapter 191: I think it's better to eat

Lu Jingli stared at her bitterly, "You idiot! How dare you! Give me back all the cauliflower, cabbage, turnip greens in your hands! These plants are all my own species, I personally water and fertilize them. Everyday I play music for them, read them stories, and tell them jokes. They're my pride and joy! They're a hundred times more precious than gold! You haven't seen them grow as big or as juicy in anyone else's home. Putting it in general cuisine would be such a waste!"

Ning Xi: ".....?"

She thought he was growing them because he wanted to eat them. Besides, she never thought that Lu Jingli would have such a fantastic hobby.....

"Put them down immediately!"

Ning Xi blinked, "It's too late! I've already picked them! Do you want me to give you money for them?"

"You actually dare to use money to insult my little babies! Ning Xi, I will fight you!" Lu Jingli rolled his sleeves up and started rushing towards her.

Ning Xi nervously pulled up Little Treasure, "Run" she shouted and the two ran away panting.

Ning Xi headed towards the house door and started calling, "Lu Ting Xiao! Help-"

"Welcome back, how did things go?" Lu Ting Xiao asked, coming out of the house.

Ning Xi immediately grabbed Little Treasure and hid behind him.

Just then Lu Jingli arrived and started complaining. "Brother, you don't know but those two naughty children in your family actually went to my vegetable gardens and stole my food!"

Lu Ting Xiao: "I sent them."

Lu Jingli: "....." Really now, behind the naughty children is a naughty parent!

"You are too much!" Jingli shouted, "I don't care how you do it but give my little babies back to me!"

Ning Xi poked her head out from behind Lu Ting Xiao's back, "But your little babies are already dead!"

"You dare to say that?! I'll bury them and pray for their salvation! Isn't that enough?!"

"Well, I think eating them is also pretty good!"

"You, you, you.....this cruel woman! I'm going to beat you and die with you!" the raging Lu Jingli started rushing over when suddenly a handsome robot appeared to block his way.

Standing behind the robot was Little Treasure looking coldly at Lu Jingli, as if warning him not to bully his Aunt Xiao Xi.

Looking at the three children plus a robot ready to fight, Lu Ting Xiao pinched the bridge of his nose and sighed. "Lu Jingli don't cause trouble. Just come for dinner."

"I do not want..." Lu Jingli started but suddenly smelt the aroma of delicious food.

"...Brother, didn't you make all the servants leave today? Then who made the food?"

"I did!" Ning Xi immediately raised her hand.

Lu Jingli's face was one of total disbelief: "You can cook? Can we actually eat the food?"

Leading him to the table, the results were clear. The kitchen table was covered with dishes comparable to a restaurant's head chef causing Lu Jingli to be dumbfounded.

"You really made this?"

Ning Xi quickly took Lu Jingli's stolen vegetables and immediately fried them up.

After witnessing it personally, Lu Jingli had to believe that, she had made the food. But, because he couldn't forgive the fact that she had stolen his food, he didn't give her any credit.

"Hmph! What year do you think this is? Thinking that you can get a man's heart through his stomach. I hope you're not thinking about those stupid words. Three inches below the belly button (the thing below the belt) is the key, okay?"

Ning Xi had no choice but to laugh. The fact that she and Lu Jingli were thinking the same way was really amazing!

Though, the only one allowed to malign her is herself. How can she let others say that?

"Oh? Is that so?" Ning Xi tastefully raised one eyebrow, then picked up some rice and meat and stuffed it into Lu Jingli's mouth.

Chapter 192: My Future Sister-in-Law

Thanks again to the editors for making my life easier and for editing so quickly. We will continue with 2 chapter releases a day until we get to chapter 200. Then There will be an announcement (I'm not dropping it so don't be scared)

“What did you just put in my mouth? It must be poisoned.” Lu Jingli immediately wanted to spit it out but his face changed quickly.

“FML! Delicious! What is this? Crispy on the outside but melts as you bite it! Too delicious! How can food be so delicious?”

“There is no man's stomach that I can't catch with this right?” Ning Xi asked as she sat with folded arms, waiting.

Lu Jingli nods enthusiastically “This is great! If I could have such a wife that could cook like this, I would make sure to be home for dinner everyday!”

Lu Jingli sends a knowing look towards his brother. It seems that marrying Ning Xi is the only option.

“Don't you have to go bury your little babies now?” Ning Xi asked playfully.

Lu Jingli looked at her seriously: “No, no. Your pot is the best destination for them! From now on, use as many of them as you want! Just feed me too when you cook! Ah, this crayfish is delicious. This steak too! What kind of spices did you put in this?”

Lu Jingli continued: “I've tasted a lot of food, but I've never eaten such unique taste before.”

“It's my own special seasoning. How can I tell you the recipe? Hey. Hey, stop! You've had enough! Leave food for the rest of us, we've been busy all day and haven't had some to eat yet!” Ning Xi cautioned Jingli.

“Wait! Don't start yet! I want to take a picture to send to a couple of my friends. This food looks too delicious. I really didn't know you could cook like this Sister-in-law”. Lu Jingli then whipped out his phone and circled the table taking a lot of photos.

He then went on the family Weibo page and posted: ‘Look! Everyone! My future sister-in-law's cooking is really delicious! Thieves are really envious of my brother!’

“What did you send?” Ning Xi asked curiously, trying to peek at his phone

Lu Jingli immediately put his phone away, “It’s a secret! How can you easily spy on other people, what about my privacy?”

“Who cares about your privacy! I see that you have a group chat, too!” Ning Xi took out her phone, opened WeChat and added Lu Jingli to her friends.

As a result, it didn’t work out as Ning Xi expected.

“Lu Jingli, what did you write at the end of that photo? I can’t see anything! You also set my name to invisible!” (I’m guessing you can edit how people’s names are displayed, and he set hers invisible so the family members cannot see it and stalk her.)

“You can’t tell me what to write!” Lu Jingli replied. “It’s my right!”

“And they are my cooked dishes in the photo!” Ning Xi retorted.

Watching the two noisy people argue, Lu Ting Xiao quietly pulled out his phone and opened up Lu Jingli’s post. When he read the words ‘my future sister-in-law’, he understood why Jingli wouldn’t show it to Ning Xi.

Lu Ting Xiao noticed that within a few minutes, a large amount of comments had shown up.

Mo Ling Days: I can rely on you! Didn’t I tell you last time? Is that real food? Such skill! I didn’t know Lu Ting Xiao preferred homely type of girl as his wife.

Qing Mu Wind: I’m surprised, she knows how to cook? I believe, she will become a good wife and mother.

Lu Father: Yes.

Lu Mother: Oh yes, this girl is really good! These days, lots of girls don’t know how to cook. Is that my Little Treasure’s hand in the corner? It’s getting nice and fat. Good!

Some of the other comments praised Lu Ting Xiao’s good fortune. Others asked when he was bringing her to meet the family, or when can they come to the house to see her.

“By the way Little XiXi, your manager has been decided!” Lu Jingli quickly changed the topic.

Ning Xi was immediately distracted from the pictures: “Really? Who is it?”

“I’m not going to tell you. However,...if you promise me a meal I will!” Lu Jingli tried to bargain.

Ning Xi glared at him, then turned to Lu Ting Xiao: “Lu Ting Xiao, who is it?”

Chapter 193: When you leave me?

Release (1/2) of today.

Big thanks to our three editors

Pam Libo-on

HN Dragneel aka Mielin on wordpress

Bhavana

Looking forward to chapter 200. You guys remember N-Xuelo and Su Yan. The Shenanigans begin and someone gets a slap. Look forward to it fufufufu

Lu Jingli sent his brother a wink, but unfortunately Lu Ting Xiao only glanced at him and proceeded to ignore him.

Turning to Ning Xi, he replied, “Lin Zhizhi.”

Lu Jingli, “.....”

You make me feel sad! Is this because your wife fed me together with you? The retaliation is too quick!

When Ning Xi heard this she was taken aback, “Lin Zh-zh-zh-zh-zhi? As in the Lin Zhizhi who became famous internationally due to producing the movie star Leng Manyun? The one who refuses to take on new artists?”

Of course she would take you! Lu Jingli thought bitterly in his heart. All because of Lu Ting Xiao’s command. Last night he had flown to H city to persuade her to come back!

“Because of Leng Manyun withdrawing from the public eye.” Lu Ting Xiao answered her as if it was just a coincidence that Lin Zhizhi happened to accept Ning Xi. Truthfully, Lin Zhizhi was actually on temporary leave before finding a new artist.

Ning Xi looked scared: “So then the rumors are true. Leng Manyun is really retiring?”

Lu Ting Xiao nodded: “Yes, she has decided to settle down.”

Ning Xi's face is one of regret. "It's a pity. She was at her peak when she chose to marry and have a child. Otherwise, she could have, most likely, broken Song Lin's Grand Slam record for actresses and gotten twelve trophies!"

Getting the Grand Slam has been her ultimate goal!

Ning Xi shrugged and said, "However, each person has their own personal goals and others shouldn't judge! But has Lin Zhizhi really agreed to take me? I heard that her personality is very strict?"

"Yes, and you still have to go through her test in order for her to determine how she will train you," Lu Ting Xiao replied.

"Oh, okay. I will do my best!" Hearing Lu Ting Xiao say that there would be a test calmed Ning Xi down a bit.

Lu Jingli listening to the two speak couldn't help but click his tongue. His brother brains were clearly set on Ning Xi. Every time she had a bit of trouble, he went above and overboard to eliminate the problem as to not give her any pressure.

He was clearly infatuated with her! Looking at the growing feelings of trust and attachment in his brother, he felt that the day he could openly call her sister-in-law was not far away. Of course he was in total support of this, then he could always eat this kind of delicious meal!

Presumably because today had been so busy, Little Treasure slept early that night. Ning Xi only had to coax him for less than five minutes before he sweetly fell asleep. Ning Xi patted the little guy before gently placing a kiss on his forehead and heading out the door.

Lu Ting Xiao was leaning against the railing outside the door. Hearing the sound of it opening, he turned towards her and raised his eyebrows.

"Is Little Treasure sleeping?"

"Yes, he is sleeping quite soundly", Ning Xi replied.

"Today, you've worked really hard."

"No matter how hard, I'm happy to do it".

"Today was the first time Little Treasure ate two bowls of rice" Lu Ting said with a very pleased expression.

Ning Xi laughed, "It's rare for Little Treasure to stay and help with making the meal. As long as I'm not busy, we can often cook together and make delicious food."

Lu Ting Xiao frowned, then refused "No."

“Why not?”, Ning Xi asked puzzled.

Lu Ting Xiao looked at her with a melancholy air. “If you keep giving him such delicious food, when you leave me how am I supposed to feed him?”

‘When you leave me’, how do I ...this sentence was just filled with ordinary words, but the meaning hit her heart like a hammer...

Chapter 194: Reporting For The First Day of Work

Sorry for the late release guys, it was a really busy day

I had to go to my brothers award ceremony in addition to going to work and my online class beginning today.

But here it is.

Thanks to our lovely translators: Bhavana, Mielin, and Pam Libo-on!

Last night after hearing Lu Ting Xiao’s words, Ning Xi did not sleep very well.

She had bizarre dreams all night and even dreamt of being drugged by Zhu Xiangcheng [that one boss who gave her the aphrodisiac]. In the dream, she threw herself into Lu Ting Xiao’s arms and it quickly spiraled out of control.....

Ah Ah Ah! How could she have such a dream?!

In the bathroom Ning Xi ruffled her hair and splashed her face with cold water.

She must pull herself together as today was her first day reporting to the new company!

Out of time, she headed downstairs and saw the small bun and big bun waiting to cheer her on.

Lu Ting Xiao: “Come on!”

Little Treasure raised his word pad to show one word: Fighting!

Next to the small bun, a robot sprayed confetti and mechanically repeated the words: Fighting. Fighting.

“Thank you, thank you!” Ning Xi kissed the little bun and bowed towards the BIG BOSS while avoiding his eyes.

After all, last night, she almost had her way with him in the dream...

Finally at Golden Entertainment.

Standing in front of the magnificent building, facing a new start, new opportunities, and new challenges, Ning Xi felt her chest heat up.

When walking into the tall building, there was only one thought in her mind,

“Attack. With. No. Mercy!”

Looking around and seeing the resplendent way of decorating, it was clear that Lu Jingli had a good aesthetic sense.

Following the directions she received from Lu Jingli, Ning Xi went up the elevator and arrived at the office at the end of the 17th floor.

After knocking, she received the response “Come in”, from a female voice.

Pushing open the door, Ning Xi felt her eyes were purified.

Just outside, the brightness of the building was almost blinding, but inside this office, the main colors consisted of black, white and gray. It was decorated very simply.

Sitting at the desk was a woman wearing black rimmed glasses and a professional champagne colored suit.

“Hello Ning Xi, from today on I am your agent, Lin Zhizhi. Have you perhaps heard of me? I usually don’t work with new people, but with Leng Manyun retiring, the company needs someone to fill in her top position.” Lin Zhizhi gave this simple explanation while her eyes looked over Ning Xi with a sense of pressure.

Her first impression of this girl is that she and Leng Manyun are two completely different types. This girl has a type of striking, arrogant beauty.

In the entertainment industry, this type of beauty can be considered first in its class but also a double edged sword. A guileless beauty so dangerous it can cause a calamity. [Based on a Chinese idiom/legend of Bao Si: 容易被扣上花瓶的头衔, 也更容易跟乱七八糟的桃 meaning a dangerously beautiful woman like an exquisite vase and can cause disasters. Synonymous to the the the Helen of Troy fiasco.]

After listening to Lin Zhizhi’s words, Ning Xi is very surprised. She is supposed to be the replacement for Leng Manyun? Isn’t this expectation too high?

However the greater the difficulty, the more excited Ning Xi becomes. Moreover, this has always been her goal!

“Although you are the company’s choice as her successor, but that means nothing to me. I will give you a trial period for six months. If you cannot meet my requisites then I am kicking you out. You can remain at the company, but I will never choose you again. Understood?” Lin Zhizhi stated coldly.

Ning Xi quickly acquiesced, “Yes madam.”

At this time a knock sounded on the door, and a friendly, chubby looking little girl came in.

“This is the assistant I arranged for you”, Lin Zhizhi said.

“Good evening Ning Xi, I am Hu Tao but you can call me Taozi!” the girl shyly introduced herself.

“Hello” Ning Xi greeted, giving the chubby, little assistant a good first impression of her.

Chapter 195: Can’t Fall In Love

Sorry y’all for the late release. My Late night yesterday turned into a late day and I’ve just been playing catch up.

I’m trying to get the next couple chapters to the editors ASAP. They’re all waiting on me.

But thanks to them for the good work as usual!

Editors: Mielin, Anamoly, and cfadmode (<http://www.crazyforasiandrama.wordpress.com>)

It’s the same translators but with their WP names so you can give them thanks :).

After introducing her to the small assistant, Lin Zhizhi gave her a bunch of keys, “This is your company arranged apartment. You need to move here as soon as possible.”

Ning Xi glimpsed the words engraved on the key: Pearl River Apartments.

F**k! The company arranged to have a newcomer like her live in the Pearl River Apartments?

In this city, the most expensive villas are at the Platinum Palace and the most expensive apartments are at the Pearl River Apartments. Both of them are the Lu Group’s housing developments. She remembered that Ning Xuelo also lived at the Pearl River Apartments.

Golden Age is really rich and powerful!

Ning Xi replied somewhat embarrassed, “Thank you Lin Zhizhi, but...I cannot move in yet...”

Lin Zhizhi glanced at her, “Do you have a boyfriend?”

Ning Xi seeing that she misunderstood and thought she was living with her boyfriend. Immediately she tried to explain, “No, it’s not because of a boyfriend! I promised a friend that I would stay with them for a certain period of time. After that is finished, I will move immediately. I assure you it will not affect my work, and where I live now is also very private!”

“I don’t want to interfere too much in your private affairs. But there are some conditions that I need you to adhere to so they won’t cause problems later. The first one is at this stage, you can’t fall in love. You understand why right?” Lu Zhizhi asked.

She had single-handedly brought up Leng Manyun from scratch and then because of a man, she suddenly retired. This was a big blow to her.

Fighting together as teammates, and having her partner abandon her halfway left her extremely disheartened.

“Lin Zhizhi, at this point I can assure you, all I want to do now is become the best actress.” Ning Xi replied in a firm tone.

Lin Zhizhi only looked at her with a blank expression.

When a woman encounters love, her head and mind is giddy. Even if she made one hundred promises, they would be in vain.

Lin Zhizhi then continued to tell her about some of the company’s rules and regulations, then handed her a document.

“Today, Starlight Entertainment will hold a press conference. Their main intention is to declare their ban on you. Our’s will be here at nine o’clock tomorrow. These are the notes for the conference and answers for questions journalist may ask you. Look through it when you go back.”

Ning Xi took the file, “Lin Zhizhi, rest assured that I will do my best!”

Although Lin Zhizhi always has a cold face and a harsh appearance, Ning Xi did not feel uncomfortable. In fact, she felt quite secure.

This company takes care of all the arrangements, allowing their artists to only concentrate on acting to the best of their ability. Completely different from what she was used to.

Lin Zhizhi saw that the girl’s eyes were full of gratitude and determination. Her favorability increased by a few points.

Although Lu Jingli is usually a little tricky, at least his eye for scouting people is very good. Every time he finds a person, they are not failures and end up quite successful.

“Well, you can leave now. There are some other details that I will tell you about later. If there is something you don’t understand, feel free to call us.”

“Yes! Then Lin Zhizhi, I will leave first!”

... ..

Today Ning Xi was pretty excited. Lu Ting Xiao had prepared for her a black Audi since her recent exposure is too high. If she were to continue taking the subway and was recognized, it could be very troublesome.

On the way back, Ning Xi excitedly tried the autopilot function. The car automatically positioned itself properly and started driving home. She just sat on the driver’s seat with nothing to do. Really cool! Life changing technology is pretty amazing!

At this moment, the Starlight Entertainment press conference should have ended. Ning Xi deliberately picked up her phone to open up the microblogging site and look at the online response.

Chapter 196: Into The (Emotional Fans) Frying Pan

Thanks to our lovely editors for last minute translations and for slogging through all this hate. You rock!

Editors: Anamoly, Mielin, and cfadmode

As for Ning Xuelo and Su Yan. Their slaps part 1, 2, and 3 are coming soon. Look forward to it ????

After the press conference, the netizens anger reached an unprecedented height:

[Starlight is doing a wonderful job, block that slut. (referring to Ning Xi)]

[Doing something wrong and being so arrogant. ‘I was drunk!’, unfortunately the world doesn’t have such convenient excuses!]

[Why do you all curse Ning Xi? I want someone to stand up and hit her!]

[I think Ning Xi benefited too much from Ning Xuelo's benevolence. She should take her directly to court!](remember N-Xuelo was "injured")

[Behind Ning Xi is a sinful master who is only an expert in seeking flesh (basically calling her a slut)]

... ..

Not only that, as long as someone tried to defend Ning Xi, everyone would flock to attack that person. As a result, no one dared to offer a different opinion.

Ning Xuelo was clearly in a hurry to suppress her so that she couldn't stand up.

Ning Xi refreshed her feed and found something was wrong. Her microblog was suddenly buzzing like crazy. The comments on her page began skyrocketing...

Uh, what happened?

Her cell phone screen went black several times before Ning Xi could reopen it, and then she understood what happened.

Just now, Lu Jingli had made a post –

Little Koi Prince: Welcome to the new students joining our Golden Entertainment Family ~
@NingXi

FML! Ning Xi could not help but stare, thinking her eyes were seeing wrong.

Isn't Lu Jingli too much of a high profile character?

As soon as this post came out, the whole microblogging community blew up as all the users flock to this post.

[I can't believe what I'm seeing! Ning Xi that slut actually went to Golden Age Entertainment?]

[I do not believe it! I do not believe it! I do not believe it! My cute Little Koi Prince must have been hacked! That's what definitely happened!]

[What! Golden Age Entertainment's reputation in the industry is notoriously good. How could they sign the despicable slut Ning Xi?]

[If this is true, then Golden Age Entertainment is going downhill. In this life, I'll never go see Golden Age's Artists!]

[Originally Jingli had quite a good reputation. I would have never imagined that he is this kind of person. Too disappointing signing such a bad person. Why would you want to sign that type of a person? Is it because she's beautiful?]

[Shit! Ning Xi, that slut, better not sleep with my Little Koi god! Don't stop me! I'm going to kill her!]

.....Ning Xi knew regardless of any help, this is what would happen...Why was Lu Jingli so impatient? Why couldn't he wait until after the press conference and announce it? This was professional suicide!!

Seeing the extreme outrage, even other Golden Age artists' microblogs were starting to become targets for insults. Ning Xi was thinking what would be Golden Age's next step when she saw a post. She just stared dumbfoundedly, not knowing what to say or do.

What she saw was just simply too unexpected...

She was surprised to see Lu Ting Xiao re-blog a post from Lu Jingli.

Lu Ting Xiao's microblog is mostly full of generic, formulaic things; such as the anniversary of the group, setting up a new department, the completion of any major project, or some professional economic theory that people cannot understand.....

Even so, Lu Ting Xiao had a lot of fans. God, even if it's half a year before updates, or he just posts advertisement, there's a large amount people chasing after him.

Before, he had always been only concerned about the company's events, but now Lu Ting Xiao had not only re-blogged Lu Jingli's post but also added some words: Welcome to Ning Xi.

This time, the fans' emotions aren't so simple, causing the micro-blogging traffic to instantly spike. The system immediately overloaded and crashed for several minutes before resuming...

Chapter 197: The Fans Favorite Is Clearly You

I'm going to be batch posting the chapters at once now.

There's an unexpected Announcement later today once I get more information.

Online public opinion is a moment of magic reversal:

[God! What did I see? I need to go to the toilet for talking three pounds of s**t!]

[One may be hacking but now that even Lu Ting Xiao has reposted it, can it be false? Golden Age Entertainment really signed Ning Xi! Even Lu Ting Xiao was stirred up! I can't understand the world!]

[Since Lu Ting Xiao reposted this, he must know and even agreed to Golden Entertainment's decision. Lu Jingli may get carried away by the crowd, but it is absolutely impossible with Lu Ting Xiao! So this situation is very strange!]

[Yes, there must be something wrong with the situation! Starlight may have the next big move! Just wait for the reversal!]

[I won't say anything, I will wait for the reversal! I firmly support my male gods!]

[Waiting for the truth! I believe in fairness!]

.....

In short, after Lu Ting Xiao's reblogged post, the original one-sided public opinion was instantly pulled back. All the users are beginning to remain neutral and some gradually returned to reason.

Ning Xi just brushed the microblogging incident away, the series of changes were just too amazing.

Big Boss Lu is too amazing ah!

The reason was because Lu Ting Xiao's image was really perfect. After taking over the Lu Group, he had never made the wrong decision. Five years ago, due to the economic crisis, a number of companies went bankrupt.

The Lu Group were the only ones who not only survived but thrived instead. People say that he is like an oracle, and everyone believes it.

At the same time in the Lu home's downstairs living room,

Lu Jingli was holding his mobile phone while lying on the sofa, cursing. "What! These bastards are nothing! What do you mean I'm liable to get carried away by the fans, but you can't! They are simply wrong about me! This is an injustice! It is clear that you are the fans favorite. You! You! You! This is injustice!"

As he continued howling, Ning Xi arrived at the house.

"It was too quiet, I didn't quite hear what you were complaining about?" Lu Ting Xiao asked.

"Nothing!" Lu Jingli immediately sat up. Some abuse was clearly unspeakable.

Pacing a few hundred steps at a time around the room he refused to look at Lu Ting Xiao.

Ignoring him, Lu Ting Xiao looked up from his book at Ning Xi: “Welcome back. Did you meet Lin Zhizhi?”

Ning Xi nodded repeatedly, “Yes, I saw elder sister Lin. It was quite a good meeting. She is completely my favorite type of person; a cold face that looks strict but makes you feel safe.”

Lu Ting Xiao “.....” It seems like there was no problem, but the way she worded it left him feeling a bit insecure.

Ning Xi immediately turned to stare at Lu Jingli. “You! Why are you so impatient? Why did you announce my signing onto Golden Age this early, hmm?”

Lu Jingli gave her a brilliant expression and began: “Of course it is to add some flames for you to increase your popularity! You see, the more buzz, the more people will continue talking about you!”

“Huh” Ning Xi cried, “If Lu Ting Xiao didn’t save the day, we were almost accused of being adulterers together you know?”

When Lu Jingli heard this, he finally had a guilty expression and muttered: “Scolded. Always being scolded.”

“Anyways,” he continued “Tomorrow is the reveal!” He expected that the fans would curse, but didn’t think that it would become so ugly from people’s jealousy.

“Be sure you send microblog notices to different correspondents to convene at the conference tomorrow.” Lu Ting Xiao reminded Ning Xi.

“Of course, I’ll send it now.” Not long after, Ning Xi released it. Lu Jingli reblogged it and Lin Zhizhi followed soon after.

At this time, Ning Xi’s phone screen flashed and a phone call came in. The caller ID – Jiang Muye

At the same time in the Lu home’s downstairs living room,

Lu Jingli was holding his mobile phone while lying on the sofa, cursing. “What! These bastards know nothing! What do you mean I’m liable to get carried away by the fans, but you can’t! They are simply wrong about me! This is an injustice! It is clear that you are the fans favorite. You! You! You! This is injustice!”

As he continued howling, Ning Xi arrived at the house.

“It was too quiet, I didn’t quite hear what you were complaining about?” Lu Ting Xiao asked quietly

“Nothing!” Lu Jingli immediately sat up. Some abuse was clearly unspeakable.

Pacing a few hundred steps at around the room he refused to look at Lu Ting Xiao.

Lu Ting Xiao turns and looks at the Bat Translation team, “Get Him”

We quickly chase Lu Jingli around the house for bad mouthing our evil overlord Lu Ting Xiao.....

Did....did we say that aloud? The translators turn and high tail it out of there in fear

Chapter 198: He Kissed You In Front Of Me

Batch Releasing the chapters. Last one (Maybe for today). Announcement later this evening once I get back from work and have more information.

“Hello, Jiang.....”

“Ning Xiao Xing! You actually signed with Golden Age!” Why didn’t you talk to me about it?! Don’t tell me you still haven’t checked your email?!” Jiang Muye roared

“Oh? Weren’t you supposed to be busy? I didn’t want to bother you. Besides, what does my signing have to do with the email you sent me?”

Because Jiang Muye’s voice was too loud, Nin Xi gave Lu Ting Xiao an embarrassed smile, then held her cell phone closely and headed to her room.

Behind, Lu Jingli touched his chin thoughtfully and glanced at his brother with meaningful eyes, “Brother, it seems someone is trying give you a road block. It sucks that you guys like the same woman! Fortunately, I don’t think Ning Xi likes this type of tch.....”

Muye! Your rival is too terrible!

.....

On the other end of Ning Xi’s phone, Muye was flaming mad, “You still haven’t checked your email till now?”

“Sorry, I forgot about it! What is so important about that thing? I thought it was just some spam video.....”

Jiang Muye took a deep breath, stressing each syllable, “You, open it immediately, this second, right now, open your email to see what I sent you. Don’t hang up on me, just open it now!”

“Make sure you stay on the line. You need to see this!”

Ning Xi reluctantly opened her computer, and logged into her email, rushing to find Jiang Muye’s email and download the attachments.

It was a picture and an audio.

She first opened the picture, it was a screenshot from a WeChat record.

[Oh my, my grandson is so cute . Oh my, my son is so handsome! Ting Xiao, who selected your and Little Treasure’s clothes? Is it that girl you like?]

[Yes]

[I knew it! You can’t possibly choose this style of clothing. Look at how bright the colors are, it’s so nice! It’s not like the boring clothes you wear all day. And you also made Little Treasure wear those clothes too! This is why your home really needs a woman!]

[Did she take the photos?]

[Yes]

[My future sister-in-law is great! She actually has the ability to get you to wear clothes of this color and have you pose obediently for pictures. I remember I gave you a suit that was almost identical to this color and your expression was so disdainful. You even criticized my aesthetic/style!]

.....

This was a conversation with Lu Ting Xiao, the two elder Lu’s, and Lu Jingli.

“Did you look at it?” Jiang Muye urged

“Yes” Ning Xi replied, a complicated expression on her face. She then proceeded to open the audio.

After the sounds of rustling, then came the voice of Jiang Muye.

“Uncle, what do you plan on doing to Ning Xi?”

Then came the sound of Lu Ting Xiao: “Towards Ning Xi.....”

“Yes! Don’t you think your attitude towards Ning Xi is too ambiguous?” Jiang Muye asked.

Lu Ting Xiao replied in a lazy and dangerous tone: “I think my actions have been quite obvious, if you still don’t understand...”

Hearing this, Ning Xi’s heart suddenly jumped to her throat, as if she was at the scene waiting with Jiang Muye to hear the rest of Lu Ting Xiao’s words.

What will he say? Waiting for the three seconds, was like waiting for three centuries, and finally sound came from Lu Ting Xiao.

He said, “Do you understand?”

Ning Xi was ignorant to the situation. Understand? Understand what?

Just as Ning Xi thought she missed something and was clicking the replay button, she heard Muye’s voice over the phone.

“You’re not deaf, he really only said those three words. However, before he said those words, he kissed you in front of my face.”

“Hello, Jiang.....”

“Ning Xiao Xi! You actually signed with Golden Age!” Why didn’t you talk to me about it?! Don’t tell me you still haven’t checked your email?!” Jiang Muye roared

“Oh? Weren’t you supposed to be busy? I didn’t want to bother you. Besides, what does my signing have to do with the email you sent me?”

Because Jiang Muye’s voice was too loud, Ning Xi gave Lu Ting Xiao an embarrassed smile, then held her cell phone closely and headed to her room.

Behind, Lu Jingli touched his chin thoughtfully and glanced at his brother with meaningful eyes, “Brother, it seems someone is trying give you a road block. It sucks that you guys like the same woman! Fortunately, I don’t think Ning Xi likes this type of tch.....”

Muye! Your rival is too terrible!

The Bat translation team watches Lu Ting Xiao’s silent but deadly hit towards his own brother, glad they escaped the last time without getting caught.

Lu Ting Xiao turns to the translation team, “I need you to go get me Jiang Muye”

“He’s out of the country sir” We reply as respectfully as possible. Blazaria hiding behind her three editors.

Lu Ting Xiao raises one eyebrow as if to say did I stutter. We quickly depart so we won’t be next

Chapter 199: Not Just Concerned About You

Jiang Muye is simply asking for LTX to beat him up. But the question is will Ning Xi beat him up first? I know I keep mentioning Ning Xuelo getting slapped but I'm reaaaaally looking forward to it. Like it can't come soon enough >_<

“What.....” Ning Xi was silently shocked for a moment, “Why don't I know?”

“You were drunk that night, it was the night that the crew had the welcome dinner for me” Jiang Muye reminded her.

Ning Xi finally remembered that night.....

She had ended up in the wrong room that night and Zhu Xiangcheng had been harassing her.

Later on Lu Ting Xiao had personally escorted her back to the crew room and told her to wait for him before she went home.

And then later, she had seen Lu Ting Xiao drunk and had fallen unconscious. The things after that weren't too clear, after seeing Jiang Muye, he and Lu Ting's conversation should have occurred at that time.....

Hearing Ning Xi's late response, Jiang Muye was even more frustrated and disheartened, “You still don't believe it? I know that you can't call these as conclusive evidence but the screenshots were him speaking with his parents, and even though the most important things are not recorded, this is not just some empty rumor.....”

After a good long while, he heard a sigh over the phone,

“Jiang Muye, whether I believe it or not, this doesn't affect my decision to sign onto Golden Age. Even if he really does have feelings for me, he hasn't used his position in public or private to force me into anything.”

After Ning Xi spoke this sentence, Jiang Muye knew he was finished.

He did not imagine that Ning Xi would trust Lu Ting Xiao to this point when they'd only known each other for a few months.....

Ning Xi continued, “Thank you, I know you are concerned about me. Tomorrow they are holding a press conference so now I need to concentrate on my preparation of this final battle. After this thing is over, we will revisit this matter, so don't dwell on it!”

If you wait for this thing to finish, by that time you will have fallen into his trap and wouldn't be able to escape!

No, she was already caught in his trap.....even knowing that, what could he do? Nothing. He couldn't do anything.

And..... I wasn't just concerned about you.....

What right did he have to criticize Lu Ting Xiao, what he had been doing was not much better.....

Jiang Muye had a deep sense of helplessness in his heart: "You sound busy, Talk to you later."

"Yeah, thanks," Ning Xi replied then hung up the phone. Suddenly, as if all her energy was drained, she fell back on the bed, eyes staring blankly at the ceiling.

Until now, she hadn't been able to get Muye's phrase "he kissed you in front of my face" out of her head.

Probably because of an actor's imagination and the brain's ability to fill in details, she could almost completely picture the scene at that time. Her heart began beating faster.....

Ning Xi pulled out her cell phone and quickly sent Lu Ting Xiao a message through WeChat trying to pretend as if nothing was wrong:

NX: [Boss, I want to look through the manuscript for the conference. This evening, you don't need to call me to eat, I'll just grab some fruit. I ate way too much meat last night and need to lose weight ^_^]

How could she look at him? She was obviously good at disguising her feelings, but in front of Lu Ting Xiao she had no confidence.

Downstairs in the living room, Lu Ting Xiao opened the WeChat Ning Xi just sent him, then glanced in the direction of her room.

Lu Jingli quickly peeped at the phone, his face becoming disappointed, "Isn't sister-in-law cooking tonight? I was looking forward to it.....so sad....."

Finished with the phone, Lu Jingli turned and grabbed his brother's shoulder earnestly, "Jiang Muye, that kid seems desperate, right? The next material seems like it's a bit ruthless?"

"What....." Ning Xi was silently shocked for a moment, "Why don't I know?"

"You were drunk that night, it was the night that the crew had the welcome dinner for me" Jiang Muye reminded her

Ning Xi finally remember that night.....

She had ended up in the wrong room that night and Zhu Xiangcheng was harassing her.

Later on Lu Ting Xiao had personally escorted her back to the crew room and told her to wait for him before she went home.

What she didn't know is that Blazaria's team of editors and translator were setting up the perfect scene for her to get married.

Then Jiang Muye caught them in the act and threatened to video tape them and show it to Ning Xi.

The translator and editors retreat for now

Chapter 200: Given A Critical Hit

I present to you the stubborn father and son duo

Lu Ting Xiao simply looked back, his eyes were like a gentle breeze over a lake, although there are ripples, it soon returns to calm.

He knew that sooner or later this day would come, and he had been patiently waiting.

Although this time he was treading on thin ice, with a few near misses, it had now become the best-case scenario he could envision.

He has to do what he need to.

Looking at his brother's expression, Lu Jingli couldn't help but be worried for him.

His brother had simply been too restrained all his life. The past few months he had really changed. Ever since he met Ning Xi, it could be said that he had been reborn.

He really didn't want him to revert back to his old behavior, and become even more frightening.

He decided he would go to the temple tomorrow for his brother and kneel for awhile.

.....

Instead of looking at the manuscript, Ning Xi had been lying in bed for more than two hours.

There was nothing in her mind, it was completely blank.

When she met a situation that's extremely difficult to resolve, she would try to ease the pressure in a productive matter. When that didn't work, she would have to find a more extreme method.....

But it had been such a long time since she'd been bothered by something this difficult.

Looking at the clock on the wall, the time was almost ten o'clock. Ning Xi got up and reviewed the information Lin Zhizhi gave her. It took her an hour to memorize it all.

Her lines were solid, after all these things were quite simple.

At this time, she found it strange that the little bun hadn't come to see her all night. Lu Ting Xiao had probably told Little Treasure that she was busy.

After memorizing the information, Ning Xi was ready to see the little bun.

When she got to the little bun's room, Ning Xi thought he must be sleeping and pushed the door open gently.

As a result, through the crack she could see warm yellow lights on beside the bed.

She saw the little bun sitting on his bed focused entirely on his Rubik's cube. Lu Ting Xiao was also sitting on the bed, his cold face showing a hint of frustration.

"It's now 10:54. There are six minutes until eleven" Lu Ting Xiao said.

The implied meaning was it's late, go to sleep.

The little bun continued playing as if he didn't hear anything. He continued turning the cube around, taking a few seconds to assemble each side to make the colors consistent. Then he dismantled it and repeated the process.

Lu Ting Xiao picked up a book up from the drawers next to the bed. The cover had flowers, a small rabbit and a wolf's face; a book of fairy tales. His face expressionless, he asked Little Treasure, "Want to hear it?"

Little treasure finally looked up and stared at Lu Ting Xiao, his eyes full of disdain.

Lu Ting Xiao pinched the bridge of his nose, "Book about a prince?"

Little Treasure glared.

"A brief history of time?" Little Treasure ignored him.

Lu Ting Xiao finally gave up, looking at his watch, his face became gloomy, "It's already eleven o'clock."

Seeing that Lu Ting Xiao was about to get angry, Ning Xi quickly knocked on the door, opening it fully.

“Little Treasure darling, why are you still up?”Ning Xi asked.

Before she finished speaking, the little bun has dashed off the bed like a small whirlwind throwing away his cube. He quickly clung to her calf, his small head upturned, his large eyes blinking sweetly at her.

Ning Xi’s heart twanged, unable to take the cuteness.
