

FMH Marriage 1001

Chapter 1001: Do You Really Need To Be Beaten Up?

Ning Xi and Ling Zhizhi had gone through the necessary details to finalize the decision on the shoot for “Cute Babies Pair Up”.

When she returned home, Ning Xi first changed into her male disguise, then called Zhuang Keer. Zhuang Keer had silently done her a huge favor, so she still owed her a feast and she now finally had the time to treat her. She had even especially changed into a male outfit to make the girl happy.

“Hello, Keer!”

“Hello, Xiao Xi...” The voice on the other end of the phone sounded raspy and weak.

Ning Xi immediately frowned. “Keer, what’s wrong with your voice? Are you sick?”

“Cough, cough...it’s fine, I’ve just got the flu and a fever...”

“How did you get a fever? Have you gone to the doctor? Eaten your medicine?”

“I have, and I’ve eaten my medicine too. Don’t worry, I’ll be fine after a nap. Did you call me for something?”

“It’s nothing, I wanted to treat you to a meal, but we can do that anytime. Your health is more important. Rest well at home!”

“Oh, okay...” Zhuang Keer’s tone sounded like she felt it was a great pity missing out on such an opportunity. She had been waiting for Ning Xi to finish being busy and she had finally invited her out for a meal but what luck that she had to fall sick at this time!

Ning Xi obviously heard the disappointment in Zhuang Keer’s voice and she laughed lightly. “I’ll go over to see you tomorrow, alright?”

“Really?” Zhuang Keer’s mood immediately lightened up. “Don’t you have to shoot?”

“We’re done, so I’ll be quite free these few days. Is there anything you want to eat? I can cook for you!”

“I can’t taste anything and have no appetite for anything, so I don’t know what I want to eat either...”

“Then, I’ll play by ear! Just wait for the good food!”

“Mmm!”

...

After she hung up, Ning Xi felt that since she had changed, it would be a waste not to go out, so she called Tang Lang out for drinks.

At the same time, she wanted to find out some things about the other side. Initially, she found out that they were returning to China which worried her, yet there had been no signs of movement after waiting for many days. This made her even more frantic. She wondered if that dude was planning some huge move to make.

“Second Senior Brother, come out for a drink! Let’s go to that No. 8 bar from the last time! My treat!”

“You lil punk, you still want to deceive me!? Do you think I’m that stupid to fall into your trap again this time!? I wouldn’t go even if you killed me! Even if it was full of pretty girls, I wouldn’t go!” roared Tang Lang angrily from the other end of the line.

When she heard his agitated voice, Ning Xi was shocked. “Don’t be so emotional, dude! This time, I’m really just innocently asking you out for some drinks and a chat!”

“Liar!”

“I’m really not lying! Besides, First Senior Brother already beat you up the last time, so why would he beat you up again? Do you really look like you need to be beaten up?”

“Yes!”

Ning Xi was speechless.

Her persuasive banter had to drag on with Tang Lang for half a day before he finally agreed to go over sneakily.

The most outlandish thing was that the dude even wore a security guard uniform.

“Yo! Why are you dressed like this?”

“To cover up as a disguise!” Tang Lang nervously looked around him. Only after confirming that Ning Xi was alone and there was no ambush, he sat down.

“Look at your pathetic look! Do you really have to?” Ning Xi looked condescendingly at him.

Tang Lang immediately replied snarkily, “Haha, you’re talking about me? Who was it that betrayed me without hesitation under Tang Ye’s threats?”

Ning Xi coughed. “Fine, fine, let’s not talk about that. Have you been in touch with First Senior Brother recently?”

“Do you think I’d dare contact him before I can even defeat him?” Tang Lang said unhappily.

“Okay, well this treat is wasted...I wanted to ask you about the latest...” Ning Xi sighed.

Tang Lang sipped on his drink and started indistinctly, “The latest, aye!? I do actually have news!”

Chapter 1002: It Must Be Very Exciting...

“What, what? What news?” Ning Xi immediately asked.

“Even though I haven’t been in touch with Tang Ye, I did meet with Third Senior Sister and she told me to remind you to be more careful these days as Feng Jin might come up with some huge trick!” Tang Lang said.

Ning Xi immediately had goosebumps when she heard his warning. “Damn it! Since Third Senior Sister reminded you, why didn’t you tell me earlier!? If I had never asked you, would you ever tell me? Don’t be so petty and do so as part of your thirst for revenge!”

Tang Lang rolled his eyes at her. “Revenge, my ass! It’s Feng Jin making the move. Do you think it’ll work if you’re more careful? You might as well just continue to live your life in ignorance and carefreeness! Besides, you already have someone backing you up, so what’re you worried for?!”

Tang Lang had said the second half of the sentence with intense jealousy.

“Okay...” Ning Xi indicated that she had no way to rebutt.

But she was really curious! How was General Feng preparing to deal with her? It would probably be very exciting...

When he looked at Ning Xi’s well-nourished little face, Tang Lang could not help but mutter, “I’m just saying, apart from shooting movies, working, and earning money, you’re also dating and taking care of that kid. With so much on your plate, I almost think you’re being possessed by something! Before this, you wouldn’t even have gone more than a week without courting disasters!”

The disasters Tang Lang was referring to were related to her hobby of extreme sports, and she was really quite addicted. She would feel horrible if she did not dabble in such things every few days.

Ning Xi held her chin when she heard this. Her eyes turned glassy as she lamented, “That was my old life, how boring! I was numb from having fun all day, so I could only play with my life...As for now...”

“What about now?”

“After meeting my beloved and little baby, my life has become very interesting every day. Of course, I don’t need to court disasters anymore!”

The moment Ning Xi finished, Tang Lang wanted to slap himself for asking! Why had he asked?!

...

The Ning Xi now would not be at the bar past midnight. She would have asked to leave after staying for a short while.

Tang Lang mumbled with dissatisfaction as he followed her out the bar.

Ning Xi was just about to bid Tang Lang farewell when a group of youngsters dressed in heavy metal outfits noisily made their way towards them from across the road.

The leader of the youth wore harem pants and a patterned jacket. There was a hot girl in his arms and the group looked pleased with themselves.

When Ning Xi saw him, she instantly frowned. “Zhuang Rongguang...”

Damn it! Did he not have a curfew? What time was it now? Why was this punk still outside?

Zhuang Keer was so ill, it must be because she’s been tortured by this punk!

She saw that Zhuang Rongguang had answered a call by the roadside, then he hung up with an incredibly annoyed look. He just switched off his phone and continued to hug his girl before he announced to the rest, “Homies, let’s go somewhere else and continue! We’re not going home until we’re drunk! My treat!”

“Woohoo!” everyone cheered, “But Guang, where are you getting the money? Isn’t your card locked up at home?”

“I lied to my sister and got it back...pfft, I even took some from her too!”

“Your sister is so good to you!”

“What’s so good? She keeps annoying me!”

...

Tang Lang saw that Ning Xi was suddenly lost in thought as she stared at the hot girl. He could not help but feel his mouth twitch. “Old habits die hard, eh? Why have you stopped in your tracks when you see a pretty girl? Is she that pretty?”

Ning Xi rolled up her sleeves and said, “I’m not just looking, I even want to snatch her away!”

Chapter 1003: Still As Wild!

Tang Lang was stunned. Then, he watched her whiz over to the group of youngsters, then firmly held the hand of the girl in Zhuang Rongguang’s arm’s and pulled her away into her arms.

Zhuang Rongguang was instantly furious seeing the girl in his arms being pulled away while he was off-guard. “Hey! Where’s this crazy a**hole from? What are you doing?”

The girl, who Ning Xi had saved, was also about to curse when she turned her head and found herself stop...

Under the moonlight, her savior’s face was breathtakingly wicked. An unbridled arrogance made its display between his brows and his two cold blinking eyes seemed to be able to suck away her soul.

“So...so handsome...” Such a Casanova!

Ning Xi hugged the girl and said without any expression, “I’m interested in this girl!”

His tone was full of arrogance!

The girl stared at Ning Xi with an infatuated expression like she not only had no intentions to struggle, but like she even wanted to give herself away to “him”.

Ning Xi’s arrogant tone and the beautiful girl’s attitude made Zhuang Rongguang instantly pissed off. “Damn it! You lil punk! Do you want to die?!”

The people beside him were outraged too.

“Where did this lil punk come from?”

“Crazy!”

“Is he drunk?!”

“Forget about him! Beat him up! Bros, let’s go!”

...

Ten minutes later, more than ten of the youngsters had fallen onto the floor, all of them groaning like slaughtered pigs.

This was such a disgrace!

There were so many of them, yet none of them could defeat this one guy. Not only that, they could not even touch him at all! This was so humiliating!

Zhuang Rongguang had it the worst. He kept getting hit in the face. Before the wound on his face healed, he would probably not leave home for at least ten days to half a month.

Tang Lang watched this scene, flabbergasted. He was wrong, really wrong! It would be crazy to think that this person was now a slave to marriage! She was still as wild!

Zhuang Rongguang covered his beaten up face sorely. “You punk, where did you come from?! Tell me your name! How dare you hit me and steal my woman!? You’re so dead! Do you know who I am?”

Ning Xi squatted in front of the whining Zhuang Rongguang and said coldly, “Zhuang Rongguang! You idiotic wimp! I’m beating you up! I’m snatching this girl from you! In fact, I’ll beat you up every time I see you!”

Beat you up every time I see you...???

Zhuang Rongguang thought this tone sounded familiar, yet he could not immediately remember where he had heard this from. Not only that, this act of snatching his woman and beating him up was oddly familiar too...

Zhuang Rongguang was dizzy from the blows, so he could not think any further. He shot a look angrily at the man before him. “Bastard! Who are you calling an idiot? Who the hell are you?”

Could it be an enemy? But he did not know this person at all!

This punk looked so demonic. If it was someone he knew, there would be no way he would not remember...

Ning Xi stood up and looked down at him. "You'll find out very soon!"

...

"Hey! Handsome, wait for me! How could you forget me?" When the hot girl saw that Ning Xi was leaving, she quickly chased after her.

"Uhh..." Ning Xi suddenly remembered her and simply nudged the girl to Tang Lang. "Single dog, gifting to you!"

Then, she walked off.

The girl was so angry that she quickly made a move to start running after Ning Xi again. Nevertheless, when she saw that Tang Lang was quite handsome too, her eyes shone. However, after comparing Ning Xi to him, she was still unhappy. She looked Tang Lang and asked, "Excuse me, do you know that handsome guy's phone number? Could you give it to me?"

Tang Lang replied, "110!"

Chapter 1004: Bastard! How Is It You!?

The next morning, Ning Xi woke up bright and early and put on the new male outfit she had just bought. She cooked a pot of fragrant seafood porridge and filled a Thermos with it, then she made her way to the Zhuang residence to visit a particular sick girl.

At house number seven on Chang'an Road, when the guard saw that the visitor was a young, fashionable and strange man, they were vigilant and called the Zhuang family for verification before suspiciously letting Ning Xi in.

When she reached the door, a servant led Ning Xi upstairs. Zhuang Keer practically did not have any friends, more so of the opposite gender and it was such a handsome young man too. Thus, all the servants were very curious and they all stole many glances at Ning Xi.

"The Miss's room is right here!" The housekeeper led her to Zhuang Keer's door.

"Thank you!"

"Is it Xiao Xi? Quickly come in!" An enthusiastic voice was heard from inside of Zhuang Keer's bedroom.

The moment Ning Xi walked in, she saw that Zhuang Keer was very busy, so she could not help but ask, "Keer, what are you doing?"

"I didn't know that you would be here this early. I haven't had the time to put on some makeup and change my clothes!" Zhuang Keer looked anxious.

Ning Xi helped her to her bed and said, "My lady, you already look very pretty like this!"

"Bro Xi, you wore a male outfit today..." Zhuang Keer noticed Ning Xi's dressing and her eyes could not help but sparkle. Even the way she addressed her had changed.

Ning Xi smiled and teased, "Yeah! I promised you that you could see your dream guy anytime, didn't I?"

"In fact, looking at handsome guys is beneficial for your body and mind, it can make you happy and you'll get well soon!" Ning Xi said as she opened the Thermos she had brought, "I came early especially to bring you some breakfast. I'm guessing that you probably don't have the appetite for anything else, so I made you some seafood porridge! Try it!"

"Thank you!" Zhuang Keer did not think that Ning Xi would be this considerate. She instantly felt so touched and did not know what to say.

"Don't thank me! It should be me who's thanking you!"

Ning Xi was the kind of person who felt that both revenge and favors had to be repaid in multipliers. She could not stand it the most when someone was kind to her. If someone was genuinely kind to her, she would go all out to repay them, so the porridge was just a small matter.

"Is it yummy?" Ning Xi fed her a spoonful of porridge.

Zhuang Keer could not get enough of it even after finishing half the Thermos. "Mmm, it's so yummy, Bro Xi, how did you do it? The porridge at home is tasteless but yours is so fragrant!"

"If you want to learn, I can teach you next time!"

"Mm-hmm!"

"Are the Elder and Senior Official Zhuang not at home?"

"Grandfather is at the sanitarium, while Father has been with his troops for the past few days, and Mother is out of the country for most of the year, so it's just me at home! Oh, wait, no. My brother is here too. He seems to have fought with someone again last night. It's a good thing Father isn't home these two days, or else, if he found out..."

Zhuang Keer was still speaking to Ning Xi when...bam! The door had been rudely pushed open. Outside the door, Zhuang Rongguan stood there stupidly. "Sister! You..."

Before he could continue, Zhuang Rongguan's idiotic face twisted further and he looked as if he had seen a ghost, then his fury spiraled as he stared at Ning Xi to shout, "Damn it! Bastard! How is it you?"

Zhuang Keer immediately frowned. "Rongguan, don't be so rude!"

“Sis, what is this guy doing in our house? What’s the relationship between the two of you? What’s happening here?” Zhuang Rongguang felt like he was going crazy as if he was in a nightmare.

Why had this guy appeared bright and early at his house? And he was even sitting on his sister’s bed!

Chapter 1005: He Snatched My Girl!

“He’s my friend. What’s wrong?” Zhuang Keer was confused as she felt that Zhuang Rongguang’s reaction was odd.

Zhuang Rongguang was further triggered by her reply. “Friend?! Sis, don’t get conned by him, he’s a bastard! He beat me up last night and even snatched my girl away! Look at my face! It’s all his fault!”

“What did you say?! How did something like that happen?!” Zhuang Keer’s expression changed.

Zhuang Rongguang stared at Ning Xi while clenching his teeth. He complained, “It’s true! Sis, this bastard was really looking for trouble! Not only did he snatch my girl, he’s even onto you now. I was just hanging around with my gang last night, then he...”

Zhuang Keer held onto Ning Xi’s hands gently. “Bro Xi, did you really fight with them? Are you alright?”

Ning Xi patted the girl’s hands. “It’s alright, they couldn’t do anything to me.”

“Thank goodness...” Zhuang Keer let out a sigh of relief.

Zhuang Rongguang was really frustrated. “Hey! What’s going on?! Did you hear what I just said, Sis?! This guy beat me up! And snatched my girl!”

“Be quiet, I’m not deaf! He beat you up for your own good!” Zhuang Keer replied in an annoyed tone.

Zhuang Rongguang could not believe what was happening. “Sis, you’ve been charmed by this bastard!”

Zhuang Rongguang then stared at Ning Xi angrily. “Bastard, what did you do to my sister!? I’m not going to forgive you!”

He sprinted towards Ning Xi but in the next moment, he tripped and fell onto the floor.

Zhuang Rongguang helped himself up. He felt that he was going insane soon. Why did the way he tripped just now feel so familiar? Who exactly was this bastard?

“Come at me! Don’t mess with my sister!” Zhuang Rongguang got back up on his two feet and steadied himself.

Ning Xi crossed her arms. "Finally, you say something decent!"

"Let's talk business! What do you want?!" Zhuang Rongguang said fiercely.

Damn it! Although his sister was annoying at times, she was the one who protected him the most. Now, this bastard, who had appeared out of nowhere, had gotten her on his side!

"You want me to not mess with your sister? Sure! As long as you defeat me!" Ning Xi demanded.

"You..." Zhuang Rongguang's face turned red.

His gang could not even lay a scratch on her last night. What could he do alone!? This bastard was trying to embarrass him!

Ning Xi touched her chin when she saw Zhuang Rongguang's hostile face. "Fighting might be a little unfair to you. Let's change it up!"

"How?" Zhuang Rongguang asked suspiciously.

"Anything you choose. As long as you can defeat me, you win!" Ning Xi replied.

This bastard! How arrogant!

"Are you for real?"

"Of course!"

"Anything...even games?" Zhuang Rongguang asked for confirmation.

He carefully thought about it and realized that there was nothing that he was really good at aside from playing mobile games. Although his Glory of Light account from the Holy Realm game had been discarded, it might not be that big a deal to log back in just this once...

Ning Xi grinned cockily. "Of course!"

Chapter 1006: One Game To Decide

"Are you sure? Do you even play games!? Do you know about 'Holy Realm'?" Zhuang Rongguang stared at the man in front of him suspiciously, feeling like the man's smile was a little creepy for some reason.

"I have an account," Ning Xi replied.

This bastard plays Holy Realm as well? Zhuang Rongguang was a little surprised. Zhuang Rongguang then listed a few other games and he knew all of them.

After some consideration, he still picked Holy Realm in the end since he was best at this among all the other games.

He had initially planned to borrow an account from someone else especially because after what had happened the last time. He had promised everyone to quit the game, so it would be embarrassing for him to log back into his main account right now. However, if this bastard had some premium weapons, it would be humiliating if he lost.

His Glory of Light account had one of the best in-game equipment, making him rank no. 10 on the list. He did not believe that this bastard would have a better account than his. What was important now was to make this guy leave his sister. Things would get really bad if he became his brother-in-law!

Zhuang Rongguang quickly said, "Then, we'll duel in 'Holy Realm'! How about that?"

"Sure, I'm fine with it," Ning Xi replied.

They both went into Zhuang Rongguang's room and Zhuang Keer followed them.

Zhuang Rongguang's room was a typical boy's messy room.

"There're two computers here, both of the same specs. Pick one!"

"Alright."

Ning Xi picked one and they both sat down.

Zhuang Rongguang logged into the game while Ning Xi slowly opened the game homepage and took her time to enjoy the updated log in interface.

Many of Zhuang Rongguang's friends were surprised when they saw he had logged in. Zhuang Rongguang simply replied to their private messages: "I'm not him".

He had never logged in since his defeat, so his in-game character had stayed at where he was killed by Piercing Wind.

Throughout his absence from the game, this place became a well-known area and attracted many players to drop by and to talk about how cool Piercing Wind was when he had tortured Glory of Light.

This explained why many players noticed when Glory of Light logged in. Soon, the entire public chat was flooded with talk about him.

Zhuang Rongguang muted the chat, then he looked at Ning Xi with a smug face. "This is my account! You can give up now if you want to!"

He also bragged to his sister, "Sis look, isn't my character cool!? All my equipment are legendary! It's really worth a lot!"

Ning Xi watched Zhuang Rongguang's screen. As expected, Zhuang Rongguang had logged into his Glory of Light account.

Zhuang Rongguang felt a little irritated. "Stop staring! Where's your account!? Log in now! It's too late to regret right now!"

Ning Xi put her finger on the mouse and clicked to log in.

A notification popped up and there was a red notice flashing in the public chat: [Top #1 ranking player Piercing Wind has logged in!]

The video of a character was played on everyone's screens. A man with a huge silver scythe on his back appeared.

Chapter 1007: Just How Much Do You Hate Me?

P-Piercing Wind!! Why was he online now!?

Zhuang Rongguang looked at the character in front of him right now and was terrified.

He had a really bad premonition...

He slowly turned back and looked at Ning Xi.

Ning Xi was also looking at him with a wicked smile. "Little boy, I said it before, didn't I? I asked you to delete the game! If not...I'll kill you every time I see you..."

Zhuang Rongguang's in-game character was already dead by the time Ning Xi finished her sentence...

Wh-what was happening?!

Zhuang Rongguang finally saw Ning Xi's game ID. It was Piercing Wind!

This bastard was Piercing Wind!

Zhuang Rongguang pointed his shaky finger at Ning Xi with a painful expression on his face.

"You...you're Piercing Wind! You're the one who killed me, ruined my wedding and even took away my girl that night!"

"Yep, that's me."

Zhuang Rongguang was enraged and he yelled, "You bastard! Just how much do you hate me?! You're not only against me in the game, you're even against me in real life!"

"I thought I've explained that before already." Ning X raised her eyebrows.

"What?" Zhuang Rongguang asked.

"I don't like you," Ning Xi shrugged and replied.

"You....!" Zhuang Rongguang was absolutely annoyed and he turned to Zhuang Keer.

"Sis! Look at him! This is how he treats your brother! He's so shameless! Are you really going to be with someone like him?"

Zhuang Keer did not listen to anything Zhuang Rongguang yelled. Instead, she stared admiringly at Ning Xi. So, this was how Ning Xi helped to get Rongguang back home the other night. She had even beaten him up last night to teach him a lesson...

Zhuang Rongguang felt hopelessness when he saw his sister's worshipping eyes. "Are you really my real sister!?"

"Bro Xi, is this your character?" Zhuang Keer went next to Ning Xi and asked curiously.

"Yeah!" Ning Xi nodded.

"Ooh, it looks so cool! This game seems fun, how do you play it?" Zhuang Keer asked interestedly. She had never been in contact with anything of this sort.

"I'll demonstrate to you." Ning Xi clicked the mouse and started showing her.

"Okay!"

Ning Xi then controlled her character and killed Zhuang Rongguang's revived character in just one blow.

Zhuang Rongguang was speechless.

Zhuang Keer was really excited and she clapped her hands. "So cool!"

"Come here, I'll teach you!" Ning Xi then let Zhuang Keer have a seat and showed her how to kill Zhuang Rongguang's character over and over again.

Zhuang Rongguang felt dreadful looking at them! He really felt like leaving his home!

He bitterly went up to Zhuang Keer. "Sis! You have to pick today. Either you leave this bastard, or I'll never call you my sister again! It's me or him!"

Zhuang Keer frowned. Ning Xi patted her shoulder, then she looked at Zhuang Rongguang. "I've said that as long as you beat me in anything, I'll do anything you want. I'll give you a chance to continue to choose!"

Chapter 1008: Road To Destruction

Continue to choose...?

Zhuang Rongguang walked around the room anxiously, scratching his head and trying really hard to think of something.

His best shot was at games! What else could he do?

Racing? Yes! He raced pretty well too!

But this bastard seems like he's pretty versatile. It's too risky...

Playing cards, horse riding, gambling...Zhuang Rongguang thought of all the things he did, but none of them seemed to be something he could best Ning Xi in!

In the end, Zhuang Rongguang looked unwell because he realized that he was pretty useless...

As he was running out of ideas, he suddenly thought of something. "Right! Shooting! Compete with me at shooting!"

Ning Xi's expression was a little awkward when she heard Zhuang Rongguang's challenge.

"Shooting...why shooting?"

Young man, why do you try so hard to destroy yourself...?

Zhuang Keer stared at Zhuang Rongguang in surprise. "My brother's shooting skills are pretty good..."

But did he not hate guns very much? Today, he...

"Pretty good!? I'm freaking talented, alright?"

Zhuang Rongguang had finally found something that he could totally dominate others in, so he was really pumped up. "You said it yourself, I can pick anything. You lose if you don't agree to this!"

Ning Xi smiled. "I'll do anything for Keer."

"I hope you can still be smiling like this later on!" Zhuang Rongguang clenched his teeth and glared at Ning Xi. "Just to clarify, we're competing on a professional shooting range with real guns. It's not some child's play! We're going to the Northern shooting range!"

Ning Xi replied, "Okay!"

Known as the best shooting range in the whole of China, Zhuang Liaoyuan had invited her over before but she had been busy, so it was a good opportunity for her to visit this time.

"I'll go too!" Zhuang Keer was afraid that something bad might happen. Specifically, she was afraid that her brother would do something mean to Ning Xi, so she had to watch closely.

"You're still sick and you need to rest more," Ning Xi reminded.

"It's alright, I feel much better after a night of good sleep, but it'll do me good to walk around too!"

"Okay then, put on some more clothes."

"Mmm!"

...

Zhuang Rongguang was irked by their lovey-dovey act right in front of him. He promised himself that he would humiliate that bastard so badly that he would never show up again!

Half an hour later, the three of them reached the Northern shooting range. Zhuang Rongguang made a call and a young man in a camouflage uniform came out to bring them in.

After they settled down, the young man left.

Chief Zhuang's son had actually come to the shooting range on his own accord?! He had been so against it before even though the Chief had pointed a gun to his head. And it was not just Zhuang Rongguang. Even the Chief's daughter, Zhuang Keer, was here too with a young, handsome man... what a weird combo...

As a loyal servant, he quickly made a call and reported this strange incident to the Chief.

Chapter 1009: Too Late To Turn Back

"What did you say? Rongguang is at the shooting range?" Zhuang Liaoyuan was very surprised.

"Yes, Ms. Zhuang is here as well with a handsome young man," the young soldier replied.

"Noted, you go and look after them." Zhuang Liaoyuan was afraid that his son might make a mess.

"Yes, Sir!"

...

The news about Chief Zhuang's kids being present with another man spread to the whole of the shooting range quickly.

Most of the shooting enthusiasts especially Zhuang Liaoyuan's subordinates, went to the no. 1 shooting range to check them out.

Zhuang Liaoyuan reached there quickly as well and the crowd opened up a path for him when he arrived. They greeted respectfully, "Hi, Sir".

He saw two familiar silhouettes. One of them was Rongguang, the other one was Keer and there was also a young man with them.

"What the heck?! Why did he have to come...?" Zhuang Rongguang mumbled to himself, but it was too late to turn back now.

Whatever, he had to beat this bastard first!

Zhuang Keer went up to greet her father when she saw Zhuang Liaoyuan, "Father, you're here!"

"Mmm, what happened?" Zhuang Liaoyuan asked as he looked at Zhuang Rongguang and the unfamiliar young man.

Zhuang Keer pulled him aside and then explained, "Things are a little complicated...but basically, that man beside Rongguang is actually Xiao Xi. You know, that celebrity, and she usually disguises herself this way..."

“What? That’s Ning Xi?” Zhuang Liaoyuan was shocked. He stole a few more glances and did not feel uneasy about this girl wearing a male outfit. Especially when she held a gun, she had the aura of a strong sharpshooter.

She had worn a maid’s outfit last time and a male outfit this time. As expected of an actress, she took on the character of whatever role she acted as...

“Then, what about Rongguang? Why is he with Xiao Xi?” Zhuang Liaoyuan asked again.

Zhuang Keer sighed and explained hesitantly, “Actually, Rongguang has been sneaking out late at night to play games at the internet cafe and to drink at bars. I just casually mentioned it to Xiao Xi and she felt bad for me, so she punished him a little...”

“Oh? How did Xiao Xi do that?” Zhuang Liaoyuan sounded interested.

“Well...it seemed like she once killed Rongguang in a computer game and forced him to quit. She also beat him up last night and she focused on his face. You know Rongguang cares a lot about his image, so he probably won’t go out for quite some time...” Zhuang Keer replied anxiously.

“Not bad.” Zhuang Liaoyuan nodded.

Zhuang Keer let out a sigh of relief. She thought her father would be angry at Xiao Xi but fortunately, her father thought the same way as her.

“So, when Xiao Xi came to visit me this morning, they both met and got into a fight... Rongguang misunderstood our relationship and thought Xiao Xi was getting close to me for revenge! In order to make Xiao Xi leave me, Rongguang was challenged by Xiao Xi to defeat her in anything, then she won’t bother me again...”

“So, Rongguang chose shooting?” Zhuang Liaoyuan finally understood what had happened. At the same time, he felt an indescribable feeling bubbling inside of him.

Chapter 1010: This Bastard Will Lose For Sure

Actually, Zhuang Guangrong was really talented but he was also very lazy and he was afraid that he would be forced to train every day if he were to develop his talent.

Zhuang Liaoyuan actually did put him up for training every day, but in the end, the child did not even want to touch a gun anymore, no matter what he tried.

However, today, Zhuang Rongguang suggested to competing in shooting. He had taken up a gun again because of Ning Xi...

Zhuang Keer looked at the both of them unhappily as she mumbled, “I don’t want Xiao Xi to lose. Rongguang will be really cheeky if he won...”

Zhuang Liaoyuan smiled. "That brat is unlucky today, but it's good for him to learn a lesson. Then, he'll know what real talent is!"

Zhuang Keer was surprised and confused. What did her father mean?

Zhuang Rongguang and Ning Xi picked their guns, not bothering to put on the protective gear.

While Zhuang Rongguang felt that those equipment were not cool, Ning Xi was used to real fights whereby the equipment might be an obstacle to her instead.

"So, how do you want to do this!?" Zhuang Rongguang felt confident this time after being humiliated by Ning Xi so many times.

Ning Xi leaned against the wall. "You decide the rules, I'll follow."

Zhuang Rongguang thought about it. "Okay, ten shots for the both of us. We'll see who gets the highest score!"

"Sure."

"That's set then, I'll go first!" Zhuang Rongguang was looking forward to seeing Ning Xi's dumbfounded face. Maybe she would even give up after he was done!

Ning Xi stepped back and signaled that he could start anytime.

Zhuang Rongguang took a deep breath, focused and picked up the gun, then aimed at the target. At that moment, he felt like he was one with the gun.

He had always favored guns since he was a little kid. He just hated being controlled by his father and he was lazy, so he had denied his father's and grandfather's expectations...

Bang!

Bang!

Bang!

...

Shots were fired one after one. After ten shots were done, the score counter displayed the total score: 100 points!

Ten consecutive perfect shots! 100 points in total!

His perfect score shocked the audience!

Zhuang Rongguang put down the gun and turned to Ning Xi, saying coldly, "No matter how much you hate me, I hope you stick to our promise and stay away from my sister!"

Ning Xi almost laughed out loud seeing this young man trying to act tough. "Amazing! I'm really impressed! But I'm not the kind to go down without a fight. I'll try for Keer!"

"Whatever!" Zhuang Rongguang replied.

I've got a perfect score. This bastard will lose for sure!

Actually, he himself was also surprised by his score today. It seemed like he was really a genius, the kind that could release an enormous amount of potential at important moments. What a talented genius!

Zhuang Rongguang gave his father a glance, trying to silently brag about his achievement.

On the other side, Ning Xi did not start right away. She went up to Zhuang Keer. “Keer, may I borrow something from you?”
