Chapter 1061: Charm of A Professional

Within five seconds of chopping, Ning Xi seemed to be done with the radish.

The crowd still saw a whole radish on the chopping board, then Ning Xi gave it a little nudge and everyone could see that the radish was sliced up finely.

The emcee and Feng Rui were shocked. Even the director was taken aback as well.

“These...these cutting skills! Could we finally have a real deal on our show? Xiao Wang, did you get that angle just now?!” The director asked the cameraman.

The cameraman looked innocently at him. “The camera was focused on the female guest’s face just now. She finished slicing the radish before I had the time to switch camera angles...”

“How could you not take such an important shot?! Where’s your professionalism?!” The director yelled at him.

“Please... She only took about 5 seconds to slice up the radish! I didn’t have enough time!”

The director glared at the cameraman, then went up to Ning Xi. “Ning Xi, we didn’t expect you to have such awesome cutting skills! We want to have a close up because you were too fast just now, so our cameraman didn’t have enough time to switch camera angles! Can you slice another one up again? Wait, make that two, we need one close up and one wide shot angle! We want to avoid the audience saying that we used a double for you!”

“Alright,” Ning Xi replied.

Then, Ning Xi sliced up two other radishes.

The live audience could see it clearly this time and they discussed her skills. The emcee even picked up a slice and put it in front of the camera. It was as thin as a cicada’s wing. “This sort of cutting skill... You probably can’t do it without seven or eight years of experience, right?”

Ning Xi then started cooking the roast pork.

Thick soy sauce, thin soy sauce, cooking wine, rock sugar, star anise, ginger, onion, chilli, basil leaves...

In just few minutes, Ning Xi prepared all the ingredients and lined them up nicely on the side, then she put in a piece of pork belly into the frying pan. Along with cold water, star anise, ginger, basil leaves, and chilli, she started frying it and left it to braise.

After the sauce came to a boil, Ning Xi scooped up the meat and carefully removed any extra hair on the surface, then cut it up into cubes of three centimeters wide...

The whole process was as smooth as silk with no obstacle at all.

“Ning Xi, I see that you brought this grass here. What’s it for?”

“Malian grass, also known as Malan, is usually used for wrapping rice dumplings or cooked meat. Using it to tie up the roast pork can keep it together.”

“What about this claypot?”

“Actually, you can replace it with an electrical pot. While the claypot might take a longer time to cook, I think it makes it tastier.”

...

Ning Xi had a serious expression on her face when she cooked as if she was focused on creating an important piece of art, so the emcee stopped bothering her after a few more questions.

Ning Xi did not try to show off. She was just cooking seriously, but people could not take their eyes off her. No one expected that without any pranks or any interaction between the male and female guests, it could be this enthralling to just watch a person cook. It was truly an enjoyment, the charm of such a professional...

Finally, the pot of roast pork was completed and it was time to dig in!

Chapter 1062: Midnight Snack

The moment Ning Xi removed the claypot lid while wearing a pair of kitchen gloves, the fragrance filled up the studio. The roast pork had a lovely, seductive caramelized color.

The emcee tried to suppress her drool. “Now, please let our male guest try out our beauty’s specialty today! Please finish them all!”

There were many cases of delicious-looking dishes that tasted terrible before, so everyone was cautious until the eating bit of the show.

Feng Rui had fully prepared himself before he came. To avoid him puking, he did not even drink water before coming to the show. He was starving at the moment and even though he was still cautious about this roast pork, the look of it made him salivate.

Feng Rui sat at the table and under everyone’s anxious gazes, he carefully picked up a piece of roast pork and took a bite.

Then, the second bite, third, followed by the second piece, third piece...

“Rice!” Feng Rui blurted out.

“Oh...” The emcee quickly handed over a bowl of rice.

Then, Feng Rui almost forgot he was on a show as he chomped down the meat, rice, and sometimes took a few slices of the refreshing radish, not even raising his head.

Feng Rui finished a whole pot of rice with with a pot of roast pork and a plate of radish.

The emcee, crew members, and the audience just gaped at him as he consumed all of it...

The crowd only returned to their senses when Feng Rui licked up the last drop of the sauce...

Everyone reacted, "Hey! Leave some for us at least! You even finished the radish!"

Feng Rui felt that it was unbelievable that he had eaten everything so obliviously as well. He scratched his head. "I-I'm sorry! It was too good! I've never eaten any roast pork this scrumptious! And that radish, it's really good as well! I have no idea how to describe it, it's just awesome! You know the saying that really great food can make you forget about everything? I think I just experienced that! I really forgot that I'm still in the middle of a show!"

The emcee cried, "It's useless now that you've finished all of them! We can't relathro how good it is at all!"

After the show ended, Ning Xi made another plate with the leftover ingredients and gave it to the crew members and live audience.

The director shed tears of happiness. How he wished he could make Ning Xi his permanent guest on this show! Then, he could eat her dishes every time!

As for the cameraman, he spent his last sense of rationality and recorded the director sniffing as bloopers.

...

For this episode of "Beauty's Specialties", the director used an odd way of editing.

The forty-minute show was separated into half an hour of Ning Xi cooking, and ten minutes of Feng Rui eating.

Yes, a full ten minutes of just Feng Rui eating!

As the show aired on the weekend, the views topped even the episode with Jiang Muye, breaking the record of the highest views ever since the show aired. The video was viewed more than 10 million times in just a day. The views increased exponentially especially during midnight.

At the same time, this episode swiftly took over the top spot of Weibo's hot topics, and its popularity kept on rising...

Chapter 1063: Giving The Devil Some Advantage!

The hot topic searches revolved around hashtags like #BeautysSpecialtiesPrettiestFemaleGuest, #NationalWifeNingXi, #GoodFoodCanNeverGoWrong...

The production team's official Weibo was being spammed as well with many fans who were mothers commenting.

[You made me watch a man eat for ten minutes! How mean!]

[Midnight madness! Come out, Director, I promise I just want to talk!]

[The male guest this week is really cute, he's way different from the others.]

[Brand of the dress worn by the female guest, please?! It's beautiful!]

[I can eat three bowls of rice just looking at the goddess' face!]

[What a pretty girl with such a great body and awesome cooking skills! Please marry me!]

[Girl, you need a mother-in-law? I'll make sure my son gives you all his salary every month!]

...

Ning Xi was scrolling through the comments online happily, but Lu Tingxiao was a little mad.

What did they mean by national wife? She's my wife...

Ning Xi noticed the devil's emotions and quickly comforted him, "Hey, my dear, don't be unhappy. The director told me that I did well today and wants to invite me again! I've thought about it already. I'll go again after our movie airs, then I'll attend the show in a male outfit. I'll bring you as Ke Mingyu along with me! How does that sound? Perfect, isn't it?"

Lu Tingxiao looked at the girl. "Mmm, thank you for your concern, Senior."

"Hahaha, good boy!" Ning Xi laughed, feeling accomplished by giving Lu Tingxiao some under-the-table advantage!

Suddenly, Ning Xi's phone received a notification. It was a new text message from a strange number: [Bastard, I'll see you at 3 p.m. tomorrow, prepare your girl outfit!!!!]

This arrogant tone and that excessive usage of exclamation marks...

It had to be Zhuang Rongguang.

Ning Xi had almost forgotten about it already. She thought that Zhuang Rongguang would have given up.

Seems like she was pretty popular after all...

As she was thinking about it, her phone rang. It was Zhuang Keer.

Ning Xi picked up. "Hey, Keer?"

"Xiao Xi, did Rongguang send you a message about wanting to meet up with you tomorrow?" Zhuang Keer asked.

"Yeah, I just received it, tomorrow at 3 p.m."

Zhuang Keer laughed. "Ever since my brother lost to you at the shooting range the other day, he's been practising really hard. He...even asked my father for advice on shooting technique..."

"My brother has always had a bad relationship with my father. They fought really badly especially when it came to the topic of shooting. This is the first time I saw them discussing it in peace!

"The environment at home is much more peaceful nowadays. Grandfather is happy as well... Thank you so much, Xiao Xi!"

Ning Xi was really happy when she heard Zhuang Keer's update. "There's no need to thank me. I just don't like anyone to bully my friend, not even your brother!"

Zhuang Keer was really touched. "Alright, see you tomorrow. Also, please drop by my house for dinner tomorrow night. My grandfather really likes you and told me to invite you! If you don't mind, please come!"

Chapter 1064: You Look Good

"Of course, I don't mind. I just feel that it might be too troublesome."

"It's not troublesome at all! We'd all welcome you if you were to come! That's all set, then!" Zhuang Keer ignored her brother.

"Okay, see you tomorrow!"

...

Ning Xi started humming a song and looked for what to wear after she ended the call.

"In a good mood?" Lu Tingxiao asked as he saw Ning Xi was chirpier after the call with Zhuang Keer.

"Hahaha...Lu Tingxiao! Let me tell you something funny!" Ning Xi told him how she had pranked Zhuang Rongguang from the start to end.

"I was in a male outfit then, so he had always thought that I was a man. In the end, I told him that if he could do it, I'll wear a pink princessy dress and walk around the shooting range for three rounds! That brat has trained hard in order to beat me!

"Zhuang Keer also mentioned that he was so hardworking that he even forgot to eat sometimes. I'm actually rooting for him. I really want to see his reaction when he realized that I'm a girl, hahaha..."

Lu Tingxiao's dislike towards Zhuang Liaoyuan faded when he saw the girl's wide smile. "Did Zhuang Liaoyuan mention that matter to you again?"

"Don't worry, he never mentioned it again! Actually, Zhuang Rongguang is really talented. If he can actually change his attitude, Chief Zhuang will never prey after me again!"

"What time are you coming back tomorrow?"

"Probably after dinner. I promised Keer."

"Okay."

Ning Xi noticed Lu Tingxiao staring at her face when she was talking, so she touched her own face. "Is there something on my face?"

Lu Tingxiao gazed at the girl's smiling face, then he leaned in and kissed her. "You look really good."

Ning Xi blushed and covered her face bashfully. "Really?"

Oh no! The devil was getting more and more flirtatious lately! He could always flirt with her anytime anywhere...

"Ning Xi, I hope you can be this happy when you're with me every day."

"Rest assured, I'm always happy when I'm with you!"

...

The next afternoon, Ning Xi changed into a male outfit and reached the shooting range ten minutes before the promised time.

Zhuang Rongguang was already there and he looked very well prepared as his face brimmed with determination. He grinned when he saw Ning Xi.

"Bro Xi, you're here!" Zhuang Keer had come early as well and she welcomed Ning Xi warmly.

"So, you're here." Zhuang Rongguang turned around and looked at her coldly.

After not seeing him for some time, Zhuang Rongguang had become thinner, but not haggard or tired. His eyes were burning with fire and he reminded her of Zhuang Liaoyuan.

Advanced level of training in shooting could discipline a person. It seemed like it had affected him positively even though it might be temporary at this point.

Zhuang Rongguang was acting out of rage this time. In regards to his personality, it might take much more time for him to change his attitude.

Chapter 1065: You...Pervert!

"Did you bring the stuff?" Zhuang Rongguang asked.

Ning Xi waved the pink plastic bag she held in her hand. "Do you want to check?"

Zhuang Rongguang looked at her suspiciously, then he checked its contents.

A pair of white heels, a pink lacy dress, a floral hair clip, a pair of white stockings, and then...there was a pink bra...

Zhuang Rongguang blushed and quickly gave the bag back to Ning Xi. "You...pervert..."

Ning Xi feigned innocence. "Didn't you ask me to wear a girl's outfit? Is there any girl who doesn't wear a bra?"

Zhuang Rongguang's face turned even more scarlet. He glared at her and took a deep breath, trying not to let her affect his emotions. "Since you're so well prepared, I won't disappoint you!"

Suddenly, many people gathered around them. Most of them had been at the scene last time. Even Zhuang Liaoyuan and Zhuang Zongren spared some time to go.

Zhuang Rongguang looked nervously at his father and grandfather, but he was back to his confident self soon enough.

"Seems like there're enough witnesses today!" Ning Xi smiled and made an inviting gesture. "Please."

Zhuang Rongguang stared at her. "Don't go back on your words. If you're a man, if I can get a perfect score while blindfolded, then you..."

"Yes I know, I'll walk three rounds around the shooting range in a girl's outfit! Stop talking so much! Everyone's waiting! Are you shooting or not?" Ning Xi said impatiently.

Everyone started coaxing him as well.

"Ooh...a girl's outfit! All the best, Xiao Guang!"

"That's right, you must win this! Make him go down!"

"Hahaha...I'm looking forward to seeing him in a girl's outfit!"

"Good luck! You can do it!"

...

Zhuang Rongguang's time spent in the shooting range earned him some friends with the regulars here. With Zhuang Rongguang's description about how Ning Xi had shamelessly seduced his sister, they were all rooting for him.

Zhuang Keer was everyone's eye candy, so the fact that she had suddenly been snatched by some nameless kid was unforgivable!

Zhuang Rongguang felt empowered. He felt a sense of justice swell within him!

He picked up a long, black fabric and covered his eyes. He picked up the gun and aimed at the target by just relying on his senses.

The scoring began!

Everyone at the scene, including Zhuang Liaoyuan and Zhuang Zongren were watching closely.

Zhuang Rongguang pulled the trigger.

Bang! 10 points!

Bang! Another 10 points!

Bang! His third 10-pointer!

...

Zhuang Rongguang shot the bullseye one after another and everyone was getting more and more excited.

Finally...

Eighth shot, 10 points!

Ninth shot, 10 points!

Tenth shot...

Zhuang Rongguang stopped for a short while before he slowed down his breathing, then... Bang!

Tenth shot, 10 points!

The score counter started to calculate the total score. It was 10 points for 10 times!

A perfect hundred score!

Chapter 1066: Fulfilling Promise

“Woohoo!!!” After a short silence, there was a roaring cheer.

Many of them witnessed how hard Zhuang Rongguang had trained, so they were really happy to see him win.

All of his old and new friends went up to congratulate him. They patted his shoulder and rubbed his head.

“That’s my boy! Good job!”

“10 shots with 10 points each while blindfolded! So amazing for such a short period of training!”

“Hahaha...Xiao Guang! I knew you could do it! Now, you can make that bastard suffer!”

“You brat, I’ve underestimated you! Superb shooting!”

...

Zhuang Rongguang looked around. As he heard all the praises from everyone, there was a strange, warm, and cozy feeling bubbling inside him. It was something he had never experienced before...

That passion, excitement, and pride filled him with power...

When he saw the comforting eyes from his father and grandfather, he felt like tearing up. How weird!

How could he be this emotional?! He hated hard work so much and he also hated shooting...

Was that...really hate...?

“Hey! Kid, Xiao Guang did it, you lose. Time to fulfill your promise!”

“That’s right! Change! Let everyone see! Remember to go three rounds!”

“Hahaha...if Ms. Zhuang saw how embarrassing he looks in a girl’s outfit, she’d surely despise him!”

“Right...”

...

Until the crowd reminded him, Zhuang Rongguang returned to his senses, looking excited and refreshed. He went up to Ning Xi. “Bastard! I told you, I just wasn’t serious enough before. I even surprised myself when I got serious! How’s that?”

“Impressive! I admit defeat. Is there a changing room here?” Ning Xi asked.

Someone replied, “It’s just over there! Just pick any one that’s vacant!”

“Don’t go back on your word if you’re a man! We’re all watching, don’t you dare run away!”

“Hahaha, he must look like a sissy in a girl’s outfit with that face of his!”

...

Ning Xi took her clothes and walked slowly into the changing room.

Zhuang Rongguang felt that all his effort was worth it. He looked at Zhuang Keer haughtily. “Sis, now you can finally give up on him! That bastard can’t even beat me! And he’s the worst kind of person out there! But I really don’t understand... When did I even start a feud with him?!”

Zhuang Keer tried to suppress her emotions and did not say anything.

Zhuang Rongguang thought that she was disappointed with Ning Xi, so he was really glad and took out his phone, ready to take a video.

He was going to threaten this bastard the next time he came close to his sister!

A while later, the door of the changing room Ning Xi had entered earlier was pushed open from the inside.

Everyone looked at the direction of the changing room with excitement.

Chapter 1067: Super Beauty!

The next moment, Zhuang Rongguang’s handphone dropped to the floor and the black screen cracked like its master’s facial expression...

It was as if time had stopped. No one moved a muscle.

There was not a sound made inside the large shooting range at all.

The girl wore a body-hugging pink dress, highlighting her lean waist as her slightly curly, long, black hair circled her hips beautifully. Her cute little face was like the stars in the sky, a flower blooming in the season of spring...

A...a beauty!

A super beauty!

"Hey, you stepped on my foot!"

"Ah! Who pinched me!? Pinch yourself!"

"Stop pushing me!"

...

The silence came to an end as people started making noise and pushing each other to get a closer look, but no one's eyes left Ning Xi.

Most of the people who came to the shooting range were elders. All of them had been rooting for Zhuang Rongguang's victory just now, but now they probably had second thoughts...

"What's happening?!"

"Is...is that the same person?"

"I've been watching! It couldn't have been switched!"

"Why do I feel like...the boobs...are real?"

"You idiots! All of you virgins know nothing! With my experience, that's a real woman, alright? And a real beauty at that! This brat, I mean, this girl was disguising herself as a man all along!"

"Seriously? Disguising?!"

...

Ning Xi walked up to the crowd. She then stood right in front of the stunned Zhuang Rongguang and smiled. "Are you satisfied with what you're seeing?"

Zhuang Rongguang nodded awkwardly, but then shook his head hard a second later. He looked at her in disbelief. "You...you're a woman?"

Ning Xi grinned. "Yeah!"

This bastard admitted it so casually! How frustrating!

Zhuang Rongguang felt hurt and betrayed. "You're a woman! You're a woman all along! Then, why did you say you'd wear a girl's outfit...?"

Damn it!

Zhuang Rongguang finally realized that he had been pranked!

The worst part was, it would be easier if he was facing the bastard from before, but now he could not get angry at such a beauty!

He finally won, the contest but what was this!?

Wait, was that really a win? His opponent was a woman, a woman with such fine marksmanship. How could he really say he won this as a man!?

Zhuang Rongguang felt like he was going crazy!

“Wow, Xiao Xi, I’ve never seen you in this before! How cute! It really suits you!”

Zhuang Keer held Ning Xi’s hands and circled her.

Zhuang Keer’s reaction acted like a dagger stabbing Zhuang Rongguang. In confusion, he asked, “Sis...you...you knew?”

Zhuang Keer nodded. “I know!”

“Then, why didn’t you tell me!?” Zhuang Rongguang yelled deep from within his soul.

“You didn’t ask me!”

...

Chapter 1068: Call Her Sister

At the back, Zhuang Zongren smiled and just watched the young ones fool around, but when he saw Ning Xi walk out of the changing room, his eyes welled up and he mumbled to himself, “Ci...Ci...”

Zhuang Liaoyuan glanced at his father when he noticed his odd behaviour.

Ci?

Was that not his mother’s nickname?

“That child...that child...she looks just like Ci when she was young...” Zhuang Zongren said in a trembling voice, his eyes full of the memories and love towards his late wife.

When Zhuang Zongren first met Ning Xi, she had just finished attending a business matter, so she dressed smartly and formally. He had not noticed her as much the other time.

But today, Ning Xi wore a pink princessy dress, reminding Zhuang Zongren of the first time he saw his wife...

He did not expect his other granddaughter to look exactly like Ci because neither Lingyu and Keer did not.

Zhuang Liaoyuan looked at Ning Xi’s direction and tried to remember his mother’s face, but because she had died when he was really young,, he had almost no recollection of his mother.

He somewhat remembered a picture of his mother with his father in which she wore a pink dress as well. Most memorably, the aura of his mother from the picture was similar with Ning Xi’s now.

...

At night, at the Zhuang family home, Zhuang Zongren had his servants prepare several delicious dishes.

Zhuang Zongren's attitude towards Ning Xi before was welcoming and grateful, but today, he was even warmer and passionate.

The elder kept on piling food on Ning Xi's plate. "Xiao Xi, eat more! Eat more!"

"Thank you!" Ning Xi was a little surprised at his warm attitude.

Zhuang Rongguang felt that something was not right as he munched on a chicken drumstick. He then stared at Ning Xi and suddenly stood up. "Damn it! I remember! You're that woman who tripped me the other day!"

Zhuang Zongren sharply chastised him, "Stop being noisy and sit down! And what do you mean by 'that woman'? Xiao Xi's older than you, so call her 'sister'!"

Zhuang Rongguang glared furiously at his father. "I'll call her sister if I'm crazy. Girl, what did I ever do to trigger you? Why have you been in my way ever since I met you?"

Zhuang Liaoyuan glared at his son angrily and yelled at him, "Stop being rude!"

Zhuang Rongguang looked at his grandfather, then at his father. He was exhausted. "Why are all of you on her side!? Did you take the wrong child?! Maybe she's your real child!"

Zhuang Zongren's face went frigid at his grandson. "I really hope we mistook you as our real child! Sadly, no!"

Zhuang Rongguang was ignored mercilessly after that.

"Xiao Xi, how's your work lately? Are you tired?" Zhuang Zongren did not bat an eyelid at his grandson and asked Ning Xi with concern.

Feeling the genuine concern from the elder, Ning Xi quickly replied, "Things are going well. I'm not really tired. I like what I'm doing now."

"Oh, alright then. I heard from Keer that you even have a fashion apparel company of your own. Don't exhaust yourself!"

"Mmm, I won't!" Ning Xi replied.

Chapter 1069: An Uninvited Guest

Zhuang Zongren was still worried, so he continued asking, "Where do you stay now? A place provided by your company?"

"I stay in an apartment arranged by the company, but I'm moving soon. I've earned quite a bit, so I just bought myself a house," Ning Xi replied.

Zhuang Zongren was glad to hear that. "It's great that you can rely on your own at such a young age!"

He then looked at his own useless grandson with despise.

Zhuang Rongguang remained silent. He was already eating quietly. Why was he still being targeted?! Was this woman here just to go against him?

"How're things with Xiao Lu recently? That kid didn't bully you, did he? What's up with the cheating matter Keer mentioned the last time?" Zhuang Zongren finally reached the most important question he wanted to ask.

Ning Xi quickly replied, "We're great. It was a misunderstanding the last time, but we've resolved it already."

"That's good...that's good..." Zhuang Zongren mumbled as his expression turned grave.

Xiao Xi's current identity was still the adopted daughter of the Ning family. With Lu Tingxiao's family background, Lu Chongshan and Yan Ruyi would never agree to their relationship so easily.

He swore back then that he would never get involved in anything related to Lingyu, but Ning Xi was her daughter and her relationship with the Ning family was so complicated...

Nevertheless, he was still her grandfather. Seeing his granddaughter grow up to be such an obedient child and especially when she looked so much like Ci, how could he not be concerned...?

Zhuang Keer could faintly feel her grandfather and father's attitude being a little odd during dinner.

However, she was not sure what was wrong, so she just assumed that they were being nice to Xiao Xi because she had saved Grandfather before...

...

The villa Ning Xi bought had a nice name, Peachwood.

After the security system was set up, Ning Xi informed Ling Zhizhi about moving, then soon after, she started packing up her things.

As long as Ning Xi still worked for the company, the apartment in Regal Riveria would still be hers, so she left some of the larger items there.

The moving company was efficient and they shifted everything very swiftly.

When she was moving, she accidentally found something troublesome...

A...big diamond...

It was sent to her by Yun Shen on her first day working on "The World".

She closed the lid and looked around. After making sure that there was nothing else left, she went down.

"Hey, pretty, is there anything else?" The moving staff asked.

“Nope, let’s go!”

“Okay!”

...

As Ning Xi was about to get into the car, she heard her name being called.

“Ning Xi!”

Ning Xi turned around and saw Ning Yaohua.

“CEO Ning, you called me?”

“CEO Ning?! I’m your father!” Ning Yaohua looked flabbergasted, then he took a glance at the big truck. “What are you doing? Moving?”

“Is there a problem?”

“Perfect timing, actually. Move back with us now! I’m here to tell you this today!” Ning Yaohua said.

Chapter 1070: Bad Intentions

Ning Xi raised her eyebrows. “Move back? CEO Ning, did you have a little too much to drink today?”

Ning Yaohua was surprisingly not incensed by Ning Xi’s sarcastic tone. He still spoke kindly, “Ning Xi, you’re my daughter. No matter what, I’ll never neglect you! It’s not good for you to stay outside alone anyway. Just come back and live with us. Our house is big and the room you’ve been using is still there!”

Ning Xi almost laughed out loud.

Her room...

It was about a third of Ning Xueluo’s room and had been modified from being a maid’s room. Their initial reason was that they were afraid she might mess up the place. They would change her room once she learned her manners, but then...nothing happened...

Ning Xi looked at Ning Yaohua suspiciously.

Ning Yaohua’s sudden change in attitude must only be because of one thing...

Grandfather was going to write his will.

After he was discharged from the hospital the last time, Grandfather had the intention to write it.

So, was this her father trying to get her share of the will?

Although she did not care about what she would get from the Ning family, if her grandfather gave it to her, she would never give it to Ning Yaohua.

“Ning Xi...Ning Xi? Did you hear me? What a coincidence today! Just in time when you’re thinking of moving. Isn’t it great that you can move back with us right away?” Ning Yaohua said.

Ning Xi crossed her arms as she looked at the truck and sneered, “Are you sure that room can fit all my stuff here?”

Ning Yaohua was a little taken aback by her brazen reply. “Although we have quite a few rooms at home, most of them are occupied. We can’t let you stay in the guest room as well. If you’re not using these things, then just put them in the storeroom.”

Ning Xi looked at the man with an odd expression. “Sure, I can go back as long as you let me stay in the room that’s supposed to be mine.”

Ning Yaohua’s expression changed. “Ning Xi, what do you mean by that? You want to take Xueluo’s room now? Xueluo has been staying there since she was a child. How does that room belong to you now?” Compared to Ning Xi, Ning Yaohua was more inclined to Ning Xueluo’s side.

Ning Xi was bored with him now. She did not even bother replying him anymore, so she turned around and prepared to leave.

“Ning Xi! Ning Xi, stop! Where are you moving to?” Ning Yaohua did not give up and kept on asking.

“I bought my own house,” Ning Xi replied.

Ning Yaohua laughed. “What kind of house can you buy with that salary of yours? A studio apartment or a two-bedroom house? How could those places possibly be better than our house? Why do you have to make yourself suffer? And your job, you should really quit it now...”

Before Ning Xi could say anything else, the driver could not stand it anymore and popped his head out. “Mister, your daughter bought a house in Peachwood!”

After Ning Xi got into the car, the driver closed the door and started the engine.

The truck moved away, leaving Ning Yaohua behind, stunned...

“P-Peachwood...”

Did he hear him wrongly?

Ning Xi had bought a house in Peachwood? How could it be Peachwood!?

Peachwood was an neighbourhood of villas that cost in tens of millions each. It was located in an even better district than the Ning family’s villa and was also one of the famous areas for the wealthy...

How could she afford a house there?
