Chapter 1281: Let's Meet Up

All the media coverage was filled with headlines such as the “Liang Biqin Sex Scandal” and “Liang Biqin’s Passionate XX”. There were even pictures and videos attached.

News such as “Su Yimo Banished After Unsuccessfully Seducing Lu Tingxiao” and “Su Yimo Banned” dominated the headlines too. The Internet was in chaos.

Everyone was still discussing Su Yimo’s drama from days before. Who would have expected such a shocking development?

The entire morning, Glory World Entertainment’s Public Relations department phones were ringing off the hook. Once such a scandal was exposed, Glory World instantly suffered huge losses. Yi Xundong was overwrought, but the employees and female artistes who had once been repressed by Su Yimo were so delighted that they almost wanted to publicly celebrate.

The happiest one in the industry was clearly Starlight Entertainment.

Starlight Entertainment, which had been suppressed by Glory World Entertainment when it had once been the leader in the industry, was now rejoicing at its rival’s misfortune.

Of course, not everyone in Starlight Entertainment was equally joyful...

Ning Xueluo slammed the newspaper in her hands onto the table and looked utterly upset.

“What’s this Su Yimo doing!?”

She had been hoping for Su Yimo to make a move. That way, she would not have to do anything to get rid of Ning Xi since someone else would do the dirty work, yet here she was watching Su Yimo ruin her own quality brand bit by bit!

When Lu Tingxiao had publicly clarified, rejected, and humiliated Su Yimo before this, she was not at all worried that Su Yimo had no support. Instead, she was surer that Su Yimo would not hesitate to get rid of her arch-enemy, Ning Xi.

When she thought about this, Ning Xueluo had been in a pretty good mood. However, who would have anticipated that the news would be about Su Yimo, Liang Biqin, and Zhao Meixin’s complete defeat!

Chang Li frowned as she said, “Logically, Zhao Meixin shouldn’t make such a mistake! How did she let someone get a handle on something that could be used against them? She even let the reporters get their pictures!”

“The three of them couldn’t defeat that witch, Ning Xi. What a bunch of morons!”
Ning Xueluo was furious.

“Sigh, this is tricky! Without Su Yimo, wouldn’t Ning Xi be even smugger?! She’s directly under Lu Jingli and has recently become very popular. I’m afraid all of the

opportunities from the Lu Corporation that were meant for Su Yimo will now be hers.” Chang Li looked worried.

Who would have thought that the inflexible Ning Xi would now swim like a fish in the water within the entertainment industry? Even Su Yimo had fallen by her hand.

Analyzing Ning Xi’s steps in the industry closely, she had really been advancing gracefully and climbing up the popularity ladder at a speed that was worth fearing.

Chang Li dared not to think anymore. Otherwise, she might drown in her regrets again...

Now that the situation had reached such a point, there was no turning back. Ning Xueluo gritted her teeth and called Ning Xi.

“Hello, Sister, congratulations! Didn’t think you’d be this amazing!”

When she received Ning Xueluo’s call, Ning Xi was not surprised at all. “What’s up?”

“Let’s meet up.”

“Sure!”

She could guess the reason Ning Xueluo wanted to meet up with her. Since she was free anyway, it would be fun to play around with her!

...

An hour later, in a certain café.

Ning Xueluo was frank. “I won’t beat around the bush. I’m sure you know very well why I’ve asked to meet up. I can give you a price 3% higher than the market rate to purchase that 10% in shares that you hold! Of course, that’s quite a lot of money, so I won’t be able to give them all at a go. For whatever outstanding amount, I can use History’s shares as mortgage!”

Chapter 1282: Crazy Fangirls

When she heard this, Ning Xueluo looked like her heart ached. Clearly, if she was not desperate, she would not have offered such a condition.

Ning Xi laughed when she heard her say “History’s shares”.

Ning Xueluo scoffed, “You know that History’s shares are still very valuable now. Don’t worry, you won’t suffer a loss.”

Initially, she had hoped for Su Yimo to get rid of Ning Xi. However, now that the situation had turned out like this, the issue of the shares could not be delayed further. To avoid worrying about it for too long, she prioritized in obtaining this 10% worth of shares from Ning Xi first.

Ning Xi replied unhurriedly, “Actually, I’m not interested in the Ning family’s shares at all.”

When she heard this, Ning Xueluo thought things were looking positive and her eyes lit up.

In the next second, she heard Ning Xi continue instead, “I’d rather use it to feed the dogs than give them to you.”

“You...” Ning Xueluo could not take it anymore. She was clearly insulting her by implying that she was inferior to dogs!

There was a darkness in Ning Xueluo’s eyes. “Ning Xi, don’t forget that I still have something against you! If I expose your scandal from years ago...”

Ning Xi did not seem to care. She held her chin and said, “Well, then we’ll see whether my gossip is more shocking, or the fact that you’re the fake daughter of a wealthy family!”

Ning Xueluo’s expression changed. She almost puked blood.

At last, the two of them parted on bad terms.

The people in the Ning family were quite organized. Ning Xi had just finished meeting up with Ning Xueluo when Ning Yaobang called her.

“Xiao Xi, my good niece! Do you have time to meet up for a meal? Second Uncle will treat you!”

When it came to trash men like Ning Yaobang who deceived his first wife, then cheated to give birth to several bastards while driving his wife insane, Ning Xi was utterly disgusted and did not even have the mood to deal with him, so she just hung up.

When she saw that it was about time, Ning Xi went home and changed into a male outfit before walking towards the Lu Corporation for her advertisement casting.

This time, the Lu Corporation had thrown in lots of money into this short commercial film titled “Seven Days”. They also invited seven super-popular male stars, and the shooting locations would be the seven main industries under the Lu Corporation. The ad would feature all of the brands under the Lu Corporation, and its influence was estimated to be huge.

Despite being trained well as a Lu Corporation employee by Lu Tingxiao, when they heard that they would be seven Prince Charmings of different styles coming over for audition today, all of them could not help but be distracted the entire morning. They were there in the building, yet their souls were not.

When Ning Xi arrived, the entire building was filled with shrieks. The man surrounded by female employees had striking blonde hair with huge sunglasses on. He cheekily smirked. It was no other than Jiang Muye!

When she saw the female employees’ reaction, she guessed that Lu Tingxiao must have gone out for inspecting and had yet to return to the company.

Someone in the crowd then turned to Ning Xi’s direction and shrieked again. Then, all the women surrounding Jiang Muye instantly ditched him to swarm towards Ning Xi.

“Bro Xi! Bro Xi! Bro Xi!”

“Husband!”

“Prince Charming, I love you!”

...

“Slow down. Be careful not to fall!” Ning Xi held a girl who had almost tripped from being pushed.

“Ah, ah, ah!” The only replies she got were their even more excited shrieks.

Jiang Muye was speechless as his hand hung mid-air holding a pen.

Chapter 1283: Prince Charming That Girls Wanted To Sleep Most With

When he saw Ning Xi’s daunting popularity with the girls, Jiang Muye was about to break down inside!

Previously, he had been pompous to Ning Xi, saying that she was still far from him. However, in an instant, the situation had become one whereby “the new generation excels the last, while the last dies on the beach”.

There was one more thing that scared him even more. Recently, Ning Xi had been listed on the same list as him, the list of Prince Charmings that girls wanted to sleep with the most!

Jiang Muye had been championing that list for many years and he would never have thought that this year, he had actually been surpassed by Ning Xi!

Last night, when his manager Lei Ming sent the image of that list to him, he almost puked blood onto his game console.

The name of the number one person on the list had been typed in bold, red font. It was Ning Xi!

Bloody hell, he had been beaten!

And this person was his ex-girlfriend!

Jesus, this scene was too beautiful that he was about to cry blood.

Was this not a list exclusively for male celebrities? How could she a woman just random barge in!? Did this list even have prestige and integrity anymore? Hey! He wanted to call and complain!

He had already been triggered enough last night, but at this moment, after witnessing this scene, Jiang Muye admitted defeat. He wanted to quit the industry!

“Hey...you guys...”

Was anyone going to come and pay attention to him?

But the girls had been charmed silly by Ning Xi. All of them were in highly-positioned white collar jobs, yet all of them were screaming their lungs out like girls going through their first awakening of love in front of Ning Xi. He just could not watch anymore!

The crowd seemed to have lost control, even Lu Tingxiao's secretariat manager. Disciplinary Committee Member Liu Ruohua was leading the crowd of infatuated fans. All the other women simply did not care anymore.

Right at this moment, the elevator door opened and the steady sound of footsteps was heard; it was one that could petrify the entire company.

The man made his way in, and his cold, sharp gaze skimmed the crowd.

The entire workplace had been transported from the equator to the North Pole!

Liu Ruohua pushed up her black-framed spectacles and immediately scolded, "What are you all doing!? Look how you all are! Quickly go back to work!"

All the female employees scattered like frightened birds, internally mocking to themselves that she seemed to have been the craziest earlier. Sis Liu, you almost took off your clothes for her to autograph!

All the employees went back to their busy working mode and Lu Tingxiao looked towards Ning Xi.

Ning Xi walked up respectfully to greet, "Nice to meet you, CEO Lu!"

"Mmm." Lu Tingxiao nodded slightly, then he walked towards his office.

God knows how much he wanted to just pull his wife into his office!

After Lu Tingxiao went in, the office outside returned to quiet conversations.

"How sad! Why did the Boss return so early? Didn't he say he was only going to be back in the afternoon?"

"I'm so sad. It was such a great opportunity. Even though Bro Xi is my new love, I wanted to get the autographs of all the other Prince Charmings too!"

"The happiest person is probably Director Ye. I'm really suspecting that she organized this commercial for personal gains!"

When she said this, Xiao Zhao the secretary suddenly thought of something. "Shouldn't the happiest person in this advertisement be the female lead? To be able to act with seven Prince Charmings!"

"Right! Who's the female lead?"

Xiao Zhao shook her head. "I don't know. I've asked Director Ye a few times but she won't tell me. It seems quite mysterious!"

Chapter 1284: If Heartache Can Be Exchanged For My Dearest

Jiang Muye watched Lu Tingxiao's figure enter his office and felt his mouth twitch. This Lu Tingxiao came right on time, did he not?

Did he have to watch her so strictly to even be wary of girls?

Without the female employees obstructing them, Ning Xi and Jiang Muye walked towards the advertising department.

Jiang Muye looked at Ning Xi and muttered, “Ning Xiao Xi, you’ve now become a hen-pecked male, haven’t you?”

Ning Xi shot him a side look with raised brows. “Gladly!”

Jiang Muye gritted his teeth. “Who said that year that they would be unruly and love the freedom? Now, look who’s been locked down? Won’t your conscience be hurt?!”

“If my heartache can be exchanged for my dearest, then I’m willing to be hurt even a hundred times over!”

Jiang Muye was speechless.

He hated his mouth!

He had already been attacked so much. Why did he still have to raise this issue with her!?

As Jiang Muye and Ning Xi spoke and passed by Lu Tingxiao’s door, Lu Tingxiao seemed to need something and walked out, coincidentally overhearing their conversation. His cold eyes instantly shone as dazzlingly as the splendid blazing sun...

...

Jiang Muye and Ning Xi had just stepped into the department when they saw a few people already in the room.

On the genuine leather sofa, there was a man on each end. In a classic athleisure attire was Qin Ran, and the one listening to his own music with his earphones was Han Yuncheng.

The two of them looked extraordinarily handsome. Both full-on pretty boys, they were once the main singers of a popular boy band, CMT, then they had a falling out after flying solo. They took the teen idol pathway and had always been rivals. By the looks of the atmosphere here, it was indeed as tensed as the rumors were said to be.

On the wooden chair by the window, there was a kindly, handsome guy in a white T-shirt with a book in his hand. He was holding his head and very focused on reading. It was Luo Fan from Starlight Entertainment!

The last one wore a leather jacket and was chewing gum. His hair was gelled and only highlighted his reckless and crazy demeanor. It was Li Lekai from Speedy Entertainment

Tsk tsk tsk...

At the door, when Ning Xi saw this scene in the room, even she could not help but exclaim to herself. It was indeed a feast of suave men!

She was afraid that in the whole of China, only the Lu Corporation had the influence to gather all of these people together.

In terms of popularity, Ning Xi had only risen in popularity recently, but those who sat here, including Jiang Muye, had all been famous for a while now. Every one of them had their own cult

of die-hard fans who could stir up trouble and would even climb a mountain of swords or plunge into a sea of flames for them.

However, Qin Ran, Han Yucheng, Luo Fan, Li Lekai...one, two, three, four, plus her and Jiang Muye, there were only six people. It looked like one more had yet to arrive.

“Ning Xi, Muye, you’re here too! Please have a seat! Wait for a moment. When Mo Yuxiu arrives, then we’ll begin!” Ye Ying courteously greeted the both of them.

When Ye Ying finished, Ning Xi was stunned.

Mo...Mo Yuxio?!

Did she hear wrongly?

“Ning Xiao Xi, what’s with this expression of yours?” When they found a place to sit, Jiang Muye noticed Ning Xi’s odd expression and could not help but ask.

Ning Xi massaged between her brows as she had a headache, and she looked incredibly gloomy like she had just been struck by bad luck.

Jiang Muye frowned. “You know Mo Yuxiu? What dispute do you have with him for you to look like this?”

Ning Xi shot Jiang Muye a look.

Jiang Muye got goosebumps. “I’m just asking. Why are you looking at me like that for?”

Ning Xi had an expression that said “counter soldiers with arms, water with an earth weir”. She said weakly, “Well, there were some disputes in the past. The situation between Mo Yuxiu and I is quite similar to yours and mine...”

Jiang Muye was flabbergasted. “What?! Mo Yuxiu is your ex-boyfriend?!”

Chapter 1285: The Calm of A First Wife

Ning Xi sat with her legs together and held her chin, apparently hopeless.

Bloody hell! She knew that God would not let her have an easy life!

Here came her romantic misfortunes again...

Jiang Muye’s eyes were full-on wide, but moments later, he remembered the rumors about Mo Yuxiu and did not find it odd anymore.

Jiang Muye pinched the space between his brows and lowered his voice to say angrily, “You really think you’re a maiden savior, don’t you? Going all around to do God’s work and causing a bunch of these troubles for yourself... I’ll see how you deal with it later! Not everyone is as nice as I am!”

Ning Xi sighed. She had been living like a walking corpse back then. There was nothing she was afraid of. Naturally, she would do as she wished, but who would have thought that she would be where she was today?

Jiang Muye's features softened when he saw her worry and sigh. He then asked with concern, "After you returned to China, have you seen a psychologist? It's fine overseas since no one knows you, but did you mess around when you return?"

Ning Xi shook her head as she recalled, "Dr. Smith told me that I completely recovered the moment I decided to return."

Jiang Muye was slightly relieved, roughly understanding Dr. Smith's meaning.

To Ning Xi, when she had a goal and the motivation to live, it was roughly the same as gaining a new life.

"Later on, when I was in one of my moods, I would change my outfit and go clubbing a few times, but that's when I wasn't famous yet, so it wouldn't affect much," said Ning Xi.

Jiang Muye thought about it and felt that he had asked too much.

She now had Lu Tingxiao as her "psychologist". She was living the high life and would not even need any doctor.

As they discussed this, Jiang Muye suddenly went closer to Ning Xi and looked delighted as he asked, "What's up with you and Mo Yuxiu? Quickly tell me!"

If that guy was worse than him, he would at least feel consoled!

Ning Xi slapped Jiang Muye's hand like it was meaningless dust and said, "Men and women should not get too close. Watch your image."

Jiang Muye looked at everyone else who were busy doing their own thing and said, "Watch out, my ass! Look, who here is treating you as a woman?"

Ning Xi was speechless.

Okay, although all of them saw her and Jiang Muye with their arms around each other, everyone was extremely calm. No one felt like it was odd.

"Quickly tell me!" Jiang Muye urged impatiently.

Ning Xi's mouth twitched. "You're such a busybody. Almost more than your Second Uncle!"

...

At the same time, in Lu Tingxiao's office, Lu Jingli flew in swiftly and bedazzlingly. "Bro! Your wife's about to be gone! How are you still sitting here?!"

An extremely familiar line.

Lu Tingxiao looked up from his stack of documents at Lu Jingli, then continued to work seemingly at ease.

This kind of calm belonged to the first wife.

Besides, he had already stuffed the wife with an incredibly sweet candy earlier.

Lu Jingli was worried as he observed while the involved remained calm. “Hey, bro! Don’t ignore me! It’s very serious this time! First class alert! No, special class! Six! Xiao Xi Xi will be working with six exquisitely handsome men who are all attractive in their own ways!”

Lu Tingxiao still did not react.

Lu Jingli was anxious. “Xiao Xi Xi’s ex-boyfriends cover the entire entertainment industry. What if there’s one of them among the six!? Oh no, there’s already one — Jiang Muye. What if there’s another one?!”

Chapter 1286: Ning Xiao Xi! You’re Too Cruel!

In the advertising department, Jiang Muye kept urging her, but Ning Xi still did not want to share anything. She smiled and continued to relish his agitated demeanor.

Not too far away, because he was bored from waiting alone, the gum-chewing Li Lekai had walked over to Luo Fan. He looked at Jiang Muye and Ning Xi and said, “Hey Luo Fan, what do you think their relationship is?”

Luo Fan put down the book in his hand. He looked over and replied, “Probably best friends. They’re from the same company after all, and they’re both apprentices.”

Luo Fan did not have much of a strong background. The fact that he could get to where he was today relied primarily on his high EQ and his skills in handling people. He behaved carefully, so for such a question, he naturally gave a diplomatic answer.

Li Lekai pouted. He thought that Luo Fan was too pretentious and boring, so he went to look for Qin Ran instead.

Time passed by and Mo Yuxiu had yet to arrive. Many of them in the room started to look impatient. Only others waited for them; they were never the ones waiting. Was this Mo Yuxiu doing this because he felt that he was superior to them?

“He just won some lame award in Spain and now one of the four prestigious movie awards. What’s he so arrogant about!? As popular as he may be, it’ll be ruined by that horrible private life of his!” Li Lekai was furious now as he started to mock him without restraint.

Qin Ran and Han Yucheng were also tired of waiting. If it had not been the Lu Corporation that had invited them this time, they would have pulled a long face and left a long time ago.

Apart from Jiang Muye who had been busy trying to get Ning Xi to talk, the only person who remained calm in the room throughout was Luo Fan.

“I’m very sorry. Please wait for a moment longer. Yuxiu is probably delayed by some issue. Let me call to ask!”

Ye Ying had also been periodically consoling everyone and speaking on behalf of Mo Yuxiu with a warm and courteous attitude.

That was right. Ye Ying herself was a loyal fan of Mo Yuxiu...

“Even though I don’t want to admit it, but this Mo Yuxiu is quite a few ranks higher than I am. How did you get him?”

At this moment, the curious Jiang Muye suddenly thought of this. “That’s not right. Based on that guy’s personality of taking revenge and all, he hasn’t caused trouble to you even though you’ve been in the industry for so long. He probably can’t even recognize you!”

“It’s true that he can’t recognize me in a female outfit,” answered Ning Xi.

“Then, what are you worried about?!” Jiang Muye was frustrated.

Ning Xi looked at him like he was an idiot. “But he knows me in my male outfit!”

Jiang Muye was stunned now. In confusion, he asked, “Ah? What do you mean?”

Ning Xi was done teasing him, so she finally said, “Are you an idiot? I mean that I was with him in my male outfit!”

“I...what!!!” Jiang Muye exclaimed aloud, only lowering his voice when the others looked over. “Bloody hell! You turned him gay in your male outfit?”

Ning Xi shrugged. “Looked like it.”

Jiang Muye looked like he was in solidarity with the guy. “Too...too cruel! You’re too cruel...”

It turned out that Ning Xi had gone easy on him. There were worse things than his situation!

Jiang Muye had felt sullen for so many years, but at this moment, he felt redeemed.

“Then, aren’t you going to die tragically?!” Jiang Muye suddenly said.

This hatred she attracted was coming by the buckets!

“Duh, why do you think I’m worried now?” Ning Xi gave him a look that said, “Obviously, it’s a sticky situation if it’s worth my worry”.

Chapter 1287: Even If Bent Broken, It’s Nothing

Jiang Muye was astonished. He had to surrender to her now. “You’re too cool! I surrender!”

Ning Xi stroked her chin. “Mo Yuxiu’s one of those who received the highest-class treatment from me, but too bad that he’s too much of a piece of trash.”

Jiang Muye was trash as well. That was because he had been influenced by his upbringing, and was so popular. He could get anything easily and failed to appreciate most things instead.

He never cared and changed girlfriends at the speed of light. There was no such thing as “faithfulness unto death” in his principle, but at least, he was loyal and did not cheat whenever he was in a relationship.

On the other hand, Mo Yuxiu had zero moral compass and zilch proper human relationships. Cheating was common to him. He treated a girl's pain as his joy, and he especially liked naive and innocent girls. With that face of his, he ruined many girls. The number of girls who threatened to commit suicide for him could form a circle around the entire Imperial city. He was insane.

Forget about bending this person, even if he was bent broken, it meant nothing!

Jiang Muye was in a good mood as he rambled on, "Pfft, I thought the one with the highest-class treatment was me!"

"Now you know how sweet I am to you, don't you?"

"I do, I do! Hey, why isn't Mo Yuxiu here yet? I'm suddenly anticipating his expression for when he sees you later!" Jiang Muye was more than a little excited.

...

Speak of the devil and he appeared. Ye Ying pushed the door inwards with a wide smile. Behind her was a tall and lean man.

The man wore a custom-made Armani suit with huge shades on, and he had brown hair, while his obsidian stud earring shone ever so slightly. The instant he took off his shades, revealing his handsome Caucasian face, the man seemed to be looking for someone as his sharp gaze skimmed the entire room.

Three seconds later, it fixated on the "man" beside Jiang Muye. He looked incredibly troubled and it seemed like he was going to jump over and strangle someone anytime.

This reaction was not too far from Ning Xi's expectations.

After Ning Xi met the other person's gaze, she smiled wolfishly. It was so annoying that the man lost control and took a step forward, about to rush over.

Thankfully, he had some rationality and restrained himself. After all, if they had caused a ruckus here, the others would find out the embarrassing incident about him turning gay.

Ning Xi was probably fearless for this reason as well. Even though the situation was rather sticky, she would never be afraid of anyone else apart from her dearest.

After Mo Yuxiu took off his shades, Ye Ying stared stunned at his face. She almost forgot to speak, then she returned to her senses. "I'm sorry for letting everyone wait for so long. Yuxiu is late because he was stuck in a traffic jam! Let's all head to the audition venue now!"

Jiang Muye could not help but feel a little disappointed when Mo Yuxiu actually held back and there was no drama to watch. He lazily yawned and got up.

Qin Ran, Han Yucheng, and Luo Fan had gotten up too.

"Who're you trying to fool by saying there's a traffic jam at this hour?" The others chose to keep the peace, but Li Lekai was not easily fooled.

"Well..." Ye Ying trailed off awkwardly now.

“Director Ye, I’ve come because I trust your company, yet now you’ve invited this morally inferior piece of trash to shoot the commercial with us. Did you not think about how it could implicate all of our reputations, or worse still, the Lu Corporation’s reputation?!” Li Lekai spoke strongly.

The moment Li Lekai finished, the room fell into an uncomfortable silence.

Ye Ying was about to smooth things over when Mo Yuxiu spoke nonchalantly, “Pfft, Li Lekai, I just slept with your woman! Do you really have to hold a grudge against me till now?”

Chapter 1288: Just Wanted To Cause Trouble!

Everyone was floored. Because this was an incident from a very long time ago, not many knew about it.

Of course, Li Lekai would never tell others about being cheated on.

Who would have thought that today it would be brought up by Mo Yuxiu with such an attitude!?

This kind of man had seduced someone else’s woman but had the gall to provoke the cuckolded indifferently. Only Mo Yuxiu could do such a thing.

In the next second, a shadow flashed past. Li Lekai had rushed up and swung a fist at him in fury.

Mo Yuxiu leaned aside to avoid the punch, then he threw his shades up. With a glimmer of excitement in his eyes, he clearly wished for the whole world to be in chaos. He just wanted to cause trouble when there was none!

The two of them started to throw fists back and forth. The entire scene was turmoil. Ye Ying was anxious and her advice to them to stop fell on deaf ears. The sticky thing was that in order avoid the news of this incident traveling out of this room, she could not call for security.

Not too far away, Jiang Muye was confused. “Shouldn’t the people fighting be you and Mo Yuxiu? How did it become Li Lekai?”

This was not following the script at all...

Ning Xi watched the show as she sighed in mock seriousness, “Indeed, God still stands on the side of justice!”

“Who would have thought that these two would...” Qin Ran muttered in shock.

Han Yucheng, who had not interacted with Qin Ran since he entered, also could not help but chime in, “What’s so odd? There are many people in the entertainment industry whose partners have cheated on them with Mo Yuxiu. It’s just a matter of the incident being exposed!”

Qin Ran grinned and looked over. “You sound experienced. Have you been cheated on too?”

“Bugger off!” Han Yucheng shot him a look.

“But Mo Yuxiu has been on hiatus in the past few years. It seems like it started about three years ago when he suddenly decided to change for the better. Not only did he cut off relationships with all women, he even stopped getting close to them. He started working on his self-restraint, and because of his repentance, he started to regain popularity again,” analyzed Qin Ran.

“It was probably pressure from the company! Who knows how he’s like privately?” Han Yucheng scoffed.

“Well, that’s true...”

...

“Stop fighting! Yuxiu, Lekai! Stop fighting, the two of you! Can’t we have a peaceful conversation instead?” Ye Ying was anxiously attempting to calm them down, but even she felt her words were a little weak.

Ye Ying was scared witless watching the two of them. She was afraid that they would get hurt, especially on their face. If that happened, the commercial’s shoot would need to be paused!

She was personally in charge of this extremely important commercial and would never have thought that this would happen.

Ye Ying was so worried that she was about to cry. At last, she called the security personnel because she just could not stop them.

“Hahaha, that woman’s like a dead fish in bed. I didn’t think you’d like such uninteresting types...” Mo Yuxiu mocked provocatively.

The next second, Ye Ying panicked and shouted, “Ah! No!”

The two understood that they could not hurt each other’s faces, so they still had some rationality left when fighting earlier. However, Mo Yuxiu was really asking for it by taunting Li Lekai. In a surge of anger, Li Lekai’s fist instantly impacted hard on Mo Yuxiu’s face.

At the same time, Mo Yuxiu had fought back and attacked his opponent’s eyes.

“Ah!” Ye Ying squeezed her eyes shut hopelessly.

The sound of a swift breeze swooshed past her...

When she opened her eyes, she saw an unexpected scene. Ning Xi had stood quite far away earlier. Suddenly, she had gone over and in one move, separated the two of them.

Chapter 1289: Fallen In Love With Someone Else

Blind with fury, the two men had really gone at each other’s throats and their punches were not light. To pull them apart at this moment was to get punched.

So, no matter if it was Qin Ran, Han Yucheng, or Luo Fan, no one had any intentions to intervene. They all stayed far away instead.

What a joke! Did they know how much insurance they had bought for their bodies? A slight knock or bump would delay their work and time; all of that was money! To randomly run over and get hit in the face? Who would take responsibility then?

However, the instant Mo Yuxiu and Li Lekai's fists were about to smash into each other, Ning Xi used a hand to stop Li Lekai's fist, while the other steadily held Mo Yuxiu's swift fist.

The two had instantly been shaken apart.

When Mo Yuxiu's fist was held by Ning Xi, he recoiled like he had been electrocuted while he looked upset. He suddenly did not have the interest to mess with Li Lekai anymore.

Unfortunately, Li Lekai was not willing to let this go easily. He just pushed Ning Xi's hand away roughly as he looked murderously at Mo Yuxiu while charging at him again.

Ning Xi immediately stopped Li Lekai with his right shoulder and said into his ear, "Whatever it is, the two of you need to meet somewhere privately to resolve it. Why should you trouble a girl?"

Li Lekai looked at Ye Ying who had been anxious to the point of tears and reluctantly forced his fist down.

Ye Ying was actually a masochist. She liked bad boys like Mo Yuxiu, but when Ning Xi swiftly appeared in between the two and when she said those words, Ye Ying's worldview suddenly turned upside down...

She seemed to have...

Fallen in love with someone else...

Even though many female employees in the company had been charmed by Ning Xi, she was not affected. She felt that as suave as she looked in a male outfit in the drama, she was still a girl.

Yet now...this boyfriend force was being maxed out!

Not too far away, Jiang Muye was so done when he saw Ye Ying's starry-eyed expression.

Huh, just a bit of work and she has gained yet another fangirl!

Mo Yuxiu stared at his hand that had been touched by Ning Xi and looked odd.

Li Lekai probably remembered the importance of this commercial and started to calm down. Finally, the conflict between the two was temporarily suppressed...

Ye Ying quickly shifted their attention and led them to the multipurpose room for the audition.

Qin Ran slowly got up and mumbled, "Who would have thought that there'd be such a shocking secret between Mo Yuxiu and Li Lekai?"

When Qin Ran said this, he definitely could not have imagined that Mo Yuxiu and Ning Xi's secret would be the truly shocking one!

When they walked past the employees in a line, the latter would have gone crazy at this once-in-a-lifetime gathering of Prince Charmings from the entertainment industry if their Boss had not been there.

Very quickly, they reached the audition location.

The so-called audition was just to get them to run through the commercial and act out the scene of their characters for the director, who was one of China's top commercial directors. Even they had to be courteous to him.

"Director, everyone's here!" Ye Ying announced.

At this moment, Mai Huaian had also been preparing the props. When he saw the seven people behind Ye Ying, he looked quite thrilled. Clearly, he was looking forward to this shoot.

"Nice to meet you, Director Mai. How's the purple clay teapot I gave you?" Luo Fan walked up and greeted him first.

Chapter 1290: He Was Jealous

The director beamed happily. "Great, it's a great work of art, especially the carvings on the pot, marvelous! I didn't expect that you could make that!"

Luo Fan seemed to have investigated Mai Huaian's interests and had given him a purple handmade clay pot.

The others greeted the director as well, but they all felt a little uncomfortable upon seeing Luo Fan's behavior.

Then again, it was an undeniable fact that this guy was excellent at what he did. Not even a professional manager was up to par with him. It was said that he handled his own working schedule, job arrangements, and public relations.

Han Yuncheng glanced around, then asked, "The female lead isn't here yet?"

Qin Ran chuckled, "Director Ye, are you still trying to hide it now?"

Ye Ying smiled. "Of course not, she's already here!"

"Really? I don't see her, Director Ye. Is she invisible?" Qin Ran teased her.

Ye Ying laughed, "She can't be invisible, but she can transform herself!"

Qin Ran then asked curiously, "What do you mean?"

Luo Fan realized what was happening. "Could it be...Ning Xi?"

Everyone then looked at Ning Xi's direction.

Ning Xi blinked her eyes innocently. "Me?"

Ye Ying nodded. "That's right! We actually wanted to invite another person as the female lead, but on the last day of our meeting, we all decided that you're the most suitable person, Ms. Ning!"

Ning Xi thought about it. One person serving as two characters. It was quite an interesting idea.

As for the others, while they were surprised, they did not have any objections as they did not have any conflict of interests with a female artiste like Ning Xi.

Although it was pretty easy to forget that she was a female.

It was a big opportunity for her. “Thank you for the opportunity, Director Ye. I’ll do my best!”

“I saw ‘Dream Chaser’. It was really great! You handled the characters well in both male and female outfits. I’m sure you can do it in this ad!”

Ye Ying spoke more casually with Ning Xi now. They even talked about the plot of the movie.

Jiang Muye was used to this already, but he accidentally saw Mo Yuxiu secretly staring at Ning Xi and felt like his gaze did not look right...

Jiang Muye was way too familiar with eyes like these.

This guy...was jealous?

He was put through such torture, yet he still liked Ning Xi?

How miserable!

Jiang Muye suddenly felt that he shared the same fate as him...

At the same time, inside the CEO office, Lu Jingli pestered around for some time but Lu Tingxiao did not move an inch. “You know who’s the female lead for this advert? It’s Xiao Xi Xi! It’s Xiao Xi Xi! She’s going to be in a relationship with six beautiful men...”

Lu Tingxiao suddenly put his pen down and stood up.

Lu Jingli was relieved. “You finally realize the severity of the issue! Thank God I didn’t waste my time trying to convince you for the past half an hour!”

Lu Tingxiao glanced at Lu Jingli. “You’re too noisy.”

Lu Jingli was speechless.
