Chapter 1371: Lu Tingxiao, Her Light

“Sis, you’re... You’re so amazing! Where did you learn all of that from?! Oh, oh, oh, I almost forgot that in one of the interviews, you said that you were a stunt double when you had just entered the industry overseas. I thought it was just superficial! I didn’t think it was this amazing! Sis, teach me if you have time! That way, I won’t have to worry about people bullying us anymore!” Tang Nuo spoke with an excitement as if he was admiring a superstar. It made Ning Xi’s heavy heart relax a lot.

She rubbed his head of hair and said, “Okay, when there’s a chance.”

When he saw that the atmosphere was a little odd in the house, Tang Nuo quickly reminded his parents, “Father, Mother... Say something! Sis is finally home!”

As if the two of them had just woken up from a dream, Tang Shan seemed a little unsure of how to face this “daughter” that they had not seen for five years and had experienced such a huge change. He said awkwardly, “Xiao Xi, thank you so much for this time... If it wasn’t for you... Sigh...”

“Look, now you’ve met such an incident the moment you returned! Have you eaten? I’ll go cook for you lot!”

...

As she watched what was once her close family now treat her with awkwardness and a cautious attitude, Ning Xi felt an indescribable feeling. She quickly said, “Don’t bother. I still have something to do tonight, so I have to rush back! Next time, when I’m free, I’ll come back to meet you all!”

“Oh, okay... Xiao Nuo, send her off.”

“It’s okay, Xiao Nuo, Father and Mother are just shocked. Accompany them, quickly get Father to the hospital to treat that wound.” Ning Xi tried her hardest to ignore the expression on Sun Lan’s and Tang Shan’s faces that seemed relieved of a huge burden when she said she had to leave. She turned around and left very quickly.

Behind her, when Sun Lan and Tang Shan heard Ning Xi address them as “Father” and “Mother”, they were stunned, then both their eyes welled up.

That was Xiao Xi...

That was their daughter...

It had been five years and she had finally come home, yet they were going to let her leave just like that...

...

Ning Xi did not know how she left the Tang residence. She felt as if her entire being was drowned in the salty ocean. It felt heavy and sticky, making her every step drain her of all her energy...

The darkest part of her soul and her negative emotions all engulfed her like demons right at this moment.

She was such an unlucky person; ever since she was born, she had been on the losing end.

Losing all her most important things...

The harder she tried to catch it, the quicker they disappeared.

Only when she did not want anything anymore, would she stop losing...

It was as if the road ahead had been sheathed by a layer of blurred mist. Across that mist, she seemed to see a silhouette...

Under the glow of the blazing sunset, there was a familiar black Maybach and that lean figure that she knew so well.

Every time, that figure seemed to pierce through the mist and light up her world with bedazzling sun rays...

Yet, at this moment, her expression changed as if her death toll had just rung.

“Lu Tingxiao...”

“Done with your thing?” She was not sure how long Lu Tingxiao had waited there. There was a bunch of cigarette butts beside his feet and the light odor of tobacco on him.

Ning Xi stood there, stunned. The instant she saw Lu Tingxiao, all the determination she had mustered for the past few days was instantly crushed to powder.

She did not want to...

Did not want to lose the person in front of her...

Chapter 1372: Do It Once Before Breaking Up?

“Mm-hmm, done!” Ning Xi tried her best to make herself sound normal. She asked, “Didn’t I tell Lu Jingli to inform you that I’ll look for you when I get back? Why did you come? It’s so far!”

“So I can see you earlier.” It was as if Lu Tingxiao did not notice the girl’s odd manner. He walked over and opened the car door for her.

Ning Xi took a deep breath and walked robotically into the car.

Lu Tingxiao started the engine, then the car slowly and bumpily drove out on the narrow village roads...

It was silent inside the car. No one said anything.

Outside the car window, the familiar views and villages flew by akin to the brightness that had departed her life...

The road ahead was already leading onto the highway and leaving the village, becoming increasingly wide. Because the village was rather far, there was not a single car on the road...

Lu Tingxiao's long fingers grasped the steering wheel as he looked at the road ahead calmly. From the shotgun seat, a hand suddenly pulled hard on the steering wheel.

Screech!

With a piercing screech, the car suddenly swerved from the left to the right and drove into a wide paddy field...

"Ning Xi!"

Because of the girl's dangerous action without any warning, Lu Tingxiao's initially cold expression suddenly changed and he shouted angrily.

In the next second, Lu Tingxiao's car seat was suddenly pushed down as the girl pressed the button. The anger in his eyes instantly disappeared when she abruptly closed in on him and that cool, softness on her lips landed on his...

Ning Xi's body trembled hard as she leaned on him. She kissed him hard in a chaotic mess as if things had reached a dead end...

Lu Tingxiao could not care less at the moment. He cursed softly and his wide hand cupped the back of her head. He returned the kiss even more passionately...

Ning Xi had used her all to kiss the man before her, her cool fingers sliding through his hair, his chest, and his hips...

Clunk.

The seat belts were unbuckled.

Lu Tingxiao gasped. She got on his nerves! In his eyes was suddenly a strong wave of fury. He held the girl's wrist down strongly...

Damn it!

Damned woman!

What did she mean? What was she trying to do?

In the time he had dated Ning Xi, Lu Tingxiao had always paid attention to the Internet so as to keep up with the times. Plus, Lu Jingli had been influencing him in his ear.

In such a situation, three words suddenly flashed in his mind: break-up sex.

Was this what Ning Xi meant? To do it with him one time... Before they broke up?

What was this? Compensation?

When he thought about this, Lu Tingxiao felt disappointment in his heart.

Ning Xi looked down at his hand holding on to her wrist. Because he had been too angry, his veins were bulging...

Since she had been stopped by Lu Tingxiao from continuing, Ning Xi knelt over him. Moments later, she laughed tauntingly, "Huh, Lu Tingxiao... You really don't need to... I'm not some chaste girl... It's not my first time either..."

When Lu Tingxiao saw Ning Xi's look of self-rejection, while there was heartache, there was also anger. "Ning Xi! Do you think I would care about such things?"

Chapter 1373: I Seduced You

Ning Xi looked up quietly at the man before her. There was no light in her eyes. "Lu Tingxiao, you don't care... That it's not my first time? Well, then... What if five years ago, when I was just 18, I already wasn't a virgin? What if I had sex with a stranger I didn't even know and had even given birth to a dead child? A bastard?!"

When she reached the end, Ning Xi was hysterical and her body shivered uncontrollably.

As the words she blurted out recklessly played back in his head, Lu Tingxiao was suddenly stunned. There was an odd expression on his face as if he had been redeemed.

Lu Tingxiao was afraid that he would cause anxiety to the girl. He softly and slowly asked, "Ning Xi... The thing you wanted to talk to me about today... Was this?"

Ning Xi clenched her fists like all her energy had been drained as if she was waiting for the final judgment. "Yes."

The moment her words fell like a gavel, the sky spun and when she reacted, the man was now all over her and passionately kissing her earth-shatteringly as if he had received a new lease of life...

The man's lips fell one kiss after another on her with strong, fiery affection. On her forehead, her nose, her cheeks, her lips, her collarbones...

Even though he did not say anything, Ning Xi could feel his emotion from the kisses alone.

Lu Tingxiao's reaction...did not seem to be quite like what she had imagined...

In her daze, her lips were suddenly bitten.

Ning Xi suddenly cried out loud. There were tears in her eyes as she frowned at the person committing the crime with complaint written on her face.

Lu Tingxiao's eyes were filled with raging fury. "I will ask you again. You've called me out today to tell me something. It was just that?"

Ning Xi subconsciously nodded. "Yes..."

The moment he finished, the man kissed her unyieldingly once again.

A long while later, he let her go and asked again, "Don't have anything else to say, do you?"

Ning Xi did not dare to say “yes” again. She looked confused and asked, “What did you think... I was going to say?”

Even though Ning Xi did not answer “yes” this time, Lu Tingxiao’s expression suddenly seemed worse for wear and he kissed her more fervently than before. He was totally punishing her.

Amidst the rolling waves of paddy fields in the sealed car, an undetermined amount of time passed before the man’s lengthy and heated kisses finally stopped. “Ning Xi, do I seem like the kind of person to go back on my words to you? In your heart, is my affection towards you so easily wavered? I’ve said even if you have a past I am not a part of, with all those wicked beyond redemption things you’ve done that may risk universal condemnation, I don’t mind! Do you think I was lying to you?”

“The person who’s really lying is me!” Ning Xi lost control and shouted.

Lu Tingxiao pulled the girl who was breaking down into his embrace. He said word for word into her ear clearly, “Ning Xi, listen closely. You didn’t lie to me. You’ve already told me right from the start. No, you’ve warned me! I seduced you, I provoked you. It was I who tore open your wounds that you never wanted to tell anyone, yet I was so mean to you earlier... It’s all my fault... Don’t be angry at me! I thought... I thought you wanted to break up with me...”

The tears Ning Xi had been holding in up till now were falling hard and silently. Each tear drop bore the trauma that had never left her for the past five years...

Chapter 1374: That Strange Man

Lu Tingxiao caressed the girl carefully, his eyes full of pain.

Actually, when he first came into contact with Ning Xi, he had always felt that she avoided intimate body contact, and sometimes even showed hatred towards men. He guessed that she must have had some bad experiences before.

So, he never pried into her past. He would never ask if she did not want to share, and was even more careful on relationship matters. He would rather endure it himself rather than trouble her.

The girl was like a little beast being extremely wary of humans after being hurt. She looked outside out of curiosity, then carefully came out and peered around, and soon she braved up and licked his fingers. She leaped onto his legs and rested on them. She dared to make faults in front of him.

She tried again and again until she was sure he was not dangerous, his gentleness making itself apparent.

Until today, she removed all her armor. She took off all her protective gear and opened up the most painful wound, showing him her weakest spot.

As if she was making an offering, she laid them down all in front of him.

Lu Tingxiao hugged the girl tightly.

Aside from feeling touched and pained, there was a darkness within his eyes. It seemed like what Lu Jingli had heard from Ning Xueluo was true.

Ning Xueluo knew about this too, and she was going to use it to blackmail Ning Xi.

However, there was still something odd what Ning Xi just said.

A strange man that he did not even know...

Why would she do it with a man she did not know? If she had been forced, why would she keep the child of that man?

“Is it related to Ning Xueluo?” Lu Tingxiao asked with certainty.

Ning Xi thought she would never tell about it since even the best psychiatrist could not make her say it with hypnotism.

Though now, she just spoke of it naturally. “I thought Ning Xueluo was a true friend to be trusted. I never suspected her. Of course, I didn’t know she had been with Su Yan behind my back. On Su Yan’s birthday, she drugged me and arranged two men...”

Lu Tingxiao’s arms tensed up. “Don’t say it if you don’t want to!”

Ning Xi shook her head and she continued, “I believed her, and went to the room where she told me to look for Su Yan. Then, some accident happened. I went into the wrong room. The room wasn’t the one where the two men Ning Xueluo arranged were... Until now, I don’t even know who that man is...”

Ning Xi’s body was trembling as she was reminded of what had happened that day.

“Ning Xi...”

“Lu Tingxiao, let me finish it! If I don’t say it now, I might not have the courage to speak of it ever again!”

Ning Xi raised up her head and continued, “I lost consciousness after I went in. I didn’t know what happened. I didn’t know Ning Xueluo tricked me. I didn’t even know that Su Yan had already betrayed me...”

“I only found out the next day, Su Yan was beside me on the bed, so naturally, I assumed that I had done it with him, and Su Yan told me that as well...”

Chapter 1375: You That I Love Most

Ning Xi put up a bitter smile. “You can guess what happened afterwards. After I got pregnant, I thought it was Su Yan’s child, so I insisted on keeping it. During that time, Su Yan went overseas for a long time and was only back when I was eight months into my pregnancy.

“After he came back, he told me the truth. It wasn’t him that night. The child wasn’t his. He revealed what Ning Xueluo did to me. He told me that he only lied to cover up what Ning Xueluo did to me.

“When Ning Xueluo told me the truth, I lost control and ran out onto the road and got hit by a car. The child was dead when it was born. This is probably the only kindness the heavens showed me. If not, I really wouldn’t know how to face this child...”

All her past feelings were coming back to her. “Do you know how I felt back then? The world crumbled around me...”

“Both Ning Xueluo and Su Yan didn’t know, but I’ve doubted Su Yan from the very start. Although my memories were messed up that night, I can never forget the feeling...”

“That strange man...was very scary. I felt pain... It was agonizing. I felt like I was going to die...”

“After that time, I had a high fever for a whole week. I stayed in bed and only recovered after about a month. When I went to the doctor, I can never forget the embarrassment...”

“The only thing that kept me going at that time was the thought that I had done it with Su Yan. I didn’t want to think that that person wasn’t my boyfriend.

“So, I kept on lying to myself until I couldn’t anymore... And I paid the price.”

Ning Xi stopped for a bit, then continued, “Afterwards, my fear towards men followed me everywhere. I hated men. That was my only experience with sex. I went to counseling for a very long time. It didn’t help, but I didn’t care anymore...”

As he was listening to Ning Xi, especially when she mentioned about the fear towards the strange man, Lu Tingxiao’s bloodlust surfaced. “Who’s that man?”

Ning Xi trembled a little. “I don’t know. I investigated for a very long time... There was no clue at all... I’m not sure if Ning Xueluo arranged it... It’s like the man didn’t even exist in the first place...”

After she was done, Ning Xi looked lost. She just stared at the man in front of her. “I’m finished. So, this is my past. You’re so good. Sometimes, I think... It’d be nice if you were a little more terrible...”

Lu Tingxiao frowned and looked at the girl in the eye. “Ning Xi, I’m telling you this. You think I’m good because you love me! My first and only time was with some other woman, and I even...had a child, a black spot that can never be removed...”

“Nonsense! Little Treasure isn’t a black spot!” Ning Xi’s sense of loss was gone, replaced with a serious expression.

Lu Tingxiao smiled. "That's right, to me, everything that has happened to you isn't as well. No matter what happened in your past, that's all you, that's what made the current you, the you that I love the most."

Chapter 1376: Rotting Little Cabbages

"Thank you," said Lu Tingxiao as he kissed the girl.

Ning Xi looked confused. "What are you thanking me for?"

Lu Tingxiao's expression turned dark. "Thank you for telling me this and not breaking up with me. Thank you for not killing me."

Ugh...thank you for not killing him...

Ning Xi was stunned. "Um... I've been wanting to ask. Why would you think that I want to break up with you? That idea is so... Stupid..."

Ning Xi quickly changed her tone after she realized Lu Tingxiao did not look right. "Uhm...I mean, why would I be so stupid to break up with you?"

Lu Tingxiao pinched the space between his eyebrows. He also felt he was pretty stupid to have been influenced by Lu Jingli so easily.

Until now, Ning Xi finally understood why Lu Tingxiao's attitude was so odd recently. He looked at her like she was some irresponsible jerk, but under that enraged gaze was the fear and anxiety of losing her...

He was afraid that she might break up with him?!

Ning Xi tried to remember her recent behavior towards Lu Tingxiao. Not only did she lose control of her emotions, she had avoided him. Then, she suddenly asked him out and told him that she had something to talk to him about...

It was pretty easy to be misunderstood after all.

...

Evening, at Platinum Palace, near the entrance, under the evening breeze, there was a miserable-sounding singing.

"Little cabbages, rotting on the ground, three-year-old, Mommy's gone... Things're still good, staying with Father, just afraid that he'd remarry..."

"He remarried. Several years later, there's a brother, much better than I am... He'll eat the noodles, while I drink the soup. I cried as I washed the bowl..."

The little bun wiped his eyes and walked slowly towards the door.

"Little bun, my dear little bun..." Lu Jingli's eyes were watery as he hugged the little bun.

What if the house went back to the way it was after Xiao Xi Xi left? What if he could not enjoy those delicious meals again? How miserable!

The little bun could not help it. He gently patted his Second Uncle's head, comforting his broken spirit...

The sound of an engine came closer and closer. Lu Jingli focused and looked outside. He then saw that familiar car drive slowly towards the entrance.

Lu Jingli was really anxious, then he saw his brother come down from the driver's seat, going to the other side and helping a girl down...

Lu Jingli's eyes widened. Had his brother abducted Xiao Xi Xi?

But judging from Xiao Xi Xi's power, it did not seem possible!

The little bun was relieved when he saw his parents were back. He was worried that his Second Uncle might go crazy.

"Bro...what's happening? You guys..."

Lu Jingli kept on asking as Lu Tingxiao carefully put Ning Xi down on the bed upstairs.

Chapter 1377: Drag That Beast!

After he tucked her into bed, Lu Tingxiao kissed her lightly on the lips.

Ning Xi had not been sleeping well for the past few nights. After she had explained everything to Lu Tingxiao and all the stress had been relieved, she could not hold on any longer and fell asleep on the way home.

Now, the girl opened her eyes in a daze and saw the gentleman before her. "Mmm... Home?"

"Mm-hmm." Lu Tingxiao nodded. "Home."

Ning Xi reached out with her arms and held onto his neck. "I'm sleepy... I want to sleep..."

"You can continue to sleep."

She instantly frowned. "Aren't you going to sleep with me?"

Lu Tingxiao almost said he would, then he caught hold of himself and said, "I have some things to handle. I'll let Little Treasure accompany you, alright?"

Ning Xi nodded obediently. "Mmm."

"Little Treasure, sleep with Mommy," Lu Tingxiao turned to his son and ordered.

Obviously, the little bun did not need Lu Tingxiao's orders. He had long taken off his shoes and soon climbed on the bed to sleep with Mommy. "Mommy, can Little Treasure sleep with you!"

Ning Xi hugged the soft and nice-smelling little bun before giving him a kiss, feeling incredibly contented.

Lu Tingxiao kissed both his son and wife's forehead before getting up to leave.

Lu Jingli was completely frustrated from the sidelines. "Hey, I'm still here... All of you... Can you care about me first?"

Also, what did this familiar display of affection mean?

They even had to display it with all three of them together!

It was not what he had imagined at all...

...

After he settled Ning Xi, Lu Tingxiao indicated for Lu Jingli to follow him to the study room. Lu Jingli obviously followed after like an excited child.

"Bro, what happened? Did you and Xiao Xi Xi break up?"

Lu Tingxiao shot him a sharp and cold look, and Lu Jingli immediately weakly gulped, "I usually have accurate foresight. Could I have actually guessed wrongly this time?"

From the situation, it seemed quite obviously that he was indeed not as accurate as he thought...

"Did you investigate the thing from before?" Lu Tingxiao asked.

Lu Jingli did not immediately understand what Lu Tingxiao meant. "Huh? What thing?"

"The thing you heard from Ning Xueluo."

Lu Jingli instantly looked unwell when he heard his brother. "The initial investigations show that it's true. Xiao Xi Xi did indeed give birth to a dead child. As for the concrete situation, because I've been worried about you and Xiao Xi Xi's thing, I haven't done a detailed investigation..."

"Investigate this. The more detailed, the better."

Lu Jingli was a little shocked when he heard him. His brother was clearly not interested in this at all previously, yet after returning from Chang Chun City, he suddenly ordered him to investigate it thoroughly?

Lu Jingli's thought process churned, then suddenly his IQ was on point. "Uhh, Bro... Don't tell me that... The thing Xiao Xi Xi wanted to tell you this time... Was actually this...?"

Lu Tingxiao did not say anything, so it was considered a silent agreement.

Lu Jingli was about to cry. "What the hell? Just this?"

That meant he had just scared himself for so long!

After being nerve-wrecked for half a day, Lu Jingli could finally relax. Okay, as long as they were not breaking up, it was fine if he had inaccurate foresight!

Speaking of which, he suddenly really admired Little Treasure. Bloody hell! He was practically the pillar of the house with his calm manner!

Next up, Lu Tingxiao and Lu Jingli exchanged some information with each other.

When Lu Jingli finished listening, he was immediately furious. “What?! What kind of shameless person is this!? A beast! Bro, don’t worry, I’ll help you drag this beast out!”

Chapter 1378: We’re Both On Your Side

In a certain loft in the old city district, Ning Tianxin was sitting on the sofa, looking helpless.

She had been looking for a hospital to get her abortion, but the Mo family seemed to have intervened from the inside.

She had found quite a few hospitals, yet all of them rejected her on account for the fact that her body was not suitable surgery. Either that, or she had to queue for a date that was at least half a month later.

Just as she was thinking of other ways, Mo Lingtian’s parents had personally come to look for her.

When she opened the door and saw the two incredibly charismatic middle-aged couple, Ning Tianxin was shocked. “The two of you are...”

“You must be Tianxin. We’re Lingtian’s parents. We’re really sorry to come here so suddenly like this. May we go inside and chat with you for a bit?” Kang Shuhui spoke as she examined the girl before her. She saw the girl was dressed in a plain-colored casual outfit with not much makeup on her face. She thought she looked surpassingly beautiful, slender, and elegant. Immediately, she had a favorable impression of her.

Indeed her sister was right. This girl was different from all the previous ones.

“Of course, please do come in.” There was no way Ning Tianxin would slam the door on two elders who had personally come to see her, so she had to invite them in.

She suppressed the worry in her as Ning Tianxin served the both of them tea.

“You don’t live with your family?” Mo Jianzhang looked around the house and casually asked.

“I moved out when I started university.”

“Are you still in university now?”

“I’m attending graduate school.”

Mo Jianzhang nodded with satisfaction. Still a student. No wonder she looked so innocent.

“Miss Ning... May I call you Tianxin?” Kang Shuhui’s tone was extraordinarily gentle.

Ning Tianxin nodded. “Feel free, Madam Mo.”

“Sigh, Tianxin! I’m sure you know the reason we’re here. You’re now pregnant with the flesh and blood of our Mo family. No matter what, I will have Lingtian be responsible for this! Don’t you worry! Please don’t be impulsive. Don’t hurt this child! We’ll definitely let you make the decision!”

Kang Shuhui had intentionally emphasized on “don’t hurt this child”. Clearly, she knew about Ning Tianxin looking for hospitals to get her abortion recently.

Ning Tianxin thought it was far-fetched. She chose her words carefully before saying, “Mr. Mo, Mrs. Mo... I’ve already discussed the way to resolve this with Lingtian.”

“So, the outcome of your discussion is to abort the child? Is life just child’s play to the two of you? This is nonsense!” Mo Jianzhang could not help but shout in fury.

Kang Shuhui immediately shot her husband a look. “It’s all your son’s fault. Why are you being so fierce to Tianxin?! What if she’s frightened?”

Mo Jianzhang voice then toned down quite a bit. “I... I’m not fierce! I’m angry at our son!”

Kang Shuhui patted Ning Tianxin’s hand lightly. “See? Auntie and Uncle Mo are both on your side! You don’t have to be afraid of anything!”

...

At night, in a certain VIP room in Imperial’s Eaton Bar, Mo Lingtian gathered a bunch of single friends and had already been at the nightclub for three days and three nights. He was in a state of drunken stupor.

“What is up with Master Mo?” Someone who did not know asked from the side.

Immediately, someone who was familiar with Mo Lingtian’s personal issues answered in a busybody way, “Don’t you know? He’s being forced to marry recently! It’s going around the circle!”

“Forced to marry? Isn’t that normal? Hasn’t he always been like that?” The person who asked was confused.

The other came closer again and said with a shock factor, “This time is different! This time there’s a baby involved!”

Chapter 1379: Loved For So Many Years

That person was shocked to hear that. “What?! No way! No wonder Master Mo looks so tragic... His parents have long wanted a grandchild. Now, they’ll really drive him crazy! This is clearly going down the path of an arranged marriage due to a pregnancy!”

“Sigh, our loyal one here finally waited for his goddess to return, and his hugest romantic rival Lu Tingxiao is now taken. When the time and tide were right, such a thing had to happen...”

“Who’s the woman? She must be quite high-ranking! That she could even get through our Master Mo!”

“That I don’t know...”

...

“Master Mo! Master Mo, stop drinking now!”

When they saw that Mo Lingtian had really drunk too much tonight, everyone started to advise him to stop as they were afraid there would be a mishap.

Unfortunately, no matter who tried to tell him to stop, Mo Lingtian just continued to guzzle the booze like he was drinking water as if he really wanted to die from drinking. He kept muttering, “Ziyao... Ziyao...”

“Got it! Whoever hung the bell on the tiger’s neck must untie it. I think we should just call Miss Guan over! Otherwise, something might really happen if we continue to let him drink on like this.”

A few people gathered around to discuss, then one of them called Guan Ziyao.

About one hour later, Guan Ziyao finally arrived.

Everyone else had very tactfully walked out, leaving the two of them some space.

“Why did you drink so much?” Guan Ziyao frowned and took the glass away from him.

When he saw who it was before him, Mo Lingtian instantly hugged her tightly as he looked hopeless. “Ziyao... You found out, didn’t you? I’m sorry, I’m really sorry... It wasn’t intentional... That was just an accident... I was drunk. I thought she was you. I don’t even like that woman...”

“You know... I only have you in my heart... I like you... Ever since we first met when we were six years old, I have already liked you! I have liked you for more than 20 years!

“I’ve been waiting for you... Waiting for you to come back...No one can replace... Apart from you... I won’t like anyone else anymore...”

Guan Ziyao watched the man’s devoted manner and something flashed in her eyes.

She was well aware of Mo Lingtian’s feelings towards her, and she knew this a long time ago. To say that she was not moved at all would be lying. Sadly to her, the only person who was her match was Lu Tingxiao.

How could she be willing to lose to that cheap woman as a failure, and settle for Mo Lingtian as the next best thing?

Her dignity would definitely not allow that!

“How did your family find out about that woman’s pregnancy? Did she tell them?”
Guan Ziyao frowned.

Even though she never thought about being with Mo Lingtian, she still felt a little uncomfortable at the sound of such news.

Mo Lingtian's face turned pale. "When she went to the hospital for a checkup, the doctor was coincidentally my aunt. My aunt had found out the child was mine through her conversation with her cousin, then she told my parents..."

"What a coincidence!" Guan Ziyao asked.

Mo Lingtian's thoughts were a mess, he held onto Guan Ziyao's hand, "All of this is not important, no matter what, unless it's you... I won't marry anyone else..."

Guan Ziyao slowly pulled her hand away. "Lingtian, I'm sorry, there's no way we'll get together. I really don't want to lose you as a friend. Didn't we say that we were going to be friends forever? The way you are behaving now is making things difficult for me..."

Chapter 1380: You Just Want Me To Marry Her

"Is it because of this?" Mo Lingtian asked with a shaky voice.

Guan Ziyao frowned. "Lingtian, I believe you're not someone who would mess around. Maybe you've been tricked, but what's happened has happened."

Mo Lingtian then said, "It was really an accident. The child won't be kept... You can accept the same thing for Lu Tingxiao, but why not me?"

Guan Ziyao's expression changed. "Even if this didn't happen, it'd be impossible between us."

She then turned around and left.

Mo Lingtian tried to follow her. "Ziyao, I'm sorry. That's not what I meant..."

After just a few steps, two men blocked his path. "Master, Old Master wants you to go back!"

"Get lost! Get out of my way!" Mo Lingtian looked furious.

"Master, please don't make it tough for us."

"I ask you to get lost. Did you hear me!?"

"Sorry, Master!"

They looked at each other and forcefully brought him into the car.

Mo Lingtian was too drunk to get out of their grasp. He could only watch Guan Ziyao disappear into the darkness...

It was midnight, yet the Mo family was still up.

After Mo Lingtian got back, he saw his parents were in the living room. Not only that, there was a girl opposite Mo Jianzhang and Kang Shuhui. It was Ning Tianxin...

"Look at you now!" Mo Jianzhang was angered when he saw Mo Lingtian was drunk.

Mo Lingtian stared at Ning Tianxin as if she was a ghost haunting him. “Why are you here?”

His fearful and suspicious expression made Ning Tianxin’s face turn pale.

She had already called Mo Lingtian countless times and sent him a lot of messages, but he did not pick up or reply to any of them.

With the sudden visit of Mr. and Mrs. Mo, they asked her to keep the child, putting her in an awkward position and she really had no say, so she just followed them back and wanted to have a discussion with Mo Lingtian.

Who would have thought...?

Mo Jianzhang was enraged. “What’s with your attitude? Your mother and I invited Miss Ning over!”

Kang Shuhui said gently, “We asked Tianxin to be here to discuss what’s going to happen next. Lingtian, running away won’t solve the problem!”

Mo Lingtian laughed. “Solve... Solve what issue? Your solution is to for me to marry her, isn’t it?”

“Is there anything wrong with that? Shouldn’t you be responsible for what you did? How are you even my child?” Mo Jianzhang yelled at him.

“Lingtian, the child in Tianxin’s stomach is yours. Are you really this cruel?” Kang Shuhui looked miserable.

Mo Lingtian was triggered. “To the both of you, I’m just a tool to continue our family’s bloodline! Have you ever thought about how I feel? Have you ever thought about who I really love?”

“Bastard!” Mo Jianzhang smashed the table, almost passing out from anger. “You’ve been messing around for so many years because of that woman. You did so many ridiculous things! Have I ever forced you to marry anyone else?”

“Your feelings! Your romance! Have you thought about the opportunities this girl will miss because of you? Saying irresponsible things like this! Are you really a man?”
