

FMH Marriage 751

Chapter 751: Who's The Fool Here!?

"You...what did you say? Defeat you?" Lu Xinyan was stunned by the proposal. She did not understand what Ning Xi meant.

Mo Lingtian was surprised as well.

Ning Xi blinked her eyes again as if she could not fathom why they did not understand her.

"Shooting! I realized that you guys don't really like me here. So, let's do it this way. If anyone can beat me in shooting, I'll break up with Lu Tingxiao. But if I win, please be friendlier the next time you see me!"

So, all of them wanted to save Lu Tingxiao from her. Alright! Ning Xi would give them a chance!

Everyone was dumbfounded by Ning Xi's suggestion.

What...what did this woman just say? Was she out of her mind?

It was such a difficult feat to get together with Lu Tingxiao and she had done something no woman in Imperial had, but her impulsiveness made her bet her relationship with Lu Tingxiao?

They thought a celebrity like her would be considerate and good at reading others, so she would not go looking for trouble if she could actually think.

But...this woman was crazy!

How stupid! And how sad for Lu Tingxiao...

No one expected things would develop into such a situation. It almost drove Mo Lingtian mad.

"Little bunny, what are you doing? Just wait until Lu Tingxiao comes back and everything will be fine! Why are you doing this? Do you really want to break up with Lu Tingxiao? Are you crazy?!"

While the others may not have known, only Mo Lingtian understood how serious Lu Tingxiao was about this girl. He was really into her. Although he did not understand what was so special about her, he had no comments about his brother's choice.

Lu Xinyan digested Ning Xi's words as she chewed on her lower lip. Although slightly unbelievable, this woman was this stupid all along! She had initially thought that getting rid of her would be troublesome, but was it really as easy as this?

"Are you for real?" Lu Xinyan confirmed her doubts with her.

"Yes!" Ning Xi nodded.

"Okay, then we're set. I've recorded down what you said just now, so there's no going back on your word!" Lu Xinyan was satisfied now. "Let's get started!"

Ning Xi stopped her. "Wait."

“Why? Regretting already?” Lu Xinyan glowered.

“I’m just trying to reiterate what I said. I said as long as anyone here beats me, so you have to select someone to compete with me!” Ning Xi said.

“Fine, fine, I’ll do it!” Lu Xinyan did not take her seriously at all.

For a newbie who got a score of 6.3 points, she would be more than easy to beat!

“Consider it well. I’d suggest you find the best among your group to compete with me. If not, don’t complain that I wasn’t being fair!”

Everyone was speechless by Ning Xi’s words. Where did her sky-high confidence come from?

Lu Xinyan was huffing impatiently but as she was about to insist on her participation, Guan Ziyao came over and tapped her shoulder. “Xinyan, let me do it.”

Lu Xinyan looked at Guan Ziyao and frowned a little. “Sis Ziyao, she’s not worthy of being your opponent!”

Guan Ziyao replied, “Just being cautious.”

Lu Xinyan thought about it. It was such a high chance of beating her but it would be best to reduce any chances of an accident, so Guan Ziyao was the best candidate.

Sis Ziyao was the person that was worthy of punishing this idiot woman!

Chapter 752: Damn It! Let Me Die!

Mo Lingtian was anxious since he promised Lu Tingxiao to look after Ning Xi. He thought that Lu Tingxiao was just being paranoid but who’d expect that something like this would happen in just a few minutes of his absence!

“No! This is nonsense!” Mo Lingtian quickly tried to stop them.

Guan Ziyao glared at him. “Lingtian, don’t interfere.”

“How can I not interfere? Ziyao, she was just messing around. Don’t do this!” Mo Lingtian tried to convince her.

Ning Xi pouted and grumbled, “I’m not messing around! I’m serious about this!”

At that moment, Mo Lingtian wanted to shoot himself in the head! Damn it! Just let me die!

He had tried so hard to help her, yet she was making things worse!

This woman that Lu Tingxiao liked...apparently, no one could fathom her logic and common sense...

“Bro Tian, you can see for yourself. She suggested it and no one’s messing around. It’s between us women, don’t you interfere!” Lu Xinyan was afraid that Mo Lingtian would ruin this chance, so she quickly pushed him aside.

Apart from the worried Mo Lingtian, everyone else was excited about what was about to happen. However, it did not seem very interesting since the results were predictable.

“I don’t think this woman would be this stupid. Could she just be acting?” someone mumbled on the side.

“She? Acting?”

“Even if her shot just now was a mistake, she could not be all that great! She’s not competing against Lu Xinyan now. It’s Guan Ziyao! It probably wasn’t even her full power when she was competing against Mo Lingtian just now!”

“That’s true, then this would probably end up really terribly!”

...

“You first!” Ning Xi said.

Guan Ziyao did not say anything and just put on her protective glasses and earmuffs. She held up her gun and aimed at the target.

Her pose was clean and sharp. She obviously had many years of experience.

Lu Xinyan glanced at Ning Xi. “Sis Ziyao has been training target shooting for about 10 years. You’ll never be able to beat her! All the best, Sis Ziyao!”

Guan Ziyao closed her eyes and took a deep breath, trying to focus. Even though Ning Xi looked weak, this was about Lu Tingxiao and so, she would not allow any mistakes to happen.

Everyone stayed still their breath bated and even Lu Xinyan quieted down as well.

Ning Xi slumped on the table and yawned.

After a moment, Guan Ziyao opened her eyes.

Bang!

Bang!

Bang!

Three shots were fired consecutively.

Everyone quickly went over and check Guan Ziyao’s score.

Everyone was stunned.

First shot: 9.9 points

Second shot: 10 points

Third shot: 10 points

One 9.9 and two full scores! Amazing! This was practically professional skills!

“Oh my God! Sis Ziyao, you’re the best! Terrific! You’re my idol!” Lu Xinyan gushed excitedly.

Chapter 753: I Would Never Lose You!

Mo Lingtian was stunned. “Damn it! Guan Ziyao, you monster! Do you really have to do this?”

She had achieved such high scores just to fend Ning Xi off. If his memory served him well, it was her first time getting such high scores.

Mo Lingtian’s expression darkened as he thought about it while intensely looking at the woman with the gun in her hands. Although everyone loved to put Guan Ziyao and Lu Tingxiao as a couple together, he knew both of them well and he understood that they were just friends.

But he was not sure now after Guan Ziyao had returned.

The way Guan Ziyao was behaving seemed to be pointing towards what everyone suggested...

“Ziyao, you’re the best!”

“How did you do that? Amazing!”

Everyone was impressed by her marksmanship. They then looked at Ning Xi expectantly and waited for her to embarrass herself. Just how was she going to handle this?

Lu Xinyan went up to her like a triumphant rooster, even puffing her chest slightly. “Look at that, one 9.9 and two 10 pointers! What more do you have to say?”

Ning Xi glanced at her and shrugged. “I have nothing to say.”

“Hmph, good! Remember what you said. You’re going to break up with my cousin. There are plenty of witnesses here!”

Lu Xinyan was not afraid of her going back on her words. She believed that this woman would not be so shameless. If she were to break her promise, she would never be respected in Lu Tingxiao’s circle of friends ever again!

Mo Lingtian feebly spoke, “It’s just a game, don’t take it so seriously. You can’t just decide for Lu Tingxiao this way.”

Lu Xinyan stomped her feet angrily and demanded, “Bro Tian, what’s wrong with you? Why do you keep defending this woman?”

Guan Ziyao also frowned and looked at Mo Lingtian unhappily.

Mo Lingtian clenched his teeth and went up to Ning Xi to plead, “Quickly tell everyone that you’re just joking. Do you really plan to break up with Lu Tingxiao?”

Ning Xi grumbled, "Of course not!"

Mo Lingtian would have yelled at her if she was not Lu Tingxiao's girlfriend. Instead, he suppressed his anger and ground his teeth. "Then, what are you doing? Why didn't you listen to me just now? What're you going to do now?"

"Hey, don't you dare break your promise right now! I'll never forgive you! A shameless woman who goes back on her words is never worthy of becoming my cousin-in-law!"

Mo Lingtian was trying to come up with a plan to salvage the situation but Lu Xinyan would not stop pestering Ning Xi...

The situation was chaotic...

Suddenly, everyone went silent. Lu Tingxiao was back.

As soon as Lu Xinyan saw Lu Tingxiao, she quickly went up to him and tattled on Ning Xi, "Cousin! This woman made a bet with us just now. If we beat her at shooting, then she'll break up with you! She already lost to Sis Ziyao! She actually used you as her betting chip! How hideous!"

"What?" Lu Tingxiao froze when he heard what Lu Xinyan said.

Crap! Why was the devil always there when she was misbehaving?!

Ning Xi was troubled. Just a moment ago, she was still relaxed. As if trying to get it over and done with, she quickly stood up and shot the target without even looking at it. Bang! Bang! Bang!

She then tossed away the gun and went to Lu Tingxiao, blinking and softening her features. "I'd never lose you!"

The counter rang.

The scores were presented:

10 points!

10 points!

10 points!

Chapter 754: Who Was It?! A New Challenger?

The girl was looking at him in the eye nervously. "Lu Tingxiao, am I not great? Praise me!"

Lu Tingxiao's expression was as dark as a thundercloud.

He had just stepped away for a little while and she already stirred up trouble. Now, she was asking for praises?!

"Mmm, you're the best," Lu Tingxiao replied.

He simply could not resist those eyes of hers...

Looking at both Ning Xi and Guan Ziyao's score, Lu Tingxiao pinched the area between his eyebrows.

Just how courageous was this girl?

Even with her personality like this, she was still as charming as ever...

His heart could not take the moment when she went up to him and told him, "I'd never lose you!" He was bound to be with her forever!

For entertainment's sake, the counter at the shooting range had special settings. If someone got three 10 points consecutively, it would play a celebratory tune and there would be an announcement of the targets that earned a perfect score.

As soon as Ning Xi finished her set, there was a loud upbeat tune and the announcement of her perfect streak.

All the other customers including Lu Xinyan, Mo Lingtian, and Guan Ziyao were stunned.

The shooting range was set up professionally. In addition to using real guns and bullets, most guests were either really passionate about guns or even professionals, and it was extremely rare for someone to get a perfect score.

Ning Xi's streak had caused quite a commotion. Guan Ziyao's high score was already amazing enough but all of them froze when they saw Ning Xi's score.

Mo Lingtian could not believe it. "What? Are you kidding me?"

Guan Ziyao looked lost, unable to accept the result.

Lu Xinyan held the counter for a closer look. "How is this possible!? Does the counter have a problem? It must have an issue! Where's the manager? Please check this machine!"

Ning Xi rolled her eyes at her dramatics as she picked up the gun and released another three shots.

Another celebratory tune was played, followed by the perfect streak announcement. "Second shooting range, ninth target, perrrrfect score!"

Everyone was speechless.

The first time her streak was announced, everyone was impressed but they were shocked when they heard it for the second time.

What the heck!?

What was happening!?

Was this for real?

It was difficult enough for professionals to get a perfect score consecutively!

A large crowd started gathering around to see who was this immaculate marksman.

“Hey, are you guys here to see who is it from the announcement?”

“Yeah! That’s amazing! Could it be from some special operations team?”

“I have no idea, the ninth target...there’s just a lady in pink shirt holding a gun now. Could the person who achieved the perfect score have left?”

...

As everyone was making wild guesses, an old man in his fifties dressed in a casual outfit passed by with a young soldier beside him.

“Ask around who the shooter was,” the man ordered the young soldier, his eyes looking sharply everywhere like a hawk.

“Yes, Chief!”

Chapter 755: It’s That Little Bunny!

Another triple 10 points...

Mo Lingtian gulped anxiously. The little bunny he was looking at suddenly became a monster in his eyes. As he was trying to make sense of what had just happened, he heard someone calling him.

“Master Mo...Master Mo...”

Mo Lingtian turned around, surprised to see a young soldier in his uniform. “Aren’t you the security for Uncle Zhuang, Xiao Chen?”

“Yes, that’s me!” Xiao Chen nodded.

“What’s up?” Mo Lingtian asked.

“I have something to ask. Master Mo, were you here since just now?” Xiao Chen asked.

“Yeap, I was.”

“Great! Do you know who got that perfect streak on the ninth target?” Xiao Chen queried.

Mo Lingtian raised his eyebrows. So, he was here to ask about this...

“Of course I do. It’s that girl!” Mo Lingtian told him, vaguely nodding his head in a direction.

“A girl?” Xiao Chen was taken aback.

Mo Lingtian nodded. “Yeah!”

He was already surprised by the fact that it was a girl. What would happen if he knew exactly which girl?

“Who is it? The lady in black?” Xiao Chen looked around and asked about Guan Ziyao.

Mo Lingtian smirked. “You’re wrong. It’s the one in the pink dress, white fluffy coat, and the bunny ear boots!”

“Pink dress...white fluffy coat...bunny ear boots...?”

Xiao Chen set his sights on a girl beside a large-set, tall man, then he looked at Mo Lingtian and chuckled. “Don’t lie to me, Master Mo! The Chief ordered me to look for the person. Don’t joke around with me!”

“Who’s joking...” Mo Lingtian stopped. “Your Chief is here today?”

“Yes, he’s here with a few friends but when he heard the announcement, he left them and came straight here. It’s been a while since I’ve seen him this excited,” Xiao Chen said.

Mo Lingtian swiveled around and as expected, he saw a well-built man among the crowd.

“Who is it? Tell me, please! Is it the man beside the girl in the pink dress? That looks like the CEO of Lu Corporation, Lu Tingxiao!” Xiao Chen said.

Mo Lingtian gave him a mysterious smile. “Didn’t I tell you? It’s that little bunny!”

He patted Xiao Chen on the shoulder. “I’ll go over and greet your Chief!”

Xiao Chen stood there without a word, staring at the cute, young girl in disbelief.

How was that possible!? If that little bunny could get six 10 points shots consecutively, then he could have joined the SWAT team!

Mo Lingtian went up to the Chief and greeted him warmly, “Long time no see, Uncle Zhuang!”

“Oh, Lingtian, are you here with friends?”

“Yeah! Uncle Zhuang. I heard from Xiao Chen that you’re looking for someone?”

“Mmm.” The Chief nodded. “Do you know the person?”

“Of course!” Mo Lingtian then pointed at Ning Xi. “It’s the lady beside Lu Tingxiao. Can you see her? I told Xiao Chen but he didn’t believe me, so I’m here to tell you personally!”

Chapter 756: This Was Practically A Witch!

“That girl?” The Chief asked thoughtfully, then said, “How old is she? What does she do? Is she still in school? What does her family do?”

Mo Lingtian’s mouth twitched at his questions. “Uhh, cough...Uncle Zhuang, what are you trying to do, huh? Even though you have a son, isn’t he only 18 years old? Isn’t it too early to look for a daughter-in-law now? Most importantly, this girl is already taken. She’s Lu Tingxiao’s girlfriend!”

“Lu Tingxiao has a girlfriend?” the man asked with a serious expression, hiding his thoughts.

“Yeah, they just started dating not too long ago,” answered Mo Lingtian truthfully as he nodded.

The man revealed a thoughtful expression and then said, “Lingtian, help me ask that girl if she is interested to enlist.”

Mo Lingtian almost spat at this proposition.

Turns out he was thinking of such an idea! But this idea was even more impossible!

Mo Lingtian immediately said, “Uncle Zhuang, I suggest you forget it. Lu Tingxiao pampers her like a treasure. He even carried her in fear that she got tired of walking and he even accompanied her to ride a horse in case she fell off. When he went off for a phone call, he even needed to make sure I took care of her well...

“To let her enlist is impossible! In fact, she looks much younger because of her dressing today. She has actually already graduated from university and is currently a professional actress! So...the possibility of enlisting...is basically zero!”

The Chief looked regretful when he heard this. “That’s such a pity...”

Mo Lingtian was sweating profusely. Before this, he had heard his father talking about how Zhuang Liaoyuan would not let go of talents with excellent marksmanship. It seemed like this was true; he even wanted to cross Lu Tingxiao’s boundaries!

While Mo Lingtian was conversing with Zhuang Liaoyuan, Ning Xi picked up the gun once again.

Zhuang Lingyuan instantly focused his gaze on the girl.

Bam! Six points.

Bam! Three points.

Bam! Three points.

Bam! Two points.

...

“Uhh...” Mo Lingtian’s eyeballs were about to fall off as he watched Ning Xi hit all those crazy targets. “That’s not right! Uncle Zhuang, I’m not lying to you, those six

perfect scores in a row previously were shot by her! Maybe...maybe she's not consistent in execution? Before this, she also scored a six-pointer..."

My God! Was this brat messing with him? What was with these shots?

He was about to get a heart attack!

Zhuang Liaoyuan seemed not to notice at all. His eyes followed Ning Xi's aim, one shot after another, then they started to widen. After the last shot, Zhuang Liaoyuan could not help but laugh gleefully. "How interesting! This little girl is really interesting!"

Mo Lingtian was confused. Huh? What was so interesting? Why couldn't he see it?

After the little bun was done with shooting, she shyly walked towards Lu Tingxiao's side and tried to please him by signing a heart with her hands. She then said to Lu Tingxiao, "I know my mistake now. Saranghaeyo, Big Boss!"

"My God! It's a heart!" Those who were watching Ning Xi shoot gasped when they saw her target sheet from earlier.

Mo Lingtian looked at the target sheet too and instantly shouted, "My God!". The bullets Ning Xi had shot earlier had really created traces of a heart shape!

My Lord! How was this a little bunny?! This was practically a witch!

No wonder Lu Tingxiao had been charmed silly by her!

Chapter 757: Poaching

Zhuang Liaoyuan looked at the target sheet and looked wistful. "This girl is interesting indeed! Back in the day, this was the trick I used to court my wife too!"

"Pfft..." Mo Lingtian looked shocked. "I wouldn't have known! Uncle Zhuang, were you so skilled at picking up girls back then?"

"Of course." Zhuang Liaoyuan's solemn face revealed a barely noticeable delight.

He was old now, so he had to be serious and lead the talents, thus he always had an expression of old-fashioned rigor. When he was younger, he had been very romantic.

"Liangtian, help me introduce us. I want to get to know this child," Zhuang Liaoyuan suddenly said.

"Uhh...okay! Uncle Zhuang, follow me!"

Crap, had he not given up? Never mind, I shall let Lu Tingxiao resolve this by himself...

Mo Lingtian could not reject him, so he led Zhuang Liaoyuan towards Lu Tingxiao and Ning Xi.

When he saw the man beside Mo Lingtian, Lu Tingxiao's eyes dimmed. "Mr. Zhuang."

"Lu Xianzhi, your father, is he healthy and well?"

“Thank you for your concern, all is well with Father.”

“Good, good, good...” Probably because military men were more impatient, Zhuang Liaoyuan had barely made a few sentences of small talk before he eagerly turned his gaze towards Ning Xi beside Lu Tingxiao.

“Little girl, those six perfect shots in a row earlier, were they all by you?” When he noticed her timidity, Zhuang Liaoyuan, who was usually cold and serious, had softened his tone unusually and even bent slightly to make his figure not so intimidating.

Ning Xi subconsciously looked at Lu Tingxiao before nodding.

Even though the man who spoke to her had worn a casual outfit and his attitude was very friendly, that cold-blooded aura that belonged to military veterans could not be disguised. In fact, he was obviously someone of high position.

Ning Xi was inevitably much more careful. She watched her words and waited to see what his intentions were.

“Nice, nice, nice....little girl, you’re quite amazing! How many years have you trained for?” Zhuang Liaoyuan continued to ask.

“I haven’t really trained. When I want to, I’ll play around,” answered Ning Xi honestly.

Zhuang Liaoyuan was stunned for a while, the light in his eyes shining brighter. “Then, little girl, you have talent! Do you like shooting?”

Ning Xi nodded earnestly. “I do.”

“Then, do you want to shoot every day?” Zhuang Liaoyuan’s voice was even gentler now.

Xiao Chen was speechless as he watched the usually fearsome Chief try to coax this girl.

The Chief had really given his all to pull in talents...

Lu Tingxiao took notice of Zhuang Liaoyuan’s intentions and pulled Ning Xi into his embrace before reminding in a deep voice, “Mr. Zhuang.”

This was when Zhuang Liaoyuan cleared his throat and straightened up. He then gave Ning Xi his name card. “Little girl, next time if you want to shoot, you can look for me. This shooting range is not suitable for you. You need something more professional.”

“More professional?” Ning Xi peeked at the black name card in her fingers, then tried to test him, “Is it the Northern shooting range?”

Zhuang Liaoyuan nodded. “Yes, the very one.”

Ning Xi instantly glowed. That was the most professional shooting range and it was a national level range...In fact, ordinary civilians would have no access to it...

“I hope that we....will have a chance to meet again,” Zhuang Liaoyuan said his final words before leaving with regret written all over his face.

After the man left, Ning Xi looked at the name card that only had a name and handphone number printed on it. She asked, “Zhuang Liaoyuan...who is this man?”

Chapter 758: The Devil Was Just Too Sweet!

“Zhuang Liaoyuan...who is this man?” Why did this name sound a little familiar?

“You remember Zhuang Keer, one of your rivals? That’s her father! Now, you know,” Mo Lingtian said.

She had heard that the Zhuang family wanted to matchmake Zhuang Keer with Lu Tingxiao, but there was obviously no chance of that now.

Who knew that they would unexpectedly bump into Zhuang Liaoyuan here today? And Zhuang Liaoyuan had almost poached Lu Tingxiao’s treasure away...

However, there was a benefit out of this. Now that Zhuang Liaoyuan knew Lu Tingxiao had a girlfriend, he probably would not think about matchmaking them again!

“What? Zhuang Liaoyuan? That legendary major general? I heard that he was the special task force’s head sniper when he was younger. His father, Zhuang Zhongren’s marksmanship was extraordinary as well. Their family has quite a few sharpshooters!”

“Yeah! Sadly, Zhuang Liaoyuan’s own sons and daughters never joined the army! This is probably one of his life’s biggest regrets!”

“Especially the son. As Imperial’s infamous rich playboy, he already started to stir up trouble at such a young age. The Zhuang family has such good genes. How did that punk’s genes suddenly change?”

...

As she listened to the discussion around her, Ning Xi finally knew who the Chief was.

Zhuang Keer’s father, Zhuang Liaoyuan...

Technically, he was her uncle by blood.

This was such a coincidence!

—

Outside the shooting range, Zhuang Liaoyuan hopped on a militant SUV and looked somewhat absentminded.

A moment later, he said to the guard beside him, “Xiao Chen, help me investigate that girl’s background.”

Xiao Chen nodded, “Yes, Chief!”

Zhuang Liaoyuan looked out of the car window as the scenery passed by in a whirl, sighing in sorrow. The Zhuang family had enlisted in the army for several generations until the generation after his. His daughter, Zhuang Keer, was not interested in weaponry or the army at all. She had been raised by her mother to be a lady. His son, Zhuang Rongguang, was an even more useless child he wished he had not had...

Now that he had met a girl who had such an unexpected talent in shooting, he felt both emotional and envious. He wondered who her parents could be...

—

In the shooting range, Ning Xi was still staring at the name card when it was whooshed out of her hands unexpectedly.

Lu Tingxiao had taken it away.

Ning Xi instantly puffed up her cheeks and looked up at him. “Lu Tingxiao, why did you take my name card?”

“You don’t need this. If you want to go, I’ll bring you,” Lu Tingxiao said with a poker face.

Ning Xi naturally knew what he was thinking and she could not help but laugh. “Don’t worry! My biggest hobbies in this lifetime is acting and you. I won’t hook up with some army general. How could I bear to leave you?”

“Mmm,” the devil indicated his satisfaction towards Ning Xi’s reply.

Lu Xinyan felt angry as she watched the two of them acting so lovey-dovey. Ning Xi had even unexpectedly been favored by Zhuang Liaoyuan. “Bro, even if she won this time, it is a fact that she used you as a bet! This woman does not respect you at all! She doesn’t even care about you! Bro, haven’t you ever thought what would happen if she lost?”

Lu Tingxiao shot her a cold look then said stonily, “I will go back to her myself.” Lu Xinyan expression was gloomy and Mo Lingtian almost fell over. His answer was too savage!

Guan Ziyao, who was watching from the sidelines, bit her lip. Lu Tingxiao had already lost all his principles with this woman.

Ning Xi, on the other hand, was so touched that she felt tears well up in her eyes. Even if she lost him, he would come back to her himself. The devil was just too sweet!

For the devil, she would be obedient from now on. No more nonsense!

Chapter 759: He Will Definitely Marry This Woman!

Lu Xinyan was still annoyed and he turned speechless when Lu Tingxiao's gaze turned extremely cold to look towards him to say, "If the way I introduced her to you before was not clear enough, then let me repeat myself. She is your cousins in-law. Watch your attitude."

Before this, he had introduced her as future cousin-in-law. Now, she was simply introduced as cousin-in-law!

He was actually implying that he would definitely marry this woman! It was to warn Lu Xinyan and everyone else not to mess with her.

After Lu Tingxiao said this, he led Ning Xi away.

Behind them, Lu Xinyan's face paled. Her cousin was for real! Was he just messing around? Was he actually prepared to marry this woman?

This time, because Ning Xi had revealed her earth-shattering marksmanship earlier, everyone's attitude magically changed.

"Indeed, we shouldn't have doubted Master Xiao...this girl really did amaze us all with a single brilliant feat. No wonder she could charm the socks off Lu Tingxiao!"

"Exactly, that marksmanship, wow...amazing! I remember very clearly that the first time, she did not wear any ear muffs or eye goggles. She did not even look at the target. The second time, she also did not aim at all. She simply fired three shots and that last pick up move of a heart shape on the target was even more extraordinary... at last, even Major General Zhuang was shocked. Is that woman really just a normal C-list actress?"

"Who knows!?"

"What's the big deal? Even though she is not entirely useless, she only has one such skill!" Lu Xinyan mumbled as she clung onto Guan Ziyao's arm. "Sis Ziyao, don't stoop to the levels of those people! It's just a little trick to fool everyone!"

Guan Ziyao's expression was heavy in thought. It seemed like she had underestimated that woman.

However, her face soon returned to her usual arrogance and indifferent expression. This time, she had only made a mistake because of her underestimation.

After Lu Tingxiao left, Mo Lingtian observed Guan Ziyao's expression quietly. Her gaze kept changing. Finally, he pulled her to a corner.

"What's up?" Guan Ziyao asked with a frown.

Mo Lingtian put a hand on his hip while the other held his forehead. He circled several rounds on the same spot, then said with an irritable expression, "I should be the one asking you this! What's up with you? The way you're acting today is so weird! What are your intentions?"

"What do you think my intentions are?"

“Could you be interested in Lu Tingxiao...” Mo Lingtian involuntarily tightened his hand into a fist. “Didn’t you only treat him as a good brother all this while?”

“That was because the timing was not right before this.”

“So you’re saying you really like Lu Tingxiao?” Mo Lingtian’s expression instantly changed and his tone turned serious. “But he already has a girlfriend now, so what do you want to do? Do you want to be a third party in this?”

“She’s just a girlfriend. I have the right to a fair competition.”

“You’re crazy...” Mo Lingtian suddenly felt like he had never really known the person in front of him.

Guan Ziyao was firm with her stand. “I’m just taking back what was originally mine.”

For as long as she could remember, there was only one person in her eyes. And that was Lu Tingxiao.

They had the same IQ, the same interests and hobbies, the same family background...all of these made them exceptionally compatible.

That was why she was not rushed at all. She had always thought they had such great chemistry, that they were destined to be together.

So, even though she had left for many years, she never doubted this one bit.

Only she never would have thought...

The moment she returned, what was originally determined by fate up till then had unexpectedly changed.

However, it did not matter. She would reverse this unexpected change.

Chapter 760: Okay, My King! You Win This Time!

After they left the shooting range, Lu Tingxiao brought Ning Xi to an open space covered in white snow.

Mmm...after being disturbed for so long, they could finally return to their cocoon of two.

Not far away, there was a small house with a glass dome and behind that house was a forest of pine trees. Beside the house was a little road with an adorable Alaskan Malamute dragging a sleigh along it...

Ning Xi marveled at the scene in front of her after they got down from the car. “Wow, it’s so pretty here! Almost like a fairy tale world!”

“I’ll bring you to a real fairy tale like world when we get a chance.”

The resort here was just an imitation of the igloos in Finland.

It had started to snow, so Lu Tingxiao used a thick blanket to wrap her up, then carried her and walked towards the small house.

After he opened the door, Lu Tingxiao put her down carefully. The house was covered in a huge and warm white velvet rug and opposite it was a lit fireplace, radiating warm air.

On top of the rug opposite the fireplace was a coffee table with hot and tasty food, such as crab salad with peanut dressing, banana lemon tarts, Mexican cheese pancakes, Camembert cheese, roast beef with pear reduction, Vietnamese rice paper salmon rolls...every inch of the table was filled up.

Ning Xi was starving after an entire day of fun. Just as her appetite was being whet by the incredibly delicious aroma, Lu Tingxiao suddenly whipped out a bouquet of red roses in a vintage brown lambskin wrap to give to her. "For you."

Ning Xi blinked and accepted it, feeling very flattered. She leaned in to smell it and was met with a cool, crisp fragrance.

It was as if the bouquet of roses had just been cut from its branch. The petals still had trembling dew drops on it and they looked full of passion and life.

Ning Xi randomly thought of the meaning behind red roses.

Mmm...I think red roses represents passionately in love...

Lu Tingxiao quietly watched the girl who hugged the bouquet of roses to her chest, her face even more charming than the flowers. "Do you like it?"

Ning Xi nodded and subconsciously looked up at the glass dome above her. It was warm inside, yet they could watch the blizzard of snow outside. "I like it, it's so romantic! Why is everything so grand today?"

She was a little dumbfounded!

"Today is the fifth day of our relationship," answered Lu Tingxiao.

Time really flew by. In a blink of an eye, it was already only two days away from a week's time.

"Uhh, what about the fifth day? Is there some special meaning?" Ning Xi did not really understand the devil's thought process.

Didn't people usually commemorate 100 days, one year, three years, and so on? What did the fifth day mean?

Lu Tingxiao replied, "To me, every day of knowing you is special."

Ning Xi was speechless. Okay, my king! You win this time!

All the good food the devil had prepared was lip-smackingly good. Ning Xi touched her round tummy consciously. She had shamelessly ate a lot!

After eating, Ning Xi hugged the blanket by the fireplace while lazily snuggling up in Lu Tingxiao's embrace. As she recalled the things that happened earlier that day, she could not help but exclaim,

“Lu Tingxiao, I suddenly realised I have many romantic rivals! Zhuang Keer just left and now there was another, Guan Ziyao...”

Lu Tingxiao looked at her plainly and said, “More rivals than I do?”

These three words, how ruthless of him!

“What!? Nonsense! How do you have many romantic rivals?!” Ning Xi vehemently denied.

“Do you want me to count them out for you?” The scariest thing was that he not only had to be wary of men; he had to be wary of women too.

“Cough, no need for that...” Okay, okay! She would not dare to complain that she had many romantic rivals anymore!
