Chapter 554: Seeking Fortune and Avoiding Evil, Obtaining the Fifth-Grade Opportunity

"The dragon's den and tiger's lair, the whirlpool of power, entering into the game, seizing half of destiny."

"Accept the Blood Saber Immortal Alliance's invitation, become a member, you may receive a Sixth-Grade Opportunity, but subsequent hidden dangers may draw you into a whirlpool of calamity, endless troubles, minor misfortune."

"Go to the Blood Saber Immortal Alliance, become the Alliance Leader, you may receive a Fifth-Grade Opportunity, subsequent disturbances may occur, minor fortune."

"Refuse the Blood Saber Immortal Alliance's invitation, endless troubles await, or you may encounter danger, minor misfortune."

Perceiving this information, Jiang Fan's eyes flickered.

Undoubtedly, this invitation from the Blood Saber Immortal Alliance was also a choice of fate for him.

After all, being in Huaming City, with various Golden Core Influences crisscrossing, no cultivator could remain uninvolved.

Unless one becomes a Nascent Soul, only then could they avoid entanglements and step out of the game.

If he wants to survive in this city, he has no choice but to join a Golden Core Influence.

Otherwise, there would constantly be forces coming to trouble him.

Based on the information from the Fortune-Telling Talisman, if he refused the Blood Saber Immortal Alliance's invitation, it would essentially offend them, leading to continuous troubles later on.

At that time, he could not practice cultivation in peace.

Even if he agreed to the Blood Saber Immortal Alliance's invitation and became a member, the troubles might not end.

After all, becoming someone else's subordinate naturally comes with various obligations.

Subsequently, he might also be affected by the Blood Saber Immortal Alliance, encountering various troubles as a result.

"That being said, there is actually only one path."

"And that is to become the Alliance Leader of the Blood Saber Immortal Alliance and control this organization."

Jiang Fan stroked his chin.

If it were other Golden Core cultivators, this would naturally be impossible.

Because the Blood Saber Daoist is a Ninth-Layer Golden Core cultivator, incredibly powerful, and ordinary Golden Core cultivators are not his match.

But he is different.

Although his current cultivation is only at the Fifth-Layer Golden Core, he possesses many ancient treasures and Heaven-Reaching Spiritual Treasures.

With the power of a Heaven-Reaching Spiritual Treasure, he could suppress all Golden Core cultivators.

The Blood Saber Daoist, though formidable, is not a match for a Heaven-Reaching Spiritual Treasure.

If he could subdue the Blood Saber Daoist and other Golden Core cultivators, becoming the Alliance Leader of the Blood Saber Immortal Alliance, then naturally he would become a significantly powerful Golden Core Influence in Huaming City.

He could even develop and expand this Immortal Alliance, making it a force to be reckoned with.

Moreover, he wouldn't need to expose himself, as long as he controls everything from behind the scenes.

With the cover of this Golden Core Influence, he could truly establish a foothold in Huaming City.

He could also use the power of this Immortal Alliance to obtain a vast amount of intelligence.

Thinking of this, Jiang Fan looked at Yuan Hongming and said, "I understand, let's go to the Blood Saber Immortal Alliance and have a look."

"Yes, Master."

Yuan Hongming nodded.

.....

That night.

Led by Yuan Hongming, Jiang Fan arrived at the headquarters of the Blood Saber Immortal Alliance.

It was called a headquarters, but it was actually a Golden Core Mansion.

However, this mansion was indeed very luxurious, and likely also very expensive.

Soon, members of the Blood Saber Immortal Alliance came to welcome them, and led Jiang Fan and Yuan Hongming into the mansion's hall.

At this moment, thirteen Golden Core cultivators had already appeared in the hall.

At the forefront was indeed the Blood Saber Daoist, a Ninth-Layer Golden Core cultivator.

Besides the Blood Saber Daoist, there were three late-stage Golden Core cultivators, while the others were mostly at the Middle Stage and Early Stage of Golden Core.

This force was already quite formidable in Huaming City.

They appeared here, seemingly to give Jiang Fan and Yuan Hongming a show of power.

To fully demonstrate the strength of the Blood Saber Immortal Alliance.

The Blood Saber Daoist was a middle-aged man, with a face full of beard, wearing a black robe, and carrying a blood-colored long saber. His body exuded a terrifying Blood Evil Qi, clearly a ruthless character who kills without mercy.

The number of cultivators who died at his hands could no longer be counted.

"Fellow Daoist Jiang, Fellow Daoist Yuan, welcome to our Blood Saber Immortal Alliance."

"I believe you both know the purpose of my invitation."

"Are you willing to join our Blood Saber Immortal Alliance and become a member?"

The Blood Saber Daoist spoke straightforwardly, staring at Jiang Fan and Yuan Hongming, clearly having thoroughly investigated the two of them from the beginning.

Since the two arrived in Huaming City, they had been mostly cultivating without much interaction with other cultivators.

Undoubtedly, these two must be Golden Core Loose Cultivators.

If they were sect cultivators, it is likely they would not have come to Huaming City, but rather to other cities.

As loose cultivators, naturally, they have little background.

This signifies they are easy to bully.

So he did not intend to waste unnecessary words.

"What if we're willing? What if we're unwilling?"

Jiang Fan said blandly.

He looked at the group of Golden Core cultivators from the Blood Saber Immortal Alliance, wanting to know their intentions.

"If you're willing, then henceforth we are friends."

"If not, then in the future, we meet as enemies."

"Here in the Fallen Immortal Mountain Range, it is as such, not a friend, then an enemy."

"If I meet you two in the Fallen Immortal Mountain Range, I will show no mercy."

The Blood Saber Daoist narrowed his eyes, exuding intense killing intent.

He never showed any mercy to his enemies.

"You two, having come to the Fallen Immortal Mountain Range for a short time, may not understand how difficult it is to fight alone here."

"Only by banding together can one survive for a long time here."

"Of course, you can refuse our Blood Saber Immortal Alliance, but when we meet outdoors, we will fight you each time until your death."
