

Wife 81

Chapter 81

“I’m heading to work now.” Clara stood up and sa apologetically to Mandy, “Ms. Smith, I have to get to work now. Let’s chat another time. Bye!”

She grabbed her handbag, gave a quick wave, and left in a hurry.

“Gosh! She’s leaving in such a rush, like she’s a bolt or something. Yohan, is Clara a trained runner?”

Yohan remained as unresponsive as ever, his tone as cold as usual. “I don’t know.” (w)W(◊).n**0vêLWôrm**.cô(m)

With that, he walked away, leaving Mandy behind.

Mandy was speechless.

Arthur and his bodyguards were waiting outside. When they saw Yohan come out, they took their positions.

Soon, Yohan’s convoy drove out of the villa.

The owner of the neighboring villa, who had been watching from. the balcony on the second floor, waited until Yohan’s car was gone before turning and leaving.

“Mr. Gardner!” Mandy called out, still sitting there and savoring her

coffee. **Ww**w.мo∅vê**LWôrm**.c(◊)м

Arthur quickly came over. “Ms. Smith.”

“Mr. Gardner, what does Mrs. Morris do? Where does she work?”

Arthur’s eyes flickered with a hint of an awkward smile as he replied, “Ms. Smith, Mr. Morris is not yet married. He doesn’t event have a girlfriend.”

“But Clara is Yohan’s wife! Don’t tell me that Yohan didn’t tell you she’s his wife.” Mandy was surprised **w**Ww.мc**∅ELwô**Ⓢ**M**.Côm

Arthur shook his head, “Ms, Fowley is Mr. Morris’ wife? Ms. Smith,

Arthur had suspected it but hadn’t confirmed it, as he wasn’t about to ask Yohan directly.

Mandy replied, “Yes, he admitted it himself. He said Clara is his wife. If he hadn’t said so, I thought Clara was just a new maid you hired. She’s so young and elegant and didn’t seem like a maid at all. She’s more like a young lady from a wealthy family. It turns out my judgment was correct. Clara isn’t a maid. She’s the lady of this villa and the eldest mistress of the Morris family.”

Mandy felt a bit smug. She thought her judgment of people was quite accurate.

Arthur said, “Mr. Morris really said that? But he hasn’t officially told us that Ms. Smith, do you think I should ask Mr. Morris about this?”

Mandy shook her head. “Forget it. Since Yohan and Clara decided. to keep their marriage secret, let them be. I’m curious to see how long they can keep up the pretense. They’re both very attractive, I’m sure Yohan would feel something for Clara after living together every day.

“Just continue treating Clara the way you did before. Wait until Mr. Morris reveals the truth. But now that you know her identity, make sure to be more respectful of her.”

Arthur pondered briefly and responded, “Mr. Morris has said that Ms. Fowler is a distinguished guest, and we’ve always treated her well. Thank you for your kind reminder, Ms. Smith.”

Yohan was married but didn’t announce it to the public. Even those

Chapter 81

close to him were unaware. It seemed like he really didn’t have any feelings for Clara. (w)**w**(w).**n**Ⓢ(v)**EL**Ⓢ**RM**.cômm

When Yohan eventually told him that Clara was his wife, it meant that he was ready to end the secrecy.

“By the way, do you know what Ms. Fowler’s family does?”
