

## Gacha 41

### 41 Back to The Surface

Alex thought his next plan.

He make another flame sword wave, of course the turtle immediately got inside again. Alex too, make a few fire arrow again. But this time he also closing in together with his fire arrow. When his fire arrow exploded, as he expected. The turtle was also come out. He immediately swing his sword to it's head with sword intent.

He manage to sever the turtle's head with this. He sighed relieved, he never fight with a defensive monster. This is a good experience with him.

"Why I don't do this from the first time?" He said puzzledly. If there are people watching him, suddenly heard what he said. They will immediately snapped, 'You want to payback what the turtle did to you' they said.

He shake his head and check his status.

Name : Alexander Sirius (Early Phase Qi Gathering Stage)

Rank : 5

Level : 501

STR : 462

AGI : 422

VIT : 428

He already manage to rank 5 in this month. Though his strength still the same as those of the rank 4. Well he still can bluff with this level.

He grabbed the turtle core. He a bit disappointed when seeing the turtle body was gone. If he can take the shell back, he can make a shield from it. He reluctantly went back, but before he reach the stairs he notice a few people coming down.

They and Alex look at each other.

"Hi..." Alex decided to greet them. there are five people in this group, most of them was in their forties.

"Hi..." The leader greet Alex back. "Young man, do you see the turtle boss in this room?" He look at the room but there are no turtle. So he asked Alex.

"It's already gone, I killed it" he innocently said.

"You killed it?" he was shocked.

"You really killed it?" He want to confirm it once again.

"Yes" Alex nod.

This was a shocking news to him, "Are you a rank 6 hunter?". He didn't want to believe it, this young man under twenty killed that turtle.

"No... Look I'm still a bronze rank hunter". He point at his badge.

"Then..then how do you co..." He want to say come here first, since bronze rank usually in the upper floor. But this is not the problem. Because, "Young man, are you really kill it?"

"Yes, look this is the core" he pulled out the blueish core.

"..." This middle-aged and his team gasped "I'm sorry, We are a gold rank party from hunter guild. This monster boss already killed many rank 4 hunter. The hunter guild already send one rank 5 team to kill this monster, but they never come back. So we are the one who was sent next"

"..." Alex speechless, if he know this is the case. Then he might lie about this, just say an expert come and kill it. So, he as well tell the truth "I blow him from the inside"

"Blow him from the inside?"

"Yes, when the turtle went back to it's shell. I kill him since at that time it is vulnerable." Alex make an excuse. But there are still half the truth of his words. If not for his tyrannical Pure Fire, no normal hunter can manage to kill the turtle like that.

The hunters pondering for a while and nod, the plan is feasible.

"Then are you going back to the surface?" the middle-aged man asked.

"Yes, you all can go back first. I still need to manage my backpack first" He pointed at the big backpack, the backpack was a few times bigger from Alex, and filled with monster's core he killed during this month.

"Alright, We also only plan to kill this turtle not to dive into the dungeon. So we will go back first and report to the hunter guild." He said.

"Oh, I forgot to introduce myself. My name is Tony, this is Kain, Buta, Giro, and Mash. We are gold rank party called Dungeon Hitter" He introduce the team. "Alright, we will go first. Hope we can meet again" after saying that, the group went back.

"I'm Alex" Alex nod.

Alex grabbed his big size backpack and went back too. This kind of backpack was normal for hunter. They need it if they want to dive to dungeon for a long time.

Alex already used to fighting rank 4 or rank 5 monsters, so when fighting with lower ranking monster, He insta-kill them.

After a few hours walking he have reached the surface. He miss the sunlight.

He go to the hunter guild with his backpack.

The hunter guild is the same like one month ago. He immediately line up, he planned to sell the monster core he got from the dungeon. Of course he already keep a few of them for his use.

There are a few people like him, bringing this super-size backpack. They are the porter of hunter.

After a while, this time is his turn. He give his backpack to the receptionist. He disdainfully look at Alex. He already saw Alex badge is bronze, so he thought he must be a porter, and with this super-size bag, this bag must be filled with rank 0 monster core.

Alex already arrange his backpack. The upper was filled with monster core from rank 0 to rank 2.

"Judging from your backpack size, since it's filled with under rank 2 monster's core. So I will give you fifteen gold coin" the receptionist often deal with this kind people. So he disdain to count it manually. Especially since he is young.

Alex frowned, looking at this arrogant receptionist. "Sir, Please count it!" He coldly said.

"Why do I need to count it? your back must be filled with rank 0 or rank 1 monsters looking at your age. With the size of your backpack. I give you fifteen coin is already too much" The receptionist coldly said.

"Please count it!" Alex only said this.

"Why I need to count it? Listen to me, I often deal with young people like you. If you don't want to sell then you can scam from here" He angrily shouted.

This make a commotion inside the hall.

"Ah, Sir Alexander" Yuna surprised. This is the sword saint from a month ago.

"Hi, miss Yuna. I want to sell monster's core but, this man didn't count my monster core and immediately give a price. I don't think the price is acceptable but he told me to scam"

"This..." Yuna don't know what to do, she turned to the receptionist. "Sir, I think you need to count it"

"Hmph... you are just a newbie in this guild, and also from registering counter. How I do the thing didn't need you to teach me. I already work in here for 10 years, I will inform you to guild master, just you wait" he coldly said to her.

On the stairs, there are two middle-aged man coming down. If Alex see one of them, he will recognize him. He is Tony, the one he meet in 40th floor. This two man was happily chatting. But suddenly they noticed the commotion. The two of them displeased. They immediately approach the source of this commotion.

The middle-aged man went to the receptionist, "What happen in here?" he said coldly.

"This two brat want to make a ruckus in here" The receptionist pointed at Alex and Yuna.

Tony didn't go to the receptionist, but he go to the young man. He recognized this young man, "Haha, Young Alex. You have finally come back"

"Ah.. Mr. Tony" Alex surprised.

"Tony, do you know him?" The middle aged-man surprised.

"Bernard, This is Alex, the one I talk about" Tony said.

"What! This is the one?" Bernard shocked. He just talked about a young man killing the turtle that even rank 5 hunter can't kill, but he displeased when they are chatting, there is a commotion.

Then Tony turned to Alex "Alex, this is Bernard, he is this hunter guild branch head"

"Greeting to you, Branch Head Bernard" Alex greet him.

"Haha... no need to polite with me. Treat me like Tony here" He said. "And also what happen in here?"

"I want to sell my monster core, but he didn't count how many inside, and just give 15 gold coins at the price"

"What!" he heard from tony, If Alex manage to kill that turtle. That means Alex can kill most of rank 4 monsters. If in the bag there are many rank 4 monster, the price would be multiple times from that. Alex is Silver rank or even above, but he also still so young. Alex potential is limitless, but this receptionist offend him.

He coldly look at the receptionist. "You are dismissed."

"What?" The receptionist shocked. "guild master, why you dismissed me? I already work here for 10 years"

"Alex, you are from lower floor right?" Tony chat with Alex in low voice.

"Yes" Alex nod.

"How many rank 4 monster you kill?" He asked.

"Hmm, I didn't count them. But there are ten rank 5 monster core in the bag" Alex said.

"What! You have killed ten rank 5 monsters?" He unconsciously shouted, he was too shocked with Alex.

Just when the guild master want to angry to this receptionist, he heard Tony shouted about Alex killing ten rank 5 monsters. He was shocked.

The receptionist hearing this, his face become pale. This mean he just offending the soon-to-be Gold Rank Hunter. He already worked in this guild for 10 years, but he still polite when dealing with silver ranked hunter, but when dealing with gold rank hunter, he didn't dare to make them displeased. But Alex manage to kill rank 5 monsters, this mean he is edible to become gold rank hunter.

"Young Sir.. I..I... Please forgive me" he pleaded.

Alex ignored him, and look at Bernard. "The Hunter Guild have it's own rule." He didn't know about this hunter guild rule. But even he hate this receptionist, he still have to give face to the guild master.

All of them already ignoring his plead. The guild master turned to Alex, "Haha, young man let's go to my room. I will count them myself"

"This...I will trouble the guild master" He said awkwardly, before that he turned to Yuna "Thanks miss Yuna for standing up for me"

"No no... I just do what I need to do" She shake her head.

"Oh, you know her?" Bernard said.

"Yes, she is the one who register me here. She is a good employee, she is honest and diligent." Alex said.

"Oh, Young miss your name?"

"Yuna greet guild master"

"Yuna huh... How about you become my secretary? Since young Alex said you are capable, then it's perfect."

Alex and Yuna follow Bernard to his office.

"Since you want to exchange the core, let's count them first"

Alex nod, "How to count it?"

"Just pour all of them here" He pointed at the floor.

Alex surprised, "Really?" He asked again for confirmation.

"Yep, just pour them all to the floor" He said.
