Chapter 107 We're Going to Execute This Woman

"hey-hey!"

Seeing Meowth jumping into the air because of the pain, Xiaozhi chuckled, and then he looked at Squirtle who was watching them.

"Listen up, Squirtle! You've all been deceived by Meowth! Those two guys from Team Rocket are not Meowth's subordinates at all. They must have some conspiracy!"

Seeing the troublesome Meowth being chased away, Xiaozhi turned around and tried to persuade the Squirtles earnestly, after all, those people in Team Rocket were not good people.

Although I don't know what Meowth and Squirtle said, I think it's definitely not a good thing.

"Jenny."

The Squirtle Boss just nodded slightly. He was not deaf. Besides, they only played tricks on people and would never do anything to hurt others.

If they really harmed people, how could they still exist today?

The only reason he's still acting with them is because the current Shining Boss Kirliam wants to see what tricks they're planning.

"You're making so much noise!!"

Meowth was so angry that he wanted to give Xiaozhi a beating. Not only did he want to ruin their plan, he even bit his tail! He really deserved to die! !

Thinking of this, Meowth stretched out his claws and grabbed Xiaozhi's face hard.

After seeing this scene, Xiaozhi was ready to close his eyes and accept his fate, but he didn't expect that the pain he expected did not come for a long time. He could not help but secretly open one eye to see what was going on.

"What's going on, meow?"

Meow Meow tried hard to swing his claws down, but there seemed to be a force holding him back from swinging.

"Snapped!"

After Shining Kirlia snapped her fingers to stop Meowth's actions, she supported her slightly red face with one hand and looked at Meowth lazily.

"Chirrut? (Did I say you are not allowed to harm humans?)"

Shining Kirlia had a blush on her face, and she was breathing hot air from her mouth as she looked lazily at Meowth who was about to take action. There was a hint of coldness flashing in her eyes like orange gems.

If they don't fight, she can still play with them, but if they do, don't blame her for overturning the chessboard and stopping playing.

"How could that be, meow!"

Even though Meow Meow is full of anger now, he can only look at Shining Kirlia with a smile. Who knows what will happen if he releases this anger.

It's not time to turn against each other yet. When Kojiro and Musashi bring back their weapons, I will capture all of you.

Although thinking this, Meow Meow still said with a smile on his face: "You can't believe what humans say, Meow!"

"Chirrut! (I have my own plans, you should think carefully about what you want to do.)"

Shiny Kirlia waved her hand, thinking that it would be better to spend some time with her trainer, as they had been meeting less and less since they left the forest.

"Jenny Jenny!"

The Squirtles echoed the words of their boss. After all, it was normal for them to listen to whoever was the boss.

"Hey, Pikachu looks pretty bad."

Xiaogang suddenly noticed that Pikachu next to him looked very bad.

It's not surprising that putting the injured into the Poké Ball would effectively alleviate the worsening of the injury, but Pikachu doesn't seem to plan to go in.

In addition, Pikachu had not received any treatment, and its condition worsened in just a few hours.

"If he is not given medicine and treatment now, he might die from his injuries."

Xiaoxia was a little worried when she saw Pikachu's condition. Judging from the situation, if Pikachu wasn't given medicine quickly, something might really happen.

"But we don't have any medicine now?"

When it comes to the issue of medicines, Xiaozhi is in trouble. It's not that they don't have medicines, but the medicines were left behind in the previous attack.

They really don't have any medicine here, and even a good cook cannot cook without rice.

"You can only buy it at the store in town."

Yuto Seidai proposed a solution which was not a solution. After all, they didn't know where they were now. However, judging from the actions of the Squirtles, they should be not far from the town they had just been to.

"Why is this happening?" Xiaozhi was a little helpless. Can he really go to the town to buy medicine in the current situation? Then, as if he remembered something, he looked at the Squirtles with a pleading face: "Squirtles, please, can we go to the town? Otherwise, Pikachu will die if we continue like this."

After hearing what Xiaozhi said, Squirtle glanced at the Shining Kirlia who was sitting on Yu Feng with her eyes closed and her face slightly red, shaking slowly, and found that she didn't react at all, meaning that he should handle it himself.

Then he turned to look at Xiaozhi and shook his head. As an abandoned Pokémon, he didn't believe that Xiaozhi would go to the town to save Pikachu.

It's probably about abandoning Pikachu and exchanging it for your own chance of escape.

"He said you were going to escape on your own, right?"

Although Miaomiao didn't want to translate, he was the only one present who could communicate with both parties, so he had to do the job of translator.

"We will never do anything like that. We will come back after buying the medicine. I promise, please!"

Although Xiaozhi didn't understand why Squirtle was unwilling to let them buy medicine, he still wanted to plead with them again for Pikachu's sake.

"Jenny, Jenny."

Squirtle's attitude is very serious. To put it bluntly, he doesn't believe that anyone would be willing to beg them for Pokémon.

"He said you can't be trusted."

Meowth continued to translate Squirtle's words for Ash.

"Please, please. I beg you."

Xiaozhi didn't expect Squirtle and the others to be so stubborn, but when he thought that Pikachu would leave him because of his serious injuries, Xiaozhi couldn't help but shed sad tears.

Looking at the tears dripping on the ground and then looking at Pikachu who was dying beside him, Boss Squirtle fell into deep thought.

Although he still refused to believe that there would be a human being willing to shed tears to save Pokémon, this time he wanted to try to trust the boy in front of him who was expressing his true feelings.

"Chirrut! (Let him go and get the medicine.)"

Shiny Kirlia also looked at Xiaozhi as if she saw a rare animal. She could feel Xiaozhi's sincere emotions.

And...if she doesn't let go, the brother behind her is going to teach her a lesson.

Hearing this, Squirtle untied Ash from the ropes.

"Jenny Jenny!"

Squirtle pointed at Misty behind him and spoke to Ash very seriously.

"He said if you don't come back tomorrow at noon as promised, he will execute this woman, meow!"

Meowth also pointed at Misty and repeated Squirtle's words word for word.

This really annoyed Xiaoxia who was tied up in the back. Even though she knew that nothing would happen with Yu Feng here, it was really hard not to be angry when hearing such words!!!
