Chapter 110: Conquered Squirtle?

Inside the cave, a stone fell from the cliff, and Xiaozhi poked his head out of the cave.

Seeing that there was no one in the cave, Xiaozhi suddenly felt cold all over.

He has now thought of the most terrible thing, Squirtle executing Misty.

But he clearly rushed back before noon the next day as Squirtle had said, and he could already hear Misty's desperate voice.

At this moment, Xiaozhi ran towards the exposed Squirtle outside the cave as if he had seen a life-saving straw, and shouted angrily: "Squirtle! Why did you kill Xiaoxia? I have returned as agreed!"

Without caring about the way the Squirtles looked at Satoshi who was reveling in himself, Yuto Seidai and Brock were behind Satoshi, pulling Misty who was about to take action.

"What are you talking about? I'm fine, okay!"

Xiaoxia felt unwilling that she couldn't teach Xiaozhi a lesson, but it was not Xiaoxia's character to do nothing, so she could only talk.

Ash was a little dazed when he saw Misty coming back from the dead, and he didn't care at all about the Squirtles who were surrounding him and laughing at him.

"Xiaoxia, you're still alive! Could it be that Xiaofeng has replaced you?"

Xiaozhi was so happy that he cried. He didn't expect that Xiaoxia could escape from this threat. But when he looked around, he found that Yu Feng was not there.

Suddenly, Xiaozhi had a bad premonition in his heart. Could it be that Xiaofeng replaced Xiaoxia in order to save Xiaoxia?

"What are you doing? Where's Pikachu's medicine?"

As Ash's imagination became more and more outrageous, Misty no longer tolerated him. They interrupted his imagination and asked him where the medicine he bought for Pikachu was.

After hearing what Xiaoxia said, Xiaozhi remembered why he went out and handed the medicine to Xiaoxia.

After taking the medicine, Xiaoxia squatted down and applied the medicine carefully to Pikachu. Although Yu Feng had treated him before, it would definitely heal faster if the medicine was sprayed on him.

"Hey, Xiaoxia, weren't you executed? And what about Xiaofeng?"

Seeing that Pikachu was in good condition, Xiaozhi finally asked his question. Although he came very quickly, it was already noon, and Xiaoxia should have been executed by this time.

"I'm really sorry. I'm living well. Xiao Feng just saw that you never came back to go out for training."

Although Xiaoxia was speechless as to why Xiaozhi didn't want her to order something good, she still explained it to him considering that he was back.

"You've been experimented on. Squirtle and the others said they only play pranks and won't do anything bad."

It was Xiaogang who solved Xiaozhi's doubts. After all, pranks don't mean anything bad will happen.

Squirtle also laughed at Xiaozhi who was in a hurry. Miss Junsha was not so anxious to deal with them.

"what!!!!"

.....

Yu Feng stretched his body and expressed his dissatisfaction towards the forest. He was not far from Jinhuang City and would be able to leave Xiaozhi and go solo soon.

"Chirrut!! (Brother, do you really need to be so harsh?)"

Shining Kirlia wiped the blood from the corner of her mouth and rubbed her bruised body.

This time, the brother really hit her hard! Normally, he wouldn't hit her so hard. He didn't know what he did wrong. If she had apologized for the Pikachu incident, he wouldn't have pursued it further according to his personality.

He didn't know clearly, but Yu Feng now felt that going with Xiaozhi was not a wise decision. According to his own pace, he would have finished the Golden Gym and competed with Xia Bo long ago.

The reason is that Xiaozhi loves to get lost. It's true that getting lost in the forest for weeks is a waste of time! !

But fortunately, after challenging the gym in Vermilion City, the next one is Golden City, so there is not much to do.

"It's time for us to go back. Now we can train comfortably."

Yu Feng came to his senses and sprinkled some drops of life water on his sister, then walked towards the cave. Xiaozhi should be back by now, right? He couldn't have really fallen asleep, right?

"What a disgusting feeling!"

Yu Feng vaguely heard such a sound. He stood there and looked up at the sky. A bright star was shining in the sky.

"Chirrut? (What's wrong?)"

Flash Kirlia was confused as to why her brother suddenly stopped. She also looked around but didn't see anything.

"Did you hear a nasty sound?"

Yu Feng picked his ears as if to make sure there was nothing wrong with them. He seemed to hear the voices of several members of Team Rocket.

"Chirrut. (No, maybe you're worrying too much. I only see the stars in the sky, although it's strange to have stars during the day.)"

Shining Kirlia didn't understand what her brother was talking about. There was nothing strange in the sky except that star.

"Maybe I'm overthinking it. Let's go."

Yu Feng also felt that he had heard wrong. Team Rocket shouldn't come at this time, and Meowth had been tied up by him, so what trouble could it cause?

.....

After putting out a forest fire, the Squirtle Team was also named the fire brigade in the town, and Ash and his crew finally embarked on their journey again.

But will it really be so smooth?

"Hey, Xiaozhi, look, they are following us!"

Misty said to Xiaozhi quietly, and two Squirrels slowly followed behind.

Everyone stopped and turned to look at Squirtle behind them.

"Why don't we just go together, Squirtle?"

Xiaozhi extended an invitation to the Squirtle boss, and they formed a deep friendship during this time.

"Jenny!"

The eldest Squirtle put away his sunglasses and happily jumped into Ash's arms.

"Hahaha, I captured Squirtle!"

Xiaozhi happily hugged Squirtle and laughed, this was the Pokémon he wanted the most!

(Bulbasaur and Charmander: You farted!!)

"You call this taming? What about the other one? Was he tamed by me, Lady Xiaoxia?"

Misty first looked helplessly at the excited Ash, thinking that Ash might be the only one who could capture the Pokémon. But then she became pleased, thinking that the other Squirtle must have been impressed by her, the world's number one water-type Pokémon master!

"Jenny Jenny!"

Squirtle shook her head and then looked at Yu Feng seriously. She clearly felt how powerful Yu Feng was. Following this fellow would definitely allow her to reach a level that many people could not reach. Moreover, this fellow was really handsome!!!

"What?! Why is it Xiao Feng?"

Seeing that Squirtle didn't come for her at all, Misty fell to the ground. She was just being too sentimental!

"I prefer Psychic and Fairy Pokémon, so..."

Yu Feng did not reject Squirtle's request explicitly, but saying that he only liked psychic and fairy-type Pokémon could also be considered a rejection.

"But don't you have Charmander?"

Xiaozhi suddenly spoke up. He didn't understand why anyone would refuse to capture a Pokémon, and the Pokémon wanted to follow him.

"Xiaozhi, you don't have to say anything if you can't speak. Charmander is a starter Pokémon, and I can't decide the attributes of a starter Pokémon."

Yu Feng felt a headache looking at Xiaozhi who didn't understand what he meant. It seemed that Squirtle was about to give up, but Xiaozhi's words persuaded him again. He looked at Yu Feng with watery eyes, hoping that he could conquer him.

"You go and convince her."

Yu Feng was really helpless and had to ask his sister who was watching the fun to convince her that he could not subdue all elves.

"Chirrut! (Leave it to me!)"

Shining Kirlia nodded. Her brother's team was already saturated, so she had to take action on things like this.

Shiny Kirliao pulled Squirtle aside and muttered something. Not long after, Shiny Kirliao came out with a satisfied look on his face, pulling the happy Squirtle out.

With Yu Feng's look of surprise on his face, he took out a Poké Ball from his waist and put Squirtle into it, then patted his chest complacently at Yu Feng.
