Chapter 120 Those who lose to me are all babies

"Is this the Dead Leaf Gym?"

Xiaozhi was a little dazed looking at the building in front of him that was full of lightning symbols. It was very different from the two gyms he had challenged before.

If the Nibe Gym is simple and unpretentious and the Cerulean Gym is exquisite, then the Dead Leaf Gym in front of us is ostentatious.

I want to tell you that I am a video game enthusiast. I am violent and I worship the strong.

"Why, you don't have the courage to go in?"

Xiaoxia didn't know why she suddenly mocked Xiaozhi. Maybe she wanted to give Xiaozhi confidence? After all, if she didn't push him, she didn't know how long he would have to stand outside.

"I was just about to go in! Strange, why did you follow me?"

After being provoked by Misty, Xiaozhi immediately refuted her, but when he saw Misty following him, Xiaozhi felt a little strange. Doesn't Xiaoxia usually come to watch him challenge the gym?

Why did she follow me this time? This is not like her style.

"Because I want to comfort you when you lose."

Can Misty say that it seems that the gym trainers will not hold back this time? Both Brock and she held back, and this time they are really going to beat Satoshi to tears.

Of course, Xiaoxia would never say what she thought in her heart, as it would be too embarrassing to say it out loud.

"What did you say? Are you saying I will definitely lose?!"

When Xiaozhi heard what Xiaoxia said, he got angry. How could someone curse someone to lose before even challenging them? Just when he was about to argue with Xiaoxia, he saw Xiaogang pointing ahead helplessly. Yu Feng had already opened the door of the Withered Leaf Gym and was ready to challenge.

"Squeak~~~"

As the teeth-aching sound of the door opening was heard, the Withered Leaf Gym bared its fangs at Satoshi and the others, well, mainly at Satoshi.

The people training inside also looked up at the victim. A sturdy man with a buzz cut shouted to the gym owner helplessly: "Master, another victim!"

"Oh? Let me see what's going on."

Hearing the shouts of his own students, Ma Zhishi, who was sitting in the shadows, also stood up. A large black shadow walked out, filling the air with an oppressive feeling.

Xiaozhi looked at the huge black shadow in front of him and took a small step back. He usually felt that Xiaofeng was too tall when they talked, so he had to look up to see this Ma Zhishi.

Even Yu Feng had to look up at Ma Zhishi, whose height was much taller than his, which was truly outrageous. Xiao Zhi was only about his waist, so at a rough glance, Ma Zhishi must be about 1.8 meters tall.

"Welcome to Vermilion Leaf City."

Unexpectedly, Xiaozhi thought that Ma Zhishi, who was so cruel to burn those Pokémon, looked very fierce, but seemed to have a good personality. After coming out, he directly hugged Yu Feng, Xiaoxia and Yuto Seidai in his arms.

"You three challengers are so cute, but I will not show mercy."

Seeing Ma Zhishi's actions, Xiaozhi took back what he said. This is just an lsp. He may be kind, but he will not comment on this behavior.

"I'm sorry, but the challengers are not the two of us."

Xiaoxia seemed very embarrassed by Ma Zhishi's familiar behavior and pulled Yuto Seidai aside. She didn't need to say that there should be no physical contact between men and women.

"Oh? So the challenger is you?"

Ma Zhishi stood up and looked at Yu Feng, who was a head shorter than him, with some curiosity. Did he finally find a decent opponent this time? At least he didn't have to fight those babies anymore.

"And I!"

Xiaozhi couldn't help it, he didn't want to be excluded. They were all challenging the gym, so why were they only focusing on Yu Feng and the others? Was it just because they were good-looking?

"Oh? You too, hi baby."

Seeing Xiaozhi say that he was also a challenger, Ma Zhishi walked up to Xiaozhi and put his big hand on his head and stroked it, with a hint of pampering?

"I'm not a baby! I'm Satoshi from Pallet Town, and why don't you call Feng the baby."

Xiaozhi angrily slapped Ma Zhishi's hand away. How could he just call someone baby? And why did he only call him baby and not Yu Feng? He was just trying to please the person he met, right?

"Humph, all those who lose to me are babies. As for why you didn't call him, do you think her body shape is suitable?"

Ma Zhishi pointed his thumb at Yu Feng, who was only about a head shorter than him, and then pointed at Xiaozhi, who was about his waist tall. Sometimes the truth is more hurtful than words.

"Hmm? What's a Pikachu?"

"Look, the baby's Pokémon is still a baby after all, hahahaha."

Suddenly, Ma Zhishi saw Pikachu hiding at Xiaozhi's feet. He turned around and let his students see that the baby was indeed a baby, and even the Pokémon were this kind of Pokémon.

His students were in the same mood as him, laughing at the sight of Pikachu. In their opinion, Satoshi with Pikachu was only slightly better than the two challengers today.

At least you're not using Flying-type and Rattata to challenge the gym.

"Look, go Poké Ball!"

Having laughed enough, Ma Zhishi wiped away a tear from his laughter, looked at Xiaozhi and Pikachu who were not very convinced, and decided to open their eyes.

"thunder!!"

Raichu, who is twice as tall as Pikachu, appeared on the field and looked at Pikachu in front of him with some disdain.

Xiaozhi hurriedly took out the Pokédex to check the information about Raichu. When he learned that Raichu could directly stun an Indian elephant, he looked at Pikachu with some worry.

"Did you hear me? Now is the only time to escape."

Although his tone was a bit arrogant, Ma Zhishi did try to persuade Xiaozhi. As for whether Xiaozhi would listen to his advice or not, that was not Ma Zhishi's business. Although the gym leader could make suggestions, he could not avoid a fight. If the other party insisted on challenging him, there was no way he could refuse.

"I'll go first."

Yu Feng intervened and stopped the confrontation between the two. He didn't want to watch them continue communicating like this. Then how long would it take for them to challenge the gym?

"Okay, just watch what a real Pokémon battle is, baby, hahahaha."

Looking at Yu Feng's actions, Ma Zhishi had to respond seriously. After all, he had been beating the baby every day, and he finally met an opponent who was similar. He couldn't let the other party wait too long.

So he patted Xiaozhi's head again and walked to the battle area in the gym with a smile.

"hateful!"

Xiaozhi's anger towards Ma Zhishi who looked down on him has reached its peak. Even Pikachu has shown a rare fighting spirit. After all, no one can accept being called a baby.

Battlefield.

"Most of my Pokémon are patrolling outside Vermilion City, and there's a challenger behind us, so how about we have a 1v1 game to decide the winner."

Ma Zhishi didn't say much. He always had to show some respect to opponents of similar strength. He informed Yu Feng of his current situation and let him make the decision. It was not impossible to have a 2v2 fight, but he couldn't challenge the baby behind.
