Chapter 133 You Are My Good Brother

"Ai Wan?"

I don't know when the steward came back to Yu Feng and handed him a cup of black tea.

Then he tilted his head and looked at Yu Huijun and Fu Ningna who were confronting each other, especially Yu Huijun, who seemed very curious about what charm this person had.

But no matter how you look at him, he looks like a standard middle-aged human uncle. Apart from being slightly stronger, he is not as cute as Xiao Feng.

"Are you done talking? What secrets do you still have to tell behind my back? Phew! That's so bitter!"

Yu Feng took the black tea and took a sip, then sprayed it out instantly, just spraying all over Fu Ningna and Yu Huijun who were arguing in front of him.

Seeing the situation in front of him, Navilai Otter sighed, and the shell in his hand moved slightly. A stream of water appeared out of nowhere and washed away Fu Ningna who was still in a daze. By the way, it condensed the small pool of black tea into a ball and hid it.

As for Yu Huijun, his eyes lit up when he smelled the tea, and he looked at Yu Feng holding the teacup with surprise: "This is the real black tea from the Busihu. You found this stuff, and you are really wasting it by drinking it like this!"

After Alakazam used his superpowers to evaporate the black tea, Yu Huijun shook Yu Feng excitedly. He didn't have many channels to buy this kind of treasure.

But what I saw here was a person who was drinking like a cow chewing a peony and wasted so much.

"Don't shake it. It's just some tea. I'll ask the waiter to order it for you."

Yu Feng, who was used to drinking this stuff, didn't think it was so precious. Now he just wanted the uncle to stop shaking him so that he could ask Ai Guanshi what happened and why the tea he brewed today was so bitter.

Hearing Yu Feng's words, Ai Guanshi took out an arm-sized bottle and handed it to Yu Huijun.

Yu Huijun carefully took the bottle in his hand. This size was enough for him to drink for nearly a month. He had to save up two months' salary to buy enough for one day.

I don't know which bastard caused there to be not much leftover black tea in the wild Bu Si Hu, and the black tea produced in the breeding house is not very tasty and the quantity is small.

He smelled the scent just now, which was definitely the black tea produced by wild Bushhu.

He would have to save up a year's salary to afford such a drink.

The Weileta also looked at the cup of black tea with longing eyes. After all, the other man had to save two months' salary to drink a day's worth of black tea, while the one in his own family was not very good at making money but spent it very quickly.

If you want to have a drink, you have to rely on your friends to bring you a little bit from the Yellow River.

Seeing the eager look of the Weileta, Ai Guanshi, after asking for Yu Feng's consent, took out an identical bottle and handed it to the Weileta.

After getting the black tea, the serious expression of Navelotter relaxed a little. Then he glanced at Yu Feng, then glanced at his trainer, and nodded.

It seems that I have to let this idiot of mine build a good relationship with others. The one who can give away such a treasure at will must be a rich man. He is my good brother.

"Is this thing so precious? I've been drinking it since I was a child. Forget it, why is Ai Guanshi's tea so bitter today?"

Yu Feng didn't think this thing was anything rare. He had been drinking it since he was a child and was almost tired of it.

What he was curious about now was why the tea was so bitter today?

"Ai Wan~~"

Ai Guanshi covered her mouth and smiled while pointing across the street, indicating that she did not make today's tea. How could she not know that her own Xiao Feng liked to drink sweet things? Sugar had to be added to milk. The person who actually made the tea was across the street.

Looking in the direction that Ai Guanshi pointed, I saw another slightly bigger Ai Guanshi kneeling on the ground helplessly, saying "Ai Wan, Ai Wan" and questioning his life.

Yu Feng only heard a few words, such as "How could she like sweet things? She doesn't like sweet things?" and other confusing words.

It seemed like Yu Feng didn't like the tea she made, which was a huge blow to her.

"Love to serve you..."

"Gu Gu Gu~~"

Yu Huijun was just about to say something to ask Yu Feng not to be surprised, after all, Pokémon like Aegislash like to take care of children, but he didn't have time to say anything.

The sound of a rumbling stomach reached the ears of the three people present. Seeing that everyone was looking at her, Fu Ningna instantly turned into a steam queen. She opened her mouth several times to say something, but was interrupted by the rumbling sound of her stomach. In the end, she just gave up and shouted loudly with her eyes closed.

"I'm just hungry! It's already noon and I only ate a few pancakes this morning."

"Let's go, I happen to have a few friends here too."

Yu Feng also smiled. He knew the situation in Kanto and it was true that they were not full for breakfast.

Then he put the old sister, who had been silent from the beginning, down from his body and asked the butler to pack their luggage.

"Chirrut!"

The eyes behind Shining Kirlia's sunglasses were full of complexity. She was quite curious about what this Aledo did.

"Oh, Shiny Kirlia, I had one before, but it wasn't shiny."

When Yuhuijun saw the shining Kirliao, his face was filled with nostalgia. He remembered that he also had a Kirliao who stuck to him.

"Chirrut?"

Shining Kirliao pointed at Aledo, indicating that his Kirliao was right here.

"No, no, never mind, cherish your trainer."

Yu Huijun shook his head repeatedly. He was joking. The Kirliam he was talking about was not this Aledo. If he had known that he was a male, he would not have tamed him.

He didn't want to talk about the specific things. It was his own family affair and he didn't want others to think that he had some strange habits.

"Chirrut!"

Flash Kirlia rolled her eyes at him. She still needed him to tell her about this? The relationship between her and her brother was unbreakable!

The two of them watched quietly as Yu Feng and Ai Guanshi packed up their things and teleported them back to the hotel.

"Let's go, there are plenty of places to buy food on the beach."

As a half-Kanto native, Yu Feng still had reason to take the two guests for a walk.

After they took back the Pokémon that needed to be taken back, they walked towards the pedestrian street on the beach.

They soon arrived at the pedestrian street. The aroma of the food tempted Fu Ningna, and she could hardly hold back.

"Welcome, our Sea House has complete washing equipment and the ramen is delicious!"

"Come on... take a break!"

"We can also help keep your belongings! Welcome!"

"Pika Pika~~~"

Just as they were about to step into a luxurious-looking store, a familiar voice instantly attracted Yu Feng's attention.

"What's wrong? Did you hear your friend's voice?"

Yu Huijun looked at Yu Feng who suddenly stopped with some confusion.
