Chapter 57 His head is like a stone!

"Yesterday's finale was truly a shock!"

Xiaoxia walked while recalling the shocking scene of last night, her eyes flashing with bright lights.

The Pixies evolved into Pixies one after another as the Moonstone fragments fell, and finally they danced hand in hand in the cave.

"If we go down this road, we will reach Cerulean City."

Yu Feng saw the road sign stuck in the ground from a distance and reminded Xiaozhi and the others.

After hearing Yu Feng's words, Xiaoxia's expression gradually dimmed, but Xiaozhi and Xiaogang did not notice this.

"There's graffiti on it."

Xiao Gang noticed that there were traces of graffiti on the road sign.

"There are people like this everywhere, scribbling on signs and posters. Let me see who it is."

Xiaozhi had an expression of being used to it, then he moved forward to see whose graffiti it was. Someone like that would definitely write his name.

"Xiao Mao has been here, Xiao Zhi, you idiot?"

As Xiaozhi's volume increased, he could already see Xiaomao's expression as he wrote this.

"Xiao Mao, that bastard! I won't lose to you!"

Xiaozhi half-crouched down with his hair standing up, just like a Super Saiyan, and then he quickly rushed towards Cerulean City.

"What's wrong with him?"

Xiaogang was a little confused. It was just a sentence. Was it necessary to get so angry?

"Hey, you don't understand, that's his good friend."

Yu Feng simply explained the relationship between Xiaozhi and Xiaomao to Xiaogang and Xiaoxia, and received thoughtful expressions from them.

"Ah, where would my rivals be now? Even if I'm late it's not a big deal, it would be nice to have a good laugh at the last minute, I guess."

Looking at Xiaozhi's far back, Yu Feng spoke in a magnetic voice. Looking at Xiaogang and Xiaoxia standing beside him, he felt helpless. He, like Xiaozhi, really couldn't understand.

.....

"Wow, the weather is so nice and my mood is so good too!"

Feeling the warmth of the sun on his body, Xiaozhi stretched lazily in great comfort.

"That's right, even black tea tastes better in this kind of weather."

Yu Feng picked up the black tea in his hand and started to take small sips of it. Xiao Zhi was puzzled as to where he got the black tea from.

"Xiao Feng, where did you get the black tea from?"

Xiaozhi was really confused. He clearly didn't have time to make tea, so where did this warm black tea come from?

"That's because you don't understand the magic of Psychic Pokémon. I can ask the butler to stay in the back with the tea-making tools and bring them back when the tea is ready."

Yu Feng told Xiaozhi the secret of how he drank the black tea, and threw the cup in his hand behind him.

The moment he jumped into the air, he was caught by the love butler who appeared suddenly. Then the love butler quickly disappeared in front of Xiaozhi. In the blink of an eye, Yu Feng had a cup of steaming black tea in his hand.

Xiaozhi decided to ignore Yu Feng, the show-off, but he had to admit that Psychic-type Pokémon were really convenient.

"Yes, in this weather it only takes two hours to dry the laundry."

Seeing Xiaozhi looking at him, Xiaogang also expressed his opinion, but it seemed that Xiaozhi could not understand it.

"Of course, thick clothes will take three hours, but thin clothes like handkerchiefs will only take less than an hour."

After hearing Xiaogang's words, Yu Feng couldn't help but express his admiration. How much experience must have been accumulated to achieve this?

Normally after he washes clothes, he uses his super powers to directly remove the water, or it could be said that he doesn't wash clothes at all.

Super powers protect you, kid!

At this time, they did not notice that someone was missing from their team.

"Hey! Wait for me, guys!"

"Where are you going?!"

Xiaoxia quickly caught up from behind, and after catching up with Xiaozhi and the others, she squatted down to slow down, then looked at Xiaozhi and the others seriously and asked about their intentions.

"Didn't we say long ago that we were going to Cerulean City?"

Xiaozhi was very confused. Hadn't he already told Xiaoxia about this matter?

Unexpectedly, Xiaoxia became very nervous after hearing this, and said in a panic: "Hualan City? Do you really have to go?"

"Needless to say, Xiaoxia, why are you so flustered?"

Xiaozhi always felt that Xiaoxia had some secret that she hadn't told anyone, but he was sure that she would not tell it.

"I...I think you'd better not go to that place."

Xiaoxia was so nervous that she stuttered when speaking. After all, she really didn't want to go back to that place.

"Why?"

"That place..."

"how is it going?"

"A very, very scary ghost will appear!"

Xiaozhi was attracted by the question raised by Xiaoxia and listened to her reasons carefully. When Xiaoxia said that ghosts would appear, Xiaozhi still looked at Xiaoxia expressionlessly.

"Just like this! Woohoo!"

Seeing that Xiaozhi was still not afraid, Xiaoxia made a face to scare him.

Unexpectedly, Xiaozhi was not scared at all when he saw it. He even laughed and said as he laughed, "Hahaha, Xiaoxia, your face is really funny."

"Xiaogang, Xiaofeng, Pikachu, let's go."

After the joke, Xiaozhi turned around and prepared to continue on his journey with Yu Feng and the others.

"I need to remind you that most so-called ghosts are ghost-type Pokémon."

Yu Feng explained to Xiaoxia why Xiaozhi was not afraid of ghosts. Besides the fact that most ghosts were actually pretending to be ghosts, Xiaozhi really had a big heart.

Seeing them walking away without hesitation, not paying attention to her words, Xiaoxia began to get anxious: "No, no, wait for me!"

"How about we go to Vermilion City first? There are a lot of waterside Pokémon there, and there are also ports and docks."

"You can also take a luxury cruise ship there, or stand in the hillside park at the port to watch the sunset. It's so romantic."

"Even if you don't have a brain, you know how good it is there!"

Xiaoxia immediately jumped in front of the few people and tried to persuade them to go to Vermilion City first. This would be good for both her and Xiaozhi!

"Really? Then I've decided!"

"real!"

After hearing Xiaozhi's description, Xiaoxia seemed to be moved. Xiaozhi also looked at Xiaozhi excitedly, hoping that he could change his mind about going to Cerulean City.

"I decided to go to Cerulean City!"

Unfortunately, Xiaoxia still underestimated Xiaozhi. Xiaozhi would never change his plan because of others.

After hearing Xiaozhi's answer, Xiaoxia fell to the ground and couldn't get up.

"Anyway, we must collect the badges of gym trainers. There is an important Cerulean Gym in Cerulean City."

Xiaozhi walked forward without looking back. Yu Feng gave Xiaoxia a helpless look and followed Xiaozhi towards Cerulean City.
