Chapter 62 No, You Really Have No Vision

"Come on, I want to compete with you!"

"Pickup!"

As the three Cerulean sisters arrived at the challenge location, Ash once again submitted a challenge application, and Pikachu was also rarely energetic and wanted to fight.

The cheeks were filled with tiny flashes of electricity, indicating that he was in very good condition.

"Ah~~"

Hearing Xiaozhi's words, the three Hualan sisters felt helpless. Does this guy only think about fighting?

"We have lost all our fighting spirit."

Sakura held her head in her hands, her eyes a little vague. She really didn't want to fight with Xiaozhi right now.

"Why is this happening!"

Xiaozhi, Pikachu, and even Shining Kirlia all had big beads of sweat on their heads.

"Before you came, we were beaten badly by three people from Pallet Town."

Acorus explained to Xiaozhi why they had no fighting spirit.

Xiaozhi was also very upset when he heard what they said. Did the other three people come so quickly?

"It was so miserable, so miserable that even his eyes became crooked in the end, really."

As Acorus spoke, he pulled the corners of his eyes with both hands, and finally crossed his arms across his chest to indicate that they were beaten badly.

"And almost all of our Pokémon are in the hospital."

Sakura closed her eyes and explained to Xiaozhi why they didn't want to fight. It was not that they didn't want to fight, but that the Pokémon that could fight were now with Miss Joy.

"All that's left is..."

Peony enlarged the Poké Ball in her hand and threw it in front of Xiaozhi.

A white light flashed and a goldfish appeared, flapping its wings on the ground, looking at Xiaozhi with a very intelligent look.

"If he could evolve into a goldfish king, then he would be somewhat useful. Now he can only fight with his horns."

"Now you know why we can't fight."

"We are too busy making ourselves more beautiful to spend time training Pokémon."

As Mudan took back the goldfish that had been flapping its wings, the three sisters expressed their attitudes one by one.

"But..."

Xiaozhi still wants to fight for the right to fight, after all, there are important badges to be obtained in the Cerulean Gym.

"I know that, little sea lion!"

Of course Sakura knew that the people who came to challenge the Taoist temple were after their blue badges, so she started calling for the little sea lion to appear in front of Xiaozhi.

A white little sea lion jumped out of the water and onto the shore. It crawled in front of the cherry blossoms and stuck out its tongue, on which was a blue badge.

"Blue Badge, do you want this? If you want it, take it."

Sakura took the blue badge off the little sea lion's tongue and prepared to give it to Satoshi.

"Chirrut. (I want one, too.)"

After being silent for a long time, Flash Kirlia raised her little white hand to indicate that she also wanted a blue badge.

"You want it too, aren't you his elf?"

Ayame looked at Shining Kirlia with some surprise, as if wondering why one person needed two badges.

"No, she is my friend's elf. Miss Junsha has something to ask him, so I asked her to challenge herself."

Xiaozhi looked at them with a strange look and told them that Shiny Kirlia was Yu Feng's Pokémon.

"Is that so? That doesn't matter, big sister. Giving one is giving, giving two is giving."

Mudan put her hands on her head and looked at her elder sister to persuade her. After all, they really couldn't accept the challenge now, and judging from the luster of this elf's hair, it must be better trained than theirs.

Besides, this elf looks very beautiful. Instead of being beaten and then having to hand over the badge, it would be better to just spare her a beating.

"makes sense."

Sakura thought about the possibility of being beaten, and took out another blue badge from her chest and handed it to Shining Kirlia.

Shiny Kirlia looked at the still warm blue badge with disdain. This was the same way of taking things as that big-breasted monster. It was really insulting. It was really insulting to Pokémon!!!

"But getting the badge without fighting..."

Xiaozhi is still struggling with whether it is not a good idea to get the badge without fighting in the gym.

"Well, stop hesitating and take it."

Sakura was very confused by Xiaozhi's reaction. After all, so many people wanted to get the badge without challenging the gym, but when it was Xiaozhi's turn, he was still hesitating.

As Xiaozhi was about to take the blue badge with a reluctant look on his face, Xiaoxia's voice rang out at the right time: "Xiaozhi, wait a moment!"

"Xiaoxia?"

Xiaozhi was shocked by the sudden appearance of Xiaoxia. After all, he hadn't seen her all day, but now he saw her here.

Xiaoxia jumped down from the stands which was at least three meters high, and landed steadily between Xiaozhi and the three Hualan sisters. She looked at Sakura and said seriously: "Sister Sakura, I will help you play this game!"

"what happened?"

Xiaozhi looked at Xiaoxia and the three sisters Hualan with a confused look on his face, as if he was trying to sort out their relationship.

"I'm the youngest of the Hualan sisters." Xiaoxia tilted her lips and looked at Xiaozhi very proudly: "Yes, we are the four beautiful Hualan sisters!"

"No, it should be the three beautiful sisters and the ugly duckling."

Mudan suddenly jumped out to ruin Xiaoxia's plan, but when she saw that her expression was not good, she quietly retreated.

"That's not important, Xiaoxia, why did you come back so soon?"

"Who was the one who made the promise that he would never return home until he became a great Pokémon trainer?"

Sakura and Ayame also began to uncover Xiaoxia's past.

"That's why I said I least wanted to come here."

Xiaoxia's eyes were wandering, so she said she didn't want to come to Hualan City. She knew that she would be scolded by her sisters if she came back.

"So that's why Xiaoxia is so against coming here."

Even Xiaozhi now understood why Xiaoxia had been stopping him from coming to Cerulean City. It was because she didn't want his sisters to find out that he had returned.

"What? You obviously can't stand being with our three beautiful sisters and being compared to others." Mudan didn't care at all that Xiaoxia's expression became very speechless, and spread her hands with a helpless look: "That's why you deliberately used the excuse of training Pokémon to escape outside."

"Why are you talking nonsense!"

Xiaoxia saw that Xiaozhi seemed to believe what her sister said and quickly refuted their words.

"I didn't expect you to escape back so soon. I'm so sad."

"That's not the case, Sakura-nee, it's that brat who has some issues with me."

Seeing that Sakura seemed to be about to say something, Xiaoxia quickly stopped Sakura's thoughts and pointed at Xiaozhi, indicating that she had some grudges with him.

"Ah... um... no, why don't you pick someone more handsome? You really have no taste."
