Chapter 80 The villain is more reasonable than the decent one

Seeing that Ai Guanshi's anger had subsided, Yu Feng was just about to lecture Yuto Seidai who was feeling sorry for himself.

Suddenly I caught a glimpse of the smoke rising slowly from the ground and thought to myself, "Oh no!" I was so focused on drawing Yuto Sundae that I forgot to draw Team Rocket.

"What, what is this? Ahem."

Xiaozhi and his friends were also blinded by the sudden rise of smoke. Since they were not yet familiar with Team Rocket, Xiaozhi did not know that this situation would accompany him for twenty years (for sure).

"Since you sincerely asked for advice."

"We will tell you with great mercy!"

The two figures in the smoke seemed to have activated some program and immediately responded to Xiaozhi's question.

.....

Just when Musashi and Kojiro were about to finish their lines, Meow Meow somehow fell from the sky into the water, splashing a huge splash.

Yu Feng and Pikachu held up a zero-point sign and booed Meowth, expressing their dissatisfaction with the way he fell into the water.

"Shut up, meow, I'm not performing diving for you."

Meow Meow jumped out of the water and struck a handsome pose. When he saw a # appear on Yu Feng and Pikachu's score board, he thought it was great that he had performed for them, what more could he ask for.

Wait, it seems that he is not performing anymore. He was led astray by this damn big ghost. Meow Meow coughed softly and decided to ignore this hateful big ghost.

"You are Team Rocket, right? I've heard about your affairs. You bad guys do whatever it takes to do anything."

Yuto Seidae was feeling depressed, and she didn't expect someone to come up to her to vent her anger. She had also heard about Team Rocket's affairs, and since they were bad guys, she didn't need to be stingy with her methods.

"There are rules in this world that don't work, right?"

"right!!!"

Seeing Yuto Seidai take out his Poké Ball, the followers and classmates behind him also took out Poké Balls and responded to Yuto Seidai's words.

"!!! Are all of them going to fight?"

Seeing the actions on the opposite side, Gomushi and Kojiro's expressions became very ugly.

"Isn't it a one-on-one according to the rules?"

Kojiro couldn't stop sweating and waving his hands. The rule was clearly one-on-one, so how come these people were more like villains than them!

"Okay, let's defeat the bad guys together!"

Yuto Seidai simply ignored Kojiro's words. Who could reason with these villains? Then he threw his Poké Ball at Musashi and the others.

"it is good!!"

Yuto Seidai's speech was echoed by everyone, and the students behind him also threw Poké Balls at Team Rocket.

"That's too much! How can you use so many Pokémon?"

Musashi and Kojiro were dodging the Poké Ball attacks from Yuto Seidai's side in a panic. Either a ball hit their head or their body.

Someone even shot a Poké Ball at Musashi's butt, and Meowth was not spared either, as several Poké Balls hit his head.

"It's better to follow the rules, run away!"

"I have a bad feeling!"

Even in such a mess, Kojiro still made sure they followed the rules, but what he won was indeed more accurate throwing.

The two men and Meowth didn't dare to stop at all. Once they stopped, they would be surrounded by more than a dozen Pokémon.

After escaping from the Pokémon School in a panic, he disappeared without a trace.

.....

"I finally realized that there are many things that schools cannot teach us."

Yuto Seiji sighed as she looked at the setting sun. After the battle with Yu Feng, she realized that the school was unable to teach them all the knowledge.

"I want to go back to my hometown and start training from just one Pokémon like Xiaozhi did."

Xiao Chun also walked up to Yuto Seidai and expressed his thoughts. After this battle, he realized that he was not cut out for studying in this school. He would be more suitable to grow up with Pokémon like Xiaozhi.

"That's great, that's great, it's so different from Xiaoxia and me."

Xiaozhi, who was not far away, looked at the two people communicating and sighed with satisfaction. This was much better than the relationship between him and Xiaoxia.

"Ah? Is that even necessary? Have you forgotten about the bicycle?"

When Xiaoxia heard what Xiaozhi said, her expression became strange, as if she knew what Xiaozhi was going to say. After all, she remembered this matter clearly.

"a ha ha ha."

After hearing what Xiaoxia said, Xiaozhi could only smile awkwardly. After all, he was in the wrong anyway, and he couldn't blame her if he couldn't pay it back.

"Will Xiaozhi and his group's journey and getting lost continue just like this? Absolutely."

"Um, what is he talking about?"

As soon as Yuto Seidai and Xiaojun came over, they heard Yu Feng saying something they couldn't understand. They felt a little embarrassed and didn't know whether they should respond.

"Don't worry about him, he's always like this. Do you have anything else to do?"

Xiaoxia looked at the embarrassed Yuto Seidai and changed the subject. Although they were used to Yu Feng not saying such things, it was still quite embarrassing for someone they met for the first time.

"It's like this. You see, it's getting late. There's a forest outside the school, so it's very dangerous. Do you want to stay overnight?"

"Don't worry, the school has a special place to receive guests, and you won't feel uncomfortable."

Yuto Seidai invited Xiaozhi and others to stay overnight at the school. Of course, her eyes were fixed on Yu Feng. After all, the giant Pokémon that the students talked about seemed more and more wrong. She always felt that she seemed to have heard of the Pokémon with red eyes.

Currently, only Yu Feng owns it. She has to call back and ask about it. The most important thing now is not to let Yu Feng leave, otherwise the Kanto area is so big that she won't know when she will be able to find him next time.

"I have no objection, what about you?"

Xiaozhi nodded. Wouldn't it be better to sleep on a bed than in a sleeping bag? However, he still had to seek the opinions of his companions.

"Neither do I. I just happened to have been walking in the forest for so many days, and it's time for a good bath."

Xiaoxia nodded and said it was okay. After all, she had been in the forest for a long time and felt like she was going to die if she didn't take a bath.

"No."

Xiaogang had even less objection, as he didn't have to clean up the leftover garbage after cooking.

Everyone turned their eyes to Yu Feng. After all, anyone with a discerning eye could see that Yuto Seiji invited them to stay overnight because he had something to discuss with Yu Feng.

"You all stay here, where else can I go?"

Seeing other people's eyes focused on him, Yu Feng couldn't help but complain, "You all agreed, how could he not agree?"

"Great! Ahem, no, I'll go arrange accommodation for you right away."

Hearing Yu Feng agree to Yu Teng Shengdai's gestures excitedly, but then realized that his actions might not be appropriate, so he coughed lightly to cover up his embarrassment.

Then he said goodbye to Yu Feng and went to arrange accommodation for them.

"Do you think her behavior is strange?"
