Chapter 86 I really want it, I really want to conquer you

"Ok?"

Xiaozhi seemed to have heard some sound and looked not far away.

It turned out to be a walking grass drinking water from a small pond nearby.

"that is!"

Xiaozhi was very excited to see the appearance of the Lobelia. He took out the pokémon from his bag and looked at the information of the Lobelia.

The Pokémon Encyclopedia also slowly introduced the Pokémon in front of him, Grasshopper, to Xiaozhi in a mechanical voice.

"Okay, I'm going to conquer you!"

Xiaozhi looked at the Gnollustrator in front of him happily. His goal was to capture Pokémon, so he naturally couldn't let the Gnollustrator go. He took out the Poké Ball from his waist to capture the Gnollustrator.

"Wait a moment!"

"why?"

Misty stopped Xiaozhi from catching the Gnaphalium, which made Xiaozhi very curious. What reason did Misty have to stop him from catching the Gnaphalium?

"That Pokémon is the one I want to capture."

Xiaoxia pointed at herself with a smug look on her face, indicating that she was the one who wanted to conquer this walking grass.

"Why? I found it!"

After hearing what Misty said, Xiaozhi was very dissatisfied. How could this be a reason to stop him? Isn't it the case that whoever sees the Pokémon first gets it?

"That's a Pokémon near the water. It's within my sphere of influence!"

Xiaoxia said as a matter of course that any Pokémon near the water is within her capture range.

"They both started again."

Yu Feng, who was sitting aside to rest, was speechless. Are they really going to quarrel for the whole day?

"What can I say? They always quarrel over trivial matters like this."

Xiaogang explained to Yuto Seidai very awkwardly. After all, one has to get used to this kind of thing.

Yuto Seidai nodded thoughtfully, indicating that he understood this matter.

When Misty was arguing with Xiaozhi, she saw the running grass about to escape, so she summoned Starfish, and had Starfish use a water gun to blow the running grass to a pulp.

"good chance!"

Looking at the Pokémon that had lost its ability to fight, Misty excitedly threw her Poké Ball to try to capture Pokémon. Of course, something unexpected happened.

Misty's Poké Ball was whipped away by a vine that appeared from nowhere, and when she turned around, a Bulbasaur with a ferocious expression appeared in front of them.

"Which one is it! The Bulbasaur that I dream about in my dreams!"

The moment he saw Bulbasaur, Xiaozhi's expression became very shocked and then turned into a perverted look. This was the Bulbasaur that he had dreamed of getting!

Bulbasaur didn't give them time to react. With just a slight bump, Starfish lost its ability to fight and lay in Misty's arms.

This sudden loss of combat ability made Yu Feng wonder if Starfish was playing Misty. She didn't even use any Grass-type skills. Why did she lose her combat ability just by being hit?

"Since it's my turn, I will definitely conquer you this time!"

Xiaozhi took over this battle. He didn't have to capture the walking grass, but he had to capture his dream lover? (Pokémon).

I don't know if Ash suddenly got the idea or what, but he actually sent out Butterfree to deal with Bulbasaur. This made the onlookers feel like their own child had finally grown up.

Xiaozhi commanded Butterfree to release sleeping powder. Butterfree flapped its wings and the sleeping powder emitting star-like light floated towards Garlic... and Bulbasaur.

Looking at the sleeping powder in front of it, Bulbasaur stepped back slightly, took a deep breath to absorb the sleeping powder, and then fell asleep and was captured by Satoshi. Just kidding.

Bulbasaur took a deep breath and blew out a strong wind from his mouth, blowing the sleeping powder back directly. Instead, Butterfree fell asleep due to the sleeping powder.

"Come on, Butterfree!"

Seeing this, Xiaozhi quickly asked Butterfree to cheer up, as it was too embarrassing to fall asleep because of his own skills.

Hearing Xiaozhi's call, Butterfree tried to suppress his tiredness and cheer up, but unfortunately Bulbasaur didn't intend to give him any extra chances and sent him away with a direct hit.

"So strong..."

Xiaozhi looked at Butterfree with a grim expression as he saw that it had lost its ability to fight. He never expected that this Bulbasaur would be so strong.

"Is it possible that he's not strong, but your Butterfree isn't trained enough?"

Yu Feng was complaining about Xiaozhi's command. A Bug-type Pokémon could be killed instantly by a Grass-type Pokémon, which was even more puzzling than the fact that Misty's Starfish was killed instantly.

After defeating Butterfree, Bulbasaur protected Butterfree and fled into the distance. Before leaving, it made a vicious look at Ash, as if it wanted him to give up.

"Bulbasaur! I want it so much, I really want to capture it!"

Seeing such a powerful Bulbasaur, Xiaozhi felt so excited. He simply couldn't refuse such a handsome Bulbasaur.

"Pica~"

Pikachu couldn't help but spread his hands. He had no way to deal with Xiaozhi like this.

Looking at the scene in front of him, Yu Feng couldn't help but hold his forehead. Suddenly, as if he had thought of something, he told Pikachu: "Oh, I have to go back and will be back tomorrow. During this time, I'll trouble you to take good care of them, Pikachu."

Yu Feng squatted in front of Pikachu and touched his head. If he remembered correctly, Xiaogang was about to start his lustful journey when he met Bulbasaur.

Misty kept falling into traps today, and Ash was also arguing with her non-stop. It seemed that only Pikachu was reliable in the entire team for the time being.

What? You mean there's also Yuto Sundae? It's good enough that the Pokémon she brought didn't cause any trouble today.

Not to mention, who knows whether she will end up acting with Satoshi and Misty or with Brock.

So asking Pikachu for help is the best choice.

"Pikachu!"

Pikachu nodded very confidently, patted his chest and assured Yu Feng that he would take good care of Xiaozhi and the others.

After getting Pikachu's reply, Yu Feng gave Xiaozhi and the others a thumbs up and disappeared on the spot.

"Oh really, are we so untrustworthy?"

Xiaozhi was very angry about Yu Feng's distrust of him. How could he trust Pikachu but not him?

"From a common sense perspective, the state of the two of you today is indeed not trustworthy."

Xiaogang was silently finishing off Xiaozhi on the side. It would be fine under normal circumstances, but now these two were almost quarreling. Isn't it normal for Yu Feng not to trust them?

"Don't be so happy! Xiao Feng didn't ask you for anything!"

Xiaoxia's words were like a sharp knife piercing Xiaogang's body. Yes, that's right. The fact that she only asked Pikachu and not him showed that Yu Feng didn't trust herself either.

This made Brock, who claimed to be as hard as a rock, feel vulnerable. No matter how you look at it, he is more reliable than Pikachu.

Sundae on the side didn't react at all. It was normal not to trust her. Who would trust someone who just joined the team?
