

Gardevoir 91

Chapter 91 So what's going on with you guys?

"Alright! Come on up, Poké Ball!"

As soon as Yu Feng teleported back, he heard Xiaozhi's excited voice, and then saw a Poké Ball hitting his head.

Yu Feng was very calm and was not worried that the Poké Ball would hit him. The Poké Ball flying towards Yu Feng was directly exploded by a huge blue palm.

"What are you doing?"

Yu Feng walked out from the protection of the Shiny Gardevoir and looked at Xiaozhi and the others who were a little dazed.

Yuto Seidai looked at the huge shining Gardevoir in front of her with shock. Although she didn't know what this Pokémon was called, its size was obviously abnormal.

She finally understood why her classmates at that time made such a fuss. An elf of this size with red eyes was a little scary to her now.

Not to mention those classmates who saw this in the fog at that time. They might have thought he was a monster.

"What smells so good?"

Not to mention the storm in Yuto Seidai's brain, Yu Feng smelled a burnt aroma.

"Xiao Feng, can you please move aside for a moment? I'm trying to capture Bulbasaur."

Xiaozhi said in a low voice as he looked at the Shining Gardevoir in front of him that was emitting a dangerous aura. After all, even he knew that it was better not to touch Xiaofeng's brow in this situation.

"Oh, sorry, please continue."

Yu Feng then noticed the Bulbasaur that was emitting a burnt smell beside the hall. He took back the Shiny Gardevoir with an embarrassed look on his face and signaled Xiaozhi to continue what he was doing.

He asked why there was a smell of garlic bullfrog, and it turned out to be Bulbasaur that was numbed by electricity.

Xiaozhi threw the Poké Ball again at Bulbasaur, which had lost its ability to fight. After one, two, three times, the Poké Ball finally stopped shaking.

"Success! I have captured Bulbasaur!"

Xiaozhi excitedly made his standard hand gesture to express his excitement about capturing Bulbasaur.

"Pikachu!"

Pikachu also imitated Ash and made a "yeah" gesture, seemingly expressing his happiness that Ash had captured Bulbasaur.

"This is the best ending, Xiaozhi."

The blue-haired woman on the side also sincerely blessed Xiaozhi, as if to express her approval that Bulbasaur was captured by Xiaozhi.

"Who is this?"

Yu Feng then looked at the woman next to him. He hadn't noticed this girl just now until she spoke.

"This is..."

"This is Miss Xiao Cui!"

Just as Xiaozhi was about to introduce them, Xiaogang blushed and took the lead in introducing Miss Xiaocui to Yu Feng.

"Anyway, that's it..."

Xiaozhi briefly explained to Yu Feng what happened after he left, and how Team Rocket had just been driven away not long ago.

"Yeah, I think I understand, but I have something to say that I don't know whether I should say it or not."

Yu Feng listened to Xiaozhi's explanation and nodded, but there was something he didn't know whether he should say.

"What's going on?"

Xiaozhi seemed very confused, after all, he thought these things were normal.

"Do you feel like you're being entangled by these two Rockets?"

Yu Feng felt a little emotional when he saw Xiaozhi, who had already gotten used to it. After all, Xiaozhi had already gotten used to the appearance of Team Rocket.

"It seems true what you said. They also showed up at school."

Yuto Seidai thought about it for a moment and realized that although Satoshi and even Brock were surprised by the appearance of Team Rocket, they did not find it strange. And if she remembered correctly, these people seemed to have appeared in the school last time.

"There was also the Cerulean Gym in the Moonlight Mountain before."

Misty stepped forward and said that they had indeed seen Team Rocket many times.

After hearing what they said, Xiaozhi thought about his recent experiences and suddenly realized that what they said seemed to be true. They had seen the Rocket trio many times during this period.

Could it be that he was really being entangled by these people? Xiaozhi suddenly felt a chill emanating from his back.

.....

"Be careful on the road."

Xiaocui told Xiaozhi and the others to be careful on the road, after all, they were being targeted by a troublesome team like Team Rocket.

"Don't worry, I will love Bulbasaur very much."

Xiaozhi told Xiaocui not to worry, he would treat Bulbasaur well.

Xiao Cui squatted down and gently touched Bulbasaur's head and said softly: "Take care of yourself, thank you so much for your past."

Xiao Cui didn't do anything too much, because she knew that the more she did, the less Bulbasaur would want to leave.

"Miss Xiao Cui."

At this time, Xiaogang walked up to Xiaocui with a suspicious blush on his face.

Xiao Cui looked at Xiao Gang, who had always been very serious, with confusion.

"I want to stay in this village in place of Bulbasaur, okay?"

Xiaogang finally showed his chicken feet. He wanted to accompany Xiaocui instead of the lost Bulbasaur.

"I am very grateful for your kindness, but I can take care of this place by myself."

Xiao Cui certainly knew what Xiao Gang meant, but unfortunately Xiao Gang was not within her aesthetic range, so she had to politely reject his kindness.

"Is it like this?"

Xiaogang tilted his head in disappointment. As expected, he was rejected.

Seeing Xiao Gang being rejected, Yu Feng was not surprised. It seemed that the only one who liked Xiao Gang was the poison-type gym leader? It seemed that he was not the gym leader? What kind of battle brain was he?

I can't remember who that person is for now, but Yu Feng doesn't care much about it. After all, this is Xiaogang's business and has nothing to do with him, right?

"Goodbye then!"

Since there was no way to stay, Xiaogang had to continue his journey with Xiaozhi. They said goodbye to Xiaocui and continued on their way.

"By the way, Xiaogang, did you just confess to Xiaocui?"

After walking for a distance, Xiaoxia looked at Xiaogang with a very teasing expression. If she guessed correctly, Xiaogang had just confessed to Xiaocui and was rejected.

"Stop talking about it, stop talking about it! Please stop talking about such embarrassing things, okay?"

Xiaogang covered Xiaoxia's mouth with a red face and asked her not to talk about it anymore. After all, it was too embarrassing to be rejected after confessing.

Even though Xiaogang covered Xiaoxia's mouth, she couldn't stop gossiping. She kept muttering things like, "Isn't it okay? I don't mind."

"What the hell are you two doing?"

Xiaozhi held his head in his hands. He did not understand the argument between Xiaoxia and Xiaogang. She was just a girl. What was there to argue about?

"So Xiaozhi, you are still a child."

Yu Feng was very calm about this scene. After all, this was not something very strange, right?

On the contrary, Xiaozhi was also so calm, which made Yu Feng feel a little funny. But this is Xiaozhi. Serena went straight to the point, but Xiaozhi still didn't understand what Serena meant.

"But I don't think he doesn't understand."

Yuto Seidai felt that there was no way that Xiaozhi didn't understand, after all, his blushing when he first saw her was not fake.
