

Genius 261

Chapter 261 Flying_1

A line of Mercedes pulled up, with Xiao Nan leading Qin Fang and Xiao Muxue to the one in front, an S600.

Inside the car sat a driver in his forties, who extended a courteous smile upon seeing Xiao Nan. After Xiao Nan quickly gave a few instructions to the driver, he turned to speak with Qin Fang.

"The hotel has already been arranged for you. This car is for your use in Shenzhou. If you need a driver, Old Liu will accompany you. If not, just have him drop you off at the hotel before returning on his own."

"Keep the car at my disposal, but I'll pass on the driver."

Although the Mercedes S600 seemed a bit too conspicuous, it was necessary to keep up appearances for the business deal he hoped to close in Shenzhou.

"You can decide for yourself. I have to rush back home, so I won't accompany you both. I'll find time later to have some fun with you in Shenzhou..."

Xiao Nan wasn't concerned, and after exchanging a few words with Qin Fang, they parted ways. Qin Fang and Xiao Muxue were then taken by the Liu surname driver to the Hilton Hotel arranged by Xiao Nan.

Once at the hotel, Qin Fang left the car and the keys with the driver and sent him back, while he and Xiao Muxue entered the hotel together.

"Good evening, sir. Your suite, number three, is ready. Please follow me..."

What Qin Fang hadn't expected was that Xiao Nan would take such good care of him on his own turf, providing him with a Mercedes S600 to use and a stay at the Hilton, and even a presidential suite.

Of course, Xiao Nan hadn't booked separate rooms for Qin Fang and Xiao Muxue, but a single one. Even when Qin Fang would inquire, Xiao Nan had a confident response, pointing out that there were extra rooms within the suite, and sharing didn't necessarily mean they had to sleep in the same bed.

"I'll stay with you tonight!"

Just as Qin Fang was about to suggest getting another room for Xiao Muxue, she had already made her stance clear, and after a moment of hesitation, he agreed.

The presidential suite at the Hilton did not disappoint, being the highest grade and most lavishly furnished, complete with floor-to-ceiling windows providing a panoramic view of the bustling metropolis from any angle.

The suite's luxurious amenities included a cabinet full of various fine spirits, a mini 3D cinema, branded furniture from around the world, and the master bedroom's highlight, a huge bed with an adjacent massage bathtub.

"It's late, let's go to bed early!"

Upon entering the room, Qin Fang also felt a bit awkward and went straight into the master bedroom, clearly worried that he might lose control.

"I'm going to take a shower..."

Xiao Muxue also seemed somewhat shy, speaking in a low voice before ducking into the secondary bedroom.

"Phew~~~"

Finally alone, Qin Fang couldn't help but let out a long sigh of relief, feeling much more at ease.

After several hours of flying, they had arrived at the hotel in the early morning hours, almost at dawn. Qin Fang was very tired himself. He sent a message to Tang Feifei to let her know he had arrived, then lay down in the massage bathtub and comfortably fell asleep.

"Muxue..."

Qin Fang was incredibly embarrassed; he had indeed been taken aback.

After hesitating for a moment, Qin Fang quickly grabbed a towel from beside him to cover Xiao Muxue's porcelain skin, his expression unspeakably awkward.

Qin Fang had grown accustomed to Fan Ning's body, and Xia Muxue's figure was not much different from Fan Ning's, but there was one stark contrast: Fan Ning's flat chest compared to Xiao Muxue's papaya-like fullness. The difference was so apparent that one could easily discern it with a mere touch. Qin Fang was startled by this discovery, realizing he had nearly...

"I've told you, I'm yours!"

Xiao Muxue, despite her rosy cheeks and extreme shyness, did not hesitate, pulling off the towel again to reveal her immaculate, graceful body to Qin Fang without reservation.

"Muxue, stop it, I'll take you back!"

Gazing upon the flawless form before him, Qin Fang struggled to swallow.

"I won't go..."

Xiao Muxue's resolve was firm.

"Muxue, don't try to test my limits, you... will regret it!"
