Chapter 266 Listening in at the Corner_1

"Qin Fang, there won't be any trouble, right?"

Looking at the club that was gradually disappearing behind them, Xiao Muxue felt as if she was still dreaming. However, when she thought of the arrogant and domineering Zhang Yuliang, her heart couldn't help but waver with unease, prompting her to ask with concern.

It wasn't just Xiao Muxue who felt this way; Miao Yue shared the same thoughts. Having spent more time involved in society than Xiao Muxue, she was more aware of the sleazy affairs in the entertainment industry and knew full well the forcefulness and arrogance of privileged young masters like Zhang Yuliang.

Although Qin Fang drove a Mercedes, that only signified wealth. The gap between the rich second generation and the official second generation was not slight, let alone the fact that Zhang Yuliang's father was the top official of Southern Guangdong Province.

"It's nothing..."

Qin Fang, however, seemed unconcerned as he spoke.

Though impulsive in his actions, Qin Fang did not rely solely on violence. He had also been using the Mind Reading Technique to probe Zhang Yuliang's innermost thoughts, uncovering a fair share of Zhang's misdeeds.

If Zhang Yuliang accepted defeat and stopped causing trouble for Qin Fang, then Qin Fang was ready to turn a blind eye and let it go.

After all, Qin Fang knew that Zhang Yuliang hadn't harbored any designs on Xiao Muxue—in fact, his attention had never lingered on her. Of course, this was also partly due to Miao Yue's protection of Muxue.

Otherwise, Qin Fang wouldn't have bothered to rescue Xiao Muxue and, incidentally, take Miao Yue along as well.

"Where should I take you?"

Xiao Muxue was still somewhat worried. She moved her lips but ultimately chose to trust that Qin Fang would handle it. It was only when Qin Fang drove out of the club's vicinity and prepared to return to the hotel that he noticed Miao Yue's presence. After thinking for a moment, he asked her.

But Miao Yue seemed to be quite frightened, weakly shaking her head with a confused expression on her face.

"Qin Fang, how about... taking Sister Yue back to the hotel? She was betrayed by her agent this time, without a single trustworthy person left. In case that Zhang guy comes looking for trouble..."

Xiao Muxue was rather cautious as she said this to Qin Fang, her demeanor very obedient, obviously worried that Qin Fang might refuse.

"Take her back with us?"

Qin Fang's brow furrowed. Although he knew that Miao Yue had been betrayed by her agent, he was not particularly fond of the people and affairs in the entertainment industry, preferring to avoid them as much as possible. But now, Xiao Muxue was trying to drag him into this mess, which put him in quite a dilemma.

"Fangfang..."

In an effort to get Qin Fang to agree, Xiao Muxue unexpectedly adopted a rare coquettish attitude, which immediately stirred something within him.

Moved by the gesture, Qin Fang chuckled softly into Xiao Muxue's ear. Her fair face instantly turned crimson, and she retorted with a huff, "You're so bad..."

"Whether you agree or not is up to you, I don't mind!"

Qin Fang shrugged his shoulders, speaking with apparent indifference.

Xiao Muxue hesitated, her gaze circling around Miao Yue several times, revealing considerable uncertainty. This hesitation of his made Miao Yue even more nervous. She vaguely felt that Qin Fang was using her to strike some sort of deal with Xiao Muxue, and she worried that she might have escaped the tiger's den only to enter the wolf's lair...

"Alright, I agree!"

Seeing Miao Yue's cautious and timid eyes, as well as her slightly trembling body, Xiao Muxue finally nodded and whispered in Qin Fang's ear, feeling a bit embarrassed.

A smile immediately appeared on Qin Fang's face, and he stopped driving aimlessly around the city. Instead, he headed directly towards the hotel.

Back at the hotel, Xiao Muxue felt much more relaxed. After all, there had been no more mishaps along the way. This was a five-star hotel, after all, where not just anyone could come and go. Even if Zhang Yuliang came here, he wouldn't dare to cause a scene under everyone's watchful eyes. That would be akin to abducting a girl against her will, something not even the son of Southern Yue's top official could withstand.

"You can stay with us for the time being. Once this blows over, you can go back," Qin Fang said, putting his arm around Xiao Muxue's shoulder as he ushered the two women into the suite without much courtesy.

The presidential suite had two guest rooms, so there was no need to worry about a lack of space. However, Miao Yue remained vigilant towards Qin Fang, fearing that he might be the same kind of man as Zhang Yuliang. Even if Qin Fang's methods seemed gentler, Miao Yue still kept her guard up in her heart.

Qin Fang, having entered the club alone, now left it with two burdens in tow, yet he strutted out without any concerns. The security guards could only watch helplessly, a testament to his formidable fighting prowess.

And now, with Miao Yue staying in Qin Fang's suite, the idea of getting a peaceful rest was simply wishful thinking.

"I... I should find another room!"

Seeing that Qin Fang had also arranged for her to stay in the presidential suite, and that it was very close to Qin Fang's own bedroom, she became even more suspicious and hesitatedly suggested.

"Sister Yue, that Zhang could find this place at any time. If you stay alone and something happens, we wouldn't know anything about it. That would be too dangerous!"

Xiao Muxue reminded her out of concern when she heard Miao Yue wanted to stay elsewhere.

Normally, Miao Yue's activities were arranged by her agent. And since she was kidnapped right after finishing her show today, she didn't have any of her belongings; even her clothes were torn.

She wanted to call her agent to bring her clothes and money, but since the agent had betrayed her, if she were to make contact, the agent might immediately sell her whereabouts to Zhang Yuliang, which could put the safety she had so hardly won back at risk.

"Ah... Alright then!"

Upon hearing this, the first thing Miao Yue thought of was her own clothes and the savage ferocity of Zhang Yuliang as he tore at her garments. Her heart grew even more faint, and she immediately nodded her agreement.

"Sister Yue, it's okay now, don't be afraid... I'll stay with you for a while! Let's have a good chat..."

However, what frustrated Qin Fang was that after coming to an agreement with Xiao Muxue, the girl changed her mind at the last moment, leaving Qin Fang with nothing to say.

The two women went to the guest room for a long talk late into the night, which naturally meant Qin Fang had to return to his own bedroom. He drifted off into a sleepy haze, and it wasn't until a slightly cool body snuggled into his bed that he realized Xiao Muxue had returned.
