### Chapter 268 You Are My Woman Too!\_1

Qin Fang really wasn't any paragon of virtue; he inherently did not have a favorable impression of entertainment industry actresses like Miao Yue. Under normal circumstances, he really wouldn't have taken any action, yet there was a card at this exact moment.

Xiao Muxue had already fallen into a deep sleep while Qin Fang himself was somewhat in a state of limbo.

This night was destined to be absurd. When Qin Fang awoke, even he was a bit stunned. He struggled to extricate himself from the entanglement of two fair and smooth bodies, but each woman clung to one half of his body, ensuring that any slight movement might wake one of them, if not both.

"What's going on here?"

Qin Fang couldn't help wanting to rub his head. He couldn't quite remember last night's events clearly; he only recalled that after making love with Xiao Muxue, he went to take a cold bath in the bathroom. But the subsequent events were just a blur, seemingly he had relations with Miao Yue, and what she offered him was her pure body.

Ding ling ling...

Just as Qin Fang was painstakingly recalling what happened last night, the phone placed by the bed inconveniently began to ring.

"Ah..."

Qin Fang was already moving fast, but as soon as he thought to pick up his phone, both women had awoken. Just as expected, both completely naked women saw each other at the same time and then... let out an unceremonious scream.

Not only that, both women immediately grabbed the blanket to cover their ivory-perfect bodies. But, as each pulled to their own side, squabbling ensued, and neither succeeded in their tug-of-war.

Qin Fang displayed a bitter smile, foreseeing such a scene. Yet before he had time to think of a solution, the two women had already awakened.

"Sister Yue?"

Failing to seize the blanket, Xiao Muxue huffed, looking at Qin Fang, then the woman opposite her, and realized that she was none other than Miao Yue, who had struck up an instant connection and sisterly bond with her and had faced danger together.

Though she felt extremely uncomfortable, rationally Xiao Muxue was quite accepting of Miao Yue. It was just that she was most dissatisfied with how Qin Fang had brought Miao Yue onto the bed, and it was even...

"Muxue, I'm... I'm sorry!"

Seeing the flash of complex emotions on Xiao Muxue's face, Miao Yue also felt incredibly embarrassed. She hesitated for a moment, then struggled to get up from the bed. But her movement immediately affected the wound down below. Her fair little face scrunched up into a ball, and one could faintly hear the sound of her sharp intake of breath.

"Sister Yue..."

Xiao Muxue felt a jolt in her heart. As someone who had been through it all, she knew all too well about Qin Fang's beastly behavior. Seeing the expression on Miao Yue's face, she understood that Miao Yue had clearly not been spared Qin Fang's torment the previous night.

"Lie down first, don't move..."

Xiao Muxue felt aggrieved, yet she didn't show it. Instead, she squeezed out a smile to temporarily stabilize Miao Yue's pained body.

"Qin Fang, forget the phone, come here quickly..."

While the two women were glaring at each other, Qin Fang frowned as he stared at the caller ID on his phone, still hesitating whether to answer or not. That's when Xiao Muxue spoke up, and he placed the phone back on the table, allowing it to continue ringing as if he hadn't heard it.

"I'm sorry, last night..."

Although Qin Fang couldn't figure out what exactly happened the night before, the undeniable fact was that he had taken Miao Yue's virginity. Although he could argue that he had once saved Miao Yue's life, it wasn't with the expectation that she would repay him with her body...

"It's not your fault, it was me... it was my choice!"

Even though this was the truth, it was still incredibly difficult and embarrassing for Miao Yue to voice it, especially since she was still a prominent pure image starlet.

But in such an unofficial setting, confronted with a man who was relatively a stranger, Miao Yue found herself feeling that she had been too impulsive last night. It was only because she had unintentionally overheard a conversation around the corner, which had stirred up a burning desire within her, that she couldn't help being impulsive.

"I made this happen, I'll take responsibility..."

Qin Fang wasn't the kind of man who shirks his duties. He wouldn't dodge his own responsibilities, even though it might seem somewhat unfair to Xiao Muxue.

If Miao Yue was one of those women in the entertainment industry accustomed to the hidden rules, Qin Fang certainly wouldn't have felt any psychological burden. At most, he'd just throw out some money and be done with it, but Miao Yue was relatively self-respecting, which was precisely what puzzled Qin Fang the most.

Upon hearing Qin Fang's words, there was a slight lurch in Miao Yue's heart.

There was a touch of emotion, a hint of sorrow, and a bit of worry, all of which veiled her heart with a layer of confusion about the future.

"Muxue, help me take care of her for a bit!"

Qin Fang saw the look on Miao Yue's face yet he didn't really care. Instead, he gave Xiao Muxue a look that contained a trace of embarrassment but also a determination to stick with his decision.

Xiao Muxue hesitated for a moment but eventually nodded slightly. She laid Miao Yue down on the bed and helped Qin Fang take care of her.

After a pause, the phone rang again. Qin Fang glanced at the caller ID, which showed the same person as before. After a brief hesitation, he still pressed the answer button.

Both Xiao Muxue and Miao Yue were women with great insight. They knew when to act and when to remain silent. Since Qin Fang didn't go out of his way to take the call, they naturally didn't make any trouble for him.

"Younger Brother Qin, your phone is really hard to get through..."

As the call connected, Qin Fang didn't speak first, but heard Qiao Zhenfei's chuckling voice from the other end.

"Third Young Master, that's not quite right. As the saying goes, 'time flies,' and I, in my youthful prime, full of vigor, shouldn't waste such time, should I? It's still early, isn't your call a bit too soon... Disturbing someone's sweet dream isn't very polite!"

Qin Fang didn't have much of a liking for Qiao Zhenfei, nor did he dislike him, but considering the character of those privileged young masters Qiao Zhenfei associated with, Qin Fang preferred to keep his distance, even if the Qiao Family behind him was really powerful.

"Still annoyed about last night's affair?"

Qiao Zhenfei could naturally detect a hint of grievance in Qin Fang's tone.

Qiao Zhenfei could understand this point too. Any normal man wouldn't want to be cuckolded by another man, especially those with status.

Qiao Zhenfei hadn't delved into Qin Fang's background in detail, but based on the things Qin Fang had done, he knew that Qin Fang wasn't an ordinary man and already quite liked his character. He had even intended to befriend him back when they were in Ninghai.

However, after the incident with Ye Xiang, Qin Fang, as one of the people involved, suddenly left Ninghai, which both surprised Qiao Zhenfei and earned his admiration.

With Ye Xiang having turned into a Living Corpse and his father, Ye Heng, investigating the matter throughout Ninghai, if Qin Fang had stayed, no matter the reason, Ye Heng would certainly not easily let him go.

By leaving like this, Qin Fang completely hung the Ye Family out to dry. The longer the time dragged on, the more advantageous it was for Qin Fang.

Although there was no evidence to prove that it was Qin Fang's doing that Ye Xiang became a Living Corpse, smart people were aplenty. Many had been on the scene that night, and although Qin Fang's provocation was indeed a factor, it definitely couldn't have caused such a consequence. The only explanation was that Qin Fang had made a covert move.

And after what happened last night, Qiao Zhenfei accidentally became a witness. The state of the security at the club and Ye Xiang's reaction weren't exactly the same, but there were similarities, which all the more confirmed that Qin Fang had indeed taken action.

Being able to execute such an act unnoticed, even if Qin Fang's status might not be very high, he was definitely a hidden master among the people.

For such a master, Qiao Zhenfei's principle had always been: it's best if he could befriend them, but if he couldn't, he would definitely avoid any conflict.

However, what happened last night, Zhang Yuliang's actions were quite unprincipled, and Qiao Zhenfei was indeed a bit worried that Zhang Yuliang might become the next Ye Xiang...

It was only because Qin Fang showed a little face, severely beating Zhang Yuliang to relieve his anger without being too ruthless, that he was now speaking in such a relaxed tone with Qin Fang.

"Annoyed or not, I guess you are a sensible man, Third Young Master..."

Hearing Qiao Zhenfei say this, Qin Fang knew that Qiao Zhenfei was mostly there to mediate. His tone became firmer, regretting that he hadn't been harsher on Zhang Yuliang yesterday now that Miao Yue was his woman too...
