19: Chapter 19, No One Can Bully You!

“Wang Chuye dares not?”

He doesn’t dare!

Wang Chuye’s alcohol tolerance was actually worse than Li Fu’s, not to mention a bottle, he could probably only drink a few glasses before turning red-faced and flushed.

Moreover, Wang Chuye had just witnessed with his own eyes how Fang Yi drank alcohol like it was damn water, dare to drink with someone like that?

That would be courting death!

“Ah ha, looks like Young Master Wang doesn’t dare, hehe, I thought you could hold your liquor.

Turns out you’re just a wimp,” Fang Yi said as he picked up another bottle of white liquor and took a couple of sips himself.

This was undoubtedly a provocation, Wang Chuye even without having had a drink, was red-faced and flushed right now, out of anger.

However, although Wang Chuye was furious, he really didn't dare to drink, must endure, must endure!

The dishes were served, everyone started using their chopsticks, and now Li Fu had almost finished throwing up.

The waitstaff quickly cleaned everything up, Li Fu's fat face was totally red, angrily staring at Fang Yi.

A steaming hot pot was placed in front of Shen Binnan, Wang Chuye said with a smile, "Binnan, this is specially prepared for you by the kitchen staff, it can whiten and nourish the skin, very beneficial, eat more."

"Really?"

I haven't been sleeping well these past two days, let me try," Fang Yi suddenly said.

Wang Chuye felt a bad premonition in his heart.

Fang Yi had quickly taken it to his side, starting to dig in with his chopsticks and spoon.

This scene was infuriating for Wang Chuye!

This was his method of courting Shen Binnan, yet it ended up being eaten by Fang Yi.

What the hell is this?!

Fang Yi said, “Young Master Wang, don’t be angry, just have another one made, right?”

Have another one made?

More like you could eat another one too, right?

Wang Chuye fully understood now, Fang Yi was here to go against him, specifically to sabotage things.

He had finally managed to invite Shen Binnan over for once, but he hadn’t expected such a twist.

It was like Cheng Yaojin had emerged halfway, too detestable!

Therefore, during this meal, Wang Chuye was very displeased, even furious, but as for Fang Yi, it was quite the opposite.

He was very happy and delighted, eating without paying, so he ate quite liberally, to describe him as sweeping through the leftovers wouldn’t be an exaggeration.

When the meal was over, Shen Binnan elegantly wiped her mouth with a tissue, then stood up, clearly about to leave.

Wang Chuye quickly ran in front of her and said with a smile, "Binnan, don't hurry off, I still have things I want to tell you."

Shen Binnan shook her head and said, "No need, maybe some other time," then she walked around Wang Chuye toward the private room.

Fang Yi also followed out, but he was stopped by Wang Chuye, Wang Chuye said fiercely, "Fang Yi!

I'm not done with you.

Just a small bodyguard, and yet so bold, I'll make you understand the consequences of provoking me."

Fang Yi just laughed and said, "Barking dogs seldom bite.

Young Master Wang, you're not one that bites, right?"

Under Wang Chuye's angry gaze, Fang Yi left.

Getting into the car, what surprised Fang Yi was that Shen Binnan had taken the initiative to sit in the passenger seat.

Fang Yi didn't say much, and drove away from the hotel.

"You did that on purpose just now," Shen Binnan said.

Fang Yi's nose was surrounded by a fragrant aroma, he answered, "Hmm, is that Wang Chuye your suitor?"

Looks quite rich, totally obedient to you, why are you so cold to him?"

Shen Binnan said, "He's into me, but I'm not into him."

Fang Yi suddenly realized and said, "I didn't expect you to have such high standards.

So, what do you think of me?"

"You?"

"Yeah, me.

I'm so handsome, truly the best of the best."

"`

"..." Shen Binnan was momentarily speechless before asking, "Then do you have money?"

Fang Yi thought for a while.

When he was abroad, he exclusively robbed the Business Alliance, arms dealers, diamond merchants – nearly anything of value.

He didn't even know how much money he had stashed in Yunqi Bank, so he confidently said, "I have money, lots of money!"

Shen Binnan asked, "Are you sure you're not bragging?"

Fang Yi replied, "I never brag."

If you don't brag, would you be working as my bodyguard?

Shen Binnan just assumed Fang Yi was thick-skinned and his boasting wasn't realistic.

Suddenly, Shen Binnan's eyebrows furrowed, and a pained expression crossed her lovely face.

"What's wrong?"

"Are you having your period?" Fang Yi noticed.

"You..."

"You're the one having your period!" Shen Binnan retorted, "My stomach feels uncomfortable, I need to use the restroom."

“Uh...

are you kidding me?

Where am I supposed to find a restroom for you around here?” Fang Yi asked.

“You’re my personal bodyguard, and you can’t even find a restroom?” Shen Binnan was also angry.

Fuck, your personal bodyguard is just here to find restrooms for you?

However, at that moment, Fang Yi spotted a place and said, “Got it.” He pulled the car over to the side of the road.

They got out of the car, and Shen Binnan was taken aback by the sight in front of her, “An internet cafe?”

Indeed, the place in front of them was an internet cafe.

Restrooms in such places were practically public.

Shen Binnan had never been to such places before, and her face showed her displeasure.

Fang Yi sighed, “My dear Miss Shen, you’ll have to make do.

If you don't hurry, you might end up going in your skirt."

Shen Binnan clenched her teeth and spat out the word "Vulgar!"

After she finished speaking, she ran faster than anyone else straight into the internet cafe.

About fifteen minutes later, Shen Binnan came out and saw Fang Yi with a mischievous smile.

Annoyed, she glared at him and coldly said, "Think it's funny?"

Fang Yi tried to hold back his laughter and said, "To say it's not funny would be lying to both you and me.

I can't help but say, it's just too funny, haha..." He burst out laughing, almost doubling over.

"Jerk!"

Shen Binnan spat, realizing she was helpless against this shameless jerk and simply got into the car.

Fang Yi quickly followed, asking seriously, "Miss Shen, where to?"

"Home!" Shen Binnan squeezed the words through gritted teeth.

After dropping Shen Binnan off at home, Fang Yi went back to his own place.

His 'in-depth communication' with Shen Binnan that day had given him a deeper understanding of the woman, which he considered a gain.

Fang Yi started to prepare dinner when a knock came at the door.

He opened it to find the little girl, Cai Cai, standing outside.

"Uncle," Cai Cai called out sweetly.

"Come in, come in.

Uncle has already prepared dinner," Fang Yi said with a smile.

"Thank you, uncle."

Once inside, Cai Cai washed her hands and sat down at the dining table.

She ate with Fang Yi, her little face beaming with a sweet and contented smile, prompting Fang Yi to respond with a knowing smile.

It was an exceptionally warm scene.

Fang Yi often offered dishes to Cai Cai, who would thank him, and she helped him in return.

A big man and a little girl – it was a tender moment at the dinner table.

However, the warmth didn't last long.

The door was then suddenly banged on violently, followed by a loud, aggressive voice, "Open up!

Did you hear me?

Open the damn door for me, or I'll kill you!"

A look of fear appeared on Cai Cai's small face.

She was utterly frightened, her little hand holding the chopsticks trembling, "Daddy...

Daddy's here, he's going to hit Cai Cai..."

Fang Yi patted Cai Cai's small shoulder gently and said with a smile, "Don't be afraid.

Uncle is here; no one can bully you."
