

God level 481

Chapter 481

Qin Feng suddenly discovered that a god emperor was also rushing towards the direction of the fight.

The distance between the God Emperor and the Time Crystal was much closer than him.

He quickly turned into a rainbow light and shot towards the scene.

Meanwhile, the fight scene.

The two groups of men were fighting and scolding each other.

"The pigs of Yunxi City! We discovered this time crystal first, but you guys are so shameless in trying to grab it!"

"Ha ha!! joke! The treasures in this sea of spirit mist are all ownerless, and whoever grabs them belongs to them, depending on their abilities. Could it be that if you saw it, it was yours? If your wife is beautiful and I see it, can you use it for me?"

"Draft shit! court death!"

The two sides cursed with real fire, crackling and killing each other like crazy.

Occasionally, someone would take the opportunity to rush over to grab the time crystal, but they would be intercepted by the other side.

The overall strength of both sides was equal, and no one could do anything to the other for a while.

In fact, these two pairs Both groups of people are from the forces of Tianfu Star.

One group is from Yunxi City, and the other is from Xiaobei City. They are both the top 100 main cities of Tianfu Star.

Just as the two sides were fighting in darkness, a giant hand with white skin came out. Like jade, falling from the sky and slapping towards the crowd

"roll!"

A cold and arrogant voice exploded in everyone's ears!

Then the giant hand in the air clapped down, covering the sky and the earth, with the power of destroying the world!

"not good!"

"Run!"

Everyone was extremely frightened.

The God Emperor had taken action!

Boom~Long~Long~!

Two shrill screams!

The two who were running the slowest were instantly shot to pieces.

The remaining people were shot so hard that they vomited blood and flew out. The survivors survived. The victims were extremely frightened.

The two people who died were both Great Emperors of the First Realm!

They were killed instantly!

The palm of the God Emperor was extremely terrifying!

At this moment, a slender figure fell from the sky.

The person who came was a middle-aged man. A young man with white face and black hair, a cold temperament, and early cultivation of the God Emperor.

He looked at the survivors indifferently, as if looking down at a few ants, with the corners of his mouth slightly raised in a disdainful smile.

Several great emperors in the first level, He is not qualified to get such a valuable treasure.

The time crystal belongs to him!

The Black Scorpion God Emperor smiled coldly, turned and walked towards the time crystal.

Seeing this, the survivors wanted to take the opportunity to escape.

But at this moment, the alien A sudden change!

A nine-color rainbow light shot from a distance. In the blink of an eye, he arrived next to the time crystal and transformed into an extremely handsome young man. As soon as

Qin Feng appeared, he opened his mouth and sucked in the time crystal in one sip. The stone swallowed it up.

This sudden change made the whole audience confused.

"Ding! Devouring the Time Crystal Successfully.....Greatly increased time capabilities.....The awakening degree of the eighth consciousness is increased to 90%....." good! Increased by 20%!

If you swallow one more, the eighth consciousness will be complete.

Qin Feng had some unfinished ideas.

The Black Scorpion God Emperor was stunned for a while and then became furious.

At this moment, he couldn't see through Qin Feng's cultivation.

But Qin Feng's combat power and momentum is only 290 trillion, which is the level of the emperor in the middle stage of the second round.

If a small person in the middle stage of the second cycle dares to cut off his treasure, he is looking for death!

"die!"

The Black Scorpion God Emperor was furious and slapped Qin Feng with one palm.

Those survivors happened to see this scene and exclaimed. It's over!

This boy is going to be finished!

Generally speaking, the God Emperor only needs one or two moves in the early stages of his attack. , can kill a strong man in the middle stage of the second-round realm.

Boom ~ boom ~!

When that palm fell, the spiritual sea shook violently, and countless spaces collapsed.

But it failed!

Qin Feng had already turned into a rainbow light and easily avoided it.

The Black Scorpion God Emperor frowned.

The survivors around him also looked surprised.

There was something special about this young man. He could turn into rainbow light and move freely through the spiritual mist. He was also extremely fast and could easily avoid even the God Emperor's attacks.

This is also a skill!

They are both in the Wheel Sea Realm, so they can't help but envy Qin Feng.

They don't know yet that Qin Feng is not in the Wheel Sea Realm at all, but the Peak of Nine Stars.

If they knew the truth, their jaws would drop.

"Boy, do you know who this emperor is?"The Black Scorpion God Emperor also felt that something was wrong.

This young man was too fast. If he tried to run away, he seemed to be unable to catch up and had to change his strategy.

"oh? Who are you?", Qin Feng asked casually.

Facing the God Emperor, Qin Feng will not fight easily.

He is now attacking the strong and defending the weak. His attack power has long been at the level of the God Emperor, and his defense is still at the second-round level. He really wants to fight , I'm afraid there won't be any results for a while.

"This emperor is the Black Scorpion God Emperor, one of the nine great God Emperors under the command of the Lord of the Scorpio Palace of the Star Clan. This time the secret realm is opened, four god emperors have come to our Scorpio Palace"

"If you know better, just hand over the time crystal, and I will pretend that nothing happened just now!"

These words are full of threats.

He doesn't know yet that the time crystal has been digested by Qin Feng

"Ah! It turns out that they are from the Starry Sky Beast Clan!"

The corners of Qin Feng's mouth curled up slightly, and a glint flashed in his eyes.

He was very cold towards the people of the Starry Sky Beast Clan, and even had some hatred.

After this period of inquiring, he already knew a lot of things.

For example, the Starry Sky Beast Clan claimed to be the Star to the outside world. Clan.

Their supreme leader is a star lord, and below that there are twelve star palaces, named after constellations.

Scorpio Palace is one of the twelve star palaces, the palace owner is a master, and below that are the nine god emperors.

The Golden Crow Emperor, the Nightless Star Emperor, and the Gale Emperor that he killed all belong to the Scorpion Palace.

All of this is really a narrow road for enemies!

Qin Feng sneered in his heart.

Now, the people in the Scorpio Palace still don't know about the death of the Golden Crow Emperor and the Gale Emperor..

But this matter cannot be hidden. People in Scorpio Palace will know sooner or later, and he and Scorpio Palace will meet sooner or later.

But I didn't expect it to happen so soon.

"Boy, what do you think?", the Black Scorpion God Emperor smiled confidently.

He just hinted that there are four God Emperors coming to his side.

If this kid doesn't know what to expect and enters the secret realm, he won't be able to survive.

It's not just him. Thinking about it, even those few survivors thought Qin Feng was giving in.

Four God Emperors!

Who can afford to offend?

I didn't expect that Scorpio Palace would pay so much attention to this secret realm.

But I didn't expect that Qin Feng said coldly : "What if I don't give it?"

"Not giving?", the Black Scorpion God Emperor was stunned.

He did not expect this answer.

"Boy, don't think that you have the art of turning into a rainbow, that you can escape from my hands, and that you can do whatever you want. You have to understand that the restrictions in this foggy sea are temporary. Once you enter the secret realm, your advantage of becoming a rainbow is gone."

"By then, do you think you can still escape from this emperor? You must know that the majesty of the God Emperor cannot be desecrated! What's more, I still have three God-Emperor-level colleagues here. Do you want to think clearly?"

The Black Scorpion God Emperor's expression was extremely gloomy.

He was enduring

"cut!"Qin Feng was too lazy to talk nonsense and turned around to leave.

"court death!"

The Black Scorpion God Emperor was furious. This boy dared to ignore him.

His aura exploded and he was about to take action.

When Qin Feng saw the aura surging behind him, his heart also surged with anger. He really thought he was afraid!

He turned around suddenly , it's just a sword.

The Divine Fang Sword was raised, and the billions of swords of light shot up into the sky, and struck the Black Scorpion God Emperor first with one sword.

"This is?"

"Oh My God!"

The survivors were immediately dumbfounded.

This young man didn't want to hand over the time crystal, so he quickly used his speed to escape!

Fortunately, he not only did not run away, but actively attacked the Black Scorpion God Emperor

"Simply the opposite!"

The Black Scorpion God Emperor jumped with anger and faced Qin Feng's attack.

But the next second, his expression changed drastically. Something was wrong!

How could the power of this sword be... no one had reacted yet.

Click~!

The ten thousand-foot-long sword light fell.!

The attacks of both sides collided!

Boom~!

Qin Feng remained motionless, and the Black Scorpion God Emperor was struck so hard that he vomited blood and flew backwards. Under the transformation of Chaos, Qin Feng's combat power soared to about 440 trillion, and with the addition of the Seal of the God and the Divine Fang Sword Amplification.

The power of that sword exceeded 5000 trillion, surpassing most early-stage strikes of God Emperors. What the

Black Scorpion God Emperor understood was the supreme true meaning - the true meaning of the abyss, which was both offensive and defensive.

Although this true meaning was comprehensive, it was Every aspect is not outstanding.

His attack power is far inferior to Qin Feng, and his defense power cannot resist it. In an instant, the person was sent flying.

Everyone was dumbfounded.

Oh my God!

This young man actually injured the God Emperor..

You must know that the surrounding spiritual mist can restrain the power of time and space, but it cannot restrain the power of reincarnation.

With the body of reincarnation, how can the God Emperor be injured?

If you want to hurt the God Emperor, you cannot only do it if you are also the God Emperor..

But before they could figure out what was going on, a change occurred in the field. Before the Black Scorpion God Emperor could stabilize his figure, a mysterious man in a cloak appeared strangely from behind, and struck another sword, again He was hacked until he vomited blood and flew backwards.

This was the phantom clone summoned by Qin Feng

"who are you?"The Black Scorpion God Emperor looked at the two people in front of him in horror.

The auras of these two people gave him almost the same feeling, one with a yang attribute and the other with a yin attribute. The combat strength and momentum of both of them were over 400 trillion. , but the attack power can reach more than ten times the amplitude, which is terrifyingly strong.

There is another difference, one is a boy in white, and the other is wearing a black cloak.

How could heNo, these two are Qin Feng alone

"You don't care who we are!!"

Qin Feng and the shadow clones attacked again.

In an instant, the two sides fought.

The space was suddenly shaken, and the surroundings were quickly shocked.

Swish~! Swish~! Swish~!

In one moment, hundreds of thousands of The explorers rushed over.

As soon as they arrived, they saw an astonishing scene.

Two powerful men who seemed to be in the second wheel realm actually suppressed the Black Scorpion God Emperor and beat him.

It was unheard of that the second wheel realm could actually hurt the god emperor. Ah!

In just a moment, hundreds of people gathered in the field, including two god emperors.

Everyone was stunned.

The two god emperors were also surprised.

But after being surprised, the two of them smiled again.

They were all waiting for Qin Feng and the Black Scorpion God Emperor were both injured, and then took advantage.

At this moment, a sudden change occurred in the field.

The Black Scorpion God Emperor finally seized the opportunity to counterattack, and blasted Qin Feng's shadow clone into pieces with one sword.

And He was also pierced through the chest by Qin Feng's sword, and his internal organs flowed out. Both sides were injured!

Everyone was shocked.

But the next second, everyone was dumbfounded.

Qin Feng's yin and yang create each other, and the yang pole creates yin.

The shadow clone was reborn instantly, Intact, his momentum is at its peak again.

How can both sides be harmed?

This is clearly the Black Scorpion God Emperor who suffered a big loss!

"No!"

The Black Scorpion God Emperor collapsed completely, turned around and ran away with his seriously injured body!

"Ha ha! Can you escape?"

Qin Feng and his clone turned into two rainbow lights and caught up instantly.

His speed was much faster than the Black Scorpion God Emperor.

Being entangled by Qin Feng, there was only one way to die, unless he could be stronger than Qin Feng.

And stronger than Qin Feng , but could not catch up with Qin Feng.

From the beginning, Qin Feng was already invincible.

The next scene was shocking!

The Black Scorpion God Emperor was chased by Qin Feng in such a panic that he could not escape at all. Maybe.

Those who were watching became more and more frightened, and even the two God Emperors showed fear!

These two guys can't be messed with!

If the strength is not as strong as theirs, it will be a dead end!

Not long after, a shrill cry was heard in the field. Scream!

The Black Scorpion God Emperor was finally blasted to pieces!

The Flower of the Soul, the Flower of the Other Shore, the Flower of the Soul, and a storage ring remained in the air.

Qin Feng waved and put them all away.

Immediately, he raised his head Looking at the people around him, everyone was frightened and retreated.

Even the two God Emperors retreated silently.

No one dared to stay at the scene.

For a moment, there was no one else in the scene!

But Qin Feng did not expect that after this battle.

His The name of the Black and White Shuangsha spread quietly!

Some people say that the Black and White Shuangsha are two people, others say that they are one person, and everyone has different opinions.

But one thing is recognized, that is, the Black and White Shuangsha join forces, and their strength is comparable to that of the mid-stage God Emperor..

Chapter 482

After everyone left, Qin Feng and the shadow clone also chose a direction to leave.

It's not a good place to stay for a long time!

After a while, Qin Feng found a deserted place.

With a casual move, he found a flower of soul and a flower of the other side in front of him, both with twelve petals.

He opened his mouth and sucked it all in....

"Ding! Swallowing the Soul Flower Successfully.....The strength of the soul body has been greatly improved... The flower of the soul's next blooming progress has been increased to 22%.....Increased combat power by 5 trillion....."

"Ding! Devouring the Flower of the Other Shore Successfully.....The strength of the physical body and soul has been greatly increased... The flower of the other shore will bloom next time and the progress will be increased to 5%.....Increased combat power by 5 trillion....."

"good!"

Qin Feng was secretly happy.

He swallowed 30,000 Emperor Soul Pills last time, and the progress of the Soul Flower was 17%. This time it was directly increased to 22%....

When it is 100% this time, it will be a flower with twelve petals.

His Flower of the Other Side has also increased to 5%, and when it blooms again, it will have twelve petals.

Generally speaking, when a flower blooms twelve petals, it is complete and will not change again.

When the three flowers gather at the top and merge into one, it is the perfection of the God-Emperor.

Qin Feng was curious, would the flower of the soul and the flower of the other side bloom with thirteen petals?

It seems like no one in this world can do it.

Even the Overlord and Star Lord didn't do it.

Because when they reach that realm, the three flowers have disappeared. If you want the flower to bloom with thirteen petals, you must do it before the three flowers gather at the top, that is, before the God Emperor reaches the Great Consummation.

Of course, these are Qin Feng's guesses.

No one knows whether there are any flowers with thirteen petals.

In short, Qin Feng devoured two flowers in a row, and his combat power increased to 300 trillion.

Then, he waved again, and a flower of soul appeared in front of him.

The flower of the soul is the most difficult to condense among the three flowers, and it is also the most precious.

Its value is far greater than the flower of the soul and the flower of the other side.

It can be manifested only by the complete fusion of the divine emperor's origin, true meaning, divine seal, and consciousness. Its value is greater than the lotus of the soul.

However, the Lotus of the Soul only retains the origin of the God Emperor, and then combined with the spiritual energy of heaven and earth, it slowly formed.

Qin Feng looked at the flower of the soul in front of him again.

The flower only has ten petals, nine petals are black and one petal is silver.

The black petals represent the dark element cultivated by the Black Scorpion God Emperor, and the silver petals represent the power of space.

The flower of the soul can only be condensed after the flower of the other side and the flower of the soul have fully bloomed with twelve petals.

At the beginning, the flower of Yuanshen was condensed. It has nine petals, which represents the cultivation level of the quasi-god emperor.

When the power of space is placed in the flower of the soul, the flower will bloom with ten petals, and one extra silver petal will appear, which represents the early stage of the divine emperor.

If the power of time is successfully placed, the flower will bloom with eleven petals, and one more golden petal will appear, which means entering the middle stage of the God-Emperor.

If the power of reincarnation is successfully placed, the flower will bloom with twelve petals and an extra translucent jade-colored petal will appear, which represents the entry into the late stage of the God Emperor.

As for the flower of the soul with thirteen petals, I have never heard of it. It needs another mysterious power to supplement it.

When a flower blooms with twelve petals, it is complete.

When the three flowers gather at the top and merge into one, it is the Great Perfection of the God-Emperor, possessing incredible power.

At that moment, Qin Feng opened his mouth and swallowed the flower of the soul.....

"Ding! Successfully swallowed the flower of the soul (early stage of God Emperor, dark element)...obtained a large amount of dark elemental power...the small universe Hongmeng was raised to 31%...Combat power increased by 10 trillion....."

"Ding! Devouring the Flower of the Soul (Early God Emperor, Dark Element) Successfully.....Get a lot of space insights.....Spatial abilities are enhanced....."

"Ding! Devouring the Flower of the Soul (Early God Emperor, Dark Element) Successfully.....Get the true meaning of darkness.....Liangyi's True Meaning Perception is raised to 100%....Combat power greatly increased....."

"Ding! Congratulations to the host, your understanding of the true meaning of Liangyi has reached 100%....Begin to gather the divine seals...."

"Ding! Congratulations to the host for successfully condensing the Divine Seal of Liangyi True Meaning (Supreme Level)... The combat power has been greatly improved....."

In an instant, Qin Feng's momentum skyrocketed, soaring to 340 trillion

"So cool! Devouring a flower of the soul seems to be more effective than the lotus of the soul!"

Qin Feng opened his eyes happily.

He has now condensed the divine seal of Liangyi True Meaning, and is waiting for Chu Chu to come out of seclusion.

At that time, his Liangyi True Meaning and Chu Chu's Time True Meaning will be merged, and he will be able to obtain a supreme He really meant it.

Then, Qin Feng looked at the storage ring of the Black Scorpion God Emperor again, and showed joy again.

The Black Scorpion God Emperor's harvest was not small, there was a lotus of the soul, four soul crystals , there are also 700,000 star stones, and countless other treasures.....

Qin Feng directly swallowed the Lotus of the Soul, and his combat power soared to 350 trillion.

As for the four soul crystals, one is equivalent to 100,000 Xingxi stones.

Qin Feng did not move and stayed behind.

He has not used the 700,000 Xingtide stones for the time being.

"The harvest this time is really big! From this point of view, killing the God Emperor seems to be a good choice.

The corners of Qin Feng's mouth curled up slightly, and a glimmer of light flashed across his eyes.

The next second, he turned into a rainbow light, penetrated into the depths of the spiritual mist, and continued to search for treasures...

A few hours later, the reputation of the Black and White Evils began to spread in the Ziyun Sea.

At this moment, in a corner of the foggy sea.

A purple-haired woman looked into the depths of the spiritual mist.

There was confusion on her beautiful face.

She is Purple Star.

Just now, she heard a rumor.

A black and white demon appeared near this sea area.

Those two people were obviously only at the second level of combat power, but they joined forces and actually killed the Black Scorpion God Emperor.

According to the description of the rumors, one of them was wearing a long white gown and was about eighteen or nineteen years old. He had exquisite facial features and was extremely handsome.

The description looks like Qin Feng no matter how you look at it

"Could it be that one of the black and white evil spirits is Qin Feng? Who is the other person? I have never heard that Qin Feng has such powerful allies!"

Zixing muttered in her heart.

She thought it was unlikely.

Firstly, Qin Feng didn't seem to have such high combat power. The last time she met, it was less than 200 trillion, which was inconsistent with the rumored description.

Secondly, Elder Rui said that Qin Feng Wind can bring out the fighting power of the God Emperor in the early stage.

There is a big gap in strength between the early God Emperor and the middle stage God Emperor. If two God Emperors join forces in the early stage, they cannot be the opponent of the God Emperor in the middle stage.

This black and white evil is obviously stronger than Qin Feng!

"However, if Qin Feng really did it, then his situation is not good!"

Zi Xing was suddenly worried.

This time, three of the twelve palaces of the Starry Sky Beast Clan sent people, namely the Scorpio Palace, the Taurus Palace, and the Lion Palace.

Especially the Lion Palace, a deputy palace master - Jiutou came. Lion Saint.

The Nine-Headed Lion Saint is the Great Perfection of the God-Emperor!

If he knew that Qin Feng killed the Black Scorpion God Emperor, he would probably not let Qin Feng go.

Among all forces, the God-Emperor will be cherished and easily lost. No.

Fortunately!

The Nine-Headed Lion Saint is not in this sea area...

Most of the explorers in this sea area came from Tianmo City and several nearby cities.

The deeds of the Black and White Twin Evils have not yet spread from this sea area.

Nine-Headed Lion Saint The Lion Saint didn't know yet.

After all, the Ziyun Sea was too big!

At this time, Zixing suddenly thought of a question.

If Qin Feng really did it, and the Nine-Headed Lion Saint wanted to take action against Qin Feng, what should she do?

Should she help?

Her first thought was to help Qin Feng

"strangeness! How could I have such weird thoughts?!"

Zixing hates the fact that iron cannot become steel.

"That guy even looks down on me, so why should I help him? Ah! My mind is broken! I won't help this guy with a problem with his eyes!"

The more Zi Xing thought about it, the angrier he became.

"Unless he apologizes to me and falls in love with me again...."

Huh! wrong!

Why does she feel like she's cheating?

In the past two days, she had been thinking about what happened last time. Qin Feng's hateful shadow appeared from time to time, which almost made her stunned.

Just like now, she is starting to worry about Qin Feng even though she is still not sure that it was Qin Feng.

"Really! What am I thinking about?"

"Even if he was beaten to death, he deserved it! Who makes him lose his eyesight! If he had some discernment, how could he look down on me?...."

At this thought, Zixing walked away angrily.

But after walking a few steps, she muttered again

"What if he is really beaten to death? Really! This guy is not worried at all, and I am not in the mood to hunt for treasure!"

"correct! No matter how you say it, he is also my nominal subordinate and the master of Jade Qilin. I am not helping him, but fulfilling my obligation!"

"Um! That's the situation! I said, how could I keep thinking about that guy! This is entirely because I am too responsible!"

Zixing finally thought of a reason to lie to herself.

At that moment, she couldn't wait to take out the communication jade charm and send a message to the outside world.

She was using her connections to make some precautions..

Chapter 483

Soon, Purple Star transmitted the information.

It didn't take long for reactions to come from every corner of the foggy sea.

At this moment, somewhere in the sea.

Emperor Changfeng and Emperor Xingyao looked surprised

"strangeness! Why did the city lord send me a message? Could it be that she also entered the Purple Cloud Sea?"

"impossible! The city lord is the master! According to the rules of the secret realm, the master cannot step into the sea of fog. How could she come in? However, she also sent me a message!"

"Did you receive it too? Did the city lord ask you to investigate the black and white evil spirits??"

"Yes! She still asked us to pay attention to the movements of the Nine-Headed Lion Saint. If there is anything unusual, let me report to her at any time!"

"It seems we are all receiving the same information. Speaking of which, one of the black and white evil spirits who caused a sensation this time looks very much like Lord Qin!"

"Um! There is a bit of a resemblance! Is Lord Qin really that strong? If it's really him, then who is the other man in black?"

"hehe! If everything is clear, what else does the city lord want us to check? By the way, the Nine-Headed Lion Saint is here too! This guy is from the Star Beast Clan!"

"yes! If he knew about the Black Scorpion God Emperor, he would probably find trouble with the Black and White Evils. I hope Lord Qin is not one of the Black and White Evils, otherwise it would be bad....."

Both of them were worried.

At the same time, in another sea area, after Elder Xing saw the message, he silently put away the communication jade talisman, thoughtfully.

In other sea areas, many god emperors and great emperors also received the message.

Some of them were thoughtful, and some of them were confused.

"Who are the black and white evil spirits? Have not heard! Why does the Demon Lord care about this person?"

"Huh! This sea of fog forms its own space, and the outside world cannot communicate with it! Could it be that the Demon Lord has come in? How did she do it?"

These confused people are not from the Demonic City. They are in more distant seas and have not heard the rumors of the Black and White Shuangsha, so they are very confused.

They are more curious, how did the Demonic Master come in?

However, for They did not dare to disobey the instructions of the Lord of the Demonic Heaven.

This face had to be given.

For a time, many people in the depths of the fog sea received the message from Purple

Star. At this moment, in a corner of the fog sea.

Elder Xiu looked at After finishing the message, he sneered at the corners of his mouth.

"Master, what's wrong?", asked Emperor Yedu on the side.

Ever since the last time he stole the chicken but failed to lose the rice, Elder Xiu has been grudging.

Although he publicly publicized that he drove Emperor Yedu out of the house, he has actually been teaching secretly.

When no one is around, , the two of them are still master and disciple.

"Take a look!", Emperor Yedu threw the jade talisman over casually.

Emperor Yedu took it and looked at it, with a thoughtful expression on his face.

"Master and the city lord are all concerned about the black and white evil spirits, so are our previous speculations correct? One of the black and white evil spirits may be Qin Feng!"

Emperor Yedu asked in a low voice

"Well, there is a possibility!" Elder Xiu nodded slightly, his eyes cold.

"Master, if it is really Qin Feng, should we tell the city lord after we discover his whereabouts?", Emperor Yedu asked in a low voice

"Why tell the city lord? Elder Xiu sneered, "Wouldn't it be better to tell the Nine-Headed Lion Saint?"

Emperor Yedu was stunned for a moment, and then showed a knowing smile.

Behind him, a sudden change occurred.

The golden puppet behind him seemed to sense something, raised his head slightly, and looked in a certain direction.

"Huh! This puppet....", Emperor Yedu was confused.

Elder Xiu also looked at the puppet curiously

"The origin of this golden puppet is not simple! You can't seem to completely control it!"

"The master has fiery eyes! The disciple cannot completely control it because the demon spirit within it has awakened.

Elder Xiu suddenly said:"That's it!" Which demon is its demon spirit?"

Emperor Yedu replied:"The tenth-ranked Wu Ancestor among the Twelve Demon Ancestors! Elder Xiu nodded slightly:"

The twelve demon ancestors are all half-step star masters in strength, and they are extremely terrifying. It reacted like this suddenly now, just because it was afraid of something in that direction!"

Elder Xiu followed the puppet's gaze and looked into the depths of the spiritual mist.

This sea of mist is strange. It isolates the outside space and makes it an independent space. It also limits people's spiritual consciousness. Even the divine consciousness of the God Emperor is restricted..At this moment, Elder Xiu cannot use his spiritual consciousness to detect that direction.

"Master, why don't we go check it out, maybe we'll find something new!"

"good!"

At that moment, Emperor Yedu sent an order to the puppet.

The golden puppet immediately flew in the direction of his induction, and the two of them followed closely.

Ten minutes later, the two of them heard the sound coming from deep in the clouds. There was a fierce fight.

The golden puppet flew directly in the direction of the fight.

The two looked at each other and followed closely.

Not long after, the two arrived at the scene.

As soon as they saw the battle scene clearly, Emperor Yedu He showed a look of great joy.

At the scene, a heroic man with a golden puppet was fighting fiercely with a second-round monster.

Beside the two parties, a soul crystal was suspended. Yuan Shen Crystal, the effect is comparable to 100,000 Xingtide Stones, very precious.

Looking at the wild beast, it seems to have low intelligence. It was obviously born from the sea of purple clouds.

This time the spiritual explosion erupted, come out and grab it It's not just the explorers who have the treasure, the monsters in the Ziyun Sea have also come out.

At this moment, the two fighting parties are fighting for the Yuan Shen Crystal.

What surprises Elder Xiu and Emperor Yedu is that the heroic man is clearly only in the first level. Dzogchen, actually completely suppressed the monsters in the late stage of the Second Wheel Realm.

This man is extraordinary!

In fact, this man is Bai Qi!

Bai Qi has a combat power of 100 trillion, plus the assistance of the Kaitian Divine Seal, his attack is better than that of the Second Wheel Realm. The monsters in the later stage are still stronger, and with the help of the golden puppet, it is naturally extraordinary.

You know, although the golden puppet itself is not strong, the materials used to refine it are different, and even the master is difficult to destroy. Use it as a human shield is the most suitable.

This just makes up for Bai Qi's lack of defense.

Once the two sides cooperate, Bai Qi has the upper hand in the battle and actually kills the monsters in the late second round realm.

This makes Elder Xiu and Emperor Yedu see. Secretly amazed.

However, the two people's eyes quickly shifted.

One looked at the Yuan Shen Jing, and the other looked at the golden puppet. Both of them had hot eyes.

"not good!"

As soon as Bai Qi saw someone coming, he suddenly felt something bad.

When the monster saw that Elder Xiu was the God Emperor, he dived into the bottom of the sea and escaped.

Bai Qi also considered whether to give up the Yuan Shen Crystal and escape first. Let's talk about it.

But at this moment, the elder Xiu's cold voice sounded in the field.

"roll!"

"Master, let him leave the golden puppet behind and get out! If you don't stay, kill him!"

Emperor Yedu looked at the puppet next to Bai Qi greedily.

No wonder his golden puppet has a sense. It turns out that this guy also has one. When

Bai Qi heard that, he secretly thought something was wrong. He is not afraid of death, even if he is killed. , can also be resurrected by His Majesty.

But the puppet given by His Majesty must not be thrown away.

At that moment, he asked Qin Feng for help through telepathy

"You two, this puppet belongs to my master! If you want to rob it, aren't you afraid that my master will cause trouble to you two?"

Bai Qi asked for help while delaying time.

"Your master?" Elder Xiu was a little surprised.

This heroic man's cultivation level is not high, but his combat power is amazing. He has swept across the same level. To be his master, he should be no ordinary person.

"Master, it doesn't matter if he is his master or not! It's better to just kill him and silence him, then nothing will happen!"

Emperor Yedu encouraged.

He didn't have Elder Xiu's caution!

He had long been dazzled by the interests in front of him.

Elder Xiu also felt that this should be the case.

However, he also asked cautiously: "Really? So who is your master? If you are an acquaintance, I may not necessarily let you go!"

As soon as I finished speaking, an elegant voice fell from the sky.

"Elder Xiu, you guessed it right! We are really acquaintances!"

Hearing this familiar voice, Elder Xiu and Emperor Yedu were shocked.

They quickly looked up and saw an extremely handsome young man falling from the sky. The person who came was none other than Qin Feng!

As soon as he received Bai Qi's distress message, I used Space Reverse Summoning and arrived instantly.

"why you!" Elder Xiu was shocked.

Emperor Yedu on the side showed joy.

This hateful guy seems to be at odds with his master!

He didn't know yet that Qin Feng injured Elder Xiu with a palm.

Such an embarrassing thing, Elder Xiu wouldn't Maybe tell him

"Ouch! Isn't this Emperor Qin! What a coincidence! Your talent and potential are so high, why come to explore, are you not afraid of dying here? Emperor

Yedu said angrily.

But as soon as he finished speaking, Elder Xiu glared at him fiercely: "Shut up!"

Emperor Yedu was stunned.

What's going on?

The master seems to be afraid of Emperor Qin!

That's not right!

The master is the God Emperor, and he is not in Tianmo City now. What is he filming?

But in the next scene, he was dumbfounded

"Emperor Qin, since this person is your servant, please excuse me! Farewell!"

After leaving these words, Elder Xiu turned around and left.

Emperor Yedu was stunned.

He was stunned for a while, and then hurriedly followed.

"Wait!"

Behind the two of them, Qin Feng's cold voice sounded.

"how? What else does Emperor Qin have to say?", Elder Xiu frowned.

"Does the Emperor agree to your departure?", the corner of Qin Feng's mouth curled up slightly.

Just now, Bai Qi had told Qin Feng the beginning and end of the matter.

Naturally, he would not let these two people go.

"What do you want?" Elder Xiu was annoyed.

Qin Feng glanced at the puppet next to Yedu, and his heart was burning.

The Twelve Golden Man found another one

"Leave this puppet behind! And your lives!"

As soon as these words came out, Elder Xiu and Emperor Yedu were both furious.

"You just won the first place in the promotion assessment, so you dare to speak so brazenly! My master is the God Emperor!" Emperor Yedu felt that Qin Feng was unreasonable.

Elder Xiu also sneered: "Emperor Qin, it was just my elder's negligence last time. Do you really think that I was afraid of you?"

Qin Feng was too lazy to talk nonsense.

He waved and took Bai Qi into the small universe.

At the same time, the golden puppet received the order and directly killed Emperor Yedu.

Emperor Yedu's face changed greatly.

The combat power of this golden puppet reached 50 Trillions, much stronger than his puppet, and much stronger than himself.

He quickly ordered his puppet to resist.

But he was horrified to find that his puppet stood still.

He quickly turned around and ran away, but in an instant He was overtaken by the Jin puppet.

The overwhelming momentum came and oppressed him.

Emperor Yedu turned pale with fear.

His combat power was only a dozen trillion, so how could he be the puppet's opponent?

"stop!"

As soon as Elder Xiu saw that Emperor Yedu was in danger, he was about to rescue him.

But Qin Feng came with a sword.

In the past few hours, his basic combat power has soared to 380 trillion.

Chaos Transformation!

Fire Pole Star Combined!

Qin Feng's combat power instantly soared to 670 trillion!

Under the Kaitian Divine Seal!

The attack power exploded!

That sword made the world eclipse!

The surrounding light was condensed by that sword, and the murderous aura was overwhelming and powerful, slashing and slashing. Down.....

"This...this is impossible!"

Elder Xiu's face changed drastically, and he panicked and threw out a spiritual shield.

Click~!

The spiritual shield shattered!

A sword flew away!

Click~! Click~! Click~!

Elder Xiu's body cracked and blood spurted out!

At this moment In an instant, Qin Feng's phantom clone suddenly appeared behind Elder Xiu, and split Elder Xiu in half with a single sword.

Emperor Yedu was completely frightened!

The next second, his heart hurt, and a spear stabbed him. It pierced his chest.

He endured the severe pain, and when he looked back, it was his own golden puppet who assassinated him.

This golden puppet had rebelled!

But before he could think about it, Qin Feng's golden puppet arrived. Kill him with the sword,.....

At the same time, the elder Xiu who was split into two parts automatically merged and was reborn.

Qin Feng and his clone joined forces and attacked crazily.

In just a moment, Elder Xiu was completely killed.

What remained in the field was a flower of soul, a flower of the other side, a flower of soul, and a storage ring...

This time, Qin Feng killed Elder Xiu more than ten times faster than the Black Scorpion God Emperor. , his strength has greatly improved again..

Chapter 484

The next second, Qin Feng released the Xingji Fusion and Transformation, opened his mouth and sucked in, and swallowed Elder Xiu's three flowers.

"Ding! Swallowing three flowers successfully.....Increased physical strength.....The soul strength has been increased... The Hongmeng transformation of the small universe has been increased to 43%....Combat power greatly increased....."

"Ding! Get the true meaning of wind element.....The perception of the true meaning of everything (supreme level) has been raised to 17%.....Increased combat power...."

Afterwards, Qin Feng put away Elder Xiu's storage ring and sucked in Emperor Yedu's loot with a wave of his hand.

After the death of Emperor Yedu, only a ten-petal Flower of the Other Side, a ball of basic building blocks, and a storage ring remained.

Emperor Yedu was only in the early stage of the First Stage, so he could only gather the Flowers of the Other Shore.

After entering the Wheel Sea Realm, the divine seal and the origin were completely integrated to form the foundation-building origin.

Qin Feng swallowed two things directly.....

A moment later, he made a surprise discovery.

Emperor Yedu's Flower of the Other Shore and Basic Building Source did not greatly improve his strength.

But the true meaning that Emperor Yedu realized was the true meaning of the top fire element.

The true meaning of fire can not only enhance the perception of the eternal true meaning, but also enhance the perception of the true meaning of all things.

Not long after swallowing it, Qin Feng's true meaning of all things increased to 20%, and his true meaning of unending was finally raised to 100%, condensing the divine seal of unending true meaning.

In this way, Qin Feng only had the true meaning of Wanxiang without condensing the divine seal, and all other true meanings were completed.

As soon as the Fuxi Divine Seal came out, his combat power soared again, reaching 420 trillion.

After doing this, Qin Feng raised his head and looked at the golden puppet not far away.

That was the puppet of Emperor Yedu.

It is twinkling with spiritual light and somewhat intelligent.

This is somewhat similar to my own golden puppet

"Are you willing to follow me?", Qin Feng asked calmly.

The puppet hesitated for a while, then strode up to Qin Feng and lowered his head slightly.

Qin Feng was happy, obviously the puppet recognized it.

The puppet's spiritual predecessor was the Demon Ancestor, and he had his own Arrogance, without its own consent, is difficult to control with the soul seal alone.

For example, Emperor Yedu, he could not completely control the puppet because the puppet spirit did not recognize his identity.

At the moment, Qin Feng stopped talking nonsense and directly talked to The puppet signed a contract with all living beings.

There was telepathy between the two of them.

Qin Feng could feel the puppet's thoughts and recognized himself.

What made him even more delighted was that the puppet had such thoughts and was also influenced by his own puppet. The influence of the puppet.

There is communication between the puppet and the puppet, and they can also sense each other!

This will be of great help to him to collect the twelve golden people.

Swish~! Swish~! Swish~!

At this moment, seven or eight sounds broke through the air. Coming from a distance!

Obviously, the fighting here has alarmed everyone around.

It is not suitable to stay here for a long time!

Qin Feng turned into a rainbow and disappeared deep into the spiritual mist.....

Not long after, seven or eight figures arrived at the scene.

But the scene had long since been deserted, leaving only the smell of blood in the air.

These people watched for a while and then left.

No one knows what just happened.

However, the movement here just now was extremely terrifying.

Many people speculated that it was probably a fight between the gods and emperors.

At the end, three more figures came.

These three people are all God-Emperors, and one of them is a mid-stage God-Emperor.

At this moment, the three of them spied on the scene, and everyone looked at the powerful mid-level God Emperor.

She was a beautiful woman in a red dress, her red lips were as bright as fire, and she was very beautiful.

Her figure is even more voluptuous, and she is also dressed very hotly. The gauze skirt is semi-transparent, looming, and very sexy.

But the two powerful early-stage God Emperors did not dare to show any blasphemy in front of her, and looked extremely respectful.

This woman is not an ordinary middle-stage God-Emperor.

She is considered a strong person in the middle stage of the God Emperor.

She is good at illusion, charm, and lust.

If you are deceived by her appearance, you will die without leaving a trace.

In fact, a powerful mid-stage God Emperor had died in her hands.

She is the Snake and Scorpion Queen of the Starry Sky Beast Clan, Scorpion Palace, and one of the Nine God-Emperors.

"What did you find?" The Snake Queen looked at the two of them.

"Sir, I discovered that there are two types of blood mist remaining in the air. One is for the First Stage, and the other is for the early stage of the God Emperor."

The Blood Centipede God Emperor analyzed it carefully.

He is also one of the nine great God Emperors of the Scorpio Palace. In the early stage of the God Emperor, his status was not as good as that of the Snake Queen.

And his hobby is to suck all kinds of spiritual blood, and he has a very high degree of recognition of blood.

The Snake Queen Nodding slightly:"So, a strong man in the early stage of the God Emperor was injured here just now!"

"Sir, I'm afraid the situation is more than that simple!"

Another God Emperor reported, it was a skinny old man named Soul Mandrill God Emperor, one of the nine great God Emperors of Scorpio Palace.

"How to say?"The Snake Queen looked at the old man.

Soul Mandrill God Emperor said:"Sir, I sensed a trace of dissipating soul power in the air. That is the soul power of the early stage of the God Emperor!"

As soon as she said these words, the Snake Queen was shocked.

The Blood Centipede God Emperor also looked shocked.

"You mean, a god emperor died here just now?", the Snake Queen asked in surprise

"This is impossible! The fight just now was extremely short! If you can kill an early God Emperor so quickly, how powerful is that?!"

The Blood Centipede God Emperor couldn't believe it.

The Soul Mandrill God Emperor smiled bitterly: "I don't want to believe it either, but that's the fact!"

Hiss~!

The Blood Centipede God Emperor couldn't help but take a deep breath of cold air.

The Snake Queen also frowned.

In such a short period of time, they can kill an early stage God Emperor.

Even if the three of them join forces, it will not be easy. Arrive.

Who is this person?

How could he be so strong!

"Do you think it's possible that it's a combination of black and white?", the Snake Queen suddenly asked

"This is absolutely impossible!"

The Soul Mandrill God Emperor and the Blood Centipede God Emperor actually shook their heads in unison.

The Blood Centipede God Emperor said again: "The Black and White Evils killed Brother Black Scorpion, and many people witnessed it. It took them almost an hour. But the fight just now took no more than five minutes."

"Judging from this time gap, there is a huge gap in strength between the two sides. Unless the strength of the black and white evil spirits doubled.

Soul Mandrill God Emperor nodded:"That's right!" But it had been less than a day since the Black and White Demons killed Brother Black Scorpion. How could their strength improve so quickly? I think there should be two groups of people!"

The Snake Queen nodded slightly:"That makes sense! Let's go and continue looking for the black and white evil spirits! Let's not mess with that person just now!"

"yes! grown ups!"

At this moment, the three people identified it carefully and roughly estimated the direction in which Qin Feng left.

The three people left in the opposite direction.

They did not want to meet the unknown mysterious master.

What a pity! They did not know that the unknown master The mysterious master is Qin Feng they are looking for.

Since Qin Feng killed the Black Scorpion God Emperor, the news came out.

The three people gathered together and started looking for the Black and White Evils.

They wanted to avenge the Black Scorpion God Emperor.....

On the other side, Qin Feng left the battlefield.

It didn't take long for him to find a deserted place.

Qin Feng scanned it with his spiritual consciousness and found that there was no one within tens of thousands of miles.

He took out Elder Xiu's storage ring, which contained only two to three hundred thousand Xingxi stones, which was a bit poor.

However, there are five or six Yuan Shen Crystals and more than twenty Yuan Ling Pearls, which are worth millions of Xingxi stones.

As for the lotus of the soul, there is not even one.

Qin Feng looked through Emperor Yedu's storage ring again and found five or six hundred thousand Xingxi stones, which was richer than Elder Xiu.

Qin Feng understood after a moment's thought that this was the reward of Emperor Yedu's promotion to the Star Territory.

I just didn't expect that Qin Feng got the advantage in the end.

After counting the loot, he didn't find the Lotus of the Soul, and he didn't use the other items.

He planned to leave those soul crystals and the like for the babies and the others.

Then, he waved again, and a golden puppet appeared. It was the one he had just conquered.

"Collect the remaining spirits yourself!"

Qin Feng waved his hand, and the magic flag flew towards the golden puppet.

The golden puppet nodded slightly to Qin Feng, picked up the magic flag, and began to summon...

The next second, the golden puppet transformed into millions of people. , standing upright, and then waved the flag in his hand.....

In an instant, the situation in the world changed.

Billions of miles of demonic clouds rolled, the power of heaven was mighty, and a mysterious power quickly spread to the entire spiritual sea, covering the entire sea of purple clouds.

Immediately afterwards, it spread outside the spiritual sea and enveloped the entire Tianfu Star Territory.

The remnant spirits of the Demon Ancestors scattered in every corner of the Purple Cloud Sea Spiritual Mist, as well as in every corner of the Tianfu Star Territory, were awakened one by one, gathered and fused from all directions.....

For a moment, the phantom of a demon god hundreds of millions of feet tall slowly appeared above the demon cloud. It was so majestic that it shocked the heavens and the earth!

At this moment, many people near Ziyunhai were shocked.

One by one, they raised their heads and looked up at the magic clouds in the sky.

Some are surprised, some are curious, and some are confused.....

Qin Feng raised his head and looked up at the Demon God in the sky.

I saw the devil with eight human faces, a tiger body and ten tails, and a wild python under his feet!

That is none other than Hao Zu, ranked tenth among the Twelve Demon Ancestors, who controls the power of wind, and is also the true spirit of this golden puppet!

At this time, the phantom ghost of Hao Zu fell from the sky and landed on the golden puppet.

In an instant, the golden puppet became violent, soaring all the way.....

It lasted for a full quarter of an hour before the remnant spirit of Hao Ancestor and the remnant spirit of the Golden Man Puppet were completely integrated, and their combat power soared to 100 trillion.....

This combat power is comparable to Bai Qi!

In the blink of an eye, the golden puppet completed the summons.

At this moment, its eyes lit up with spiritual light, and it looked at Qin Feng with a hint of gratitude.

The next second, it walked towards Qin Feng and respectfully returned the demon summoning flag.

Qin Feng smiled slightly: "In order to distinguish you from now on, I will call you Haozu Puppet. The other one will be called Shezu Puppet!"

The puppet nodded slightly, as if in agreement.

Qin Feng waved again and summoned the Shezu puppet.

Later, he asked the Shezu puppet to collect the remaining spirits by himself.

Just now, he sensed that a large part of the remaining spirits collected by Haozu's puppet came from the depths of the spiritual mist.

This reminded him of a rumor.

In the ancient battle of Ziyun City, all the Twelve Golden Man puppets participated. There must be a large number of remnant spirits of the Demon Ancestor left in that ancient battlefield.

This time the Purple Cloud Sea Spirit erupted, and some of the remaining spirits were taken out of the secret realm.

Therefore, when the Haozu Puppet collects the remaining spirits, many of them come from the spiritual mist.

Then there must be the remnant spirit of She Ancestor in this spiritual mist!

At that moment, Qin Feng asked the Shezu puppet to summon the residual spirit!

After a while, the world changed color again.

Sure enough, there really is the remnant spirit of She Ancestor in this spiritual mist.

In just a quarter of an hour, a large number of residual spirits were collected, and the combat power of the Shezu puppets soared to 100 trillion.

At the same time, deep in the spirit mist sea, in a corner.

Two strong men with auras as deep as the abyss were looking hundreds of millions away, where Qin Feng was.

These two people, one with a beard and a full face, are extremely majestic.

One person has a lean face and a divine light in his eyes.

The cultivation of both of them is the Great Perfection of the God-Emperor

"Did you feel it?", the strong man with a beard asked in a low voice

"Um! It's Ancestor She and Ancestor Hao! This is also expected!", the skinny old man replied

"yes! The Lord of Ziyun was the number one weapon refiner in ancient times. These twelve gold figures were refined by him. If you want to truly unleash the combat power of the Twelve Golden Men, you must find the Great Roulette of Heaven and Earth! The skinny old man nodded:"

I'm afraid not many people know this secret!" If Star Lord hadn't told us, we wouldn't have known!"

"Let's go! Let's see who owns those two puppets....."

"In my opinion, there's no need to go so far! By the time we arrived, the man had already left...."

"What's more, puppets are not important, what is important is the great roulette of heaven and earth! Star Lord has already prepared a puppet replacement. Our mission this time is just to find the Great Roulette of Heaven and Earth....."

The strong man with a sharp beard nodded:"That's right! The Twelve Golden People are too old to be gathered together. Even if they are gathered together, they are not at the peak of their strength. They are too slow to train and are not as good as the substitutes that the Star Master has prepared now."

"As long as we find the Great Roulette of Heaven and Earth, our forces will immediately have an additional star master to fight. At that time, there is no need to always look at the face of the Star Alliance!

The old man smiled slightly:"There are still four days until the spiritual explosion ends." At that time, the secret realm will be opened, and you and I can go in and search for it!"..

Chapter 485

At this moment, the strong man with a sharp beard changed his expression, as if he sensed something. He took out the communication jade talisman and took a look.

After a moment, he frowned slightly

"What's wrong? Lion Saint?", the old man asked in a low voice

"Sent by the Snake Queen!", the strong man with a sharp beard seemed unhappy.

It turned out that he was the nine-headed lion saint.

"Femme Queen? Isn't she from the Scorpio Palace? How did it find you?", the old man was curious

"snort! If it was a good thing, how could she think of me? It's not like it's causing trouble! Take a look!"

The nine-headed lion saint handed the messenger jade talisman to the old man.

After reading it, the old man smiled slightly: "The black and white evil spirits! interesting! These two second-round realms can actually kill the Black Scorpion God Emperor by joining forces. They are two good prospects."

"Do you think I should take action?" The nine-headed lion saint looked at the old man.

The old man sneered slightly: "What does it mean if the Black Scorpion God Emperor dies? do not forget! You and I are here with a secret mission from the Star Master. The secret mission of finding the Great Roulette of Heaven and Earth is the most important thing"

"Let alone the Black Scorpion God Emperor, even if the three of them, the Snake Queen and the Scorpion Queen, are dead, they are not as important as the Great Roulette of Heaven and Earth, so you should not act rashly, it is best to keep a low profile."

The old man's expression was very serious.

The nine-headed lion saint nodded slightly: "Yes! If it weren't for the special nature of Ziyun's secret realm, the master would not be able to enter. This task is not your turn yet. Now, the Star Lord has secretly taught you and me this task, which is our great opportunity!"

"As long as you understand, don't lose the big for the small. After all, this is still the territory of the Star Alliance, and we have no advantage!", the old man handed back the communication jade talisman.

"Helping Scorpio Palace is a matter of affection, but not helping is also the freedom of the saint. As long as this doesn't happen in front of my eyes, I'll pretend it's nothing!"

The Nine-Headed Lion Saint silently put away the jade talisman.

The twelve palaces in the starry sky are all doing their own thing.

He is from the Lion Palace, so it is normal not to help the Scorpio Palace.

"It's up to you! I withdrew first! In this secret mission, you and I are in the light and the other in the dark. It's best not to reveal my identity!"

"Do not worry! I know it clearly in my holy heart!"

"Farewell!"

The old man's figure flashed and disappeared in the thick clouds.

The nine-headed lion saint looked at the old man's back, thoughtfully.

They are both the God Emperor's Great Perfection, but this old man's strength is superior.

Outsiders only know that, The Starry Sky Clan came to him, a God-Emperor, Great Perfection, but they didn't know the existence of the old man.

Speaking of which, this time the Starry Sky Beast Clan came to three palaces.

He was the leader of the Lion Palace.

Four people came to the Scorpion Palace, headed by the Snake and Scorpion Queen..The other one is Taurus.

But the old man is not from Taurus, Leo or Scorpio.

"Black and white?!"

The nine-headed lion saint smiled coldly and disappeared into the clouds.

At the same time, on the other side.

Qin Feng was very satisfied when he saw that the two puppets in front of him had reached 100 trillion combat power.

The next second, he would Released

"Tsk!! Tsk!!Your Majesty, these two puppets have become so powerful!"

Bai Qi looked at the two puppets and was amazed.

Qin Feng smiled and said nothing.

At this time, Bai Qi said happily again:"Your Majesty, my subordinates have gained a good harvest this time. Take a look!"

Bai Qi handed over a storage ring as if offering a treasure.

Qin Feng took it and looked at it, and couldn't help but smile.

Bai Qi had a good harvest. He actually got a dozen Yuan Shen Crystals and a Yuan Shen Lotus.

This harvest is actually better than the Black Scorpion God Emperor and Elder Xiu

"good! Your gains are better than those of ordinary early God Emperors! It seems that your luck is very good now! I accept this Lotus of Soul! Keep the rest for yourself!"

"Your Majesty, your small universe needs a lot of vitality right now. Please accept these soul crystals as well!"

Bai Qi is very sincere.

He is loyal to Qin Feng

"No need! The amount of energy I need to consume is very large. I can just use the Lotus of Soul to replenish it. Keep these Soul Crystals for yourself!"

Qin Feng only took out the Lotus of the Soul.

Bai Qi had to take back the ring.

Then, Bai Qi continued to hunt for treasures.

This time, Qin Feng arranged for the Haozu puppet to follow Bai Qi.

The puppet's strength increased greatly, and Bai Qi felt more confident..

With him and the puppet teaming up, even if he encounters someone who is in the second round of perfection and cannot be beaten, he still has a chance to escape, and even has a chance to seek help.

After Bai Qi left, Qin Feng swallowed the lotus of the soul in one gulp...

His combat power increased again to 430 trillion.

This is getting closer and closer to the 500 trillion of the second-round perfection.

Then, Qin Feng sent the phantom clone to hunt for treasure.

After doing this, he was ready to leave.

But At this time, there was movement in the small universe within his body, and the surrounding spiritual mist was like a rushing tsunami, converging towards him.

This spiritual mist was originally composed of vitality, and its concentration was extremely high.

As he absorbed it, the vitality vibrated for thousands of miles, forming a vortex..

The earth was shaking!

Many explorers nearby were alarmed, and they looked at each other with confusion.

But Qin Feng looked happy.

"Ding! Congratulations to the host, your Wind Pole Star follower (Chu Chu) successfully built the foundation, successfully broke through to the early stage of the Great Emperor, and increased its combat power to 100 trillion....."

"Ding! The Liangyi True Meaning Divine Seal (host) and the Time True Meaning Divine Seal (Chu Chu) began to merge automatically....."

"Ding! The automatic fusion is successful. Congratulations to the host for obtaining the Supreme True Meaning Divine Seal - Wuji Divine Seal (stored on Fengji Star).....Host combat power increased to 500 trillion....."

"Ding! Congratulations to the host, your Xingji follower (Feng) Chuchu has obtained the Wuji Divine Seal (to the highest level)...the combat power has been increased to 150 trillion....."

The great yin and yang, the infinite Taiyi!

Taiyi, Liangyi, Fourxiangs and Bagua!

The Eight Diagrams are clear and the sky is the only one in all realms!

"Haha!! Another supreme divine seal!"

Qin Feng was ecstatic!

"elder brother! I want to come out!", Chu Chu's excited voice sounded in Qin Feng's mind.

Qin Feng's mind moved.

In a flash of light and shadow, a pretty girl appeared in front of Qin Feng.

Qin Feng's eyes lit up.

With this breakthrough, Chu Chu changed again, as if She has grown up a bit, and has become like a sixteen or seventeen year old, completely ready to bloom, delicate and charming.

Her skin is as fair as jade, and her facial features are extremely delicate, and she is extremely beautiful.

"This girl has really grown up!"

Qin Feng sighed, his eyes fell from Chu Chu's face, and he was stunned for a moment.

This girl seemed to have not only changed in size and appearance, but also her breasts were much more spectacular. It was really a woman's eighteenth transformation!

"elder brother!", Chu Chu actually imitated the baby and rushed forward excitedly.

Qin Feng didn't pay attention, and he bumped into his arms, and the girl's unique fragrance entered his nose.

"So big! Still like this!"

Qin Feng felt that his chest was being squeezed and suffocated.

He couldn't explain clearly, so he pushed away with a smile.

Chu Chu raised her mouth in displeasure: "Why can the baby be like this? I can't! We are all a family, does the brother not like his sister, but only favors the baby?"

The tone was a little jealous.

Qin Feng was speechless: "The baby is only five or six years old, and you are fifteen or sixteen years old, can you compare!"

"what the hell! You're not considered an adult until you're eighteen, and I'm still a kid. If you don't hug her, you won't have a chance to hug her when she grows up!"

Chu Chu hugged Qin Feng's arm and acted coquettishly.

Qin Feng glanced at her already well-developed figure and didn't know whether to laugh or cry.

This child knew how to tell lies with open eyes. She had already developed a long time ago, and she said she was not developed yet. It's mature when it grows

"neat! Let's get down to business, look around here!", Qin Feng changed the topic

"Huh! where is this?"

Chu Chu looked around in surprise.

She had always only had eyes for this brother.

Although the two were not related by blood, their relationship was closer than blood.

She was so focused on being happy just now that she didn't notice the scene around her. Only now did she realize that something was wrong.

"This is the Sea of Purple Clouds, and now is the period of spiritual mist eruption....."

Qin Feng gave a brief introduction.

After hearing this, Chu Chu became excited again

"Brother, let's hunt for treasure separately! By the way, it seems that the baby's foundation building hasn't finished yet! If she were here, there would be one more person"

"She is almost successful!"

Qin Feng smiled slightly.

Chu Chu has the potential to be a low-grade dominator, and Bao Bao has the potential to be a high-grade dominator.

The higher the potential, the longer it will take to build the foundation.

But once the foundation building is completed, the increase in strength will be extremely terrifying.

"That's good! Brother, you have to work hard, I am the emperor now, and the baby will be the emperor soon. You haven't started building the foundation yet, so you won't be able to keep up with our progress!"

Chu Chu joked.

Qin Feng smiled: "Your brother's path of cultivation is different from yours, so we can't compare like that!"

"whee! Just kidding! No one in this world is worthy of comparing with my brother! Brother, then I'm leaving!"

"Let this Shezu puppet follow you!!"

"Great! Brother, I want to help you collect more treasures you need!!"

After saying this, Chu Chu took the Shezu puppet and left happily.

Looking at Chu Chu's leaving back, Qin Feng smiled with relief.

What Chu Chu understood was the Wuji Divine Seal, which is both offensive and defensive..

In terms of survivability, Chu Chu is stronger than Bai Qi.

After all, Bai Qi's Kaitian only has the ultimate attack

What's more, Chu Chu's combat power is higher than Bai Qi's.

He was relatively relieved about Chu Chu venturing out alone.

At that moment, Qin Feng ducked and disappeared.

He's going to speed up his treasure hunt.

Chu Chu was right, she and the baby were both close to becoming emperors.

Among the whole family, he is the slowest in cultivation, so he needs to speed up to make a breakthrough..

Chapter 486

In a blink of an eye, the first day passed.

Qin Feng collected seventeen soul lotuses one after another.

This kind of harvest is definitely the first among all, and even the most powerful God Emperor Dzogchen at the top level is far behind.

For example, the Nine-Headed Lion Saint and Purple Star only collected two or three soul lotuses in the whole day.

Time flies.

In the blink of an eye, the next day passed.

Qin Feng collected eleven soul lotuses, transforming the small universe into a 57% Hongmeng, and his combat power increased to 620 trillion.

Soon, the third day passed.

Qin Feng only collected six lotuses of the soul, and the small universe became 66% Hongmeng, and his combat power increased to 700 trillion.

The harvest is getting less and less day by day.

In fact, Qin Feng collects many more treasures than anyone else every day.

Just a few days later, there were fewer and fewer treasures in the spiritual mist, and it became more and more difficult to find the treasures.

On the third day, many God-Emperors began to get nothing.

It is already a miracle that Qin Feng can still find six lotuses of the soul.

Of course, in addition to the Lotus of the Soul, Qin Feng collected more than a hundred Soul Crystals and hundreds of Soul Beads in the past three days.

He kept these treasures as spares.

At the same time, changes began to occur in the spiritual mist.

Because the treasures were becoming less and less and almost impossible to search for, everyone began to snatch the treasures from other people.

Various robberies, fightings, ambushes, and betrayals began to take place slowly, and became more and more intense.

Some explorers who were not very powerful began to look for hiding places.

Some people who feel they have strength take the initiative to find targets and hunt them.

More people form groups and use the power of the team to protect themselves and hunt..

Killing people and grabbing treasures has become the main theme.

There are fewer and fewer loners.

Every time Ziyun Secret Realm starts, such a cruel scene will happen.

On the fourth day, sounds of fighting and screams continued to be heard from every corner of the Lingwu Sea.

The fighting between the explorers became even more fierce!

A smell gradually appeared in the sea of fog, and that was the smell of blood.

The entire foggy atmosphere became oppressive.

The explorers became cautious and nervous.

Even though the situation in the sea of fog became dangerous, no one left the sea of fog.

As long as you exit the spirit mist area and want to come in again for the second time, you will be blocked by the will of the secret realm.

That's the rule!

The next secret realm is opened, let alone entering it, the great opportunity of Ziyun Secret Realm will be missed.

It is precisely because of this that no one wants to quit, and no one wants to lose the opportunity.

You know, the real opportunity is still within the secret realm.

Everything now is just an appetizer.

In addition, there is another special thing about Wuhai.

That means it can isolate all detection and all deductions.

Therefore, people outside do not know about killing people in the sea of fog.

Even if they killed the descendants of the Lord, they would not be able to figure out who killed them.

In other words, this is the will of the secret realm encouraging fighting.

At this moment, somewhere in the sea.

Qin Feng was floating in the sea of fog and looked around.

On the fourth day, there were fewer and fewer treasures in the fog.

He searched for several hours before finding a few Yuan Shen Crystals, but not a single Yuan Shen Lotus.

This can't go on!

His mini-cosmic Hongmeng transformation is only 66%, and he still needs a lot of soul lotus.

If he wants to break through to the realm of the Great Emperor, he must turn the small universe into a grand dream of 100%

"It's been so long, baby is about to have a breakthrough, right??! ", Qin Feng muttered in his heart.

According to his estimation, the baby should have a breakthrough today.

He also hopes that the baby will break through soon.

That way, after entering the secret realm, the baby can also participate.

Thinking of this, Qin Feng sensed Chu Chu and Bai Qi again.

Both of them are his star followers, and he can sense their location at any time.

At present, it seems that the two of them are not in danger for the time being.

If there is danger, both will call for help.

What's more, as long as Qin Feng is immortal, the two of them can be resurrected even if they are killed.

"Let's keep looking!", Qin Feng was about to leave.

But at this moment, his communication jade talisman sensed.

Qin Feng quickly took it out and saw that someone was asking for help. But the person asking for help was not Chu Chu or Bai Qi, but actually Elder Xing is not far away.

Qin Feng quickly put away the jade talisman, turned it into a rainbow light, and rushed towards Elder Xing's position.

People respect me one foot, and I respect others ten feet.

Elder Xing helped Qin Feng.

Qin Feng naturally wanted to help.

At the same time, hundreds of thousands of miles away, two groups of people were confronting each other.

There were only a few dozen people on one side, and a hundred people on the other side.

The leader of the group of more than twenty people was none other than Elder Xing. , and there is a white-haired old man.

This white-haired old man is another elder of Tianmo City - Elder Cang, who is in the early stage of cultivation as God Emperor.

Behind the two of them, the twenty-odd elemental masters are all first-level and second-level Realm experts.

Emperor Xingyao and Emperor Changfeng are also among them.

In fact, these twenty or so people are all official personnel of Tianmo City.

Now the fog sea is full of dangers, and everyone has gathered together.

But at this moment, they were intercepted.

The other party There are four God-Emperors, all in the early stages of God-Emperor, and a hundred masters above the First Level.

"Xinghui, Canglin, if you know each other better, you can ask your subordinates to hand over the storage ring. We will let you go!"

"If you don't know what's going on, if a fight breaks out, not many people in your Demonic City will survive, and even the storage rings you two may lose!"

A god-emperor opposite made a threat.

The three god-emperors beside him also showed a proud smile.

Now that they are more powerful, they want to rob the people of Tianmo City.

Of course, they also have a bottom line, that is, the elders of Fudo Star and The interests of Elder Cang.

These two are God Emperors. If they really fight, they will not be killed and difficult to control, so they only grab those in the first and second realms. As soon as the God Emperor finished speaking, everyone in Tianmo City panicked. They looked at Elder Xing and Elder Cang one by one.

Many of them looked pleading.

In the past three days, they had worked hard to grab the treasures, but they did not want to give them away.

Elder Xing and Elder Cang also frowned.

They He didn't want to betray his men, but the opponent was too strong.

If there was a fight, he and Elder Cang could still escape, but these men would probably die.

So which one is more important, life or treasure?

"God Emperor Baihe, fellow Star Territory Alliance people, do you really want to do this?" Elder Xing asked coldly

"That's right! We are all members of the Star Alliance. Is it inappropriate for you to do this?"

Elder Cang also looked at the four God Emperors opposite.

The strongest among the four is God Emperor Baihe. His cultivation is at the peak of the early stage of the God Emperor, and his combat power is close to 2000 trillion.

God Emperor Baihe has a fair face. A middle-aged man with a goatee and a sly smile

"hehe! The two of them, Bai, did not take action immediately because they were both members of the Star Territory Alliance. In fact, the moment you enter this sea of purple clouds, there are only differences between interests, not alliances or non-alliances."

"What's more, we are people from Jumen Star, not from your Tianfu Star, let alone from your Tianmo City. Giving you the opportunity to hand over the ring is an act of kindness and justice."

God Emperor Baihe stroked his beard gently and sneered at the corner of his mouth. After hearing this, the faces of the people from Tianmo City turned ugly.

Elder Xing also looked anxious.

At this time, Elder Cang's message rang in his ears.

"Xinghui, what should I do? Otherwise, let them hand over the ring! Losing your treasure is better than losing your life! Where there is life, there is hope! Hearing this

, Elder Xing quickly sent a message:"Wait a minute!" I just sent a summons to Emperor Qin. He said he was nearby and might arrive soon. Elder

Cang shook his head slightly and continued to transmit the message:"Xinghui, I think you were seriously ill and sought medical treatment!" Even the two of us can't control the situation. What's the use of finding a star master who has just been promoted to the fifth-level star field? Could it be that Emperor Qin really had the early fighting power of the God Emperor?"

"Of course! Otherwise, Xing would not ask him for help!"

The two communicated secretly, and the Baihe God Emperor seemed to be aware of it.

He sneered and said:"What are you two muttering about? Are you asking for help? As far as I know, there are only three God Emperors from your Demonic City. Another elder cultivator seems to be missing. Who are you still looking for?"

Elder Xing frowned slightly.

He had indeed sent a message to Elder Xiu before, but unfortunately there was no response.

Elder Cang seemed to have thought of something and said in a deep voice: "Bai He, you have inquired very clearly about the situation in our Demonic City!"

"Ha ha!!" God Emperor Baihe stroked his beard proudly, "The so-called knowing yourself and your enemy means you will be victorious in every battle. If you don't know a little bit about the situation in your Demonic City, how could Bai take action so easily? To put it bluntly, the persimmon should be pinched softly!"

As soon as these words were said, everyone in Tianmo City was furious.

This guy actually said that the people in Tianmo City are soft persimmons!

Tianmo City is one of the top 100 main cities in Tianfu Star. It has its own character, how can it be called soft persimmons!

"Baihe, you say we are soft persimmons?!" Elder Xing was angry.

God Emperor Baihe smiled and said nothing, but the ridicule in his eyes was obvious.

A God Emperor beside him even said impatiently: "Whether he is a soft persimmon or not, you know in your heart! Stop talking nonsense now. Do you hand over the storage ring or hand over your life?"

Another God Emperor also said: "Just say you are soft persimmons, so what?" Don't challenge our patience! Hand over the storage ring quickly!"

The God-Emperors of Jumenxing became impatient.

The people in Tianmo City were angry and nervous.

At this moment, a cold snort sounded above everyone.

"court death!"

Everyone was startled and quickly looked up, and saw an extremely handsome young man in white falling from the sky!

"Brother Qin Huang!"

"It's Lord Qin!"

Elder Xing showed joy when he saw the visitor.

Emperor Xingyao and Emperor Changfeng were also pleasantly surprised..

Chapter 487

Seeing Elder Xing's happy expression, the members of the Demonic City were overjoyed and thought they had a powerful helper.

Emperor Baihe and others were also shocked.

But when they saw Qin Feng's aura, the hearts of everyone in Tianmo City sank.

Emperor Baihe smiled!

A young man with a combat power of about 700 trillion is indeed very strong, but he is clearly in the second round.

The gap between the second round realm and the God Emperor is huge.

Even if their combat power is the same, the second-round realm is no match for the God Emperor, because the God Emperor has mastered the power of reincarnation.

Under the same combat power, the second-round realm is not even qualified to harm the God Emperor.

Not to mention, Qin Feng only has 700 trillion combat power.

With such strength, facing the weakest God Emperor in the early stage, he could only get beaten and run away, but he could not change the situation of the battle at all.

"Ha ha!! I thought you had found some powerful helper, but it turned out to be just a relatively powerful second-round!"

God Emperor Baihe looked disdainful.

Another God Emperor also sneered:"They are seeking medical attention in a hurry! Ha ha!!"

As soon as these words were said, the Baihe Divine Emperor burst into laughter. The

Heavenly Demon City side felt a little embarrassed.

Elder Cang even anxiously sent a message:"Elder Xing, how could you do such a thing? This little brother of Emperor Qin is in the second round realm at first glance! If you let him come, didn't you push him into a pit of fire and cause harm together?"

Sure enough!

The message just fell!

Emperor Baihe looked at Qin Feng arrogantly:"Boy, you came just in time! Either keep the storage ring or keep your life!"

As soon as these words were said, except for Elder Xing, Emperor Xingyao, and Emperor Changfeng, the rest of the people in Tianmo City lamented in their hearts, secretly exclaiming that this young man was really unlucky. If he had not come, he could have escaped.

However, everyone I am very grateful to Qin Feng from the bottom of my heart.

In such a critical situation, Qin Feng is still willing to come forward, which can be said to be extremely righteous.

But the more this happens, the less everyone wants to see Qin Feng unlucky

"Boy, what are you still doing standing around? Hand over the storage ring quickly! The first one starts with you!"

The corners of the Baihe Divine Emperor's mouth were slightly raised, with a look in his eyes.

Now he wants to kill the chicken to scare the monkeys!

Qin Feng is the best target.

This Qin Feng's strength is obviously stronger than the Lunhai level, but weaker than the early stage of the God Emperor, so he wants to kill the chicken to scare the monkeys. , it couldn't be better.

As long as Qin Feng surrenders, the rest of the people will definitely surrender.

As soon as the Baihe Divine Emperor's words came out, the other three Divine Emperors understood and echoed them.

"That's right! Let's start with this kid!"

"Boy, if you don't want to die, just hand over the storage ring!"

"If you continue to delay, don't blame us for taking action immediately!"

For a moment, all the four god emperors looked at Qin Feng.

The eyes of everyone present were also focused on Qin Feng.

The atmosphere was tense instantly!

The hearts of those in Tianmo City were raised one after another, and they were secretly pinched for Qin Feng. I was sweating.

But those people from the giant star showed a look of gloating.

Ha! Let this kid go crazy!

He didn't see the situation clearly, so he forced himself to come forward. This is bad luck!

The atmosphere in the field became even more tense!

At this time, Qin Feng calmed down. He spoke slowly: "You want me to hand over the storage ring?"

"That's right! What are you still lingering on about?", Baihe God Emperor sneered.

Qin Feng smiled coldly: "Then give up your life first!"

As soon as he finished speaking, Qin Feng pressed his hand, and a yin and yang fish pattern flew out of his palm. As soon as the pattern appeared, it instantly emitted mysterious invisible power, covering thousands of miles around.

The supreme true meaning - Wuji! Activate!

Dao Yin and Yang, Wuji Taiyi!

Taiyi Liangyi, Four Symbols and Bagua!

Qin Feng's left hand seals the seals in succession!

Qian, Kun, Kan, Li, Gen, Dui, Zhen, Xun, the Ming Bagua is completed!

In the sky, the hexagram arrays appear one after another.

He also made seals with his right hand!

The gate of life, the gate of death, the gate of Du, the gate of injury, the gate of scenery, the gate of surprise, the gate of rest, and the door of the door. The eight secrets were completed!

Under the earth, eight gates opened together, and the sun and the moon connected!

At this moment , everyone in the audience felt that the surroundings were in a world of their own, as if they were separated from the original world, and it felt very strange.

God Emperor Baihe's heart suddenly suddenly felt, and he felt a little uneasy inexplicably!

"snort! Pretend to be a ghost!"

At that moment, he no longer hesitated, and struck Qin Feng with a sword in a flash.

But the next second, an astonishing scene appeared.

Qin Feng took a step, teleported, and easily avoided it.

"Teleport!"

Everyone exclaimed!

Everyone looked at Qin Feng in surprise.

"what happened? Doesn't this sea of spiritual mist limit space capabilities? How can you teleport?"

The Baihe God Emperor was shocked.

The other three God Emperors were also confused.

Qin Feng raised the corner of his mouth slightly and waved his hand.

Everyone suddenly felt that the flow of time on them had changed, and they all opened their eyes in shock.

"You...you...can...show...time...can...power?"

God Emperor Baihe asked, but found that his speech had become extremely slow. That was because the flow of time had changed.

The giant gate star's The faces of the people changed drastically. They understood what was going to happen, and they all looked at Qin Feng in great horror. Even Elder Xing and Elder Cang looked at Qin Feng in great astonishment.

At this moment, Qin Feng flew proudly into the sky, with his clothes flying.

He was cold Looking down at everyone coldly:"The laws of this world! I decide!"

As soon as he finished speaking, he suddenly took action. The situation in the world changed color, and the laws of time and space were reversed.

At that moment, Qin Feng took action against the four great god emperors at the same time. Billions of golden lights enveloped the four of them, and the speed was so fast that people could not see clearly.

Time, Space is all under his control.

This is: Wuji creates all laws, and the heaven and earth are determined by me!

The function of Wuji Divine Seal changes the laws of heaven and earth, and all laws of time and space are determined by myself. At this moment, the four gods Not only was the emperor unable to use his time and space abilities, but he was also slowed down by time.

Qin Feng could not only teleport, but also accelerate.

When the two sides touched each other, Qin Feng had the upper hand against the four emperors.

There were screams from all around.

Immediately, the stars The elder came to his senses: "Why are you still standing there? Kill them all!"

Everyone in Tianmo City woke up and immediately rushed towards the Jumen Star side. With this impact, the people in Tianmo City were surprised to find that they were accelerated by time, became faster, and could teleport.

But the Jumen Star side discovered in horror , they were delayed by time.

One and the other rose, and the advantage of the Tianmo City side skyrocketed.

This was obviously Qin Feng's big move!

The Tianmo City side suddenly had high fighting spirit!

The fighting will of the Jumenxing side instantly collapsed!

A battle broke out on one side, and there were screams in the field On and on!

Now the four great god emperors of Jumen Star are trapped by Qin Feng alone.

And Tianmo City is led by the two god emperors, Elder Xing and Elder Cang, plus the advantages given by Qin Feng, killing the side of Jumen Star is like cutting a melon. It was a one-sided massacre!

In just a moment, more than a hundred people from the Jumen Star side were slaughtered.

The Tianmo City side cheered.

Everyone thought of Qin Feng and turned around, showing shock again.

Qin Feng stood proudly In the air, there were twelve three-flower flowers floating around him, as well as four storage rings. The four great god emperors on the Jumen Star side had all been killed by him.

Oh my god!

He killed them in such a short period of time. Even the four great God Emperors cannot reach the peak of the mid-stage God Emperor.

That would be infinitely close to the strength of the late God Emperor!

At this thought, everyone looked at Qin Feng with incomparable awe.

The atmosphere in the field was a little quiet.

They were not yet I know that Qin Feng did not summon the shadow clone to help this time, otherwise the killing speed would be faster.

At this moment, Qin Feng looked at the twelve three flowers in front of him, and he was in a good mood. With a wave of his hand, he killed all the three flowers. Put it away.

He also put away the storage rings of the four Divine Emperors of Baihe.

Then, he canceled the Wuji Barrier, and the surrounding laws of time and space returned to their original state.

At this time, Elder Xing and others walked over silently

"I have met Mr. Qin Huang!" Elder Cang is extremely respectful.

"Brother Qin Huang, thank you for saving us this time! Otherwise, the consequences will be disastrous!"

"I'll thank you, Lord Qin!"

Elder Xing and everyone thanked him one after another!

Qin Feng smiled:"You don't have to be like this! I am also considered a member of the Demonic City, so of course I don't allow outsiders to bully our Demonic City!"

As soon as these words came out, the members of Tianmo City were extremely happy and even a little proud.

How could they not be proud that such a strong person had come out of Tianmo City!

Unknowingly, everyone respected Qin Feng more and more, and regarded him as his The pride of Demon City

"Lord Qin Huang, these are the storage rings of those giant gate stars, please accept them all! Elder Cang held more than a hundred storage rings and handed them over respectfully.

Qin Feng shook his head:"You killed those people, you can keep these for yourself!""

As soon as these words were said, everyone shook their heads.

Elder Xing even said:"Brother Qin Huang, if it weren't for you, we would have lost our lives this time, so how could we have the nerve to ask for these things? What's more, even if we don't take action, these ants will be easily killed by you, so you'd better accept them!"

"yes! Lord Qin Huang, you deserve all this!" Emperor Changfeng also persuaded.

Qin Feng smiled slightly, took out more than twenty storage rings and threw them to Elder Xing.

"So be it, everyone who sees it must have a share! Leave a storage ring for each person, so be considerate of it!"

Everyone was overjoyed and looked at Qin Xi with gratitude, and their respect became even stronger.

This time, not only did they save their belongings, but they all had unexpected gains. This is great luck!

Not only did this Qin Emperor He is powerful and a good person!

Unknowingly, Qin Feng's prestige in the hearts of everyone has increased. In fact, with Qin Feng's current strength, some people look down on the twenty storage rings.

There are also storage rings for the weak. There's nothing good about it.

Besides, those more than a hundred people were killed by Elder Xing and the others.

They had hard work without credit, so they couldn't leave any soup behind, and it was appropriate to express their feelings. At that moment, Qin Feng put away the food happily. Those more than eighty storage rings.

Elder Xing was not pretentious and distributed more than twenty rings, one to each person.

Everyone was happy!

This was definitely an unexpected gain!

The atmosphere in the venue became joyful.

"Lord Qin Huang, where are you going next? Do you want to come with us?"

Elder Cang warmly invited.

Everyone also looked at it expectantly.

"No! Qin is used to being alone! By the way, it's not advisable to stay here for a long time, everyone should leave!"

This reminder made Elder Xing and others nervous.

The large-scale fierce battle just now would definitely attract a lot of forces.

At that moment, Elder Xing and others said goodbye and left one after another.

After a while, Qin was the only one left in the field. Feng was alone.

After Elder Xing and others walked away,

Qin Feng looked in a certain direction and said softly: "Miss Zixing has been watching for so long, can you come out?"

Pfft~!

A sweet laugh

"I didn't expect that your perception is quite strong!"

As the words fell, an extremely beautiful figure walked out of the clouds and mist.

It was Purple Star!..

Chapter 488

"Miss Purple Star has been here for a long time, right?", Qin Feng asked quietly.

He felt that this woman was very mysterious and extremely powerful.

At least, he is not his opponent now.

"A little later than you, I saw the scene just now!", she also received Elder Xing's request for help.

It's just that she came a little late.

However, she also witnessed the whole process.

What Qin Feng did made her very satisfied.

Especially Qin Feng said that he was also a member of Tianmo City. Member, which made her heart inexplicably happy, and her affection for Qin Feng greatly increased.

"You are very strong! If my prediction is correct, your strength should be close to the threshold of the late God Emperor."

Zixing showed his appreciation unabashedly.

Qin Feng smiled and said nothing.

"To be honest, your performance this time is very good, my mother...oh, I like you more and more!", Zixing smiled like a flower.

She really liked her. Qin Feng's performance just now was very to her liking and touched her heart.

Therefore, she always wanted to pretend to be a lady in front of Qin Feng, but she couldn't help but It's always a little embarrassing when the word 'Mother' pops up

"Qin is lucky to be liked by Miss Zixing!", Qin Feng smiled slightly

"That... the love I am talking about is just an ordinary love, not the kind of love between men and women. Don't get me wrong! I don't like you... Well, that's it!"

Zixing explained seriously, with some lust in her eyes.

She was deliberately angry with Qin Feng in order to retaliate against this guy's blindness.

However, Qin Feng let out a long sigh of relief: "That's good!"

Hearing this, Zi Xing was so angry that her beautiful eyes rolled.

What do you mean, that's good?

Is he just happy?

Is my mother that bad?!

"Miss Zixing, Qin still has something to do, so let's go first!"

Qin Feng punched his hand and was about to leave.

He was also troubled by Zixing.

This woman wanted his woman at every turn, and also deliberately hooked up with herself and sow a relationship between herself and Yu Qilin.

Who knows, she is now What the hell is he doing again?

So, Qin Feng wants to avoid her as much as possible and not get entangled with her.

But the more he does this, the more Zixing feels abandoned.

She is so angry!

Is this my mother without any charm?

No way! I'm not convinced

"Wait!"

"Um, what else does Miss Purple Star have to do?"

"This girl has decided to be with you! Qin Feng was speechless:"

Miss Zixing, stop making trouble!" You and I have no emotional foundation, how can we be together??"

Qin Feng glanced at Zi Xing's beautiful face and graceful figure.

To be honest, this woman is extremely excellent in all aspects, not to mention her beauty, and her strength is also top-notch

"what the hell! What this girl means is that I will explore with you. Who said I want to be with you... I don't like you! You think too much!"

Zixing tried her best to pretend to be disgusted.

"oh!", Qin Feng breathed a sigh of relief, "You scared me to death!"

"what the hell! You are always like this, do you want to piss me off? Is my mother that bad?"

"It doesn't mean that! Girl Zixing, I'm used to being alone...."

"Do you want to reject this girl? Wouldn't it be nice for me to accompany you on your treasure hunt? Think about it, this girl is so strong, no one can hurt you as long as I am with you. Besides, I am so beautiful, it will be pleasing to your eyes even if you look at her from the sidelines!"

"This... I still want to be alone!"

Zixing was so angry.

What?!

He was so unfaithful and offered it to his door, and he still refused. He was really blind!

"OK! OK! Then go alone! When the time comes, you deserve to be beaten to death by the Nine-Headed Lion Saint!"

Zixing turned around and left angrily.

"Nine-headed lion saint? Who is that? Why did he want to kill me?"

"Ouch~! You don't know yet! Let me ask you, did you kill the Black Scorpion God Emperor?"

"this.....That's right!"Qin Feng is too lazy to hide it.

Sooner or later, people will know about this matter

"snort! I guessed it right! By the way, where are your allies? What about that black devil?"

"Uh... Miss Purple Star, you haven't said who the Nine-Headed Lion Saint is!", Qin Feng changed the topic

"If you don't want to mention your allies, forget it! Let me tell you this, the Black Scorpion God Emperor you killed was a member of the Scorpion Palace of the Star Beast Clan, and the Nine-Headed Lion Saint was the deputy palace master of the Lion Palace of the Star Beast Clan. He cultivated to the Great Perfection of the God Emperor."

"The three flowers of the God-Emperor's Great Perfection have been fused, and the Great Way is wonderfully born, which can instantly kill the late-stage God-Emperor. If you meet the nine-headed lion saint, you will only die once. You are in danger now and you don't even know it"

"Why do you think this girl is following you? Not to protect you! You don't think that this girl relies on you because she likes you! Then you are overthinking."

Zixing said this angrily.

Qin Feng was stunned.

He didn't expect that such a powerful master from the star beast clan would come.

He should be careful.

"Miss Zixing, thank you for the reminder!" Qin Feng thanked her solemnly.

Zixing felt a little aggrieved and said, "Do you understand my girl's painstaking efforts now? If it weren't for Yu Qilin's sake, I wouldn't want to care about you! Qin Feng smiled slightly:"

I understand!" Qin thanked Miss Zixing for her concern. However, I still want to be alone....."

"good! good! good! You are alone, I don't care about you anymore!", Zixing was so angry that he turned away.

At this moment, Qin Feng could feel that Zixing really cared about him, and was not deliberately seducing him like last time.

But there were too many secrets in him, and the two of them were not that familiar, so it was really inappropriate. Treasure hunt together

"Miss Zixing, thank you very much!"

"Thank you! I didn't help you!", Zixing replied angrily.

But Qin Feng's thank you made most of her anger disappear.

This guy still knows what is good and what is good.

But I don't know why he just won't let me follow?

Is he really that charming? Difference?

"Qin Feng, let me ask you one more question, isn't I beautiful?" Zixing's question was a bit baffling.

Qin Feng was stunned. He said: "Purple Star is beautiful!"

"How does that compare to Jade Qilin?"

"Forehead.....", Qin Feng is speechless

"As long as you tell the truth, whatever you did to make me angry will be treated as if it never happened.", Zixing looked serious.

Qin Feng was a little speechless.

This woman's brain circuit is too strange!

However, he still answered truthfully: "Not under Jade Qilin!"

After hearing this, Zixing's expression softened.

It seems that he is no worse than Yu Qilin!

He doubted himself for several days!

"Forget it! This girl is not that stingy, this is for you!" Zixing casually threw over a piece of communication jade talisman.

"This is....", Qin Feng caught the jade talisman

"If you encounter danger, just use this communication charm to contact me. I'll be there as soon as possible"

"Thank you, Miss Purple Star!", Qin Feng put away the communication jade charm.

Zixing pretended to be arrogant:"You don't have to thank me! I have already said that I am helping you for the sake of Yu Qilin."

Qin Feng smiled and said nothing.

He could see that this woman did not mean what she said.

Of course, he would not point it out.

"By the way, these are for you too!"

Zixing tossed it casually again, and six lotuses of the soul flew over.

Qin Feng was confused:"Miss Zixing, what do you mean?"

"Send it to you!"

Qin Feng was even more puzzled:"Why don't you keep it for yourself?" Besides, why did you give it to me?"

Zixing said angrily:"I have reached the Great Consummation of the God Emperor, so it is of no use to have this Lotus of Soul. I give it to you because I want you to improve your strength as soon as possible to avoid being beaten to death! I don't want to see Yu Qilin looking sad! Okay, let's go!"

After saying this, Zixing turned around and left.

Qin Feng felt warm in his heart.

This woman was poisonous and soft-hearted, but she was nice to him.

It seems that he had some preconceptions about her.

"Sister Zixing!"

With this shout, Zixing stopped and turned around in surprise.

This guy actually changed his name to calling her sister.

For some reason, she felt very happy.

"What's the matter?", Zi Xing's tone became gentler.

"Sister Zixing, thank you very much!"

"You know my sister now, right? You're a naughty guy. If I do you any favors, just call me sister! If I save your life, you won't pledge your life to me, right?"

Qin Feng:""

"Forget it! I'm not kidding you! As long as you remember how good my sister is, even if you don't want to commit yourself to her, she will save you! Let's go!"

Zixing looked back and smiled, bright and moving, and a little cute.

The next second, she disappeared into the thick fog..

Chapter 489

Looking at the direction in which Purple Star disappeared, Qin Feng smiled slightly and turned to leave.

After a while, he arrived at a deserted land and was about to take out the three flowers of Baihe God Emperor and others to swallow.

But at this moment, he felt something in his heart and disappeared in a flash.

The next second, he appeared in another sea area.

Ahead, his shadow clone stood proudly in the sky, surrounded by hundreds of corpses, including one belonging to the God Emperor, and the air was filled with a strong smell of blood.

Qin Feng looked at everything in front of him happily, and with a wave of his hand, he put away the god emperor's three flowers and storage ring.

The phantom clone also put away the storage rings of hundreds of corpses.

This is another huge harvest!

It turned out that when the phantom clone was hunting for treasure alone, the God-Emperor led hundreds of people to rob the clone.

They thought that the clone was not the God Emperor, and since there were so many of them, they would definitely be able to successfully rob.

Unexpectedly, he was killed and no one was left alive.

At that moment, Qin Feng and Xuying's clones changed places and left the scene of the fight.

After a while, Qin Feng arrived at an uninhabited place and began to investigate the storage rings of the God Emperor.

After checking, he showed a bigger look.

The harvest in those storage rings is really rich!

There are all kinds of Yuanshen Lotus, Yuanshen Crystal, Yuanling Pearl, Xingxi Stone, and many other treasures.

Moreover, every storage ring has rich treasures, even those in the Wheel Sea Realm.

Qin Feng thought about it for a moment and understood.

He is different from others.

After others get the treasure, they will stay and wait for time to digest it.

Because their refining speed is too slow, even if the God Emperor refines a lotus of soul, it will take a day.

But Qin Feng is different. He can digest the treasure immediately after he gets it, and his strength has been improving rapidly.

This is also Qin Feng's advantage.

At the moment, Qin Feng waved his hand, and five flowers of the soul, five flowers of the soul, five flowers of the other side, and a dozen lotus of the soul appeared in front of him.

This harvest was actually more generous than the first day of spiritual explosion.

It seems that killing people and grabbing treasures is the only way to make huge profits!

Qin Feng opened his mouth and swallowed all the treasures in front of him.....

At the same time, in another area of the sea, a shocking thing was happening.

At the scene, nearly a thousand explorers were watching a battle.

The fighting party was a beautiful girl and a white-haired man, each carrying a golden puppet.

Two people were attacking an old man.

Neither the girl nor the white-haired man reached the second-round stage.

The old man is in the early stage of the God Emperor.

But the two sides actually ended up in a tie.

The girl and the white-haired man are Chu Chu and Bai Qi.

The old man turned out to be the Soul Mandrill God Emperor of the Scorpion Palace of the Star Beast Clan.

The two sides seemed to have a deep hatred, and they were fighting inextricably and violently!

This scene made everyone onlookers marvel.

"Tsk tsk!! What a surprise! That little girl looks like she's only sixteen or seventeen years old, but she didn't expect to be so strong!"

"yes! Her secret technique is very strange, she can actually control the power of time and space!"

"The white-haired one is not simple either. His attack power is so terrifying that he can actually fight against the Soul Mandrill God Emperor!"

"And those two golden puppets, their defenses are so strong that not even the God Emperor can break them!"

These nearly a thousand people were amazed!

If they hadn't seen it with their own eyes, they wouldn't have dared to think about it!

You know, even if four people in the second round of perfection join forces, they will never be the opponent of the God Emperor in the early stage, let alone a successful fight. It was a tie.

But Chu Chu and Bai Qi were not even in the second round, but they managed to tie, which was naturally shocking.

At this moment, the Soul Mandrill God Emperor was also extremely upset.

He didn't know what secret technique this little girl had cast. The laws of time and space have changed.

He can't use the power of time and space. But the other two can.

In addition, Bai Qi's attack power is so strong that he can fight with himself, so many of his big moves are blocked.

That's it. , the two sides fought for a quarter of an hour, but there was no winner. The Soul Mandrill God Emperor couldn't bear the old face.

It's so fucking embarrassing!

He, the God Emperor, couldn't deal with two juniors who were not even in the second round state!

This is going to be passed down. Go out, where should I put my old face?

Naturally, the Soul Mandrill God Emperor didn't know that Chu Chu had the Wuji Divine Seal, which could change the laws of heaven and earth.

Bai Qi had the Kaitian Divine Seal, which could push the attack power to the extreme.

The two of them joined forces and added puppet support, and It is normal for the Soul Mandrill God Emperor to have a tie.

But at this moment, Bai Qi looked wrong and his eyes were blood red.

There were more and more fights in the past few days.

He and Chu Chu knew that it was not good to fight alone. After communicating, they joined forces together.

Unexpectedly, not long after they joined forces,

Bai Qi met his enemy, the Soul Mandrill God Emperor.

A big battle broke out between the two sides.

"Bai Qi, all of your Bai Feng clan are dead, how long will you, the remnant, continue to live?", the Soul Mandrill Divine Emperor sneered.

At the beginning, the patriarch of the Bai Feng clan was killed by the palace master of the Scorpion Palace.

Under the command of the Scorpio Palace, all the nine divine emperors participated in the war.

Bai Qi is the grandson of the clan leader, and he received special care and was The Soul Mandrill God Emperor chased him all the way.

In the end, Bai Qi's father came forward to stop him, and Bai Qi escaped with serious injuries and fled to the earth.

Later, the Nightless Star Emperor and others under the Scorpio Palace pursued and killed him to the Earth Star Territory. Fortunately, they did not Find Bai Qi.

In short, in that battle, Bai Qi's father, grandfather, and most of his clan members died.

Upon hearing this, Bai Qi was furious:"The hatred of genocide is irreconcilable! Soul Mandrill God Emperor, I will definitely kill you today to avenge my people!"

"Ha ha! It's up to you! Even your father died at my hands, let alone you!"

The Emperor Soul Mandrill looked disdainful.

Bai Qi was furious:"Old thief Soul Mandrill, go to hell!"

The two sides fought with real fire, killing each other like crazy.

The conversation between the two was also heard by the onlookers around them.

"Huh! That white-haired man is actually a member of the Bai Feng clan!"

"hehe! I thought the Bai Feng clan had been exterminated by the Scorpion Palace, but it turns out there are still people alive!"

"It is said that the Scorpion Palace Master started to destroy the Bai Feng Clan for the sake of the White Feng Clan's inherited treasure. I don't know if the treasure was obtained by the Scorpio Palace Master?"

"Who knows about that! Speaking of which, the Bai Feng clan was extremely powerful in ancient times, but now they can't even defeat the Scorpio Palace. It's really amazing!"

"By the way, I heard that the ancient ancestor of the Bai Feng clan died in the Ziyun Ancient Battlefield. He was a master!"

"yes! There were also the chiefs of the Black Phoenix and Red Phoenix clans who also died on the Ziyun Ancient Battlefield."

"In this secret realm of Bai Qi, wouldn't he want to inherit the inheritance of ancestor Bai Feng?"

"It's very possible! However, his current situation seems not good!"

The crowd murmured.

The five ancient star masters.

The Shenlong clan is divided into nine lines, the Shenfeng clan has seven lines, and the Qilin family has three lines. The

Baifeng clan is good at ice flames and is one of the seven Shenfeng clans.

The seven Shenfeng clans have each. There is a kind of strange flame in the sky and the earth, the seven flames unite into one, and the world is unified!

At this moment, the onlookers are muttering non-stop.

These people are watching with gloating and have no good intentions.

They come from five or six factions, each faction has There is a god-emperor leader.

Now, everyone is waiting for Bai Qi Chuchu and Soul Mandrill God-Emperor to both be injured, and then go over together to take advantage.

These two parties are so powerful, and they probably have a lot of treasures.

Several god-emperors have greed in their eyes. Color.

At this moment, a rapid sound broke through the air from the depths of the fog sea.

The speed was extremely fast, completely reaching the level of the early God Emperor.

"Huh! Another master is coming!"

The whole audience was shocked.

In the battlefield, the Soul Mandrill God Emperor laughed proudly.

"Ha ha!! finally come! Bai Qi, you are dead this time!"

As soon as these words fell, the whole audience was moved. Bai Qi frowned.

Obviously, it was the Soul Mandrill God Emperor who summoned helpers.

This is indeed the case!

In the past few days, the three God Emperors of the Scorpio Palace were looking for the Black and White Evils everywhere, but they failed. There was no result.

The three of them had to search separately!

Unexpectedly, the Soul Mandrill God Emperor met Bai Qi.

At that moment, he asked the Blood Centipede God Emperor and the Snake and Scorpion Queen for help.

"Bai Qi, the situation has changed, I'm looking for my brother!"

"All right! Princess! Send a message to the owner!"

Bai Qi sighed helplessly.

He originally wanted to kill the Soul Mandrill God Emperor with his own hands and avenge his father.

But now it seems that the situation around him is not good. This guy has invited help again, and he can only rely on his master.

"Isn't it too late for you to find help now?"

The Soul Mandrill God Emperor sneered, looking at the two of them as if they were fools.

Chu Chu was displeased:"Humph! If you didn't want to trouble my brother, you would have died long ago!"

"Shameless talk!", Soul Mandrill God Emperor was angry.

He didn't believe how strong Chu Chu's brother could be!

Looking at this girl's age, her brother was not that old, so how strong could he be.

Chu Chu didn't bother to pay attention, and immediately told Qin Feng Telepathy occurred.

At this moment, a flash of light and shadow appeared, and there was a god emperor in the scene. The person who came was none other than the Blood Centipede God Emperor.

"Blood Centipede, come and help me!"

The Emperor Soul Mandrill was overjoyed when he saw the helper.....

At the same time, on the other side of the sea.

It took Qin Feng half an hour to digest all the gains.

His mini-universe has been transformed into Hongmeng by 78%, the true meaning of all phenomena has been understood by 41%, and his combat power has skyrocketed to 900 trillion.

Qin Feng had some unfinished ideas.

He put away the many storage rings with satisfaction, dismissed the shadow clone, and was thinking about continuing to hunt for treasure.

But at this moment, he received a spiritual message from Chu Chu.

Qin Feng frowned, summoned a space in reverse direction, and disappeared in place..

Chapter 490

But on the other side, after the Blood Centipede God Emperor appeared, the Soul Mandrill God Emperor looked surprised.

The onlookers all looked gloating.

It seems that the girl and the white-haired man are going to be in trouble!

Together they can fight against one God-Emperor, but not two.

They were also happy to see two geniuses killed.

Especially those God-Emperors feel uncomfortable seeing young people who are so outstanding and feel like they are about to be surpassed.

"hehe! There's something good to watch now!"

"such a pity! Two such outstanding geniuses are about to fall. It's exciting to watch! Ha ha!"

"That Bai Qi is going to die too, and the Bai Feng clan is probably going to be extinct!"

"hehe!! It's time for this ancient race to withdraw from the stage of the times!"

"How long do you think the two of them can last?"

"Who knows!"

Voices of gloating about the misfortune could be heard one after another in the crowd.

On the other side, the Blood Centipede God Emperor was stunned for a long time after seeing the scene clearly.

"Mandrill, you are so useless! Not even these two juniors can be dealt with!", the Blood Centipede God Emperor was speechless.

The Soul Mandrill God Emperor was annoyed: "Don't stand and talk without hurting your back! These two people are not ordinary juniors, and the one with white hair is Bai Qi, a remnant of the Bai Feng clan!"

"oh?" The Blood Centipede God Emperor looked at Bai Qi with fiery eyes.

Killing Bai Qi and eliminating future troubles forever is a great achievement!

"Blood centipede, what are you still doing? Do it!", the Soul Mandrill God Emperor urged

"good!"

As soon as these words were spoken, the Blood Centipede God Emperor was about to take action.

The onlookers all around were smiling, waiting for the real show to begin.

But at this moment, a monstrous imperial power descended from the sky and enveloped the entire audience.

"This is....."

Everyone was shocked and raised their heads.

Then he saw an extremely handsome young man in white descending from the sky.

The aura exuded by that young man suddenly exceeded 1,300 trillion.....

"D!"

"Here comes another one!"

Everyone was moved!

Even the Soul Mandrill God Emperor and the Blood Centipede God Emperor became serious.

"elder brother!"

"Owner!"

Chu Chu and Bai Qi both looked overjoyed when they saw the person coming.

Qin Feng nodded slightly and looked down at the people around him.

"Ah! It turns out you are looking for help too!", Soul Mandrill Divine Emperor was annoyed.

He originally thought that Chu Chu's brother was not strong, but he didn't expect that he was also a Divine Emperor.

At this moment, he actually mistaken Qin Feng for the Divine Emperor.

Not only him, but everyone in the audience thought that Qin Feng It's the God Emperor.

It's just that this God Emperor is too young!

He looks about eighteen or nineteen years old, but his magnanimity is natural, giving people a sense of innate nobility as a god, and people can't help but be moved by it.

It would be like this The misunderstanding is also due to the fact that everyone cannot see through Qin Feng's cultivation. However, in the state of chaos transformation, Qin Feng's combat power has exceeded 1,300 trillion, which is completely at the level of the God Emperor. The initial combat power range of the God Emperor is 1,000 -2000 trillion

"Blood Centipede, do you think this young man is similar to the rumored White Sha?", the Soul Mandrill God Emperor suddenly sent a message.

The black and white evil spirits, Qin Feng has been called the white evil spirit, and his phantom clone has been regarded as the black evil spirit.

"They are very similar in appearance, both have unparalleled handsomeness, but the gap in cultivation is too big. One is in the early stage of the Second Wheel Realm, and the other is in the early stage of the God Emperor. They cannot be the same person!"

The Blood Centipede God Emperor expressed his opinion

"Um! Makes sense!"

Just when the two of them were transmitting messages to each other, the crowd of onlookers also became commotion.

"Interesting! That Bai Qi also came over with help, and he turned out to be a God Emperor too!"

"This time the two sides are evenly matched again! It seems that a lose-lose scenario is inevitable!"

"hehe!! Isn't this better?"

Many people in the crowd looked like they were watching a good show.

Several God Emperors even showed meaningful smiles.

They hoped to lose both sides and take advantage.

In the air, Qin Feng silently saw the expressions of everyone, The corners of the mouth are slightly raised

"Hello! Boy, they hit them! Let's have a go!", Blood Centipede God Emperor looked at Qin Feng proudly.

His eyes were full of confidence.

He is stronger than Soul Mandrill God Emperor, and he is better at fighting.

What's more, his combat power is 1600 trillion, which is obviously stronger than Qin Feng A plan.

As soon as those words were said, the onlookers' eyes turned to Qin Feng and Blood Centipede.

"Everyone, we have another great show!"

The spectators were excited

"Who do you think is stronger between the two of them?"

"It's hard to say! However, the Blood Centipede God Emperor is more powerful and may be slightly better!"

"I also believe so!"

The crowd kept muttering.

Hearing the crowd's comments, the Blood Centipede God Emperor couldn't help but feel proud.

He waved his hand, and a bloody spear appeared.

"Boy, show off your weapons!"

Qin Feng glanced at him lightly and was about to take action when Chu Chu's voice sounded.

"Brother, these people are not good people, kill them all! However, this Soul Mandrill God Emperor was left to Bai Qi to kill in the end. He is Bai Qi's father-killing enemy!"

As soon as these words came out, the whole audience was immediately offended!

The Soul Mandrill God Emperor and the Blood Mist God Emperor were speechless.

The onlookers cursed each other.

"Huh! This little girl is so arrogant, damn it!"

"Ah! She thought her brother was the God Emperor, so she thought he was invincible?"

"that is! Blood Centipede God Emperor, hurry up and teach the boy in white a lesson, let that ungrateful little girl learn a lesson!"

Everyone cursed and began to fall to the side of the Blood Centipede God Emperor.

Seeing this, Qin Feng was too lazy to talk nonsense and pressed his palm falsely. The Wuji

Divine Seal was activated!

The Yin-Yang fish pattern emerged!

Thousands of miles around were shrouded in mysterious power!

The laws of heaven and earth changed drastically.!

"Ah! Boy, it's finally time to take action!"

The Blood Centipede God Emperor sensed that there were changes in the surrounding space, but he had a look of disdain.

The next second, he suddenly took action. He stabbed Qin Feng's chest with a spear, and the blood light appeared in the sky. The illusion of the monstrous sea of blood appeared in the Blood Centipede. The god emperor was rolling behind him.....

"They started fighting!"

The crowd was excited and opened their eyes wide.

They were expecting the Blood Centipede God Emperor to defeat Qin Feng so that the arrogant girl could know what was going on.

At this moment, Qin Feng took action.

He raised his hand, and the world changed.

Everything changed. It seemed to be momentarily still!

Everything around seemed to be frozen!

Then a sword light slid through the air, brightening the sky and the earth, blocking out the light of all things.....

Click~!

The bloody light appears!

With just one sword strike, the Blood Centipede God Emperor was split in half.

The two halves of the body instantly exploded into powder!

The shrill screams resounded throughout the sea!

Only three flowers, a storage ring, and a bloody spear remained in the air.....

Everyone was stunned!

The world became silent.

How can this be?!

This thought came to everyone's mind.

Killing the early stage of the God Emperor with one sword is only possible in the late stage of the God Emperor!

But isn't this young man in the early stage of the God Emperor?

At this time, Qin Feng turned to look at everyone.

The onlookers were extremely horrified.

Qin Feng sneered and raised his hand with a sword

"Not good!"

Everyone exclaimed in shock!

But it was too late!

That sword exploded with billions of sword lights!

Boom~! Boom~! Boom~~!

The bodies of those escaping spectators exploded one by one, and they kept screaming.....

With just one sword strike, nearly a thousand spectators were wiped out, leaving only five god emperors standing there with frightened expressions on their faces.....

They were all more or less injured.

There was a strong smell of blood all around.

The atmosphere in the venue was extremely weird.

The five god emperors looked at Qin Feng in horror as if they had seen a ghost.

This boy is so terrifying!

On the surface, he is only in the early stage of the God Emperor, but he can display the strength of the later stage of the God Emperor.

There is a huge gap between the God Emperor and the God Emperor.

A small realm can overwhelm the opponent.

Even a God-Emperor who has reached the threshold of the late-stage God-Emperor can kill an early-stage God-Emperor instantly.

The combat power threshold of the God Emperor in the later stage is 4000 trillion.

But in the later period, the God-Emperor showed more than just the advantage in combat power. The flower of their soul had opened twelve petals, and the three powers of time, space, and reincarnation had been successfully entrusted, and they had many unique abilities.

Only the combat power reaches 4000 trillion, which does not count the late stage strength of the God Emperor.

But this young man's combat power has not even reached 4000 trillion, but he can still exert the strength of the God Emperor in the later stage, which is incredible!

Thinking of this, the five god emperors became uneasy.

A god emperor swallowed his saliva before saying:"Your Excellency, we are just watching, not your enemies. Why do we take action?"

Qin Feng looked indifferent and was too lazy to explain. He looked at the Five Emperors with murderous intent.

The emperors are uneasy!

Another God Emperor said:"Friend, don't forget! There are five of us and you are only one, you really want to take action!"

Qin Feng sneered:"This world! I am the most respected!"

As soon as he finished speaking, he raised his hand and burst out The third sword.

Billions of sword lights shrouded the five god emperors.....

On the other side, the Soul Mandrill God Emperor had long been frightened out of his wits.

At this moment, he was desperately trying to escape.

But Chu Chu kept manipulating time and space, and Bai Qi kept intercepting him head-on, making it impossible for him to escape.

In this way, he was obsessed with Chu Chu and Bai Qi.

The Emperor Soul Mandrill became more and more anxious as he fought.

Right now, Qin Feng is fighting with the five god emperors, which is his best chance to escape.

If he missed it, he would be dead.

But Chu Chu and Bai Qi were too difficult to deal with.

Moreover, these two people are very cunning and have been using puppets as human shields to block his retreat.

In the blink of an eye, the two sides fought for more than ten rounds, but the Soul Mandrill Emperor could not get rid of it.

The Soul Mandrill God Emperor was so anxious that he yelled: "Damn girl! Get out of the way!"

But as soon as he said these words, screams could be heard continuously not far away.

The Soul Mandrill God Emperor turned around and saw Qin Feng killing the last God Emperor, and his face turned pale with fear.

The next second, Qin Feng teleported and arrived in front of him

"don't want! Sir, please spare my life for the sake of our nine-headed lion saint!"

The Soul Mandrill God Emperor begged loudly.

At this moment, he wanted to threaten Qin Feng with the nine-headed lion saint.

Qin Feng sneered and seriously injured him with a sword.

Bai Qi took the opportunity to kill him and slashed his enemy with his own hands. With a shrill scream, the Soul Mandrill God Emperor died and disappeared, leaving only three flowers and a storage ring in the field..
