

The whole hall of the Xia family was silent, and Qin smiled.

“OK, OK, thank you, son-in-law sun.”

Xia Ziyuan carefully took the jade Ruyi in his hand and looked at it in front of his eyes. However, this jade Ruyi was a whole circle larger than his own one.

In front of Xiao Chen's jade Ruyi. His jade Ruyi doesn't have to see at all.

But he was unwilling.

This is a fool!

As the eldest grandson of the Xia family, how can he be compared by this fool?

“Xiao Chen, where did you get a fake jade Ruyi to cheat grandma?”

When he shouted, everyone was shocked and suddenly replaced by doubt.

Yes!

Xiao Chen is a fool. How can he have such a good jade Ruyi?

Even Xia Guowei and his wife believed Xia Ziyuan's words.

“Xiao Chen, what's going on?”

Seeing his mother-in-law asking, Xiao Chen shook her head and said, “mother-in-law, my jade Ruyi is really not fake”

“Well, where did you get such a big jade Ruyi”

“Yeah”

Xia yunshang came forward and whispered, “Xiao Chen, tell the truth, don't lie to grandma, you know?”

Xiao Chen didn't believe in herself when she saw her wife. She was a little sad. She was kind and did it for her face.

But Xia yunshang doubted himself so much that Xiao Chen could only smile bitterly and shake his head.

“Even you don't believe me?”

“You can't tell whether it's true or not. How can I believe you?”

Xia Ziyuan saw that everyone was on his side. He looked at Yu Ruyi in his hand and said, “since it's fake, grandma asked me to be in front of you. I broke him. This kind of thing doesn't deserve to appear in our Xia family at all. Xiao Chen's doing so is humiliating our Xia family!”

Qin's face became gloomy when he said so.

“Ziyuan is right. Bring this fake. Xiao Chen, do you want me to be teased by people in Binjiang city? ”

“Xiao Chen, you still don't kneel down to grandma and admit your mistake.”

Xiao Chen was very upset about how to give gifts by herself. It's a mistake.

“Wait a minute!”

Just when Xia Ziyuan raised Yu Ruyi over his head and wanted to break it.

Wu Minzhi, the wife of Xia Guojun, walked up to Xia Ziyuan in surprise.

“Second aunt, what are you doing?”

Wu Minzhi pointed to Yu Ruyi in his hand and said, “Ziyuan, show me Yu Ruyi.”

Qin said, “yes, your second aunt's family is an antique family. She can see these things most accurately. Just let her see the authenticity.”

Xia Ziyuan is so cruel. He just slowed down.

If you fall. There would be no such thing.

However, in his opinion, Xiao Chen can't take out such a big genuine product.

He handed Yu Ruyi to his Wu Minzhi.

Wu Minzhi took over Yu Ruyi, looked at the permeability of the jade body in the sun, and gently wiped it with her hand.

“It's true, and it's a good Hotan jade. This jade is Ruyi. If I'm right, the market price should be 500000 silver yuan.”

what!

Five hundred thousand!

As soon as this price came out, the whole Xia family hall was shocked again.

Xiao Chen's jade Ruyi is genuine.

Half a million?

The Qin family quickly waved to Wu Minzhi and said, “the second daughter-in-law, come on, let me see it too.”

Although she has been the mistress of the Xia family for half her life, the Xia family is also a famous family in Binjiang City, but. She has never seen a jade Ruyi worth 500000 silver dollars.

After receiving yuruyi, her hands trembled.

“Mother, hold on.” Wu Minzhi reminded her.

“Good” Qin Shi watched for a long time. Put yuruyi aside the yuruyi that Xia Ziyuan just sent.

It's more than goods.

Such a comparison.

It's not very hurtful and insulting.

Xia Ziyuan's teeth are breaking.

“Grandma, even if this is true. But Xiao Chen is a fool. How can he have such a valuable jade Ruyi?”

This question made the Xia family look at Xiao Chen who had never spoken. Yes, how can a fool have such a valuable treasure.

Is it

Xia Ziyuan looked at Xiao Chen and said, “Xiao Chen, say, did you steal this?”

Oh

A bomb seemed to have been thrown into the hall.

Instantly fried the pot.

Steal!

Five hundred thousand jade Ruyi, if it's stolen, it's enough for Xiao Chen to be pulled out and shot.

Think again, what kind of people will have such precious things?

That must be a rich and powerful family!

Although the Xia family is in Binjiang, it is also a famous family. But if you offend other forces for the sake of a fool, it really doesn't pay!

“Say, Xiao Chen, where on earth did you steal it?” Uncle Xia Guohao stood up.

“Uncle, I didn't steal it.” Xiao Chen said.

“You said you didn't steal it, but did you buy 500000 things?” Xia Guohao said and looked at Xia yunshang and said, “don't say it's you fool. Even the medical school of yunshang may not make so much in ten years?”

Xia yunshang also frowned.

She pulled Xiao Chen over and asked sternly, “Xiao Chen, what's going on?”

Xiao Chen is about to explain.

I saw a young man in a woolen army coat walking into the door.

He walked to the main hall with a smile.

Seeing Xiao Chen in, a touch of contempt ashed in his eyes.

Then he looked at the Qin family and said, “grandson, I wish grandma a better life than Nanshan.”

“Good.”

Qin nodded somewhat perfunctorily.

The visitor's name is Xia Ziliang. He is the second son of the Xia family and the son of the Xia Guojun. He has just bought a platoon leader under Li Dashu of the Binjiang garrison.

I have a task today. I'm late.

He wanted to take out his gift. It can be seen that the atmosphere in the hall is wrong. He looked at his mother Wu Minzhi and said, “Mom, what's going on”

Wu Minzhi simply said it all over again.

Xia Ziliang looked at the jade Ruyi beside Qin. It didn't matter. He was stunned.

He went to Qin's side, picked up Yu Ruyi and looked carefully. Then he suddenly turned to Xiao Chen and said, “you fool, how did you steal from battalion commander Li! Don't you want our whole Xia family to follow you?

As soon as you say that.

The whole hall was dumbfounded.

what!

Yu Ruyi with Li's beard.

Dare you steal this man's things?

nished!

Our summer family is really over!

Zhao Youzhen rushed to Xiao Chen rst.

“You fool, you are going to kill all our Xia family!”

She said, raising her hand to ght.

Xia yunshang stopped her hand.

“Mom, it hasn't been found out yet. How can we say that Xiao Chen did it?”

“Check? How else? Your second brother is under battalion commander Li. Can he still cheat us?”

Xia yunshang looked at Xia Ziliang and said, “second brother, since it's battalion commander Li's, why don't you see someone in the city looking for it?”
