

"Xiao Chen, do you think you are right?"

Qin Shi saw that he came to carry his crutch, and his strength was even heavier.

"Grandma, I'll come. Don't be tired!" Xia Ziliang hates Xiao Chen. He is the platoon leader. How much silver did he spend? Now it hurts to think about it.

Seeing him coming forward, the Qin family handed him his crutch and said, "Ziliang, teach me a good lesson about this couple, especially Xiao Chen. What's his identity? He eats and drinks our Xia family's food, but now he's doing harm to our Xia family's children. It's not wrong to kill such people."

"Yes, yes," Wu Minzhi echoed.

Xia Ziliang took Qin's crutch, looked back at Xiao Chen and Xia yunshang, sneered and raised his crutch.

Xiao Chen saw him and knew that this man would not be merciful.

Without waiting for his crutch to fall, Xiao Chen explored his arm and pointed his finger at Xia Ziliang's Tanzhong acupoint.

Then a wisp of disease gas was also input into Xia Ziliang's body by him.

Xia Ziliang threw his crutch and turned his eyes slightly. The man fell to the ground.

Qin Shi and Wu Minzhi were frightened.

Xia Ziliang's face was pale, and the corners of his mouth were still foaming.

"Grandson, what's the matter with you?"

"Son, you, wake up!"

Xiao Chen looked at him and didn't take care of him. Instead, he looked at his wife Xia yunshang and said, "didn't they hit you just now?"

Xia yunshang shook his head.

This and silly husband, just in front of her, she felt a man's concern for the first time.

This man is her husband.

"Xia yunshang is your good husband. You, pay for my grandson's life!"

Seeing that Xia Ziliang couldn't wake up, the Qin family thought that Xia Ziliang had been poisoned by Xiao Chen.

She picked up her crutch and was about to beat Xiao Chen.

Xia yunshang came forward and grabbed Qin's hand with a crutch and begged, "grandma, what's the matter? You come in and hit someone. Can't you say it well"

Qin Shi saw that she was like this. He snorted coldly, put down his crutch, pointed to Xiao Chen and said, "go and ask him. It's all his good deeds."

Xia Yunchang looked at Xiao Chen and asked calmly, "you say. What's going on?"

Xiao Chen knew that these people rushed in without saying a word.

He shook his head and said, "what's the matter with me?"

"You pretend to be confused!" Wu Minzhi stood up, pointed to Xiao Chen and said, "it's you. I must have said something to Ziliang's boss. Ziliang just met the company today, and was called by the staff officer Wang. The platoon commander withdrew and asked us Ziliang to feed the pigs."

When Xia yunshang heard this, his face was a little ugly.

"Xiao Chen, did you do it?"

"Cloud clothes. Where do I know staff member Wang? Besides, even if I know him, why should I let him withdraw Xia Ziliang's official post? "

"You say you don't know. Why did people come to you yesterday? You still say you don't know, mother. You see, this fool is still pretending to be a fool here at this time."

Wu Minzhi then squatted down, patted Xia Ziliang with both hands in pain, and cried, "my son, you're so poor. Your official position was framed and lost by this fool. Now you're also the black hand of the white eyed wolf who eats inside and outside. If you really have something three long and two short, I won't live, I..."

She looked around and saw Xia yunshang. She rushed directly in front of Xia yunshang and said, "I killed myself in your medical school!"

Xia yunshang saw Wu Minzhi holding herself and said something about killing her. But there was no idea of hitting anything at all.

Such a fuss.

Not to mention the Qin family, the people around can't see the excitement anymore.

"This fool is really. How can he do such a thing while eating Xia's?"

"White eyed wolf!"

"Yes."

Qin's side had been gasping for breath. When she saw Wu Minzhi rushing up, she didn't have to be idle and rushed directly to Xiao Chen.

"Can't you do it? Come on, you can kill my old lady!"

Seeing this, Xiao Chen didn't dare to move. He could only let Qin's family grasp and fight on his body, but that's it. Qin Shi also shouted: "Xiao Chen, an un filial son, beat my old lady! He killed me"

For a time, the two women, Qin Shi and Wu Minzhi, made a fuss about the whole hospital.

Right now.

A woman came in from the outside.

She saw it. Come forward and pull Wu Minzhi away from Xia yunshang's arms.

"All right, stop fooling around! "

Wu Minzhi was stunned by this woman.

Looking up and down, women dress up in gold and silver. It doesn't look like an ordinary woman.

"You, who are you? I want you to take care of the affairs of our Xia family?"

Wu Minzhi pointed to the woman and asked.

When Qin saw someone meddling in his business, he trembled and released Xiao Chen, looked at the woman and said, "madam, this is my family business. It's not good for you to meddle in it?"

The woman looked at the Qin family and said, "they all say that the old lady of the Xia family is unruly and unreasonable. I don't believe it. It's true to see you today."

"You!" The Qin family was surprised by the number of irrelevant people, angrily pointed to the woman and said, "this is the Xia family. You are not welcome. Please leave."

"It's OK to let me go, but I have to take care of this matter before I can go."

Xiao Chen recognized it at this time. This woman is the one who saved the boy's mother before.

Give her the jade pendant.

At this time, the woman also looked at Xiao Chen and said with a smile: "doctor Xiao, do you still recognize me? "

Xiao Chen nodded.

"I'd like to introduce myself. My name is Lin Yan. I've been thanking you and doctor Xia for a few days."

Xia yunshang listened to her and said with a smile, "it's all we should do."

"Summer cloud clothes!"

Seeing Xia yunshang talking and laughing with Lin Yan, Qin angrily pointed to her and said, "I'll let you drive her out now."

Xia yunshang saw his grandmother say so. He also looked at Lin Yan in embarrassment.

"Old lady, I'm afraid you can't drive me away."

Seeing that Lin Yan not only didn't go, but also had an arrogant expression, Qin's lungs were about to be blown up.

"What are you talking about? Hahaha, this is my Xia family's medical school. Is there anything terrible when I drive you away"

Lin Yan smiled coldly, looked at Wu Minzhi and said, "is your husband Xia Guojun? "

Wu Minzhi doesn't know why she suddenly herself this.

Nodded.

"Yes."

"That's right, old lady, your son is now engaged in a coal business. It seems that he is begging my husband. Let me tell you, as long as my husband nods, Xia Guojun's business can be completed. But if my husband doesn't agree, I'm afraid your son will pay a lot this time? Is that right, Mrs. Xia?"

Hearing this, Wu Minzhi was stunned and said, "you, are you the wife of director Wang?"

Lin Yan sneered and nodded.
