

"Captain?"

Zhang San looked at Liu Da with a ferocious face and came in from the outside. Although he was a little surprised, he thought about the ferocity of Liu Da's usual interrogation of prisoners, and he smiled at the corners of his mouth.

He walked behind Liu DA and said with a smile: "boss, this boy was arrested by me for drug trafficking. I think someone must have ordered the meeting. As long as we find out who is behind the scenes, it's a great achievement!"

Liu Da looked at Xiao Chen, but nodded slightly at him, then turned and looked at Zhang San. "You said he was a drug dealer?" he said in a deep voice

"Yes, yes, this boy has a hard mouth. I've been asking for a long time, but he just won't say. I think there must be a big fish. I just beat him, and the stick was interrupted by me, but this boy is quite resistant to beating. Why don't you try?"

Liu Da really wanted to slap Zhang San in the face, but Zhang San said that there was evidence that if he clearly favored Xiao Chen, he would be criticized.

"OK. Go out first and I'll ask."

Seeing that Liu Da wanted to intervene in person, Zhang San smiled and nodded and said, "boss, this boy is very hard skinned. Don't be polite to him."

"All right, I see. Get out."

Zhang San saw that Liu Da's face was wrong. The new captain was famous for his temper. He was usually cruel to prisoners and extremely strict to his subordinates.

He backed out with a smile.

When Zhang San left, Liu Da came forward with a smile and said, "doctor Xiao, I wronged you."

While saying that Liu Da opened the handcuffs on Xiao Chen's hand.

"Captain Liu, it's nothing."

"Doctor Xiao is really capable. Even if a hard man is beaten by this thing, there are few people who don't beg for mercy."

Liu Da is an expert in torture. Naturally, he knows the power of this stick.

Looking at Xiao Chen's injury, he naturally admired himself.

"What's going on?"

Xiao Chen said the matter.

"This son of a bitch used to take revenge for both public and private interests. However, since he will frame you with drugs and other patrols were present at that time, it seems that I can't let you out now."

Liu Da thought for a moment and said, "in this way, as long as the woman at the moon tower can testify to you, I can make Zhang San dare not say anything more?"

"That woman, I let her go. I don't know. What's her name?"

"Don't know the name?" Liu Da frowned and said, "did you just say that Zhang San's brother-in-law was there? "

"Yes." Xiao Chen nodded.

"Li Guoqing, I know this man. I'll ask him."

Liu Da opened the door and shouted to someone, whispering a few words in the man's ear.

Then the man nodded and went out.

Liu Da is here to chat with Xiao Chen without mentioning it.

At this time, Xia yunshang's house.

The servant called Zhao Youzhen to answer the phone. Zhao Youzhen answered the phone and her face suddenly looked ugly.

Xia Guowei saw that she didn't look right and asked, "what's the matter? Is something wrong? "

Zhao Youzhen angrily hung up the phone and said, "this Xiao Chen, we left the hospital with our front feet."

"He left the hospital. What's the matter? Maybe he went shopping." Xia Guowei has a much better view of Xiao Chen since the last family dinner.

And his position at home is not high, which also allows him to understand some of the feelings of this silly uncle.

"You really don't understand anything. Have you forgotten what he caused us last time?"

"What's wrong with him?" Xia Guowei looked at his wife somewhat puzzled.

"What's the matter? If he didn't know how to know that Lee beard, how could the second family take the old lady to the hospital?"

Xia Guowei also just heard about what happened this morning.

"This matter may not have something to do with my uncle?"

"You still protect him, not him. Can the old lady be angry with our cloud clothes now?" Zhao Youzhen glared at her husband and said, "don't forget that the medical school belongs to the Xia family. If the old lady is angry and takes back the right to use the medical school, what should we do with our cloud clothes? With the little salary you earn, can we spend the expenses of our family?"

Xia Guowei bowed his head. If a man has no money, he has no status. He doesn't accept it in his heart, but he doesn't dare to say anything.

"What do you say?" Xia Guowei asked in a low voice.

"Find it?"

"Now?"

"It's not now. If we find him doing something we don't know outside, we can drive him out of the Xia family, and our daughter won't have to be wronged with him. We can also find a better mother-in-law for yunshang."

Xia Guowei frowned and said, "why do you think that yunshang and Xiao Chen are divorced?"

"Nonsense. Xiao Chen is a fool. You don't feel ashamed. I don't want to be teased with such a fool?" Zhao Youzhen said, pulling up Xia Guowei and taking her clothes. Just go outside.

When they left Xia's house, they happened to meet Li Guoqing and sun Changming.

"Guo Wei, what are you doing? "

Seeing that it was Li Guoqing, Xia Guowei smiled and said, "my silly uncle doesn't know where to go. Let's go and find it."

Li Guoqing saw that they said to find Xiao Chen. He shook his head and said, "you're still looking for it? Don't look for it. I just saw him."

"Did you see Xiao Chen?" Zhao Youzhen looked at Xia Guowei.

Xia Guowei hurried forward and asked, "brother Guoqing, where did you see him?"

"Guo Wei, I said don't be angry."

"Brother national day, speak quickly."

Xia Guowei was not in a hurry when he saw him say so.

"Just now I went to drink with Changming. I saw him taken away by the people in the patrol room in the moon tower. Among them, I knew someone. I asked. Guess what they said?"

"Patrol the house? What did they say?"

When Xia Guowei and Zhao Youzhen heard this, there was an urgent color on their faces.

"The policeman said that your stupid uncle was suspected of drug trafficking. You said you didn't look at it. How did you let him do this?"

Sun Changming echoed: "No. we were both worried at that time, but drug trafficking is a big crime, and we can't help it."

"Drug trafficking?" When Zhao Youzhen heard this, she glared at Xia Guowei fiercely and said, "look, the silly uncle in your mouth is selling drugs outside. You just said he was good. No matter how good, our family has been cheated by him. Don't you know?"

Seeing that his goal had been achieved, Li Guoqing winked at Sun Changming. They pretended to persuade him for a few words and left.

Xia Guowei got on the bus and rushed to the patrol room with Zhao Youzhen.

When they arrived, Zhang San knew Xia Guowei. He took the initiative and said, "isn't this the Third Master of the Xia family?"

Xia Guowei knew Zhang San and knew his relationship with Li Guoqing. He smiled and said, "third brother, I'm here to ask if you caught Xiao Chen in my family? "

"You know? "Zhang San pretended to be surprised and looked at Xia Guowei and his wife.

Hearing Zhang San's question, Xia Guowei and his wife were surprised.

"This Xiao Chen, he really did something against the law. That's good. It's better to put him in prison and save us." Zhao Youzhen stamped her feet fiercely.
