Chapter 3718 - 3718: Magical pill veins (1)

Chapter 3718: Magical pill veins (1)

What made Xia ruofei apprehensive, other than the hunger he felt from the purplish – Gold golden elixir, was that he did not feel like he had been reborn like he had in the past when he had a breakthrough.

Xia ruofei muttered to himself and decided not to think too much. Since the purplish – Gold golden elixir was giving him a vague sense of hunger, he would just continue to absorb spiritual energy and cultivate.

Just like when a person was hungry and wanted to eat, the body would give out a signal.

At Xia ruofei's level of cultivation, he could also sense it.

He did not lack cultivation resources now. He used purple origin crystals for cultivation, so why would he need this little bit of spiritual Qi?

Furthermore, he needed some time to consolidate his cultivation after his breakthrough. He would just treat this as consolidating his cultivation.

At the thought of this, Xia ruofei took out the purple crystal that he had not finished absorbing and held it in his palm. Then, he took a deep breath, sat cross – legged, and continued to absorb spiritual energy to cultivate.

The rich spiritual Qi in the purple Yuan crystal and the spiritual Qi in the surroundings were immediately transported into Xia ruofei's body.historical

Naturally, he circulated his spiritual energy according to the meridian circulation diagram of the later stage of the Golden core stage in the great Dao Arts.

Soon, he completed a large circulation. A wisp of vital Qi was produced in Xia ruofei's dantian and quickly integrated into his purplish – Gold golden elixir.

Xia ruofei didn't feel any change in the congealing degree of the purplish – Gold golden elixir. The congealing degree of the Golden elixir had already reached 100%. Naturally, there was no way to increase it further.

Xia ruofei didn't care so much. He didn't have any distracting thoughts. He just circulated his Qi one by one and the vital Qi in his dantian increased.

All of this vital Qi was absorbed into the purplish – Gold golden core without a trace.

In fact, the cultivation of a late – Stage golden core cultivator was more like a compression process.

Their golden cores had already completely solidified, and the Golden cores were actually formed from a large amount of Yuan Qi. The cultivation of late – Stage golden core cultivators was in fact constantly compressing this Yuan Qi.

The size of the Golden core itself would not change, but the yuan Qi within it would be continuously compressed.

When this kind of compression was carried out to the extreme, one would obtain the opportunity to break through to the Yuanying stage.

Because of this, the yuan Qi in the body of a cultivator in the early stage of the nascent soul realm had begun to transform into a liquid state. This was the result of continuous compression.Ⓕⓡⓔⓔⓦⓝ.ⓒⓞⓜ

Of course, from Jindan to Yuanying, it was a qualitative leap, not just a change in Yuan Qi.

Xia ruofei was also cultivating non – stop. Even if his guess was wrong and he had completely broken through, it didn't matter. After all, the cultivation of a late – Stage golden core cultivator was like this. He wouldn't waste his time and would compress the yuan Qi in his golden core..

Ling Qingxue couldn't help but hit Xia ruofei and said,""Why are you so infuriating!"

"You've really broken through to the late – Stage of the Aurous core stage?" Song Wei could not help but ask.

Xia ruofei nodded and said,”why Would I Lie to You?” Speaking of which, it was also because he was studying the “black origin Sutra”! However, the accumulation of my own cultivation base was almost at the point of a breakthrough, so 1 took advantage of the situation!”

Ling Qingxue couldn’t help but giggle and said,””If word of this gets out, wouldn’t sect leader mu, Valley master Liu, and the others die of anger? The breakthrough from the mid – Aurous core stage to the late – Aurous core stage is so logical and logical...”

“That’s why RUO Fei is the best!”Song Wei chuckled. He’s not someone ordinary cultivators can compare to!”

“Yes, yes, yes! Your man is the best!” Ling Qingxue said.

“Isn’t he your man?” Song Wei retorted immediately.

“You’re all right. I’m your man ...”Xia ruofei said with a smile.

“Move aside!” The two of them said in unison.

Ling Qingxue’s eyes darted around before she said,”Wei Wei, this guy has broken through to the late – Stage of the Aurous core stage. The effect of cultivating the” absolute beginning Heart Sutra “together will definitely be better!”

Song Wei’s eyes lit up and said,”Oh, right!”

Then, the two of them looked at Xia ruofei at the same time, as if they were looking at a perfect supplement pill.

Xia ruofei couldn’t help but take a step back. He waved his hand and said, “Don’t look at me like that. I’m scared ...”

Ling Qingxue giggled and said,”what are you afraid of?” Obediently accompany us to our joint cultivation! What are you hiding for? Where can you hide?”🅕🅡🅔🅔🅦🅝.🅒🅞🅜

Xia ruofei smiled bitterly.”No... I’ve been in seclusion for a few days. I’ve barely slept or rested. Can’t you at least let me rest?”

“No!” Ling Qingxue said decisively,”who was the one showing off just now? Now, you’ll join our cultivation! If we don’t work hard, we’ll really be left far behind by you! Weiwei, you first!”

“You go first!” Song Wei said,”1’11 go prepare something to eat. We’ll celebrate with RUO Fei today!”

“That’s good too ... Anyway, I can’t let this guy be idle!” Ling Qingxue said.

Then, she pulled Xia ruofei over and said,""Come in, you!"

Xia ruofei was pulled into a bedroom by Ling Qingxue with a bitter expression on his face. However, there was no erotic reward. Ling Qingxue could not wait to ask him to take out the time array flag. Then, the two of them began to cultivate together.

Of course, even though the process of joint cultivation looked calm on the surface, it was actually quite erotic.

Furthermore, the combination of spirit bodies was, in theory, more fascinating than the combination of physical bodies.

To Xia ruofei, the progress of his cultivation was negligible when he cultivated with Song Wei and Ling Qingxue. However, with his current cultivation level, the consumption of the cultivation process was negligible. It was just a matter of time.historical

Moreover, with the help of the time array flag, it didn't waste much time.

It didn't cost much time, but he could enjoy the joy of spirit body Union. Xia ruofei naturally wouldn't reject it.

The bitter look on his face was obviously an act. This was also a secret pleasure between him, Song Wei, and Ling Qingxue.

Xia ruofei was very serious in his practice with Ling Qingxue. Then, he did the same practice with Song Wei for the same amount of time.

The two of them felt it very clearly. Xia ruofei's cultivation had indeed improved by a huge step. The joint cultivation process was much smoother and easier. In the same time, their cultivation had improved a lot more than before.

Naturally, the two of them were overjoyed. Xia ruofei's improvement in cultivation was, in a sense, a great boost to their cultivation.

After the joint cultivation, Xia ruofei and his two female friends had a Happy Meal together. To celebrate his breakthrough to the advanced stage of the Golden core stage, Xia ruofei even took out his precious Drunken Eight Immortals white wine. Song Wei and Ling Qingxue drank half an. This wine was sweet and had a low alcohol content, which was especially suitable for girls.

After the meal, the three of them cleaned up the dishes together, and the atmosphere was naturally harmonious.

Song Wei and Ling Qingxue stood by the sink and washed the dishes, while Xia ruofei was responsible for drying and placing the plates they liked. The division of labor was very clear.

Song Wei washed the dishes and asked,""RUO Fei, now that you've broken through to the late – Stage of the Aurous core stage, what are your plans? Do you want to continue cultivating in seclusion on the Peach Blossom Island?"

Xia ruofei thought for a while and said,""If you keep yourself in a closed environment, the effect of your cultivation might not be very good, so you might go out for a walk!"

"En!" Song Wei nodded and said,"it's better to travel ten thousand miles than to read ten thousand books. This principle should be correct when it comes to cultivation. Furthermore ... The difference between the Jindan stage and the Yuanying stage is a huge realm. I believe that breaking through is not that easy. H

Xia ruofei smiled and said,"I've just broken through to the advanced stage of the Aurous core stage. There's still a long way to go before I can break through to the nascent Soul Stage." I won't consider this problem for the time being."

Ling Qingxue looked at Xia ruofei and said,""For others, it might be a long process, and they might not even be able to do it in their entire lives, but for you..."

At this point, Ling Qingxue couldn't help but laugh. She then said,""Can you be measured by common sense? How long has it been since you've broken through to the mid – Aurous core stage?"

Xia ruofei was slightly stunned. He smiled and said,""It doesn't seem to be a long time! We broke through when we were exploring the mystic Luna realm! It's .... Not even been a year?"

Chapter 3720: Returning to the old home (2)

"Otherwise?" Ling Qingxue said,"so don't think that the nascent Soul Stage is too far away now. Who knows, you might accidentally break through as you practice? I still need to make plans early!"historical

Xia ruofei couldn't help but laugh."Qingxue is very confident in me! Fine! Then we'll plan when we have time. But 1 definitely won't be like sect leader Chen, who made a big fuss just because 1 broke through to the nascent Soul Stage. We have to keep a low profile ..."

"That's because the cultivation world has been in decline for the past few years. There isn't even a single original infant stage cultivator." Song Wei continued,"sect leader

Chen's breakthrough was mostly due to the opportunity that Chen Xuan brought back from the mystic Luna realm. He's inviting all his friends and family to spread the name of the first heaven society!"

Xia ruofei nodded and said,"yeah!" After all, he's the head of a sect, and his perspective on the problem is different from ours ... Let's not talk about this. Speaking of going out, 1 really thought of a place?"

"What place? Is it very interesting?" Ling Qingxue asked impatiently.

Xia ruofei laughed and looked at Song Wei,""Wei Wei should know about this place."

"Me?" Song Wei was stunned at first, but she quickly thought of a place.

From Xia ruofei's words, it was easy to tell that this place had something to do with her and probably had nothing to do with Ling Qingxue. However, it had something to do with cultivation. The answer was obvious.

"RUO Fei, you mean ... The ancient tomb of Mount Yu?" Song Wei asked after a moment of hesitation.

Xia ruofei smiled and nodded.""At that time, my cultivation was too low, and there were still many places that 1 hadn't explored. 1 also felt that there seemed to be some secrets hidden there. Now 1 should have some ability to protect myself, so it's time to go back and take a look!"

Ling Qingxue, who was listening at the side, was dumbfounded. She couldn't help but say,""What Mount Yu tomb? Are you two still hiding your little secret from me?"

"Don't talk nonsense. What secret is there?"Song Wei blushed.

Xia ruofei laughed and said,"I should have told you, but you might have forgotten." Back then, Wei Wei accompanied me to explore the ancient tomb on Mount Yu. Later on, an accident happened and she was in a coma. I thought of many ways to wake her up. It was also because of this accident that Wei Wei's physique improved, and that's why she was able to embark on the path of cultivation."

Ling Qingxue came to a sudden realization and said,""Yes, yes, yes, you did tell me that, but I was too angry at that time ..."

At this point, Ling Qingxue felt a little embarrassed. At the same time, it also brought back memories of the past.

At that time, Xia ruofei was still her boyfriend! Because of the accident in the Yu mountain tomb, Song Wei started to cultivate. Later, she cultivated together with Xia ruofei by accident, which led to the subtle relationship between the three of them today.

Thinking of this, Ling Qingxue couldn't help but glare at Xia ruofei, her expression a little resentful.

Song Wei was a little embarrassed. Although it had been a long time and the relationship between the three of them was more harmonious now, when she faced Ling Qingxue, she couldn't help but feel a little guilty. After all, no matter what the reason was, from the end result, she was the third party.

Today, Xia ruofei brought up the past and Song Wei's guilt naturally increased.

Xia ruofei saw that the situation was not right! She quickly changed the topic."Vivi, you should remember that there were some areas in the tomb that we didn't dare to explore. There was a very powerful spirit there, and we almost lost our lives. 1 don't care if we get anything this time, 1 must get back at you!"

As expected, Ling Qingxue and Song Wei's attention was immediately drawn to the tomb of King Yu.

Song Wei was more of a quiet person, but Ling Qingxue couldn't help but say,""How can 1 miss out on such an exciting thing? RUO Fei, 1'11 let go of what happened last time, but you two can't leave me behind this time!"

"We're going to explore an ancient tomb, not on a date ..." Xia ruofei could not help but mumble.

"I don't care! In any case, the two of you can go out in pairs, and I can't stay in the Peach Blossom Island alone to guard an empty room!" Ling Qingxue said.

Song Wei blushed and said,"what do you mean by going out in pairs!" Qingxue, don't spout nonsense."

Then, Song Wei said to Xia ruofei,""RUO Fei, why don't you ... You go by yourself. Qingxue and I will stay on the Peach Blossom Island to cultivate."

Song Wei's original intention was to avoid suspicion. After all, if she and Xia ruofei went to King Yu's tomb together, even with the black Phoenix flying boat, the round trip would take at least two days. After all, they still had to explore the ancient tomb. They could not just turn back after they reached the place.

If it was really just her and Xia ruofei, there was no guarantee that Ling Qingxue would not have other thoughts.

Therefore, she decided not to go herself.

However, as soon as Song Wei finished speaking, the first person to disagree was Ling Qingxue.

“No, no, no, you can’t not go!” Ling Qingxue shouted. That place has a special meaning for you. This is considered a revisit to an old place, so how can you not go? I wanted to say that the three of us should go together!”

Ling Qingxue was a lively person by nature. She had to stay on peach source Island and in the Yan Huang tower all day long. Although the cultivation environment was so good that it made people envious, she still felt bored.

This time, Xia ruofei finally decided to go out for a walk. Furthermore, it was an exciting ancient tomb exploration. How could she be willing to stay? she definitely wanted to go with him.fREEWN.cOM

Xia ruofei thought for a while and nodded.””Alright! Then the three of us will go together! I’ll let my adopted husband know in a while. I’m not worried about him staying here to look after the house. Let’s have a good rest today and set off early tomorrow morning!”

“Awesome! It’s decided then!” Ling Qingxue immediately cheered.

Song Wei was helpless and could only nod,”Alright, then we’ll do as RUO Fei says!”

After the three of them cleaned up the kitchen, Song Wei and Ling Qingxue went back to their rooms to take a nap. Xia ruofei took the elevator down to Li Yifu’s room.

He first tested Li Yifu’s cultivation, and at the same time, he cleared Li Yifu’s doubts.

Xia ruofei did not tell Li Yifu that he had broken through to the advanced stage of the Golden elixir realm. In fact, he did not think there was a need to publicize it. It was enough for his two close female friends to know.

After Xia ruofei’s guidance, Li Yifu was naturally grateful.

In fact, at his age and with such a poor cultivation Foundation, he was able to break through to the Golden core stage in his lifetime. It could be said that Xia ruofei was the one who nurtured him. To Li Yifu, this was the grace of rebirth. He definitely respected and respected Xia ruofei from the bottom of his heart.

Xia ruofei waved his hand and said,””Foster husband, since you call me martial granduncle, then 1 can’t just have an empty title. Guiding you in your cultivation is also part of my duty. You don’t have to thank me so solemnly every time. It makes me a little embarrassed ...”

“Yes, I will remember.” Li Yifu said.

Xia ruofei felt a little helpless. He knew that Li Yifu would always say that he remembered it, but he would definitely repeat it the next time. There was no suspense at all.

Xia ruofei shook his head and said,”foster husband, I’m going to take my two cultivation partners with me tomorrow. I’m very assured that you’ll be in charge of the peach source Island.” If there’s anything that you think is troublesome, please contact me on the phone!”

“Yes! Don’t worry, martial granduncle, this disciple will look after the house!” Li Yifu said.

In the past, when he had stayed behind to guard the Peach Blossom Island, he had felt a little apprehensive. Without Xia ruofei here, he had lost his backbone.

However, with the passage of time, his understanding of the Taixu xuanqing formation had deepened. Most importantly, he had now broken through to the Aurous core stage and was considered a figure at the top of the pyramid in the cultivation world. Naturally, he was more confident in his own strength.

Xia ruofei patted Li Yifu’s shoulder and said with a smile,””Alright! I’m at ease with you handling things! Then we’ll leave tomorrow morning. You don’t have to send us off..”
