

God tier Farm 1451

Chapter 1451: An unexpected encounter (1)

“So be it if they want to check drunk driving!” Xia ruofei said nonchalantly and slowed down the car.

“It’ll be bad if they really check for drunk driving!” Ling Qingxue said anxiously, “you drank so much white wine last night. Even if you’re conscious, the alcohol content in your body must have exceeded the limit!”

What you’re afraid of will come.

As the police got closer and closer, Ling Qingxue could already see the breathalyzer in their hands.

What should I do?

Ling Qingxue subconsciously turned around to look. At that moment, Ling Xiaotian’s drunkenness had kicked in and he was sleeping soundly in the back seat. He was completely unaware of what was happening outside.

“Ruofei, let’s change seats!” Ling Qingxue said hurriedly, “there’s still time!”

In fact, Ling Qingxue had also drunk a few glasses of half – Lon. However, she was still hoping that she would be fine after a few hours. At least, compared to Xia ruofei, the possibility of her being detected to have excessive alcohol content would be much lower.

Xia ruofei laughed, “silly girl!” I told you I’m fine, there’s no need to change seats ...”

It would be terrible if they changed seats! He was sure that he would be fine, but what if Ling Qingxue’s alcohol content was over the limit? wouldn’t that be a disaster for the new year?

While they were talking, the car had already stopped beside the police. It was too late to change seats.

Ling Qingxue was extremely anxious. Her hands were clasped together tightly as she looked at the police officers outside the car window uneasily.

Xia ruofei laughed as he rolled down the window and stuck his head out. The chassis of the Knight XV was very high, so he had to lower his head slightly to see the police outside.

“Police! You’ve worked hard! He’s still on duty on the road during the new year!” Xia ruofei said.

The police officer heard Xia ruofei’s voice and couldn’t help but look up. He said in surprise, “Xia ruofei? Why are you here?”

The police officer looked up and Xia ruofei naturally saw her face. He couldn’t help but laugh and said, “Officer Qin? Aren’t you a detective? Why are you on duty on the road? Have you adjusted your work?”

This police officer was the policewoman Qin Xiao Yu who had dealt with Xia ruofei a few times.

The police officer next to Qin Xiao Yu had smelled the smell of alcohol when the car window was rolled down and thought that they must have been caught for drunk driving.

Now that he saw that the pilot actually knew Qin Xiao Yu, he could not help but hesitate and whispered, "Captain Qin, why don't we ... Let it go?"

He felt that if he let the driver blow on it, he would most likely be caught red – handed, and that would put Qin Xiao Yu in a difficult position. He might as well pretend that he had not seen this car and just let it go.

Qin Xiao Yu naturally also smelled the strong smell of wine. She glared at her subordinate and said, "Do you know what you're saying? Don't forget your status!"

Their entire police team had been sent to the road to support the traffic police. This was a unified operation in the Bureau to prevent anyone from taking risks on New Year's Eve and driving after drinking.

In fact, every year during the new year, drunk – driving was on the rise. Even though the crackdown on drunk – driving was unprecedented, some people still had the mentality of getting lucky.

Qin Xiao Yu was famous for not recognizing her own family. Not to mention that her friendship with Xia ruofei had not reached that stage, even if it was her good friend, if she committed a crime, she would never show favoritism.

That was why the police officer's words made her feel a little angry.

Xia ruofei was still chuckling. "By the way, how's fluffy four? Don't let it suffer, or I'll take it back!"

Si Mao was one of the dogs that Xia ruofei kept in the medium. Last time, under Qin Xiao Yu's request, Xia ruofei gave her a dog, and this dog was si Mao.

Qin Xiao Yu's expression was slightly stunned. Si Mao had grown up in the spirit map space and its intelligence was much better than the average dog. In the past few months, she and Si Mao had developed a very good relationship.

At this time, Qin Xiao Yu remembered that si Mao was a gift from this guy in front of her, if he was confirmed to be drunk driving ...

Qin Xiao Yu could not help but feel conflicted, especially when she saw the gentle smile on Xia ruofei's face. She, who was jokingly called The Iron Lady by her colleagues, could not help but hesitate.

However, she quickly hardened her heart and said with a straight face, "I'm on duty now. We'll talk about unrelated things later!"

After she finished speaking, Qin Xiao Yu motioned for her subordinate to take out the breathalyzer and then saluted Xia ruofei as a routine. "Comrade, it's a routine inspection. Please cooperate and blow some air!"

"He really doesn't recognize his family!" Xia ruofei teased.

Qin Xiao Yu bit her lips secretly and personally took the breathalyzer from her subordinate and handed it over. Although she didn't say anything, her meaning was obvious.

Xia ruofei laughed and puffed up his mouth to blow at it.

At this moment, Ling Qingxue did not dare to look in that direction anymore. Her heart was beating very fast. When she saw that Xia ruofei knew the police officer on duty, she still had some hope in her heart. She did not expect that the female police officer would still insist on testing the alcohol content.

Qin Xiao Yu secretly sighed and took the breathalyzer to take a look at the results. She was stunned.

The test result was 8mg/100ml, which was far from the 20mg drinking driving standard. As for the 80mg drunk driving standard, it was far from being enough.

This result surprised Qin Xiao Yu, but she was secretly relieved.

Qin Xiao Yu saluted Xia ruofei and said, "Thank you for your cooperation!"

?

Chapter 1452: An unexpected encounter (2)

Then, she made a hand gesture to let them in.

Xia ruofei smiled and waved at Qin Xiao Yu as he started the car. Just as the car was about to move forward, Qin Xiao Yu suddenly said, "Si Mao is doing very well at my house. You can come and see him when you have time!"

Qin Xiao Yu saw a hand stretched out from the window of the Knight XV that had already driven past her, making an 'OK' gesture.

This guy! The corners of Qin Xiao Yu's mouth couldn't help but curve up.

The police officer beside her couldn't help but be stunned. Cold – faced Captain Qin could actually smile? My eyes aren't playing tricks on me, right? He could not help but rub his eyes.

Qin Xiao Yu stuffed the breathalyzer into her subordinate's hands and said, "What are you looking at? Aren't you going to record the results of the examination?"

The police officer took the breathalyzer and saw the number on it. His mood was the same as Qin Xiao Yu and he heaved a sigh of relief.

He quickly jotted down the license plate number, test results, inspection time, and so on.

As for the strong smell of alcohol in the bus, it was not like they had never encountered such a thing before. It was most likely that there were drunk passengers on the bus.

There was limited space in the car. The windows were closed in the middle of winter, so there wasn't enough air circulation. As long as there was a drunk passenger, the car would definitely be filled with the smell of alcohol.

In the Knight XV SUV, Ling Qingxue looked at Xia ruofei in disbelief. "I passed just like that?"

"What else?" Xia ruofei shrugged.

If it wasn't for the fact that the air in the car contained a lot of alcohol, and he had inevitably breathed in a little, the test result would have been even lower. He had even used true energy to force all the alcohol out of his body.

Ling Qingxue looked at Xia ruofei with a half-smile and said, "Don't tell me that pretty policewoman deliberately went easy on him? Ruofei, you actually know such a beautiful female police officer? How come I didn't know about her?"

Xia ruofei did not know whether to laugh or cry as he looked at Ling Qingxue and said, "Wife, what are you thinking? Qin Xiaoyu has always been a woman who doesn't recognize her family at work. If she wants to go easy on me, can't she just let me go directly? Is there a need for me to blow a breath of air?"

"Qin Xiao Yu? That's a nice name!" Ling Qingxue giggled and said, "It seems like you know her quite well!"

Xia ruofei couldn't help but smile bitterly. He must be out of his mind to reason with a jealous woman ...

Seeing Xia ruofei's embarrassed look, Ling Qingxue couldn't help but burst out laughing. "I was just teasing you! Look at how scared you are ..."

It was hard to tell the truth from the woman's words. Xia ruofei did not dare to let his guard down. He quickly said, "Anyway, I'm not in an abnormal relationship with officer Qin! Qingxue, you're the one I love! The sun and moon can bear witness to this heart!"

Ling Qingxue could not help but blush. She turned around guiltily and saw that Ling Xiaotian was still sleeping soundly, even snoring lightly. She then gently hit Xia ruofei and said softly, "Damn it! My dad is still in the car! To say such mushy words ..."

"This is considered mushy?" Xia ruofei laughed evilly. "I have something even more nauseating!"

"I don't want to hear it, I don't want to hear it ..." Ling Qingxue reached out to cover Xia ruofei's mouth.

"Stop it, I'm driving!" Xia ruofei quickly said.

Ling Qingxue finally stopped. She glared at Xia ruofei and couldn't help but burst out laughing.

The inspection location wasn't far from Ling Qingxue's house. After the two of them laughed and joked around, the car quickly drove into the villa area and stopped in front of Ling Qingxue's house.

Originally, Xia ruofei was prepared to carry Ling Xiaotian inside. However, when the car stopped, Ling Xiaotian woke up on his own. He asked with sleepy eyes, "RUO Fei, Qingxue, have we arrived?"

Ling Xiaotian did not drink too much today, and the slight shaking of the car as it drove had a hypnotic effect on him. Now that the car had stopped, he had also woken up from his light sleep.

“Yup! Uncle Ling!” Xia ruofei turned around and said with a smile.

Ling Xiaotian sat up straight, unbuckled his seat belt, and got out of the car with Ling Qingxue.

Xia ruofei also got out of the car. Ling Xiaotian was already fully awake. He laughed and said, “Ruofei, it’s too late today, so I won’t invite you in! You should also make good use of your time and go back to rest early!”

“Okay, uncle Ling!” Xia ruofei said.

“Qingxue, I’ll go in first!” Ling Xiaotian then turned to Ling Qingxue and said, “It’s cold outside. Don’t stay too long!”

“I know, dad!” Ling Qingxue said.

Ling Xiaotian led the way into the mansion. Ling Qingxue held Xia ruofei’s hand and stood at the door. She leaned on him gently, feeling a little reluctant to part with him.

At this time, it was probably midnight when the New Year’s Eve arrived. Suddenly, a burst of firecrackers sounded in the distance, and colorful fireworks began to bloom in the sky, lighting up the dark sky.

However, the lighting of fireworks was also prohibited in the villa area, so the fireworks were far away, and the sound was a little weak.

“It’s so beautiful!” Ling Qingxue looked up at the sky and said in surprise.

“Qingxue! Happy New Year!” Xia ruofei said loudly.

“Happy New Year!” Ling Qingxue looked at Xia ruofei with a bright smile.

Looking at Ling Qingxue’s beautiful face, Xia ruofei couldn’t help but hold her face gently, then lowered his head and kissed her hard.

Under the illumination of the fireworks, the pair of lovers kissed each other in the night, completely forgetting the noise outside ...

After a long time, Ling Qingxue finally got out of Xia ruofei’s arms, blushing. She lowered her head and said, “You should go back ...”

“Yes ...” Xia ruofei said, “I want to see you enter the house!”

“My home is here, how can I get lost?” Ling Qingxue said with a mischievous smile.

“No, I must see you return home safely!” Xia ruofei said.

“You’re just like a child ...” Ling Qingxue rolled her eyes at Xia ruofei, but her heart was warm.

She let go of Xia ruofei’s hand and walked into the villa’s courtyard step by step. At the entrance, she turned around and waved at Xia ruofei with a smile.

Xia ruofei was leaning against the Knight XV and waved at Ling Qingxue. He only drove back to the daguantian community when he saw Ling Qingxue enter the house.

When they returned to Hu Zi's mother's house, she had already gone back to her room to rest. Lin Qiao was still in the living room watching the Spring Festival Gala that was coming to an end.

"Godmother is asleep?" Xia ruofei asked softly.

"Yup!" Lin Qiao said while peeling the orange, "she asked you to rest early!"

"What about you?" Xia ruofei asked with a smile.

"I want to stay up for the new year!" Lin Qiao said.

"You can finally stay up all night, right?" Xia ruofei said with a smile.

"Where?" Lin Qiao pouted and said, "it's very important to stay up for the new year, okay? Brother RUO Fei, why don't you stay up and guard the place together?"

Xia ruofei quickly said, "you should guard it slowly!" "I'm going back to my room!"

While he was on the road, his phone and WeChat notifications had been ringing non – stop. They must have been well – wishes from his friends or business partners.

Xia ruofei also prepared to return to his room and reply to them one by one.

"Boring ..." Lin Qiao pouted. Then, she broke off half of the orange and stuffed it into Xia ruofei's hand.

Xia ruofei laughed and took out a red packet that he had prepared earlier. "You still know how to share half of your food with me! Our Qiao' er has grown up! Here, this is your New Year's money. Take it!"

When Ling Xiaotian gave Lin Qiao a red packet, she would hesitate for a while. But when it came to Xia ruofei's Red packet, Lin Qiao would never be polite. She took it and opened it on the spot.

"Waa! Another big red packet!" Lin Qiao shouted happily, "I'm really rich this year ..."

Lin Qiao's voice was a little loud. Xia ruofei quickly pointed to Hu Zi's mother's bedroom and made a shushing gesture.

Lin Qiao quickly covered her mouth and then released it. She stuck her tongue out at Xia ruofei and smiled. "Thank you, brother ruofei! You're the best!"

"You little girl, you're so sweet with red packets!" Xia ruofei touched Lin Qiao's head lovingly and said, ""You should sleep early too! Don't really stay up all night!"

"I know!" Lin Qiao said.

Xia ruofei then strode back to his room. First, he took out a change of clothes from his bag and went to the bathroom to take a shower. Then, he lay on the bed. He had missed the midnight cultivation time tonight. He was going to reply to messages and WeChat before going to sleep.

?

Chapter 1453: Staying overnight at the Ling family's residence (1)

Xia ruofei received a lot of messages on WeChat. Other than Liang Weimin and some business partners, Liang Qichao, pang Hao, and other friends, including Wolf King and his old comrades in the Army, had also sent him well – wishes.

What touched Xia ruofei was that Grandpa Tang He, Tang Yitian and his wife, as well as MA Xiong's family in Hong Kong, all sent him a message of blessing at midnight.

There was a time difference between United States and Australia and China. Tang He, Tang Yitian, and the others must have sent him a message on time.

Xia ruofei also saw a message in English. It was very simple, with only three words: "Happy Spring Festival."

This was different from "Happy New Year." "Spring Festival" referred to the Chinese New Year, while the former meant "Happy New Year" in the world. In most cases, it referred to the Gregorian New Year, which was New Year's Day.

Xia ruofei couldn't help but smile when he saw the sender.

This message came from far away Europe. It was from Monica.

Thinking of this foreign beauty who had had a few nights of fun with him, Xia ruofei's heart wavered.

He quickly tapped on the virtual keyboard on his phone and replied to the messages one by one.

Most of the business partners greeted him out of courtesy. Xia ruofei also wrote a group message of thanks and well wishes and sent it back.

As for Tang He, Tang Yitian, and the others, including his old comrades and friends, Xia ruofei seriously replied to them one by one.

The reply to Monica was also very simple. Thanks! Miss U (thanks! I miss you!

Monica replied very quickly. There were no words. It was an emoji with a picture of a seductive red lips.

Xia ruofei couldn't help but laugh. This Little Vixen ...

It was already half past one in the morning when he finished replying to all the messages. He would still receive a few messages at this time. Xia ruofei turned off his phone and went to sleep.

At dawn, Xia ruofei's biological clock made him open his eyes.

Even though it was the first day of the new year, Xia ruofei did not slack off. After a simple wash up, he sat cross – legged on the bed and felt the rich spiritual Qi of heaven and earth. He made the best use of his time to cultivate.

After finishing his cultivation, Xia ruofei opened the door and walked out.

Hu Zi's mother was already preparing breakfast, and Lin Qiao, who stayed up until God knows what time last night, was still upstairs.

"RUO Fei, come over for dinner when you're up!" Hu Zi's mother said, "Qiao'er usually sleeps until late in the morning. She went to bed so late last night. I don't know what time she'll wake up!"

"Godmother, Happy New Year!" Xia ruofei said with a smile.

"Happy New Year, Happy New Year!" Hu Zi's mother was also in a good mood. She said, "we'll be eating leftovers today. Try to get over it!"

Xia ruofei smiled. "I know, I know. It's the next year's meal!"

This was also an old custom of the three mountains. No new rice was cooked on the first day of the first month of the lunar year. They had to eat the leftovers from the first night, which meant that they had more than enough food every year.

Of course, this was also something that Hu Zi's mother had prepared in advance last night. It was not really leftovers.

China was so big, and the new year customs were different all over the country. For the three mountains, on the first day of the first lunar month, there was basically no sweeping, no dumping of garbage, no bathing, and no going far. In addition, one had to go to bed early at night, commonly known as "night lantern." They were competing to see who slept early.

As a native of the three mountains, Xia ruofei naturally knew about these customs. Hu Zi's mother did not have to bother explaining.

Although the breakfast was the New Year's meal, it was still sumptuous. There were golden – fried taro rice cakes, Taiping rice noodles, and so on.

Soon, Xia ruofei finished a big bowl of rice noodles and a few pieces of taro cake. Hu's mother saw that he was eating so happily and was genuinely happy.

Xia ruofei treated this place as his second home. The custom on the first day of the first lunar month was not to go far, so he might as well not go out and stay at home to chat with Hu Zi's mother.

When he was busy, he could only visit the forestry Bureau dormitory occasionally. There were not many opportunities to sit and chat without any disturbance.

Although she had taken very good care of the mother and daughter, Xia ruofei knew that it was far from enough. Especially after Lin Qiao went to the University on Egret Island, Hu Zi's mother would feel even more lonely and would need the company of the old man even more.

This was also the reason why she was never tired of helping Lin Yue'e pick up Nan Nan, even though it was tough.

Lin Qiao didn't go downstairs until 10 O'clock.

Hu Zi's mother urged her to wash up while she herself went to heat up the breakfast.

Xia ruofei looked at Hu Zi's mother, who was busy, and sighed. What a pity!

Xia ruofei stayed in the daguantian neighborhood for the entire day on the first day of the Lunar New Year. That night, Hu Zi's mother urged them to go back to their room to rest early. This was because, according to the customs of the three mountains New Year, they had to sleep early on the first day of the Lunar New Year. The earlier the better.

For young people who were used to staying up late, this was really a little uncomfortable.

Xia ruofei didn't know if Lin Qiao would obediently go to sleep after going back to her room. She probably hid under the blanket and secretly played with her mobile phone. Since he didn't feel sleepy at all, he simply sat up to cultivate at midnight.

On the morning of the second day of the first lunar month, Hu Zi's mother had already prepared a gift for Xia ruofei. Today, Xia ruofei was going to visit Ling Xiaotian. The second day of the first lunar month was the day that the son – in – Law of the three mountains would visit.

?

Chapter 1454: Staying overnight at the Ling family's residence (2)

After breakfast, Hu Zi's mother and Lin Qiao walked Xia ruofei to the door and handed him the gift they had prepared. Then, they tidied his clothes and said kindly, "Ruofei, when you're with your in – laws, you have to be more sweet with your words. Try to marry Qingxue this year!"

Xia ruofei didn't know whether to laugh or cry, but he still nodded his head and agreed.

When they arrived at Ling Xiaotian's house, they naturally had a good time drinking and chatting. They even had two consecutive meals until 10 O' clock in the evening.

The drunk Ling Xiaotian had not forgotten that he wanted Xia ruofei to stay at his house.

Naturally, Xia ruofei was more than happy to do so. Ling Qingxue's face was as red as a ripe apple. She helped her father back to his room to rest, then rolled her eyes at Xia ruofei and led him to the guest room that had been prepared for him.

How could Xia ruofei miss such a God – given opportunity?

The Ling family's nanny had also gone back for the new year. Only Ling Xiaotian, his daughter, and Xia ruofei were left in the huge villa. Now that Ling Xiaotian had been easily drunk by Xia ruofei and had fallen into a deep sleep, how could Xia ruofei still control his own flame?

At the door of the guest room, Xia ruofei hugged Ling Qingxue, whose face was as red as fire, and kissed her deeply.

Ling Qingxue didn't even try to resist. She started to respond to Xia ruofei enthusiastically.

Xia ruofei even boldly picked Ling Qingxue up by her waist and walked out of the room, heading straight for her boudoir.

Ling Qingxue was both shy and nervous. She let out a soft sigh and closed her eyes tightly.

Although she knew that Ling Xiaotian was already in a deep sleep, she couldn't help but feel embarrassed when she thought of her father in the bedroom not far away.

Xia ruofei carried Ling Qingxue to her room and placed her on the bed.

"The door isn't closed ..." Ling Qingxue weakly said.

"Don't worry! Even if there's Thunder outside, uncle Ling won't be able to hear it ..." Xia ruofei laughed evilly as he lowered his body.

Ling Qingxue chuckled as she struggled to stand up. She staggered to the door and locked it from the inside.

Before she could turn around, she felt a hot body hug her tightly from behind, and she instantly felt her whole body go soft.

The song of a Phoenix and a Luan rang out in the warm boudoir of a young girl ...

After a long time, the wind and rain stopped. Ling Qingxue curled up lazily in Xia ruofei's arms, the flush on her face still not completely gone.

"You bad guy, you must have made my dad drunk on purpose, right?" Ling Qingxue asked.

"Hehe! Uncle Ling is in such high spirits, how can I ruin his mood?" Xia ruofei would never admit it.

"You're not allowed to drink like this next time!" Ling Qingxue pouted and said, "my dad is old. Drinking is bad for his health!"

"Don't worry!" Xia ruofei said in a relaxed manner, "uncle Ling's body is fine. I'll help him recuperate tomorrow. He'll definitely be full of energy!"

"Really?"

"Don't forget what your husband does for a living!" Xia ruofei said, "I say, wife, how dare you question your husband's ability! Looks like I'll need to be punished ..."

Xia ruofei's hands started to move restlessly after he finished speaking.

Ling Qingxue shrieked in shock and laughed coyly as she shrank into the blanket. However, Xia ruofei had not been intimate with Ling Qingxue for a long time and was still full of energy! How could he let Ling Qingxue escape?

He chuckled and snuggled under the covers. Soon, a blushing and heart – Racing sound began to echo in the bedroom again ...

The next morning.

Ling Qingxue woke up from her sweet dream and opened her eyes lazily.

Thinking of the crazy night they had last night, her beautiful face couldn't help but blush.

However, when she noticed the sunlight coming in through the gap in the curtain, her remaining sleepiness disappeared at once. She sat up nervously in bed.

It was already bright outside, and he didn't know if his father would wake up early. If he was caught red-handed by his father, it would be really awkward ...

After Ling Qingxue sat up, she suddenly realized that there was no one beside her. Xia ruofei had left without her knowing.

Ling Qingxue's face revealed a trace of amusement. She reached out to touch the blanket that was still warm and muttered to herself, "This guy, I thought he was very bold ..."

Knowing that Xia ruofei had already escaped from the "crime scene", Ling Qingxue was relieved. She got out of bed and put on her clothes.

Seeing her undergarments scattered all over the room, Ling Qingxue's pretty face couldn't help but burn again.

"You don't even know how to help me pack up ..." Ling Qingxue muttered to herself as she walked over to pick up the clothes.

She imagined Xia ruofei sneakily getting up in the morning, quickly putting on his clothes, and then sneaking out like a thief to observe the situation before quickly sneaking away. She couldn't help but laugh.

Girls usually took a longer time to clean up when they woke up early. It took Ling Qingxue more than half an hour to finish washing up. She opened the door and walked out.

Coincidentally, Ling Xiaotian seemed to have just woken up as well. He walked out of another bedroom not far away.

"Qingxue, you're up!" Ling Xiaotian greeted with a yawn.

"Yup! Dad, you just woke up too?" Ling Qingxue looked at Ling Xiaotian's slightly pale face and asked with concern, "you were so drunk last night. Are you feeling uncomfortable now?"

"It's fine!" Ling Xiaotian laughed. He was just a little lacking in spirit! Our family's wine will never get you drunk!"

Ling Xiaotian did not boast about himself. Other than the mellow and rich fragrance, the unique characteristic of the Drunken Eight Immortals wine was that it would not get to one's head. No matter how drunk one was on the first day, one would not get a headache the next day. At most, one would be a little dispirited.

For example, this time, Ling Xiaotian would usually wake up about an hour ago and train for a while every morning. But today, he overslept.

After getting up, other than feeling a little tired, he didn't have any other hangover symptoms, such as headaches.

"Oh right, where's RUO Fei?" Ling Xiaotian asked.

Ling Qingxue's face heated up slightly, and she said guiltily, "I don't know! I just woke up ... He can't be still sleeping, right?"

Ling Qingxue then glanced at the guest room with its tightly shut door.

At this moment, Xia ruofei's voice came from downstairs. "Uncle Ling, Qingxue, you're up! Come down and have breakfast!"

Ling Qingxue and Ling Xiaotian looked down through the railing and saw Xia ruofei wearing an apron. He was holding two bowls of soup in his hands and the dining table was already filled with a sumptuous breakfast.

Ling Xiaotian chuckled and said, "ruofei, how can I let you make breakfast for us?" You're a guest ..."

"Uncle Ling, you're treating me as an outsider, aren't you?" Xia ruofei smiled and said, "I don't think of myself as an outsider!"

Ling Xiaotian happily looked at his daughter and said, "Yes, yes, yes, we're not outsiders to begin with!"

With that, Ling Xiaotian strode down the stairs.

Ling Qingxue's lips curved into a mesmerizing smile. This guy's mouth sure is sweet. He even knows how to please his future father – in – Law ...

The two of them went downstairs to the dining room. Xia ruofei pointed at the bowl of black medicinal soup on the table and said, "Uncle Ling, drink this bowl of hangover soup before you eat breakfast! This is something I specially made for you. "

"Ruofei is so considerate!" Ling Xiaotian chuckled as he said that. He lifted his bowl and began to gulp down the soup.

"Qingxue, this bowl is yours!" Xia ruofei said, "this is a nourishing soup!"

At this point, Xia ruofei moved closer to Ling Qingxue's ear and whispered, "It's specially used to quickly replenish physical strength ..."

Ling Qingxue blushed and could not help but secretly glare at Xia ruofei. Then, she quickly looked at Ling Xiaotian.

At this moment, Ling Xiaotian had already finished drinking his hangover soup. He wiped his mouth, then looked at Ling Qingxue and asked, "Qingxue, why aren't you drinking? RUO Fei worked so hard to get up so early to make soup, don't let his good intentions down!"

"Oh!" Ling Qingxue responded and picked up the bowl of soup guiltily.

In fact, when she woke up this morning, she felt that her legs were weak. Yingying had been too crazy last night.

The amazing thing was that after drinking the soup that Xia ruofei had specially made, she felt a warm sensation in her stomach. Soon, this warmth seemed to spread to her limbs and bones. She really felt that her strength had recovered a lot. The effect was immediate.

Ling Qingxue couldn't help but look at Xia ruofei. Xia ruofei was winking at her, as if to say, "Praise me! Hurry up and praise me ..."

Seeing Xia ruofei's funny look, Ling Qingxue couldn't help but burst out laughing. "Let's eat, let's eat!"

?

Chapter 1455: Guan Ping's troubles (1)

After breakfast, Xia ruofei bade farewell and left the Ling residence.

After all, they had to visit their relatives and friends during the first lunar month. At the same time, with Ling Xiaotian's current status, there would definitely be many friends, relatives, and disciples who would come to visit.

Moreover, Xia ruofei had not returned to the farm since New Year's Eve, while Feng Jing was still spending the new year at the farm. It was only right that he return to the farm.

After returning to Taoyuan farm, Xia ruofei went to the various posts as usual and expressed his condolences to the employees who had stayed on duty during the new year.

He even made a trip upstairs to his office. When he saw that Feng Jing wasn't in, and most importantly, Dong Yun wasn't here for overtime, he nodded his head in satisfaction.

Xia ruofei took out his phone and called Feng Jing. He laughed and asked, "Boss Feng, where are you?"

"Chairman ..." Feng Jing hesitated for a moment before saying, "I'm at Taoyuan pharmaceutical factory right now!"

Xia ruofei couldn't help but be stunned. He smiled bitterly and said, "Why aren't you resting properly during the holidays? I saw that you weren't in the office just now, so I wanted to call you to praise you ..."

"Consultant Dong wants to look into the pharmaceutical factory. I didn't have anything to do, so I accompanied her here ..." Feng Jing said.

Fine! The two strong women were together again ...

"Chairman, what's the matter?" Feng Rao asked again.

"It's fine, it's fine ..." Xia ruofei said. "But ... Just take a look. It's still the holidays. If there's anything, we can talk about it after the start of the new year!"

"I know. If there's nothing else, I'm hanging up!" Feng Rao said with a smile, obviously not taking Xia ruofei's words seriously.

Xia ruofei smiled bitterly and stopped trying to persuade them. He knew that it was useless unless he went to the pharmaceutical factory and took them away by force. However, this would dampen their enthusiasm for work. Since they were enjoying it, he might as well not care.

After walking around for a while, Xia ruofei decided to go back to the small villa. He played with lightning, Blackie, and the rest in the courtyard, basking in the warm winter sun and enjoying the rare leisure time.

.....

That evening, on ancient tower Street in the Laocheng District of three mountains.

There were a lot of food stalls here, and the narrow streets were a little dirty and messy, but it was very popular.

Pang Hao strolled in from the corner of the street and walked to the entrance of a food stall with ease. He looked around.

A slightly thin youth was sitting behind an oily table. When he saw the obvious target, pang Hao, he immediately stood up and waved, calling out, "Little fatty, over here!"

Pang Hao's small eyes immediately narrowed into a line as he quickly walked over. The fat on his body jiggled with his steps, making him look rather comical.

"Pingzi, you're quite early, kid!" After pang Hao sat down, he lightly punched the shoulder of the thin young man opposite him.

This man was none other than Xia ruofei and pang Hao's classmate, Guan Ping.

Last time, pang Hao had mentioned to Xia ruofei that Guan Ping had been unhappy with his work recently. Xia ruofei had asked pang Hao to invite Guan Ping out for a chat. Pang Hao knew that Xia ruofei had the intention to let Guan Ping work in the Paradise Corporation, so he had also contacted Guan Ping and arranged for this meeting.

Guan Ping's eye bags were a little deep, and his face was filled with fatigue. It was clear that he had been working hard recently.

However, Guan Ping was still very happy to see his good friend from his high school days.

He smiled and said, "today is my treat!" The host naturally has to come earlier!"

"You brat ..." Pang Hao laughed and continued, "that fellow, ruofei, should be here soon! My appointment with him is at Sixo' clock sharp. He has always been very punctual. "

"It's not easy to find this place, and it's not convenient to park nearby. " Guan Ping laughed and said, "let's chat while we wait."

"Nonsense! I ate skewers here every day when I was in high school, how could he not find it?" Pang Hao said, "it's 5:50 right now. I bet he'll definitely be here in ten minutes!"

As the two of them were talking, they heard a voice behind them. "Little fatty! Are you talking bad about me behind my back?"

Pang Hao turned around to look. Wasn't that Xia ruofei? Speak of the Devil and the devil will come.

Beside Xia ruofei was a young man with a cold expression. It was ye Lingyun.

Xia ruofei had specially brought ye Lingyun over today. Firstly, it was to let him get closer to pang Hao and Guan Ping as they were all his Good Brothers. Secondly, it was to let ye Lingyun be his driver.

He was definitely going to drink today. Although he could use his true energy to force the alcohol out of his body, it was not easy to explain. If he insisted on driving after drinking, it would inevitably be a bad example.

Pang Hao quickly put on a flattering expression and said exaggeratedly, "Oh great boss Xia, how would I dare to speak ill of you! I was just telling Hiroshi that you've always been very punctual!"

Xia ruofei glanced at pang Hao speechlessly, then turned to Guan Ping and said with a smile, "Pingzi, it's been a long time since we got together!"

"RUO Fei is here!" Guan Ping also stood up and said with a smile, "come and sit! Who is this brother?"

"Oh, let me introduce him. He's Ye Lingyun, a comrade from my old army!" Xia ruofei replied, "he's in charge of security in my company! Ling Yun, this is Guan Ping, one of my best friends in middle school!"

?

Chapter 1456: Guan Ping's troubles (2)

"Hello, Mr. Guan!" Ye linyun said as he bowed slightly.

"Brother, don't be so polite!" Guan Ping quickly said. We're all RUO Fei's brothers, you can call me by my name, or you can call me ping Zi!"

"Alright, alright. Everyone, please sit down!" Xia ruofei said, "fatty, stop standing there. You won't look tall even if you stand up!"

"Don't expose me!" Pang Hao said gloomily.

Everyone sat around the small square table. The stools were ordinary plastic stools, and the tables were the cheapest kind of small folding table, which was even glistening with oil.

However, Xia ruofei did not seem to mind and sat down.

When Guan Ping saw this, he felt a sense of relief. It seemed like this brother of his didn't have those bad habits just because he was rich. At least in front of him, he was still the good brother who ate skewers and played games with him.

"Ruofei, my financial ability is limited. I can only treat you to food at the food stalls. Please don't mind!" Guan Ping said with a smile.

"If you say such things again, be careful or I'll hit you!" Xia ruofei grabbed a handful of boiled peanuts and said while peeling them, "have you forgotten that the three of us used to drink a bottle of beer?"

Their middle school was nearby. When they were studying, they used to come to ancient tower Street for barbecue. Sometimes, after evening self – study, they would even meet up to eat barbecue.

In fact, when they were students, they almost didn't drink, but when they were young, they always felt that drinking was a cool thing, so even though they were a little tight on money, they would sometimes order a bottle of beer and share it with the three of them.

Pang Hao and Guan Ping reminisced when Xia ruofei mentioned the past.

"Hahaha! You probably haven't been here for a long time, have you?" Guan Ping said with a smile, "my house is not far from here. Sometimes, I come here for a meal after work. Let me tell you, the barbecue here is still the same as before!"

"Oh, really? Then I'll have to eat a few more skewers later!" Xia ruofei smiled and said, "Oh right, have you ordered the food?"

"I've already ordered!" Guan Ping said, "don't worry, I ordered a lot of your favorite mutton and gluten!"

"It's still pingzi who understands me!" Xia ruofei chuckled.

The three of them chatted for a while, and the boss had already served the skewers. Soon, the small square table was filled with skewers.

Then, they asked for another case of beer.

Although it was winter, one had to drink beer to have the feeling of eating skewers.

Other than ye Lingyun, who had to drive, Xia ruofei and the other two filled their glasses with wine.

After the three of them finished a big glass of beer, Xia ruofei wiped his mouth and laughed. "Satisfying!"

Then, he reached out and picked up a skewer of beef gluten, and began to gobble it down.

To be honest, the ingredients used for the beef tendon were ordinary, and the heat was not very good. It could not be compared with the exquisite food in the big hotels. However, even Xia ruofei, who was used to eating Taoyuan vegetables and had a mouth full of them, still felt that it was very delicious.

It was the same taste he had when he was in middle school!

The four of them chatted as they ate, and the topic unknowingly turned to Guan Ping's work.

After Xia ruofei had a drink with Guan Ping, he asked, "Pingzi, I heard little fatty say that he hasn't been very happy recently?"

The smile on Guan Ping's face turned bitter as he said, "Little fatty is still the same as before, you can't keep your mouth shut at all!"

"You brat, you're full of nonsense!" Xia ruofei said angrily, "so I'm not your brother? And you're treating me differently from little fatty? Did water get into your brain?"

Pang Hao chuckled at the side and ignored the two's bickering. He only lowered his head and ate.

Ye Lingyun naturally wouldn't interrupt. He was also very serious about the skewers in his hands.

Guan Ping smiled bitterly, "ruofei, that's not what I meant." Aren't you usually very busy? This small matter of mine ..."

"I'm the boss of the company. How busy can I be?" Xia ruofei said, "Lil 'Fatty's working hours are longer than mine every day. Pingzi, these are not reasons! You're treating me as an outsider!"

"Fine! I was wrong!" Guan Ping said, "punish yourself with a cup!"

Finishing, Guan Ping poured the wine and downed it. He then wiped his mouth and said, "Ruofei, it's actually nothing much. It's just that I wasn't very happy during that period of time. I poured out some bitter water when I drank with little fatty ..."

"What's going on?" Xia ruofei asked Guan Ping.

"Yup! What's wrong?" Pang Hao also asked, "the last time I asked you, you wouldn't tell me even if you died ..."

Guan Ping wanted to say something but stopped. Ye linyun immediately stood up and said, "Brother Xia, brother Guan, I'm going to the washroom!"

"Ling Yun, it's fine, it's fine!" Guan Ping quickly said, "I'm not trying to avoid you ... Don't misunderstand!"

"Brother Guan, I really need to go to the bathroom ..." Ye Lingyun said with a smile.

Xia ruofei could also tell that Guanping seemed to be hiding something, so he said to ye Lingyun, "Ling Yun, you go! By the way, there's no washroom in this stall, so you have to go to the McDonald's across the street!"

Guan Ping couldn't help but laugh, "not bad!" I haven't been here for a few years, but I'm quite familiar with the terrain!"

"This Old Street hasn't changed much in so many years. It's like we've returned to a few years ago when we entered gutta Street!" Xia ruofei said with a smile.

Ye Lingyun nodded in response and walked out of the food stall.

"Speak!" Xia ruofei stopped smiling and looked at Guan Ping. "What happened?"

Guan Ping sighed. "This is a little melodramatic. I'm telling you, don't laugh!"

"I say, why have you become so wishy – washy?" Pang Hao could not help but say, "I'm worried to death!"

"I'll talk, I'll talk!" Guan Ping quickly said, "actually, there was a new manager at our store last autumn. She's a woman, and she ... She took a fancy to me ..."

Pang Hao and Xia ruofei were stunned for a moment before bursting into laughter.

This was a food stall, and everyone was talking loudly, drinking, and chatting, so the two's exaggerated behavior did not attract any attention.

Guan Ping replied with a depressed look, "I knew it!" You two ..."

Xia ruofei tried hard not to laugh and said, "I'm sorry, pingzi. I really couldn't help it just now ..."

Pang Hao chimed in from the side, "I didn't expect you to be so lucky even though you're not as strong as I am and not as handsome as RUO Fei!" But wasn't this a good thing? Why are you depressed!"

Xia ruofei smiled and said, "it might not be a good thing!" Little fatty, have you forgotten about Zhao Xueqing?"

When Xia ruofei first bought the villa, Zhao Xueqing was the local agent entrusted by the overseas villa landlord. At that time, Guan Ping was in charge of the miscellaneous matters of the transfer of ownership, so he had more contact with Zhao Xueqing. Guan Ping had a good impression of her.

"Ruofei, what's all this about!" Guan Ping said with a bitter smile.

"You've cut off contact with Zhao Xueqing?" Xia ruofei asked, "no way? I think you were very determined!"

"I'm still in contact with Xueqing!" Guan Ping said.

"You even called Xueqing! It seems like you're making good progress!" Pang Hao said with a smile.

"How long has it been? If there's no progress at all, I might as well find a piece of tofu to smash myself to death!" Xia ruofei said with a smile.

Guan Ping looked at his two friends helplessly and said, ""This isn't the point at all, okay? Do you two want to hear it or not? I think you're just gloating over my misfortune!"

Xia ruofei and pang Hao quickly held back their laughter and said at the same time, ""I want to hear it! I want to hear it!"

Xia ruofei asked, "what's the main point?" Even if you're not interested in her, it's not a bad thing to have someone like her! Do you have to be so Haggard because of this?"

Guan Ping forced a smile and said, "the main point is!" This female supervisor is a married woman!"

"D * MN ..." Xia ruofei and pang Hao cried out in unison.

?

Chapter 1457: Two brothers for one lifetime (1)

Pang Hao said with a bitter expression, ""Pingzi, did you come here today to deliberately attack me? I'm so handsome, and I'm considered a high – Class employee, but I still don't have a girlfriend. You're so lucky in love, is there any justice in this world?"

Xia ruofei couldn't help but say, "Guan Ping, aren't you a little too explosive?"

When Guan Ping heard the teasing of his two bad friends, he couldn't help but smile bitterly. He picked up the glass and drank a large glass of beer, and began to pour out the bitter water.

The real estate agency that Guan Ping was in had several teams in each store. The store manager was in charge of all the teams, and the supervisor of each team had several salespeople under him.

Guan Ping had been working hard ever since he joined the company. He had completed a few big orders in the first half of last year, so he was promoted to Deputy Director. His future had been bright.

However, ever since the manager, who had been training him, was transferred to another store as the Vice store manager, his days had become a little difficult.

Originally, the supervisor had recommended him to take over, but the company's headquarters had parachuted a female supervisor.

The female supervisor's surname was Bai. She was a young woman in her early thirties who still retained her charm. It was said that her husband was the Deputy Supervisor of another store in the company.

There were many rumors about this director Bai in the company.

Many people said that she used her body to get to the top. When she was just an ordinary sales lady, she often flirted with clients for sales. Later, she jumped ship to a real estate agency company and quickly won the "favor" of many leaders in the company's headquarters.

Some people even said that manager Bai's husband was also a "wife makes the husband more powerful." He had become the deputy manager of a big store despite his mediocre performance. In addition, his personality was a bit weak, so he turned a blind eye to his wife's lifestyle problems.

Guan Ping had naturally heard of these rumors, but he didn't take them seriously at first. It was harder for women to survive in the workplace than men, especially for outstanding women. There were all kinds of rumors and gossip accompanying them. When this manager Bai had just taken office, he had been in a rush, but he felt that she was quite outstanding.

However, after spending some time together, Guan Ping felt that something was wrong.

Manager Bai seemed to be a little too concerned about him. He often called him to the office for a private chat, and sometimes, intentionally or unintentionally, he would do some intimate actions.

Guan Ping had worked his way up from an ordinary sales consultant, so he was naturally very slick in dealing with people. Therefore, he tried to keep a certain distance from this manager Bai without falling out with her.

He didn't know what manager Bai saw in him, but this kind of hidden harassment was getting more and more intense.

There was even one time after the team dinner, director Bai had specifically asked Guan Ping to send her home. In the car, under the influence of alcohol, he had touched Guan Ping and said a lot of explicit words.

Guan Ping could not avoid it, and could only choose to sternly refuse.

Ever since then, Guanping's days in the company started to be difficult.

Manager Bai's meticulous care for him in the past had suddenly turned into picking on him and criticizing him severely at every turn.

Guan Ping was after all a vice – Manager, how could he have any prestige in the team?

What's more, after some time, Guanping was transferred to another store without any warning.

Although he was also a Deputy Manager of a team, this store was far inferior to his original store in terms of size and location. Naturally, their performance couldn't be compared.

For a real estate agent whose main income was based on performance, this was undoubtedly cutting off Guan Ping's source of income, and his income was reduced by a large amount.

Moreover, this all – knowing manager Bai seemed to have greeted the new boss of Guanping, and Guanping's new store was not doing well.

Not only did the store manager and Deputy Store Manager not look happy, but other teams often openly snatched their orders, making the sales consultant in his team complain.

The days in Guanping could be said to be quite difficult to endure.

After hearing Guan Ping's complaints, pang Hao said angrily, "How can there be such a shameless woman? Is there no one who can teach her a lesson?"

Guan Ping smiled bitterly. "This woman has a 'Godfather' in the headquarters. She's also very close to many store managers. I'm just a Deputy Supervisor, barely a sales backbone. To put it bluntly, I'm just an ordinary employee. How can I fight with her?"

Xia ruofei sat there quietly and asked, "Pingzi, what are the future prospects of this company?"

Guan Ping pondered for a while and said, "the real estate agency industry ... How should I put it?" "The profits are definitely good, but the competition is very fierce. The biggest disadvantage is that the influence of policies is too obvious. Often, the state or local government will introduce one or two regulatory measures, and many small intermediary companies will close down. Also, the industry standards need to be improved. When the business can't continue, there are also cases of them running away with the funds from the users ..."

Xia ruofei nodded and said, "understood ..."

Pang Hao, who was standing at the side, saw that Xia ruofei did not have any reaction and could not help but say, "Ruofei, since Hiroshi isn't happy with this company, why don't we ..."

Xia ruofei waved his hand and interrupted pang Hao. He turned to Guan Ping and asked, "Hiroshi, if I'm not mistaken, the company you're working for is called pioneer real estate, right?"

?

Chapter 1458: Two brothers for one lifetime (2)

“Yup!” Guan Ping asked, “what’s the matter?”

Xia ruofei smiled. “I just feel that it’s a little familiar. I think I’ve heard it before. I can’t remember where ...”

Pang Hao chuckled and said, “where else have I heard of this?” Hiroshi must have told you about it!”

“It wasn’t Hiroshi who said it.” Xia ruofei said, “I’m thinking ...”

Seeing this, pang Hao smiled and said, “take your time to think about it!” Hiroshi, let’s have a drink! Don’t worry too much, you can just resign and leave! Even if I can’t stay here, there will be a place for me to stay!”

With that, pang Hao even winked at Xia ruofei.

Naturally, Guan Ping knew what pang Hao meant. However, he only smiled faintly and clinked his cup with pang Hao’s, saying, “Let’s drink!”

At this moment, Xia ruofei suddenly stood up and said, “Little fatty, ping Zi, you guys take your time to drink. I’ll go out and make a call ...”

“Hurry up and come back!” Pang Hao said, “don’t even think about hiding from the alcohol!”

“Don’t worry!” Xia ruofei laughed and said, “the two of you together are no match for me. Do I need to hide from the alcohol?”

“You can continue bragging!” Pang Hao said, “we’re all classmates who know each other well. How can I not know your alcohol tolerance?”

“Ruofei might have trained his alcohol tolerance in the Army!” Guan Ping chuckled from the side.

“That can’t be that powerful!” Pang Hao said stubbornly.

Xia ruofei chuckled as he walked out of the food stall with his phone. He stood by the side of the road and called Liang Qichao, who was far away in Australia.

The phone rang four or five times before Liang Qichao picked it up. His voice was full of helplessness. “My boss Xia ... Did you know that there’s a time difference between Australia and China? Do you have any important instructions for calling so late?”

Xia ruofei was stunned and quickly apologized. “I’m sorry, I’m sorry. I forgot ...”

Xia ruofei looked at his watch and said, “Brother Liang, it seems that Australia is only three hours faster than China! In other words, it’s not even 10 O’ clock at your place right now. You’re sleeping so early? I know! I must have disturbed you, right? Tell me the truth, is there someone else on your bed? Isn’t it Daphne?”

Liang Qichao said guiltily, “can’t you be a little healthier?” Do you think that this place is like China where people party every night? It’s frighteningly quiet in Hunter Valley when it’s dark. What else can I do if I don’t sleep?”

Xia ruofei chuckled and said, "that's hard to say!" The Australian Ladies are so passionate, you can do a lot of things at night!"

Liang Qichao was a little angry. "Boss Xia, you're not calling so late just to check on your post, are you? If there's nothing else, I'm hanging up!"

"Don't, don't, don't, I have something to ask you!" Xia ruofei quickly said, "I'm not joking. I really have something to ask you!"

"What's the matter? speak!"

"I remember that uncle Liang has invested in a real estate agency, right?" Xia ruofei asked, "what's the company called again?"

"Xianfeng real estate!" Liang Qichao said. He didn't invest much, only about 15% of the shares. It could be considered an industrial layout! Why are you suddenly asking this? You're such a Big Boss, do you still need to buy a second-hand house?"

Although Liang Weimin's Jianda group was not considered a giant real estate development company in the country, he was deeply involved in the local market. In Sanshan city, or rather, in the southeast province, the industrial layout was still very well done.

From real estate development to the surrounding real estate, renovation, and even the real estate intermediary field, they had a large amount of investment. It could be said that they complemented each other.

For example, the real estate of Jianda group would definitely be owned by their own company. If there were real estate agencies around the real estate, the best storefront would definitely be reserved for the pioneer real estate that Jianda group had shares in.

In addition, the property company was also owned by the owner. If some owners had the intention to sell their houses, they would often know the news before their competitors.

Xia ruofei laughed and said, "it's nothing. I just feel that the name of this company is a little familiar. It seems like uncle Liang mentioned it to me before." Then ... I won't disturb you any longer. If you're not scared by the phone's ringing, then continue!"

After that, Xia ruofei laughed and hung up the phone. He could faintly hear Liang Qichao scolding on the other end of the phone, "You F*cking ..."

After getting the answer, Xia ruofei walked back to the food stall.

He sat down and drank a cup of wine with Guan Ping. Then, he said seriously, "Pingzi, I have two ways to solve this problem of yours. It's up to you."

Pang Hao clapped his hands and laughed, "I knew RUO Fei wouldn't just sit back and do nothing!" "Pingzi, you should have told RUO Fei about your matters earlier! But you're too proud to resist ..."

Guan Ping looked at Xia ruofei and Pang Hao gratefully and smiled, "RUO Fei, tell me about it first!"

Xia ruofei nodded and said, "the first option is to resign and leave." I, Xia ruofei, didn't have many friends in middle school. You and fatty are my best friends. Now that my company is developing well and you have experience in sales, how about you come to my company to help me after you resign? In terms of position, it might not be too high in the beginning, like a manager under the marketing department or e-commerce Department! You can bring your own team. "

Now that paradise Corporation was getting bigger and bigger, the management was also moving towards the standard aspect, especially after the implementation of the personnel ranking system. Even if Guan Ping was Xia ruofei's good friend, he couldn't start off too high when he first joined; otherwise, it would be a little unfair to the employees who were promoted step by step.

Moreover, Guanping would easily attract criticism, and it would be difficult to carry out his work.

Xia ruofei did not want his company to grow to such a scale and become a family business.

He believed that as long as Guan Ping had the ability, he would be able to rise above the rest.

Guan Ping was not surprised by Xia ruofei's first suggestion. He smiled and said, "Ruofei, I'd like to hear your second plan."

Xia ruofei smiled and said, "the second option is to stay at pioneer real estate!"

Hearing this, pang Hao couldn't help but say, "ruofei, you can't do that!" Didn't you hear what Hiroko said? That woman is pressing us and using all sorts of methods to run Hirata. We can't stay in this company anymore!"

Guan Ping laughed and said, "little fatty, let RUO Fei finish!" I think he must have his reasons for proposing this. "

Xia ruofei chuckled. "Fatty, look at pingzi. He's more composed than you. Don't think that you're the company's leader now. If he comes to our company in the future, he might be better than you!"

"Alright, alright, alright ... Don't keep me in suspense, just say it in one breath!" Pang Hao said gloomily.

Xia ruofei smiled and said, "pingzi, if you want to stay at pioneer real estate, it's not a problem. I can get a friend to help you talk to him. I promise that all these messy things will not disturb you in the future. You can focus on your career."

Xia ruofei then looked into Guanping's eyes and said, "There are two solutions. It's up to you to choose!"

"Ruofei, thank you for being so thoughtful," Guan Ping said gratefully.

"We've been brothers for a lifetime, so there's no need to say such polite words. " Xia ruofei said with a smile.

Guan Ping nodded his head heavily, "Alright, then I won't regard you as an outsider. However ... I might need to think about it carefully, and I can't give you an answer now!"

Xia ruofei smiled and nodded. "I understand. After all, this is a matter of great importance. It's better to think carefully and not make a hasty decision! Call me when you're done thinking!"

“Alright!” Guan Ping said, “come, ruofei, let me toast you!”

“Let’s have the three of you together!” Xia ruofei laughed and said, “didn’t Lil ‘fatty say he was going to get me drunk? Come at me!”

“Who’s afraid of who?” Pang Hao said, “don’t be fooled by the fact that you’re my boss now. I definitely won’t go easy on you!”

“Hahaha! Then let’s finish a bottle first!” Xia ruofei laughed and said.

?

Chapter 1459: Eye – opening (1)

At 9:30 pm, Xia ruofei and the rest left the food stall.

After that, they did not talk about Guan Ping anymore. Xia ruofei understood. After all, he had been in this job for many years. It was not easy to just resign. He would give Guan Ping enough time to think.

The four of them had consumed four boxes of beer. Ye Lingyun had to drive so he did not touch a single drop of alcohol. In fact, the forty bottles of beer were all drunk by Xia ruofei, pang Hao, and Guan Ping.

In the end, pang Hao did not get Xia ruofei drunk. Not only did he not get drunk, but Xia ruofei did not look drunk at all. His eyes were still clear, but in reality, Xia ruofei had drunk as much as the two of them.

On the other hand, pang Hao’s footsteps were already a little unsteady as he walked. Although the beer’s alcohol content wasn’t high, it still couldn’t withstand drinking so much!

Guan Ping was also a little tipsy, but he was in a much better state than pang Hao. He was still supporting pang Hao by the side.

Compared to pang Hao, Guan Ping was more composed and wouldn’t drink so much. Moreover, after working in sales for a long time, his alcohol tolerance had also improved.

Guta Street was narrow, and there were many stalls on the side of the road. With bicycles and electric motorcycles, the traffic was quite chaotic.

Hence, Xia ruofei told ye Lingyun not to drive in after he got the car and to wait at the corner of the street.

He was definitely going to send pang Hao and Guan Ping back first, so he and Guan Ping held onto pang Hao’s arm as they strode toward the street.

It wasn’t easy to find a parking space nearby. When they came, Xia ruofei parked his car quite far away, almost two streets away. So when the three of them reached the intersection, ye Lingyun had not come over yet, so the three of them stood by the roadside and waited.

Xia ruofei took out a cigarette and passed it to Guan Ping. When he passed it to pang Hao, he saw that his eyes were already in a daze. He did not even have any reaction to the cigarette that was right in front of him.

It seemed that the cold wind had gotten to her head after she came out.

Xia ruofei chuckled."Pingzi, I think we should take a picture of chubby boy's current state. Let's see if he still dares to provoke me when it comes to drinking!"

"Good suggestion!" Guan Ping laughed and said,"come, come, come, let's pose for him!"

With that said, the two bad friends helped pang Hao to sit down on the curb. A drunk person's body was especially heavy, and without someone to lean on, one would definitely fall. The two of them swayed twice, but they still could not hold on.

Xia ruofei looked up and helped pang Hao to a nearby trash can. They sat down on the roadside and pang Hao leaned on the trash can.

"Hahaha! This is a good style!" Guan Ping said.

Pang Hao didn't stop there and even mumbled,""Come ... Ping Zi, let's ... Have another ... Toast with RUO Fei!"

Xia ruofei and Guan Ping couldn't help but laugh. They took out their phones and started taking pictures, recording all of pang Hao's ugly state.

At this moment, a voice came from behind them,""Guanping?"

After hearing this voice, Guan Ping's movements became stiff. He slowly straightened his body and looked back. The smile on his face also disappeared at once.

"Manager Bai, manager Liu," he said lightly.

When Xia ruofei heard these three words, he stopped filming and turned around to look at them with interest.

A man and a woman were standing opposite Guan Ping, and one of them was a young woman in her early thirties. She was probably the manager Bai that Guan Ping had mentioned.

In fact, this woman was still a pretty girl. Otherwise, she wouldn't have been able to open up a path so easily with her body.

However, in Xia ruofei's eyes, she was just an ordinary person. After all, he had many beautiful women around him, and his girlfriend, Ling Qingxue, was just a character.

Moreover, manager Bai's makeup was quite thick, making her look a little flirtatious. On top of that, her lips were very thin, and her appearance was born from her heart. People with this kind of face were generally mean, no wonder Guan Ping didn't like her at all.

The man next to manager Bai was about 35 or 36 years old. He was dressed in a suit and leather shoes, and had the air of a successful man.

However, he should not be manager Bai's husband, because Xia ruofei had heard Guan Ping call him "store manager Liu". Xia ruofei still remembered that Guan Ping had said at the food stall that manager Bai's husband had become the deputy manager because of her. He was still far from the store manager's level!

Store manager Liu's hand was still wrapped around manager Bai's waist, and his position was a little higher, basically sticking to the lower edge of the mountain. This position was quite ambiguous.

This was the first time Xia ruofei had seen Guan Ping's description of this manager Bai. It was an eye-opener for him. This woman's private life was really rotten!

Manager Bai and store manager Liu didn't seem to be avoiding anything. Even when they met Guan Ping, who was an acquaintance, the two of them still maintained this ambiguous posture. Even store manager Liu's face had a bit of a boastful look.

The corners of manager Bai's mouth twitched. "I saw your back from afar just now. It really is you! I thought they were a few drunkards!"

Guan Ping's brows furrowed, "Manager Bai, is it a big deal to have a meal with a friend after work?"

"It's nothing! Of course it's nothing!" Manager Bai laughed exaggeratedly, then changed the topic. "If you don't come to this kind of place to eat, isn't the class A little low? You're the sales star of our company! How come you can only hang out in food stalls now?"

?

Chapter 1460: An eye-opener (2)

After saying that, manager Bai looked at the bustling ancient tower Street with a look of disdain.

"It's our freedom to eat wherever we like. We don't need you to worry about this!" Guan Ping said in a tone that was neither haughty nor humble.

Manager Bai's expression changed slightly, and a cold light flashed in her eyes. However, she quickly put on a wronged expression and said in a sweet voice, "Manager Liu, your new employee seems to have a lot of opinions about me!"

Seeing this, manager Liu reached out and patted the back of manager Bai's hand. He glanced at Guan Ping in disgust, cleared his throat, and said, "Guanping, although the company doesn't prohibit employees from drinking after work, you're so drunk, how can it not affect your work tomorrow? Besides, how could there be working hours in sales? Many of the colleagues from the other teams were still showing their clients around at this time! Your team's performance this month is at the bottom again. Don't you feel any sense of urgency?"

Guan Ping's face was filled with shock as he said, "Manager Liu, it's the third day of the first lunar month today. You still have three days before work ..."

Only then did store manager Liu realize that he had said something wrong. He said angrily, "I'm talking about this! His sales performance was a mess, and he still had the mood to come out and drink? What's wrong with the third day of the first month? Bai Lingling from Guan Peng's team even brought clients to look at houses on the first day of the new year!"

Bai Lingling was manager Bai's cousin, and she was also working at the same store that Guanping was currently working at. She had also inherited manager Bai's style of dressing up every day. Coupled with her relationship with manager Bai, she was well – liked by both the manager and the store manager.

However, it was pure nonsense to bring clients to see houses on the first day of the first month.

Who would receive house – viewing visitors on the first day of the first lunar month? Even if he was in a hurry to buy a house, it shouldn't be during the new year, right?

Moreover, this season was the off – season for second – hand house transactions. Usually, there were not many orders, not to mention the Spring Festival holiday.

Guan Ping's mouth twitched, and he didn't explain anything.

This store manager Liu was obviously looking for trouble. He had nothing better to do than to criticize manager Bai and please manager Bai. After all, a higher position was more important than a higher position, so he had to listen to whatever manager Bai said.

Manager Bai said with a smile, "manager Liu, it seems like little Guan isn't convinced!" I can see that your prestige in the shop is only average! Even a Deputy Director dared to show you attitude! This kind of situation would never happen in our shop ..."

When store manager Liu heard this, he was even more furious. He glared at Guanping and said, "Guanping, what's with your attitude! You can't say, can you?"

He didn't like Guanping to begin with, and manager Bai had even specifically said that she wanted to teach Guanping a lesson. Therefore, he had often criticized Guanping. Now that Guanping didn't even give him any face in front of manager Bai, he was naturally even more displeased.

"I didn't say anything, manager Liu," Guan Ping said, suppressing his anger. "Whatever you say goes. What attitude do you still need?"

"Look at you now. Do you still look like a subordinate?" Store manager Liu said, "don't you know the most basic manners when meeting your superior? How did you pass the training? Also, you're always in the shop looking bitter and hateful. Who are you trying to show your face to? I'm telling you, if you don't want to work, then get lost! Pioneer real estate doesn't lack a so – called sales star like you!"

Guan Ping could feel the fury in his chest burning, and his gaze turned sharp.

In the sales industry, he had faced all kinds of customers and was often bullied. It could be said that he had been trained. During this period of time in the store, store manager Liu would often reprimand him for no reason. Sometimes, his words were even worse than this, but he had to endure it.

However, it was clearly after work hours today, and yet these two people still had nothing better to do than to find trouble with him. Furthermore, they did it in front of his brother Xia ruofei. This made Guan Ping unable to hold back.

Just as Guanping was about to explode, Xia ruofei, who had been watching from the side, finally could not hold it in anymore.

He said lazily, "you two, that's enough!" Have you had enough of showing off? Just go wherever you need to go, a moment in the spring night is worth a thousand gold!"

Xia ruofei glanced at manager Bai after he finished speaking, a mocking smile on his face.

"Who are you?" Manager Bai glanced at Xia ruofei, then glared at Guan Ping and said, "little Guan, this is your friend! Tell him to watch his words! I can Sue him for slander!"

"I'm sure Guanping's the one who's spreading these rumors," store manager Liu chimed in. "They're getting more and more out of hand!"

Xia ruofei couldn't help but laugh when he heard that. These two people were really shameless to a certain extent.

Manager Liu's hand was almost touching manager Bai's boobs, and manager Bai was completely stuck on manager Liu's body. The two of them were walking on the street so openly, and he dared to say that it was a groundless rumor.

"Could it be that the two of you are still husband and wife?" Xia ruofei looked at store manager Liu's annoying claws with a smile.

"Does it have anything to do with you? Are you in charge of household registration at the Public Security Bureau or file records at the Civil Affairs Bureau?" Manager Bai fired off like a machine gun. "Since when is it your turn to manage my business? You pauper who can only afford food from food stalls, you'd better take care of your mother and see if she's cheating on you!"

Xia ruofei's face turned cold. This manager Bai had a mean look, but it was beyond his imagination. His words were too harsh.

Guan Ping couldn't help but explode, "Bai Jingjing! Keep your mouth clean! If there's anything, come at me! Did my brother offend you?"

"Guanping, what's with your attitude?" Store manager Liu's face darkened as he chided, "apologize to manager Bai immediately!"

Guan Ping's neck stiffened. He was about to speak but was stopped by Xia ruofei.

He glanced at Bai Jingjing coldly and said, "What a dirty mouth!"

Bai Jingjing blurted out, "You're filthy ..."

"Pa!"

Before she could finish her sentence, she was interrupted by a crisp slap.

Bai Jingjing covered her face and was stunned. After a while, she screamed, "You bastard, you dare to hit me?"

“I’ll hit you again if you say one more dirty word.” Xia ruofei said indifferently, “you can try if you don’t believe me!”

“You ...” Bai Jingjing swallowed back her next curse. She turned to look at store manager Liu and said, “he hit me, and you’re just going to watch?” Are you still a man?”

Store manager Liu was also a tall and strong man. He just didn’t expect Xia ruofei to suddenly hit him, so he didn’t react in time.

After hearing Bai Jingjing’s words, he suddenly felt a rush of hot blood. In addition, Xia ruofei’s white and clean skin after cultivation made him look like a weakling, which made him even more confident.

Store manager Liu let go of Bai Jingjing’s waist and walked over. “Little bastard! He even hit a woman! If I don’t teach you a lesson today, my surname isn’t Liu!”

Xia ruofei looked at store manager Liu’s unsteady steps and knew that he had never trained before. At most, he only had a bit of brute force.

Store manager Liu rushed over aggressively, but Xia ruofei was still calm and composed. It was not until store manager Liu’s fist was almost in front of him that Xia ruofei easily shifted his feet and dodged the reckless punch. Then, he stretched out his leg and tripped him lightly.

Store manager Liu had used a lot of strength and his center of gravity was already unstable after hitting nothing. With Xia ruofei’s slight stumble, he lost control of his body and fell on the ground.

During the whole process, store manager Liu didn’t even touch the corner of Xia ruofei’s clothes, and Xia ruofei didn’t use any strength at all. He easily fell to the ground.

Before manager Liu could stand up, Xia ruofei walked over and lifted him up easily by the collar.

Xia ruofei threw store manager Liu in front of Bai Jingjing and said indifferently, “Now, can you apologize to my brother?”

Bai Jingjing was dumbfounded. Store manager Liu was more than 170 pounds! The young man in front of him actually picked him up with one hand, and it was as if he was carrying a small bundle of straw, completely effortless. How terrifying was this strength?

Store manager Liu was in a daze from the fall and did not come to his senses for a long time.

Guan Ping looked at this adulterous couple in disgust and shook his head, “Ruofei, forget it. There’s no point in arguing with this kind of person!”

Xia ruofei smiled and nodded. “Up to you. Let’s go!”

Not far away, they could already see the Knight XV SUV driving over.

“En!” Guan Ping looked deeply at manager Liu and manager Bai, then said, “ruofei, I think ... I’ve made a decision on that matter!”
