

God tier Farm 421

Chapter 421: letting go of past enmity (1)

Lu You felt that she had a long dream. In the dream, she was being chased by a ferocious – looking monster. She could only keep running, but no matter how she ran, the monster would always follow closely behind her.

Moreover, she seemed to have fallen into a maze. The road under her feet seemed to be exactly the same, and the surrounding scenery did not change at all. She ran until she was exhausted, and just as she was about to be buried in the bloody mouth of the monster, she suddenly felt that the ground under her feet was empty, and her entire person fell into an endless abyss.

Lu You woke up with a start.

She first felt a splitting headache. She said in her heart, ""Luckily it was just a dream ... It was so scary ... The birds outside the window are chirping, the sky should be bright now! I have to get out of bed ... I still have professor Liu's elective class in the morning ... Wait! The chirping of birds ... There aren't even any trees near the dormitory, where did the chirping come from?"

At this moment, what happened last night surged into her mind like a tide. Lu You's face instantly turned pale, and she immediately sat up on the bed.

When she realized that she was lying on a large bed in an unfamiliar room, her expression changed drastically, and she subconsciously looked down.

Her coat and wool sweater were gone, and she was only left with a very large piece of thermal underwear.

Lu You couldn't help but scream.

Xia ruofei was sleeping in a daze. Last night, Lu You did not sleep well. She would let out panicked cries from time to time in her sleep. He had woken up a few times in the middle of the night and could only sleep peacefully for a while after four o' clock. However, he had only slept for two to three hours before he was awakened by Lu You's screams.

Xia ruofei sat up and ran to the bed.

Lu You was covering her face with both hands and crying bitterly.

She had already completely remembered what had happened last night. Of course, the only memory she had was that she had been forcefully dragged to the room on the second floor and forced to drink a large bottle of wine. She had no impression of what had happened after she had completely fallen drunk.

Now that she had woken up in an unfamiliar room, and even her clothes had been changed, Lu You felt that it was self – evident what had happened last night.

She had been pampered since she was young and had never experienced any hardships or setbacks. She had never thought that one day she would encounter such a tragic nightmare. Her pure body was violated by a hooligan. The more she thought about it, the sadder she felt and she couldn't help but cry.

“Lu You, what’s wrong?” Xia ruofei quickly walked to the bed and asked with concern.

“Get lost! Get ... Get lost!” Lu You screamed hysterically and scratched at Xia ruofei frantically. When she saw the person in front of her, her hands froze and her face revealed an expression of disbelief. “Xia ... Xia ruofei?” Why are you here?”

Xia ruofei didn’t know whether to laugh or cry. “Do you want the people in front of you to be the scumbags from last night?”

Lu You quickly shook her head and then asked, “What’s going on?”

“I was going to ask you!” Xia ruofei said unhappily, “why would a girl like you go to that kind of place to drink? Don’t you know that this is very dangerous? If I didn’t see your WeChat message last night and rushed over, you would have ...”

Xia ruofei did not continue after that and glared at Lu You.

In the past, if Xia ruofei spoke to Lu You with such an attitude, she would definitely be angry and argue with Xia ruofei.

But today, Lu You acted out of character and didn’t argue with Xia ruofei. On the contrary, when she saw Xia ruofei’s angry look, a warm current flowed through her heart.

Lu You lowered her head and said softly, “I’m sorry ...”

Xia ruofei saw that Lu You’s attitude towards admitting her mistake was so good and didn’t have the heart to say anything more. After all, she was still in shock after last night’s incident.

Xia ruofei looked at Lu You and asked, “Your head hurts, right?”

Lu You nodded pitifully and then asked, “Where is this place?”

“Where else could it be? It’s the Taoyuan farm!” Xia ruofei said, “I was the one who carried you back last night. I didn’t expect you to be so heavy despite your slim figure! You really can’t judge a book by its cover ...”

“I didn’t!” Lu You quickly glanced at Xia ruofei and said, “I’m only 50 kilograms!”

Lu You was very tall and was more than 1.7 meters tall. A weight of 100 pounds was already considered very slim.

Xia ruofei saw that Lu You was still concerned about whether he was heavy or not and couldn’t help but laugh. “Alright, you rest for a while. I’ll go get you a bowl of hangover soup ...”

“Oh ... I’ll have to trouble you then ...” Lu You said softly.

Xia ruofei smiled and walked out of the door. At this moment, Lu You suddenly realized something and quickly asked, “Xia ruofei, I ... What’s with my clothes?”

Xia ruofei stopped in his tracks and an awkward expression appeared on his face. However, when he turned around, his expression had already turned into one of annoyance. He said, “You still say it! You vomited a lot last night, you know? I originally arranged for you to stay in the guest room next door, but

as soon as you laid down, you vomited all over the bed, and even vomited on me. Your own clothes were also dirtied!"

Lu You didn't expect this to happen either. She immediately looked apologetic and said, "I'm sorry ... I ... I don't remember ..." He said.

Chapter 422: letting go of past enmity (2)

Xia ruofei waved his hand and said, "Forget it, it's fine. Remember not to drink so much next time ..." He said.

"Oh ... I know." Lu You said. Then, she immediately thought of the clothes and asked, "then, my clothes ..."

Xia ruofei couldn't help but sigh. This girl was really stubborn ...

"Your clothes are covered in what you vomited," he said helplessly. "You can't wear them anymore. There's no one else in my villa at night, so ..."

Lu You looked at Xia ruofei and asked, "you ... You helped me change?"

Xia ruofei nodded silently and immediately explained, "But I was helping you change behind you, I really didn't mess around ..."

"Don't say anymore ..." Lu You's ears turned red. She said hurriedly, "go and help me make some hangover soup!"

"Oh!" Xia ruofei immediately opened the door and left the room as if he was escaping.

Lu You was wearing Xia ruofei's thermal underwear as she sat on the bed. Her face felt hot. She lifted the blanket and realized that she was still wearing the pair of jeans. Luckily, he only changed his clothes and not his pants ...

When she thought of this, Lu You could not help but cover her face again. It was already too much for her to change her clothes. She could clearly feel that she was empty inside. This meant that Xia ruofei had even taken off her bra ...

That guy said he didn't look around, who knows ... Lu You thought shyly.

At this moment, she looked up and saw her clothes hanging on the balcony.

So, he had already washed my clothes last night ... Lu You couldn't help but feel warm in her heart.

Then, she saw the black lace bra hanging on the hanger. She couldn't help but imagine Xia ruofei sitting behind her last night and taking off her clothes one by one. In the end, she even took off her bra. She couldn't help but blush.

This time, I really don't have the face to see anyone ... Lu You wailed in her heart.

After a while, there was a soft knock on the door, followed by Xia ruofei's voice. "Lu You, can I come in?"

Lu You subconsciously clutched the blanket tightly before saying, "Come in!"

Xia ruofei pushed open the door and entered the room with a bowl of hot sour and spicy soup. He did not know how effective this soup was, so he had added some spirit Heart Flower petal solution in it.

Lu You heard Xia ruofei's footsteps and quickly lowered her head, not daring to look at Xia ruofei.

"Drink it while it's hot!" Xia ruofei said gently, "it should help relieve your headache."

Lu You nodded and said in a mosquito – like voice, ""Thank you ..."

Then, she reached out and took the bowl from Xia ruofei's hands. Throughout the entire process, she did not dare to look at Xia ruofei, and her face was red and hot.

It was also Xia ruofei's first time seeing Lu You acting like a little wife. He couldn't help but find it funny. However, he naturally knew why Lu You was so embarrassed, so he didn't want to provoke her and deliberately bring up the topic of changing clothes.

After Lu You vomited last night, her stomach was empty. When she smelled the sour and spicy soup, her appetite was aroused. Very quickly, she finished the entire bowl of soup in big gulps.

Not long after she finished the soup, she felt her headache getting better. She looked up at Xia ruofei and said gratefully, ""Thank you ..."

Xia ruofei smiled and sat down on a stool by the bed. He asked, ""How do you feel now?"

"Much better ..." Lu You lowered her head and said softly, "Xia ruofei, thank you."

"You've already said thank you. " Xia ruofei smiled and said, "it's just a bowl of hangover soup. It's not that big of a deal."

"I'm not talking about The Hangover soup. " Lu You raised her head and looked at Xia ruofei. She said seriously, "I'm saying that I'm really grateful for what happened last night ..."

Xia ruofei nodded silently. After a while, he said, ""Don't do this again. That kind of bar is full of people from all walks of life. It's not suitable for a girl like you. "

"I know ..." Lu You said softly. "I wasn't in a good mood yesterday, so I didn't think too much ..."

Actually, Xia ruofei had already guessed the reason why Lu You went to drink, so he did not continue the conversation. He only said indifferently, ""Well, a fall into a pit, a gain in your wit. Just pay more attention next time."

Xia ruofei stood up and picked up the empty bowl on the bedside table. ""You can sleep for a while longer. I'll go downstairs and cook you some porridge. You were very drunk last night, so it's better for your stomach to eat something light in the morning."

With that, Xia ruofei walked out of the door.

Lu You's white teeth bit her cherry lips lightly. She raised her head and called out, ""Xia ruofei, wait a moment."

Xia ruofei stopped in his tracks, turned around and asked with a smile, ""What's wrong? Is there anything else?"

Lu You blushed and hesitated for a while before saying, ""I want to explain what happened yesterday ... I ... I know you're close to the song family, and I heard from my mother that you cured elder song's terminal illness. You're also good friends with song Rui, so ... I thought that asking you to help would make song Rui give up on the marriage. I really didn't think that much, and I didn't mean to use you ..."

With Lu You's Princess – like temper, even if she was wronged, she would not explain anything to Xia ruofei. Yesterday afternoon, she sat by the river in a daze and did not take the initiative to look for Xia ruofei. However, after the bar incident, her attitude seemed to have changed a lot.

Chapter 423: letting go of past enmity (3)

After she finished speaking, Lu You looked at Xia ruofei nervously. At this moment, she had already forgotten the awkwardness that Xia ruofei had felt when he helped her change her undergarments.

Xia ruofei smiled and said, ""I know."

"Then ..." Lu You bit her lower lip and asked, "are you still angry with me?"

Xia ruofei smiled. "I was very angry at first, but then I thought about it. With your temper, I don't think you'd think about such a deep problem. It was probably an unintentional mistake! That's why I'm not that angry."

"I'm sorry ..." Lu You said softly.

Xia ruofei waved his hand and said, ""Forget it. It's all in the past. I'm not such a petty person."

Then, Xia ruofei asked again, "but after you met song Rui yesterday, did you realize that the problem was not as serious as you thought?" Actually, you should have told me earlier. That way, there wouldn't have been so many misunderstandings!"

"You ... You already knew that song Rui ..." Lu You asked in surprise.

Xia ruofei shrugged and said, "he's my good brother!" I already knew what he was thinking, but song Rui didn't tell me that you were his marriage partner. Otherwise, there wouldn't be so many misunderstandings later on!"

Lu You couldn't help but glare at Xia ruofei and said angrily, ""Then why didn't you tell me you were going to leave the restaurant yesterday?"

Xia ruofei laughed and said, "you've already set me up. Why should I tell you so much?" Besides, song Rui is already at the door. You'll naturally talk it out when you see him. Why would I do anything unnecessary?"

"You ..." Lu You was also speechless.

"Alright, is there anything else? I'm going to make congee." Xia ruofei said.

Lu You still had an angry look on her face and ignored Xia ruofei. Xia ruofei laughed, pushed the door open, and walked out of the room.

After Xia ruofei left, Lu You couldn't help but burst out laughing. Her pretty face was red, and she didn't look angry at all.

Xia ruofei made congee with pork and century egg for Lu You. Since ye Lingyun and Li Zhifu had gone to Mount Wuyi and there was no one else living in the villa, Xia ruofei brought the pressure cooker into the house. The two of them sat in the bedroom and ate breakfast together.

After eating, Xia ruofei went downstairs to clean up the pots and bowls. He returned to the room and said to Lu You, "Your clothes aren't dry yet. I think you should rest here for today!"

"Alright!" Lu You said immediately.

"Oh, you should stay in your room during the day. Don't go out!" Xia ruofei said, "there are people working downstairs during the day and there are many workers on the farm. If you go out from here, I won't be able to explain myself."

Lu You laughed and said, "I know!" I won't go anywhere, I'll even eat in my room, okay?"

Xia ruofei nodded and said, "yes!" I'll bring you lunch. "

As the two of them were talking, Lu You's phone rang. She took her handbag from the bedside table and took out her phone. She quickly made a shushing gesture to Xia ruofei and said, "It's Yueyue. "

"Hey, Yueyue ..." Lu You looked at Xia ruofei and said guiltily.

"Youyou, why didn't you go back to the dormitory last night?" Jiang Yue asked with concern.

"Oh ... I ... I'm going back to my grandfather's house." Lu You's face turned slightly red.

"I see! Don't you usually go back on the weekends? Why did you suddenly run back yesterday?" Jiang Yue asked curiously.

"Something came up at home." Lu You said, "by the way, Yueyue, help me apply for leave from professor Liu's elective class this morning! I'm not feeling well, so I don't want to go. "

"Are you okay? Are you sick?"

"Oh, it's nothing. Just a little cold." Lu You quickly said, "Yueyue, my grandfather is calling me. I won't talk to you anymore!" Remember to ask for leave for me!"

After she finished speaking, Lu You hurriedly hung up the phone. When she looked up, she saw Xia ruofei looking at her with a smile that was not a smile. She couldn't help but feel embarrassed and said, "What are you looking at? It's all because of you!"

"How is it related to me again?" Xia ruofei spread his hands and said, "am I wrong to help you wash your clothes?"

"If you didn't leave in a Huff yesterday, would I have gone to the bar to drink?" Lu You rolled her eyes at Xia ruofei and said, "it's all your fault!"

"Fine ..." Xia ruofei shrugged and said, "miss Lu, I'm impressed by your logic!"

Lu You laughed and rolled her eyes at Xia ruofei. She didn't say anything else.

Xia ruofei said, "I'll go out first. If you're bored, you can watch TV or go online. Call me if you need anything."

"I know."

After Xia ruofei left Lu You's room, he went straight to the study.

Xia ruofei had a laptop in his own bedroom. He rarely used the study room, but there was still a desktop in it.

Xia ruofei turned on the desktop case and took out the hard drive that he had taken out from the zero degrees fantasy bar last night from the spirit map space. He found the backup power cable and data cable in the case and connected the hard drive to the computer. Then, he turned on the power supply of the case.

After entering the system, Xia ruofei took a quick look and realized that the system had recognized the hard drive with only one drive symbol. It seemed that the kick yesterday had not damaged the hard drive.

He immediately clicked on the hard drive, and sure enough, it contained a copy of the surveillance video.

The images from each camera were stored in different folders. Xia ruofei searched through them and quickly found the video file that was an hour around the time when Lu You sent him the WeChat message.

Xia ruofei opened the player software and started to look at the videos.

He wanted to know what had happened before he rushed to the bar yesterday, and at the same time, he wanted to make a backup of these videos.

Last night, he had made a scene at the bar and a few people had been seriously injured. This matter could be big or small. In an emergency like yesterday, it was impossible to make it watertight, so Xia ruofei had to plan ahead.

These videos were the best evidence.

Chapter 424: Lu You has changed (1)

Xia ruofei first turned on the surveillance video from the camera at the entrance of the bar.

Very soon, he saw Lu You's figure on the surveillance screen.

Lu You was all alone. She had a look of hesitation on her face. She hesitated at the door of the bar and walked in.

Xia ruofei took a look at the time displayed on the surveillance screen. Then, he quickly found the surveillance video of the bar's interior. He pulled the progress bar to the corresponding time and saw the scene of Lu You walking in from the door.

Xia ruofei saw Lu You sitting in front of the bar counter. Hence, he found the image of a camera behind the bar counter among the many surveillance cameras. After zooming in to the corresponding time, he saw Lu You in the image.

This camera was facing Lu You's position, so he could see it very clearly.

The surveillance video was playing on the computer. Xia ruofei lit a cigarette and sat in front of the computer, watching silently.

Seeing Lu You ordering a strong rum with a bleak expression and drinking alone at the bar, Xia ruofei felt his heart ache for no reason.

In the image, Lu You's expression was wooden as she drank one cup after another. During this time, many people came to strike up a conversation with her, but they were all rejected by Lu You coldly.

After watching for a while, Xia ruofei's eyes narrowed. He saw a burly man, who was obviously a bar Guardsman, walking behind Lu You.

As expected, a conflict broke out very quickly. Lu You ran away after kicking the burly man and disappeared from the surveillance camera's range very quickly.

Xia ruofei saw a few burly men chasing after Lu You. Although he knew that Lu You did not suffer any substantial injuries in the end, Xia ruofei's expression still turned very ugly.

Very quickly, he found Lu You's figure in the surveillance video of the corridor outside the bathroom. When he saw Lu You hiding in the bathroom and a few burly men kicking at the door outside, he could not help but clench his fists.

Xia ruofei looked at the time and then turned on his phone. This was the time when Lu You had called him for help but to no avail. She then sent him a WeChat message.

Xia ruofei could imagine how helpless Lu You must have felt at that time. His heartstrings could not help but tremble again.

Very quickly, the men broke through the door and left. Then, Lu You, who was resisting fiercely, was carried to the second floor by them.

He was simply lawless! Xia ruofei snorted in his heart.

He had been ruthless the day before. A few of them would definitely be crippled for life. He had attacked in a fit of anger and had not considered much. Now that he had seen these videos, Xia ruofei felt that he had been too lenient. He should have crippled every single one of them.

Xia ruofei also noticed that Lu You had been awake throughout the entire process and had been resisting fiercely. However, when he saw her, she was completely drunk. He thought of the empty wine bottle he saw in the room last night and understood what was going on.

Naturally, there were no surveillance cameras in that room. However, Xia ruofei still watched for a while. He realized that after Lu You was locked in that room, Fang Luo's figure only appeared on the surveillance screen after more than ten minutes.

Xia ruofei was also rejoicing. If Fang Luo had not delayed her for more than ten minutes, Lu You might not have been able to wait for him to save her and would have been defiled by that bastard.

After all, Taoyuan farm was 20 to 30 kilometers away from the city. Xia ruofei could not fly there.

Soon, Xia ruofei saw himself in the video with a murderous look on his face. At this time, he had already finished off brother Hu and the others on the first floor and was rushing up.

A few burly men who were guarding the door rushed forward and were easily defeated by Xia ruofei. Then, he kicked the door open without hesitation and quickly pulled out a military dagger and threw it.

The video ended there. Due to the angle, the camera could not see what was happening in the room. However, since Xia ruofei had experienced it personally, there was no need to see it anymore.

After Xia ruofei finished watching the video, he leaned back in his chair and heaved a long sigh of relief. He was still afraid.

At this moment, he suddenly felt heavy breathing behind him. He quickly turned around and realized that Lu You was standing behind him. Her eyes were fixed on the computer screen. Her eyes were filled with fear, and her body was trembling.

Xia ruofei quickly stood up.

He had focused all his attention on the surveillance video just now. In addition, he was in an absolutely safe environment. He did not notice when Lu You had appeared behind him.

From the looks of it now, it was obvious that Lu You had been here for a while. She must have seen the scenes that had left a huge psychological shadow in her heart.

Xia ruofei went up and put his arm around Lu You's shoulder. "Don't be afraid, it's all in the past ..."

Lu You nodded her head heavily and could not help but lean her face against Xia ruofei's broad chest. Tears flowed out of her eyes and quickly drenched Xia ruofei's clothes.

Xia ruofei hugged Lu You with one hand and patted her back with the other. He kept consoling her.

Lu You's entire body was trembling. She had just watched the entire process again, and her heart was filled with fear and lingering fear. She was very clear that last night could be said to have been a close call. If Xia ruofei had not arrived in time, she did not dare to imagine the consequences.

At that time, even if her mother was a member of the Standing Committee of the Provincial Party Committee, it would be of no use.

Chapter 425: Lu You has changed (2)

Even if Tian Huilan had thousands of ways to annihilate Fang Luo's entire gang after the incident, even if she were to hack Fang Luo into pieces, the damage done would never be fixed.

Lu You had also seen Xia ruofei rush up to the second floor and beat up those big men like he was chopping melons and vegetables. Then, he had broken into the room. At that moment, she suddenly felt a huge sense of security. Even when she was watching the video, when she saw Xia ruofei's figure in the video, she still felt as if she had found a safe harbor.

She had been pampered and pampered since she was young. She had never experienced such helplessness or even despair. Because of this, the sense of security she felt after seeing Xia ruofei was precious, so she also hugged Xia ruofei tightly.

A charming beauty was hugging him like this and crying like a Pear Blossom bathed in rain. From time to time, there was a faint fragrance that assailed his nose. This made Xia ruofei's body stiffen and he did not know where to put his hands.

He knew that Lu You's emotions were very unstable now, so he didn't dare to push her away rashly. He could only stand there and comfort her in a low voice.

After a while, Lu You's emotions finally calmed down.

Only then did she realize that she had hugged Xia ruofei so tightly and had buried her head in his broad chest.

Lu You quickly got out of Xia ruofei's arms and reached out to wipe her tears. She blushed and said softly, "I'm sorry ..."

Xia ruofei smiled. "It's okay. It's all in the past. It's all fine now. You don't have to be afraid."

"Yes ..." Lu You nodded her head gently and said, "thank you ..."

Xia ruofei smiled. "You're welcome. Next time, don't go to these places where the good and the bad are mixed together. It's really dangerous."

"I understand ..." Lu You said obediently.

Ever since Xia ruofei met Lu You, he had never seen her so submissive. He was not used to it.

He sat back down next to the computer and copied the videos he had just selected into a folder. Then, he opened a video editing software.

Lu You, who was at the side, asked curiously, "Xia ruofei, what are you doing?"

Xia ruofei turned to her and smiled. "Edit these videos. Last night's attack was a little heavy. Although I have taken back the surveillance hard drive, it's hard to guarantee that it won't be filmed. Even if the police come to find me, I will have evidence to use!"

"Ah? 'Yesterday, you ...' Lu You asked, 'you didn't kill someone, did you?'"

"No, I didn't," Xia ruofei said with a smile.

Lu You immediately felt relieved. If Xia ruofei really got into a murder case because of her, she would feel even more apologetic. Although those scumbags deserved to die and Xia ruofei was only trying to save people, if someone really died, Xia ruofei would still have to bear some responsibility. Besides, even Tian Huilan might not be able to protect Xia ruofei.

Besides, if it wasn't absolutely necessary, Lu You definitely didn't want Tian Huilan to know about yesterday's incident.

Xia ruofei continued, "I've only crippled a few people. I think three or four of them will be disabled!" As for that master Luo who ordered his men to arrest you, he probably won't be able to leave his wheelchair for the rest of his life, and he won't be able to harm other girls anymore ..."

Lu You's face blushed slightly when she heard this. She naturally understood what Xia ruofei meant. Although Xia ruofei was very ruthless and made her feel a little scared, she also felt a warm current in her heart.

Xia ruofei did not say anything more. He dragged the videos to the video editing software and started editing and combining them.

Of course, he had also made a copy of the original video material.

Lu You moved a chair over and sat beside Xia ruofei, quietly watching him work.

It was strange that after she had cried in Xia ruofei's arms, she no longer felt afraid when she saw the videos.

Xia ruofei was very focused on operating the computer, and Lu You would sneak a glance at Xia ruofei from time to time. Then, she quickly turned her eyes back to the computer screen.

A seed seemed to be quietly sprouting in the young girl's heart.

Perhaps even Lu You herself did not realize it.

Very quickly, Xia ruofei edited and synthesized a short video. The entire process from the moment Lu You entered the room to the moment she was forcefully carried to the second floor and locked in a room by a few burly men was clear at a glance.

Xia ruofei browsed through the app once and confirmed that there were no problems. Then, he clicked to create the video.

Then, he threw the mouse away and said with a smile, ""Done!"

It took some time to generate the video. Xia ruofei turned around and said to Lu You, ""The workers are all at work now. Pang Hao is still working on the first floor, so I'll have to trouble you to stay upstairs for the day. Otherwise, it'll be hard to avoid misunderstandings if others see you."

Lu You nodded. "It's okay. Besides, my clothes are still wet. I can't just wear this and wander around your farm!"

Xia ruofei looked at Lu You, who was wearing his large thermal underwear, and could not help but laugh.

The heater in the room was very strong, so Lu You did not wear a coat. Xia ruofei's clothes were very loose on Lu You. The hem almost covered her thighs. It was like a short skirt, and it looked very flirtatious when it was loose.

Xia ruofei couldn't help but take a few more glances.

Lu You was a little embarrassed by Xia ruofei's gaze and could not help but lower her head.

The moment she lowered her head, her face turned red. She crossed her arms in front of her chest and glared at Xia ruofei.

"I'll get you a coat!" Xia ruofei said.

With that, Xia ruofei left the study room as if he was escaping. He went to his bedroom to find a sports suit jacket and returned to the study room to pass it to Lu You.

When Lu You saw Xia ruofei enter, she subconsciously used her hands to block her chest and said with a red face, ""Put it on the side!"

"Good, good, good!" Xia ruofei said, "then I'll go out first. I still have to go to the orchard and the construction site to take a look. You can do as you please!" They can read or play on the computer, but they won't come upstairs without my permission. "

"I know ..." Lu You said with a red face.

Xia ruofei quickly left the study and went downstairs.

Lu You was no longer as unruly as she used to be in front of him. She would even blush from time to time. Xia ruofei was really not used to it. However, he also realized that if Lu You was not being unreasonable, her delicate appearance was actually quite likable.

Of course, this thought only flashed past his mind for a moment before Xia ruofei forced it out of his mind.

Now that he already had Ling Qingxue, he subconsciously felt that he shouldn't think about those things.

With this thought in mind, Xia ruofei did not return to the second floor for the entire morning. Instead, he wandered around the greenhouse, the construction site, and the orchard.

Even Cao tieshu and the others were muttering in their hearts, "is boss not very satisfied with everyone's recent work?" Usually, it was very difficult to see the boss. Why did he walk around so many times today?

They were much more active in their work. If they knew the reason why Xia ruofei was wandering around, they would not know whether to laugh or cry.

In the afternoon, Xia ruofei made a simple lunch for himself. When it was close to noon, pang Hao went to the bank in the city to settle some matters. Xia ruofei did not need to leave any food for him. He brought it all upstairs and had lunch with Lu You.

Then, Xia ruofei let Lu You take a nap in his bedroom while he continued to wander around the farm. It was only until the workers had all left work in the evening and Lu You's clothes were completely dry that he brought Lu You downstairs after she had changed her clothes. Then, he drove her back to Sanshan University.

Chapter 426: Trouble at the door (1)

The night had just fallen, and the lights were dim.

On the campus of Sanshan University, some students were walking to the internet cafe outside the school in groups of three to five, some were heading to the sports field in sports attire, and many were rushing to the self – study rooms with books in their hands.

The flashy Knight XV walked through the campus, earning a lot of heads.

Xia ruofei specially found a place that was relatively far away from Lu You's dormitory and very secluded to park the car.

Lu You didn't say much along the way. She just sat quietly in the front passenger seat in a daze. It was only when the car stopped that she woke up from her dream and said, "Ah! We've arrived ..."

Xia ruofei smiled and said, "miss Lu, what were you thinking about on the way here?" I feel like I'm in a daze!"

Lu You was a little depressed. She said softly, "Nothing ... Xia ruofei, thank you for sending me back. I ... I'm leaving ..."

Xia ruofei smiled and nodded. "En, quickly go back! I don't want your classmate to worry. "

The look of disappointment on Lu You's face disappeared in a flash. She unbuckled her seat belt silently, opened the door, and got out of the car.

Just as she took two steps, she suddenly heard Xia ruofei call out, "Lu You!"

A hint of joy flashed in Lu You's eyes. She quickly turned her head and asked, "What is it?"

"I'll keep what happened yesterday a secret," said Xia ruofei, " but you have to remember not to go to such a dangerous place again. "

The trace of anticipation in Lu You's eyes gradually dissipated. She lowered her head and said softly, "I know, goodbye ..."

Xia ruofei smiled and waved at Lu You. Then, he stepped on the accelerator and the Knight XV off – Road vehicle drove away from Lu You.

Lu You turned back and looked in the direction that Xia ruofei had left in. She only let out a sigh after the tail lights of Knight XV had disappeared and walked back to the dormitory.

After Xia ruofei left Sanshan University, he did not return to Taoyuan farm. Instead, he asked Ling Qingxue out for a meal. After the meal, the two of them even went to Sanshan square to watch a movie. After the movie ended, Xia ruofei went shopping with Ling Qingxue. The two of them were usually busy with their own things and did not have much time to date, so they treasured their time together.

Xia ruofei even gave Ling Qingxue three portions of jade skin ointment. It looked like he had found it in the trunk of the car, but in reality, Xia ruofei had taken it out of the spirit map space when Ling Qingxue's line of sight was blocked and put it in a paper bag in the trunk.

Ling Qingxue was a natural beauty. She was tall and slender. Even Xia ruofei was mesmerized by her long, elastic legs. After using the jade skin cream recently, her skin became even more tender and delicate.

Xia ruofei almost couldn't control himself. Lu You's youthful and beautiful body yesterday had already made him feel a little angry, but he had been suppressing it forcefully. Today, ever since they met, Ling Qingxue had been sticking to Xia ruofei. Whether it was watching a movie or shopping, she would always hold Xia ruofei's arm tightly. Her delicate body was tightly pressed against Xia ruofei's. As they

rubbed their heads against each other, Xia ruofei's heart naturally itched even more and he couldn't bear it.

It was a pity that Ling Xiaotian was also at their Riverside Villa today. Naturally, Xia ruofei could not go back to have sex with Ling Qingxue. Xia ruofei wanted Ling Qingxue to follow him back to Tao Yuan farm, but Ling Qingxue hesitated for a long time before rejecting him. After all, she was a girl, and it was definitely not good for her to not return at night. Although Ling Xiaotian might not mind, Ling Qingxue was still too thin – skinned.

Xia ruofei was also helpless about this. He could only send Ling Qingxue home like a gentleman and then drive back to Taoyuan farm alone.

For the next few days, Xia ruofei was very well – behaved and basically stayed in Taoyuan farm.

Of course, he had also been paying attention to the local news these few days. Although the news did not report the conflict at the zero degree dream bar that night, he did not take it lightly. These days, he had been living in seclusion, trying to avoid showing his face in the city.

In reality, Xia ruofei was so careful because he had promised Lu You to keep her secret. If he had told Tian Huilan directly, not only would he be fine, but Fang Luo and his gang would not be able to escape from prison even if they were disabled. They might even get shot.

All these years, Fang Luo had caused quite a bit of trouble for girls. If Tian Huilan were to get involved in this matter personally, then all the things that he had done would definitely be exposed. They would find out everything about him. Even stealing a dog when he was young would not be able to escape the investigation.

However, since he had promised Lu You, Xia ruofei could only be more careful and wait for this period of time to pass.

After all, if they were to strictly follow the law, even if Xia ruofei had a reason to save her, he would still be suspected of intentional injury if he were to be so heavy – handed.

However, there was no such thing as an impervious wall in this world. Moreover, there were many guests in the bar when Xia ruofei had rushed in that day.

Hence, even though Xia ruofei lived in seclusion on the farm, trouble still came knocking on his door.

It had only been two days since the incident at the zero degree dream bar.

One day, Xia ruofei was strolling around the orchard with lightning when he received a call from Lei Hu, saying that a few police officers had come to the farm to look for him.

Xia ruofei was mentally prepared for this. He immediately turned around and walked down the mountain.

When he arrived at the villa, Xia ruofei saw a valiant female police officer standing in front of his Knight XV off – Road vehicle. Her eyes were filled with adoration.

Chapter 427: Trouble at the door (2)

The policewoman was about twenty – five or twenty – six years old, and her well – fitting police uniform outlined her figure perfectly, especially her chest, which was quite large at first glance. The police uniform was stretched tightly, and the buttons on her chest seemed to be in danger of bursting at any time.

There were two other police officers beside the policewoman, both in their thirties, but they looked more like her subordinates. The two of them stood at the side, their expressions were far less relaxed than the policewoman's, and their faces were full of vigilance.

Lei Hu also greeted them from the side, but the three of them had no intention of talking to Lei Hu.

When he saw Xia ruofei walking in with lightning, Lei Hu shouted, ""Brother Xia!"

There was a trace of worry in his eyes. The three policemen obviously came with ill intentions. He had seen their IDs, and they were all from the city Police detachment.

Usually, when the criminal Police were dispatched, it would definitely not be a small case.

Xia ruofei smiled and nodded at Lei Hu, giving him a comforting look.

When the two male police officers saw Xia ruofei, they squinted their eyes at the same time. Then, they quietly moved a few steps towards the door, blocking Xia ruofei's way out.

Lei Hu could not help but frown.

Xia ruofei naturally saw the two policemen's actions, but he had a faint smile on his face and pretended not to see Jian Jia. In fact, if Xia ruofei really wanted to leave, even ten times more people would not be able to stop him, let alone two of them.

But his career was here, and even if the police were here for the zero degrees dream bar, what happened that night wasn't a big deal. He wouldn't run away for this.

When the big – breasted policewoman heard the noise, she finally looked away from the Knight XV and turned to look at Xia ruofei.

"Police comrades, is there something you need from me?" Xia ruofei asked indifferently.

His eyes subconsciously swept over the policewoman's impressive chest. At this moment, Xia ruofei couldn't help but have a thought. With such a big "burden" on her, how could the policewoman run when she caught the thief? She should have been doing office work. Why did she become a Criminal Police officer?

In fact, Xia ruofei could not be blamed for this. The policewoman's "chest" was too eye – catching. It was hard not to attract Xia ruofei's attention.

The female police officer sharply felt Xia ruofei's gaze and a trace of anger flashed in her eyes. In fact, she was very troubled by this. She had met many similar gazes over the years and it made her feel very embarrassed every time.

The female police officer glared at Xia ruofei and asked stiffly, ""You're Xia ruofei?"

Xia ruofei nodded and continued to ask, ""Why are you looking for me?"

“Is this car yours?” The female police officer ignored Xia ruofei and continued to ask.

Xia ruofei frowned and said indifferently, “Police officer, what do you want from me? My time is precious. ”

The policewoman snorted coldly and said, “aren’t I interrogating you?” Is this car yours or not?”

Xia ruofei couldn’t help but feel angry. He said, “Interrogation? What crime have I committed that I need to be interrogated?”

“Don’t you know that in your heart?” The female police officer asked Xia ruofei with a half – Smile.

Xia ruofei’s expression turned cold as he said, “I don’t want to play riddles with you anymore!” Officer, no matter what questions you have, please show me your identification! This request of mine isn’t too much, is it?”

“You ...” The female police officer glared at Xia ruofei and almost lost her temper.

However, when she saw the other two police officers looking in her direction, she suppressed her anger and reached into her shirt pocket to take out her police badge.

Xia ruofei clearly saw the peaks on the female police officer’s chest tremble a few times when she took out her identification card. He couldn’t help but secretly click his tongue in wonder. He didn’t expect that she could still put an identification card in such a tight place ...

The female police officer showed her id to Xia ruofei and said, “We’re from the criminal Police Division of the city Public Security Bureau. We need your assistance in an investigation of a case. ”

Xia ruofei picked his ears and said calmly, “It was too fast, I didn’t see clearly ...”

“What do you mean by that?” The female police officer glared at him and asked sternly.

Xia ruofei shrugged and said, “I didn’t see clearly.” Even a God wouldn’t be able to see you clearly, right? Who knows if your id is fake? Recently, there have been a lot of scammers pretending to be soldiers and police! Although our Tao Yuan farm is a small business, it’s hard to guarantee that we won’t be targeted by scammers ...”

“Xia ruofei, watch your attitude. Who are you calling a liar?” The female police officer gritted her teeth and asked.

“I’m just saying that it’s possible. ” Xia ruofei said innocently, “officer, your id is not something that can be seen by others. Didn’t your superiors teach you that you should take the initiative to show your ID to the public when you’re on a mission?”

The female police officer’s face was ashen. She opened her police badge and showed it to Xia ruofei. Then, she said through gritted teeth, “Take a good look!”

Xia ruofei grinned and suddenly pounced forward.

The female police officer’s expression changed slightly. The two police officers behind Xia ruofei also subconsciously reached for their waists.

Chapter 428: Trouble at the door (3)

The female police officer's vision blurred, and then the police badge in her hand disappeared.

She took a closer look and saw Xia ruofei smiling as he held the police ID. He said as he looked at it, ""Don't be nervous, I just want to see it clearly ..."

The female police officer and her two colleagues looked at each other, and all three of them showed a hint of vigilance.

Xia ruofei's movements were too fast. It was so fast that the three of them did not see it clearly.

Especially the female police officer. She didn't even have time to react before her police badge was already in Xia ruofei's hands.

What if it wasn't a police ID, but a gun?

This person was extremely dangerous! A thought came to the policewoman's mind. She took two steps back without a sound and raised her hand slightly, slowly reaching for the holster at her waist.

Xia ruofei seemed to be very interested in the police ID. After looking at it for a long time, he said with a smile, ""Qin Xiao Yu, good name! It's just that using such a demure name on you seems a little ... Tsk tsk, you're already a vice – Captain at such a young age, amazing!"

The police ID showed that the policewoman named Qin Xiao Yu was the Deputy Captain of the first criminal investigation team of the city Public Security Bureau's Criminal Police detachment. She was only twenty – five years old this year.

Qin Xiao Yu's expression was very ugly, she snorted coldly and asked: ""Have you seen enough?"

Xia ruofei pouted and threw the ID to Qin Xiaoyu, saying, ""Isn't it just an id? I don't think you'll lose anything later! Hmm, this id looks real ..."

Qin Xiao Yu caught the police badge and when she heard Xia ruofei's words, her lungs were about to explode. She shouted, ""What do you mean it looks real? We are the police!"

Xia ruofei shrugged noncommittally and said, ""Alright, I've seen the documents. Officer Qin, if you have any questions, ask!"

Qin Xiao Yu glared at Xia ruofei and took a deep breath to calm herself down. She then asked in a business – like tone, ""Mr. Xia ruofei, may I know where you will be on the 18th of April from 8 to 8:30 p.m.? What do you want me to do?"

"On the 18th, I was at the farm ..." Xia ruofei answered without thinking.

"You're lying!" Qin Xiao Yu immediately interrupted Xia ruofei's words, "many surveillance cameras in the city have captured you driving this overbearing off – Road vehicle and running several red lights in a row. Finally, you went to the direction of the zero degree dream bar by the North River."

Qin Xiao Yu stared into Xia ruofei's eyes when she was talking, especially when she was talking about the zero degree dream bar. She stared at Xia ruofei closely but she did not see any change in his expression.

Xia ruofei furrowed his brows and said, "am I done?" Officer Qin, do you know that it's very impolite of you to interrupt someone like this?"

Qin Xiao Yu's face revealed a cold smile and said, "Didn't you just say you were on the farm?"

Xia ruofei said indifferently, "I said that I was at the farm the entire day. I went out to pick up a friend at night. I can't remember the exact time. I don't know if it was the time you mentioned."

Qin Xiao Yu cursed in her heart, cunning!

During the whole process, the other two police officers did not speak. This case should be directed by Qin Xiao Yu. Although the two male police officers were older than Qin Xiao Yu, they were likely to be her subordinates.

In fact, Qin Xiao Yu and the others did not have any substantial evidence. After receiving the report that night, they found out that all the surveillance data had been taken away. The gangsters who were beaten up could not give a reason, and Fang Luo and brother Hu were still in a coma.

However, Qin Xiao Yu had retrieved the information from the surveillance cameras at the intersection and immediately noticed that there was something wrong with Xia ruofei's off – Road vehicle. It was rushing towards the direction of zero degree dream like a madman.

So, she brought two subordinates to investigate. As soon as she entered the courtyard, she saw the off – Road vehicle.

Qin Xiao Yu was about to continue asking when her phone rang.

She glared at Xia ruofei and took out her phone. "Hello? I'm Qin Xiao Yu ... Right? That's great ... I'll ask for a reward for you later!"

After Qin Xiao Yu hung up the phone, she looked at Xia ruofei with an unfriendly gaze ...

Chapter 429: in the police station again (1)

Xia ruofei saw Qin Xiao Yu's expression and couldn't help but smile bitterly. He knew that the investigators must have gotten some evidence and it was very likely that the evidence was pointing to him.

In fact, this was the case.

The case of the zero degree dream bar was definitely not a small case since it had been transferred to the criminal Police. Qin Xiao Yu was the leader of the team who had arrived at the scene that night. She had seen the tragic state of the gang of gangsters with her own eyes, especially brother Hu and Fang Luo's appearance. Even as a police officer who was used to crime scenes, she still felt a chill in her heart.

That method was too vicious and cruel ...

Especially when they found Fang Luo on the second floor, Qin Xiao Yu almost vomited on the spot. When the other male police officers saw the scene, they clamped their legs together subconsciously.

Qin Xiao Yu was the person in charge of this case and her police officers had split up to handle the case. She had brought two of her subordinates to question Xia ruofei, who was a suspect of the crime, while many other police officers were doing interviews and investigation work.

It was another group of police officers who had just received the news. They had found a few customers who had spent at the bar that night and had taken photos of Xia ruofei beating up the big men who were guarding the place. Brother Tiger and Fang Luo, who were lying in the hospital on the verge of death, had identified the photos as the culprits.

Hence, Xia ruofei had suddenly become the prime suspect.

Qin Xiao Yu stared into Xia ruofei's eyes and said,"Xia ruofei, you're suspected of an intentional injury case. I'm now officially summoning you on behalf of the criminal Police detachment of the Sanshan Public Security Bureau! We'll make up the relevant documents immediately, so please come with us now!"

"Brother Xia!" Lei Hu, who was at the side, looked at Xia ruofei nervously.

Xia ruofei calmly waved his hand at Lei Hu and then said to Qin Xiao Yu,"Alright, let's go!"

Qin Xiao Yu hesitated for a moment and took out the handcuffs from her waist.

Xia ruofei squinted his eyes and said,"officer Qin, I've already agreed to go back with you. Is there still a need for this?" And ... Do you think this thing can handcuff me?"

"Cut the crap!" Qin Xiao Yu snorted coldly and said,"you're a suspect now, what right do you have to bargain?"

After that, Qin Xiao Yu walked up with the handcuffs.

To be honest, Qin Xiao Yu was actually very nervous at this time. One would know if there was an expert once they made a move. Although Xia ruofei had only shown a little bit of his skills, Qin Xiao Yu could tell that Xia ruofei's skills were definitely better than hers.

The two police officers were also on guard, their hands already on the handles of their guns.

Xia ruofei shrugged his shoulders and did not resist. Instead, he stretched out his hands with a relaxed expression.

With two clacking sounds, the bright handcuffs were placed on Xia ruofei's wrists.

Xia ruofei raised his hand and looked at it indifferently, while Qin Xiao Yu gently pushed his back and said,"Let's go!"

Xia ruofei followed the two police officers unhurriedly to the Santana police car that they had driven over. He did not forget to stop and tell Lei Hu to pass on the message to pang Hao that he would be temporarily in charge of the farm work.

When they reached the police car, one of the police officers opened the back door and got in first. The other police officer gently pushed Xia ruofei, signaling him to get in.

At this time, Qin Xiao Yu also opened the door of the front passenger seat and was ready to get in.

“Officer Qin ...” Xia ruofei called out.

Qin Xiao Yu turned around and saw Xia ruofei holding the pair of handcuffs in his hand. He said with a smile, “You should keep it well! There’s no place to buy this thing if we lose it ...”

Qin Xiao Yu was stunned. She had clearly handcuffed Xia ruofei to his hands just now and she had deliberately done it very tightly in order to make Xia ruofei suffer. She had never thought that Xia ruofei would be able to get his hands off his hands so easily and the three of them had not even noticed.

In fact, Xia ruofei had already learned this trick when he was in the Army. After taking the body tempering soup a few times, Xia ruofei’s control of his muscles and bones had improved. It was easy for him to break free from the handcuffs.

While Qin Xiao Yu was still in a daze, Xia ruofei laughed and hung the handcuffs on the open door handle, then got into the police car.

Qin Xiao Yu finally came back to her senses. She couldn’t help but glare at Xia ruofei fiercely and picked up the handcuffs with a dejected face. She didn’t mention the handcuff on Xia ruofei anymore. Since Xia ruofei could break free so easily, wouldn’t it be humiliating to handcuff him again?

I hope there won’t be any more trouble on the way ... Qin Xiao Yu said in her heart.

The other policeman had a strange look on his face. He looked at Xia ruofei before getting into the car. The other two policemen sandwiched Xia ruofei in the middle.

However, they still didn’t feel safe at all, and their hearts were in their throats the whole way.

Xia ruofei, on the other hand, leaned back in his seat and closed his eyes. The car drove all the way to the city Police station. After entering the fast way around the city, Xia ruofei even started to snore softly.

Xia ruofei was sleeping soundly after the bumpy ride. He was still snoring even after the police car stopped in the courtyard of the criminal Police detachment.

Qin Xiaoyu was in a state of fear along the way, afraid that Xia ruofei would suddenly attack her. On the way, Qin Xiaoyu even investigated Xia ruofei’s file through the internal system. However, she could only find out that Xia ruofei had served in a military group before and retired from active service early last year. She could not see any detailed information about his service period.

Chapter 430: in jail again (2)

This made Qin Xiao Yu even more worried. She could vaguely feel that it was not that Xia ruofei’s file was incomplete, but that she did not have enough authority to see it.

Her superb skills and mysterious military service experience had made Qin Xiao Yu quite vigilant and her heart was hanging on the edge along the way.

So when she saw Xia ruofei sleeping soundly, Qin Xiao Yu was also furious. She motioned for the police officer beside Xia ruofei to get out of the car, then bent down and shouted, “Hey! Get up!”

Xia ruofei smacked his lips, adjusted his position, and continued to sleep.

Qin Xiao Yu was so angry that she pushed Xia ruofei and shouted, “Quickly get up!”

She had never seen such a big – hearted criminal suspect. He was already caught in the police car and could still sleep. He even slept the entire way to the police station and refused to wake up. This was really weird.

Qin Xiao Yu called out a few times before Xia ruofei woke up in a daze.

“Get out of the car!” Qin Xiao Yu said coldly.

Xia ruofei shrugged his shoulders and slowly got out of the car.

Qin Xiao Yu and the two police officers brought Xia ruofei into an interrogation room that was already prepared.

The interrogation room was equipped with cameras from multiple angles. Other than that, the furnishings were very simple. In front of it was a long desk with three seats. One of the seats had a computer monitor in front of it.

Opposite the desk was a metal chair fixed to the ground. There was a fence around the chair, a little like a small table for children to eat. There were two thick metal rings on it, which were obviously for the person who was being sent to sit.

After Xia ruofei entered, he walked over and sat on the chair.

One of the police officers went forward to lock the buckle and took out the handcuffs from his waist. He hesitated for a moment and looked at Qin Xiao Yu who was in a daze at Peach Blossom Farm. Xia ruofei’s amazing skill of getting rid of the handcuffs had left a deep impression on him. Now, he was a little hesitant about whether he should handcuff Xia ruofei and whether there was any meaning to it.

Qin Xiao Yu frowned and shook her head slightly. The policeman immediately kept the handcuffs and walked back to the table to sit down.

The other police officer had already turned on the computer with both hands on the keyboard. He was obviously in charge of taking notes.

Qin Xiao Yu, who was sitting in the middle, said with a hint of sarcasm: ““You’re very familiar with the procedures! Do you go to the police station often?”

“It’s alright ...” Xia ruofei smiled faintly. “Officer Qin, if you have anything to ask, can you ask now?”

Qin Xiao Yu snorted coldly and asked in a business – like tone: “Name?”

“Xia ruofei.”

“Age”

.....

After the first few routine questions, Qin Xiao Yu said coldly, ““Xia ruofei, tell me in detail where you went and what you did the night before yesterday, from 8 to 8:30 p.m. On the 18th of April.”

Qin Xiaoyu paused for a moment and added, ""We already have clear evidence in our hands. You'd better think clearly before you answer. I don't need to repeat the principle of leniency to those who confess and severity to those who resist, do I?"

Xia ruofei said indifferently, "I was surfing the internet at home on the farm that night. After I received a WeChat message from my friend, I went to the zero – degree dream bar in the beijiangbin area and picked her up. Then, I went home. If I remember correctly, it should be around the time you mentioned!"

"Picking up a friend?" Qin Xiao Yu sneered and said, "did nothing else happen?"

Xia ruofei smiled and said, ""The owner of the bar is too nice to my friends. He insisted on having my friends stay, so I had to use some tricks ..."

"Xia ruofei! Don't be so cheeky! Correct your attitude! This is the Public Security Bureau!" Qin Xiao Yu rebuked.

Xia ruofei shrugged his shoulders, still looking relaxed.

Qin Xiao Yu stared at Xia ruofei and asked: "that night, there were a total of thirteen people who were injured. This is the little trick you were talking about?"

Xia ruofei pouted. "That's impossible. I know what I'm doing. No one will die!"

"So, you admit that you were the one who hit him?" Qin Xiao Yu continued to ask.

Xia ruofei nodded and said, "yes, I did."

Qin Xiao Yu and the other two police officers looked at each other and saw a trace of joy in each other's eyes. Qianqian's case had been solved too smoothly, in less than three days, the murderer had been caught.

Qin Xiao Yu said to the policeman on her right, ""Da Qiang, go and settle the relevant procedures and arrest him!"

"Alright!" Da Qiang stood up and said.

"Officer Qin, don't you want to know why I hit you?" Xia ruofei's tone turned cold as he asked, "don't you police know anything about that master Luo? I wonder what kind of person he is?"

Qin Xiao Yu said coldly: "no matter what the reason is, no matter what the victim did before, it's illegal for you to hit someone. Moreover, you hit him so seriously."

Then Qin Xiao Yu continued to speak in a business – like manner: ""Xia ruofei, describe in detail how you attacked him!"

Xia ruofei sneered. "Yes, I know that even if that master Luo is a scumbag, he's still protected by the law. But do you know what would have happened to my friend if I hadn't arrived in time that night?" She just went to the bar to spend some money, and she was taken to his room by the subordinate of the victim you mentioned. She was even forced to drink an entire bottle of wine!"
