

1. The Reincarnated Goddess is Fierce

2107 Looking for Him (1)

The young master of the Xiao family was called Xiao Yujie. He was in his early twenties and was a third-grade martial master.

This kind of strength was considered not bad here. Of course, all of this was piled up with various resources and pills.

Xiao Yujie liked to flirt with women everywhere. Whenever he saw a commoner beauty, he would shoot at her home.

As long as one did not have a background, they would not be able to escape his demonic claws.

He was quite picky. If she came knocking on his door, he would not like her.

He liked to play the game of running and chasing with others.

This time, he saw two sisters at a stall.

Although they looked a little old-fashioned, with his many years of experience, he could tell that they were disguised.

Then, he decisively got someone to remove their disguise.

They were indeed pretty girls!

Although they were not very outstanding, they were twins!

If the two sisters who looked almost identical were together...That taste!

Therefore, he immediately got someone to arrest the two of them.

However, he did not expect one of them to escape.

However, it did not matter. He believed that he would be able to capture that little girl very soon.

In order to enjoy it better, he didn't attack the crescent moon immediately.

It's the real taste!

He brought Yue Ya to a residence and had someone guard her.

After he caught the other one, he could enjoy it together.

Thinking of that feeling, he felt that he could not hold on any longer.

Just as he was indulging in his fantasies, a loud noise suddenly came from outside. Then, a few servants rushed in with a panicked expression.” Young Master, Young, Young Master...” No, not good!”

“What’s not good?”

Xiao Yujie stood up abruptly with a dark face.” Let’s talk things out!” Who dares to cause trouble?”

One had to know that the Xiao family was the local emperor here. They were not afraid of others at all.

Most importantly, he knew how to adapt to the situation. No matter how much trouble he caused, he would not make it impossible to clean up.

The girl he had just caught today clearly had no backing.

If he really had a backer, why would he need to show his face in public?

Therefore, he was not worried at all.

If they dared to resist, the Xiao family would not let them off.

The servants were shocked.” Someone, someone is coming in!”

“Who dares to be impudent here?”

Xiao Yujie said unhappily as he walked out.

However, before he could walk out, his vision blurred and his heart ached. He flew backward.

When he landed on the table and chair, the pain woke him up.

“Young Master!”

The others were shocked and immediately rushed forward to help him up.

Xiao Yujie held his chest and coughed a few times. He felt that his chest had been stomped flat.

He flew into a rage.” Who dares to be impudent here!”

When he saw who it was, he was stunned.

She was a great beauty!

The beautiful woman stood at the door. The light was a little against her, and her beautiful face looked even more exquisite because of the haziness.

For a moment, he was stunned.

This was too beautiful! Sunnywood City had such a beautiful woman?

Why had he never heard of it before?

Very soon, the beauty walked in and glared at him.” You’re the young master of the Xiao family?”

“You know me?”

Xiao Yujie pushed away the servant beside him who was supporting him and tried his best to put on a handsome appearance.” It seems that you are interested in me...”

Qi Xibei’s mouth twitched. Was this guy out of his mind?

How did he come to this conclusion?

Or rather, he had been spoiled to the point where he did not know the severity of the situation at all.

2108 Looking for Him (2)

Xiao Yujie tidied up his clothes and put on a carefree posture.” Miss, may I know...”

Before he could finish, Qi Xibei interrupted him.” Hand over my sister.””

“Younger sister?” He was stunned for a moment and did not react.

Who was the sister she was talking about?

“My sister!”

Yueyuan poked her head out from behind and said loudly.

After saying that, she could not help but shrink back.

Xiao Yujie’s eyes lit up when he saw the full moon. He didn’t even care about the pain in his chest.

“So it’s you! I didn’t expect you to have such a beautiful sister in your family.”

His smile was bright and greedy, and the desire in his eyes was about to emerge.

He had originally thought that the twins were already not bad. He did not expect them to be so good!

If he could keep such a top-grade item in his room, that feeling...

Looking at Qi Xibei’s long legs, Xiao Yujie almost drooled.

However, before he could drool, he was interrupted by Qi Xibei.

“Ah!”

He screamed and flew backward, his chest almost turning black.

“Young Master!”

The others were anxious.

Qi Xibei had kicked the young master just now, but because Xiao Yujie's reaction was too calm, he had been mesmerized by the beauty, so they did not do anything.

However, who would have thought that before he could finish speaking, this woman would attack again!

This was too much!

Everyone immediately rushed forward, wanting to catch Qi Xibei.

However, Qi Xibei's actions exceeded their expectations.

She moved her feet and rushed out like an arrow. She passed through the crowd and directly grabbed Xiao Yujie from the ground. Her expression was calm." I don't want to talk nonsense with you. Where's my sister?"

Just as the others were about to make a move, they realized that their young master had fallen into the other party's hands!

Everyone was stunned!

Xiao Yujie was also shocked.

The first kick could be said to be because he was not mentally prepared, which was why he was injured.

However, why could he come a second time!

After being kicked twice, he couldn't lie to himself anymore-this woman wasn't to be trifled with!

"Do you know who I am?" He felt weak in his heart, and he looked fierce on the outside but was weak on the inside.

This beauty looked like she was only in her teens. How could she be so powerful?

After all, he was a third-grade Martial Master!

Such strength was also a famous expert among the younger generation here!

Although this expert was a little exaggerated, he was not that easy to deal with.

Now, he could not help but doubt his life after being kicked by Qi Xibei. "Of course I know. He's the young master of the Xiao family." "Don't you know who you are?" Qi Xibei asked calmly.

"Since you know who I am, you still dare to..."

"Then do you know who I am?" Qi Xibei glanced at him indifferently.

"You... Who are you?"

As expected, Xiao Yujie was stumped by Qi Xibei's question and could not help but suspect her identity.

Could she be from some family?

Otherwise, how could she have such strength at such a young age!

"It doesn't matter who I am. What's important is that if my sister is injured, you can forget about living." Qi Xibei chuckled and sized him up. His eyes fell on a certain spot and paused for a moment before slowly moving away.

Xiao Yujie couldn't help but shrink back at this glance. He felt that he would be crippled in the next second.

He broke out in a cold sweat. Who was this woman? She was too cruel!

"Bring him out."

Qi Xibei grabbed Xiao Yujie with one hand and said to the others.

The servants hesitated for a moment before she punched Xiao Yujie.

“Ah!”

2109 Chapter 2111-Release

Xiao Yujie screamed, his stomach churning.

“Young Master!”

The others were shocked.

This woman was too unreasonable!

He had just kicked the young master twice, and now he was going to punch him again?

This was too much!

“If anything happens to my sister, you can wait for death.” Qi Xibei’s smile was very gentle, but it made one’s scalp tingle.

Everyone understood that she would definitely do what she said.

Moreover, the strength she displayed also let everyone know that she had the ability to do what she said!

“Hurry up and bring her out!”

Xiao Yujie finally managed to catch his breath and immediately cursed at the others.

What kind of situation is this? You don’t have any foresight at all!

Under such circumstances, they still didn’t bring him over. Did they want him to die?!

Xiao Yujie felt guilty but at the same time, he was also ruthless.

All this while, he had been acting all high and mighty here.

He was the only one who bullied others. He had never been bullied by others.

Even people from other families would give him some face. Qi Xibei was the only one who didn't give him any face!

Under the threat of violence, his desire for Qi Xibei quickly turned into hatred.

The feeling of having his life in the hands of others was really too depressing.

Hearing Xiao Yujie's roar, the others nodded and immediately went to bring the crescent moon out.

Moonfang was locked in a room. There was nothing in the room. Even the cups were made of wood. The walls were also surrounded. It was useless even if she wanted to kill herself.

It could be seen that Xiao Yujie was very experienced in this area. Perhaps it was because there were too many girls who had tried to kill themselves before, so he knew how to learn from them and improve.

Being locked in here with someone guarding outside, the heavens didn't respond and the earth didn't respond. Yue Ya was about to despair.

Was she really going to die here?

Was she really going to be defiled by that scumbag?!

While she was in despair, she was still thinking about the full moon.

He wondered if Yueyuan had escaped.

Half a day had passed, but the full moon had not returned. She did not know if things were good or bad.

If Yueyuan managed to escape, that would be a good thing.

If the full moon was given by them...

The more Crescent Moon thought about it, the more terrified she felt. The color of blood on her little face had disappeared.

When the door was opened, she was like a frightened little beast. She immediately jumped up and looked at the door in fear. She even took the wooden bowl on the table and used it as a weapon.

When the servant entered and saw this scene, he didn't know whether to laugh or cry.

However, they were more concerned about their young master.

"Come out!"

They shouted at Yue Ya.

"I'm not going out!" Yue Ya held the wooden bowl tightly, refusing to budge.

If he went out, he would be dead for sure.

One of the servants was a little impatient, but before he could say anything, another person patted him on the head and glared at him warningly. Then, he said to Yue Ya, "Someone is here to pick you up."

Yue Ya was shocked. Who would come to pick her up?

"Hurry up and come out. Otherwise, later..."

Although Yue Ya was flustered, she still gritted her teeth and followed him out.

Along the way, she was still desperately looking for a chance to leave.

However, there was no room to leave.

Her heart was filled with anxiety and panic, but when she saw Qi Xibei and Yueyuan, it immediately turned into a pleasant surprise.

"Sister Bei! Full moon!"

Without waiting for the others to speak, she had already rushed towards them and hugged Yueyuan.

Yueyuan also opened his arms and hugged her.

“Sis!”

The two sisters hugged each other, tears streaming down their faces.

“I’ve sent her out for you. You should let me go, right?” Xiao Yujie whispered.

2110 Chapter 2111-No Such Person Found

Qi Xibei glanced at Xiao Yujie, smiled, and decisively let him go.

However, before Xiao Yujie could say anything, she tapped his body a few times.

“You, what are you doing?” Xiao Yujie’s face immediately turned pale.

After being poked a few times by Qi Xibei, he could not move his body.

“It’s nothing. I just want you to rest for a while.” Qi Xibei shrugged. “Don’t worry. You’ll be able to move in two hours. However, if you act recklessly, I can’t guarantee the outcome.”

Two hours?

Xiao Yujie tried hard to move, but he found that he couldn’t move.

He became even more flustered. What kind of evil technique was this?

Qi Xibei glanced at the others. “I advise you not to move around. Otherwise, I can’t guarantee that your young master will be fine.”

The others immediately cowered.

This great beauty looked beautiful, but her methods were shocking.

“Alright, we’ll be leaving first.”

Qi Xibei left with Yueya and Yueyuan.

Looking at their backs, Xiao Yujie gritted his teeth.” Hurry up and get me a doctor!””

“Yes, sir!”

The others immediately rushed out. Some went to find a doctor, while others went to report to the Xiao family’s old master and the others.

Soon, the doctor came over.

After a thorough examination, the doctor shook his head.” I’m sorry, but I can’t do anything about it.”

Xiao Yujie’s face darkened.” Why are you so useless?”!”

The doctor’s face darkened, but he still held back his anger and said,”This is the work of an expert. This old man is lacking in talent and knowledge, and there’s nothing I can do.”

After saying that, he left without waiting for them to say anything.

Looking at the old doctor’s back, Xiao Yujie’s face darkened even more.

Unfortunately, he couldn’t move. Even if he jumped, it was useless.

Old Master Xiao waited for him angrily.” How many times have I told you not to do anything rash?! Now, let’s see how you cry!”

“Father...”

Xiao Yujie cried,” I don’t want to either! It’s all their fault!”

“If you didn’t do this, why would they harm you?”

Old Master Xiao was very angry.” That person can treat you like this, which means she’s not an ordinary person. This matter ends here. Don’t mess around anymore!”

Grandpa Xiao was very angry and frowned.” Have you found out the identity of that woman?”

The butler stood up and said,” I’ve checked. The sisters saved a girl in the forest not long ago, but we can’t find out the girl’s identity.”

These words made Great-grandfather frown.” You can’t find out? Why can’t we find it?”

They were the natives of Sunnywood City, and the people and things here could not escape their intelligence.

“Yes, I am. She seemed to have appeared out of thin air. There was no information about her in the other cities nearby.”

After all, she was so good-looking. It was impossible for her to not have any reaction.

Old Master Xiao helplessly said to the old master,””Father, that’s enough. Since there’s nothing else, don’t bother anymore! It was already not bad that he did not argue with Jie!”

“How can we go over like this!” Great-Grandfather Fang slammed his walking stick on the ground with an ugly expression.” Who knows who this woman is and why she’s here!” If…”

Before he could finish, Old Master Xiao’s expression changed.

From what they said, this woman was powerful and had an extraordinary personality.

Such a person was definitely not an ordinary person.

It would be strange if she said that there was nothing special about her!

Besides, they had something to do now.

“She even kicked me twice and punched me!”Xiao Yujie shouted from the side.

This time, he was really too miserable.

“Serves you right! Who told you to mess around!” Old Master Xiao glared at him.
